

## FEDERAL RESERVE BOARD

WASHINGTON

July 21, 1921.  
St. 2144.

SUBJECT: Statistics relating to State  
Banks and Trust Companies  
eligible for membership in  
Federal Reserve System.

Dear Sir:

With a view of bringing the data requested in the Board's letter, St. 1299, dated July 20, 1920, up to date may we ask that you kindly furnish the Board at your earliest convenience with a statement showing the number, capital, surplus, and total resources of State bank and Trust companies in your district having capital stock sufficient to meet capital requirements for membership in the Federal Reserve System as of June 30, 1921, or the nearest date thereto for which data are available.

The statement should be compiled in the manner indicated in the letter above referred to, a copy of which is enclosed herewith.

Very truly yours,

Walter L. Eddy,  
Assistant Secretary.

Enclosure.

Letter sent to each Federal Reserve Agent.
