

FEDERAL RESERVE BOARD
WASHINGTON

February 20, 1922.
St.2608.

SUBJECT: Schedule on Personnel for
1921 Annual report.

Dear Sir:

Referring to the schedule on personnel furnished in response to the Board's letter X-3274 of December 19, it has been decided, pending the adoption of a uniform system of classifying officers and employees by all Federal reserve banks, to use a form of schedule in the 1921 annual report that will admit of ready comparison with the figures for December 31, 1920, as shown in the 1920 annual report. Accordingly, we are enclosing herewith a copy of the schedule for your bank and would request that you advise the Board whether the figures for the two years are on a comparable basis, and if not that necessary changes in the 1921 figures be indicated.

Very truly yours,

Walter L. Eddy,
Assistant Secretary.

Letter sent to F. R. Agents at all banks except Atlanta.
