CONFIDENTIAL

Subject: Protective Measures.

Dear Sir:

In connection with the investigation of the recent robbery at the Denver Mint, suggestion has been made that it might be desirable for the Secret Service Division of the Treasury Department to make a survey of the protective measures employed at all Federal Reserve Banks and Branches. The suggestion has met with the approval of the Federal Reserve Board and Treasury Department and the Secret Service will therefore undertake such a survey, following which a report will be rendered to the Federal Reserve Board and Treasury Department and such suggestions and recommendations as may be made with respect to your Bank and Branches, if any, will be communicated to you in due course.

Very truly yours,

Acting Governor.
