RESOLUTION LEVYING ASSESSMENT

Whereas, under Section 10 of the act approved December 23, 1913, and known as the Federal Reserve Act, the Federal Reserve Board is empowered to levy semi-annually upon the Federal reserve banks in proportion to their capital stock and surplus an assessment sufficient to pay its estimated expenses, including the salaries of its members, assistants, attorneys, experts and employees for the half-year succeeding the levying of such assessment, together with any deficit carried forward from the preceding half-year; and

Whereas, it appears from estimates submitted and considered that it is necessary that a fund equal to one-tenth of one per cent of the total paid-in capital stock and surplus of the Federal reserve banks be created for the purpose hereinbefore described, exclusive of the cost of engraving and printing of Federal reserve notes; Now, therefore,

Be it resolved, That pursuant to the authority vested in it by law, the Federal Reserve Board hereby levies an assessment upon the several Federal reserve banks of an amount equal to one-tenth of one per cent of the total paid-in capital and surplus of such banks as of June 30, 1925, and the Fiscal Agent of the Board is hereby authorized to collect from said banks such assessment and execute, in the name of the Board, receipts for payments made. Such assessments will be collected in two installments of one-half each; the first installment to be paid July 1, 1925, and the second half on September 1, 1925.
