

FEDERAL RESERVE BOARD

142

WASHINGTON

ADDRESS OFFICIAL CORRESPONDENCE TO
THE FEDERAL RESERVE BOARD

X-4522

February 3, 1926.

SUBJECT: Stocks of Unissued F. R. Notes.

Dear Sir:

You are requested to prepare and submit to the Federal Reserve Board, at your early convenience, an estimate of the amount of each denomination of the Federal Reserve notes of your bank you may be called upon to issue during the calendar year 1926. This information is desired for the purpose of regulating the production of Federal Reserve notes during the coming year.

For your guidance, I would state that the Board is of the opinion that its stock of unissued Federal Reserve notes should at all times include approximately a twelve months' supply of each denomination of the notes of each bank, and that not more than a six months' supply of each denomination of unissued notes should be in the custody of the Federal Reserve Agents.

By direction of the Federal Reserve Board,

Yours very truly,

Walter L. Eddy,
Secretary.

TO ALL F. R. AGENTS.
