ADDRESS OFFICIAL CORRESPONDENCE TO
THE FEDERAL RESERVE BOARD

Dear Sir:

There is enclosed herewith a list of member and non-member banks reported to the Board as having suspended operations during the month of December and of banks previously suspended which resumed business during the same month. The statement also includes any corrections made in the lists previously sent to you. It will be appreciated if you will kindly check the data pertaining to your district against your records and advise the Board as soon as practicable whether or not any corrections or additions are necessary therein.

We are also enclosing a statement showing the number of bank suspensions in each state in your district by months during 1926 and it will be appreciated if you will have this statement checked against your records and advise us of any changes that appear necessary. In notifying us of changes in this statement kindly give the names, locations, etc., of the banks added or eliminated. The names of these banks may be ascertained by referring to the monthly lists of bank suspensions furnished to you for checking each month, since the number shown in the attached statement for each month is the same as that contained in the regular monthly statement with such changes therein as you have requested us to make, and which have been shown on the last page of subsequent statements.

Very truly yours,

Walter L. Eddy,
Secretary.
