

FEDERAL RESERVE BOARD

WASHINGTON

ADDRESS OFFICIAL CORRESPONDENCE TO
THE FEDERAL RESERVE BOARD

June 13, 1931.
B-382.

SUBJECT: Call Condition Reports of
Member Banks

Dear Sir:

There are being forwarded to you today under separate cover copies of Form 105. Kindly hold the blank forms at your bank until receipt of telegraphic notice from the Board, whereupon three copies should be mailed to each state bank and trust company member with the request that the forms be held pending receipt of a call for condition reports.

The Board is desirous of obtaining again a preliminary classification of loans and investments of reserve city and of country banks in each Federal reserve district, as was done for the last four calls. It will be appreciated if you will kindly arrange to have such data wired to the Board within three weeks from the date designated for the next call report, if practicable, in the same form as the data were furnished for the last call. It is suggested that before the figures are telegraphed to the Board they be compared with corresponding figures for March 25 in order to make sure that they are on a comparable basis.

Very truly yours,

E. M. McClelland,
Assistant Secretary.
