FEDERAL RESERVE BOARD

WASHINGTON

ADDRESS OFFICIAL CORRESPONDENCE TO
THE FEDERAL RESERVE BOARD

July 20, 1932.

SUBJECT: Federal Reserve Exhibit at
Chicago World's Fair in 1933.

Dear Sir:

Referring to the Board's letter of September 2, 1931, No. X-6956, it will be appreciated if you will suggest to the Board at your earliest convenience the name of any member of your organization who would be desirable and available for service on a system committee to arrange for an exhibit at the International Exposition at Chicago in 1933. It would also be appreciated if you would describe any material that you may have that would be helpful to this committee, particularly material accumulated in connection with exhibits held at meetings of the American Bankers Association and elsewhere. In view of the fact that the plans for the Exposition have progressed quite far, it would be desirable to have such a committee at work as promptly as possible, and it will be appreciated if you will send in the names and the material at your early convenience.

Very truly yours,

Chester Morrill,
Secretary.
