

FEDERAL RESERVE BOARD

WASHINGTON

ADDRESS OFFICIAL CORRESPONDENCE TO
THE FEDERAL RESERVE BOARDSeptember 16, 1932.
B-840.

SUBJECT: Call Condition Reports of Member Banks.

Dear Sir:

There have been forwarded to you under separate cover copies of Form 105 to be used by State bank members in submitting their condition reports as of the next call date. Kindly hold the blanks at your bank until you are advised by the Board to forward them to the State bank members, whereupon please mail three copies to each such bank with the request that they be held pending receipt of a call for condition reports.

It will be appreciated if you will kindly arrange to have the usual preliminary classification of loans and investments of reserve city and of country banks in your district wired to the Board within three weeks, if practicable, from the date of the next call report. It is suggested that the figures be compared with corresponding data for the preceding call before they are telegraphed to the Board, in order that any obvious discrepancies may be detected and promptly reconciled.

It will also be appreciated if you will kindly have your staff make a special check of Schedule AA, in view of the fact that quite a number of banks did not properly complete the schedule on the June 30, 1932 call.

Very truly yours,

Chester Morrill,
Secretary.

TO ALL FEDERAL RESERVE AGENTS*.
