RESOLUTION LEVYING ASSESSMENT.

WHEREAS, Section 10 of the Federal Reserve Act, as amended, contains the following provisions:

"The Federal Reserve Board shall have power to levy semiannually upon the Federal reserve banks, in proportion to their capital stock and surplus, an assessment sufficient to pay its estimated expenses and the salaries of its members and employees for the half year succeeding the levying of such assessment, together with any deficit carried forward from the preceding half year, and such assessments may include amounts sufficient to provide for the acquisition by the Board in its own name of such site or building in the District of Columbia as in its judgment alone shall be necessary for the purpose of providing suitable and adequate quarters for the performance of its functions. After approving such plans, estimates, and specifications as it shall have caused to be prepared, the Board may, notwithstanding any other provision of law, cause to be constructed on the site so acquired by it a building suitable and adequate in its judgment for its purposes and proceed to take all such steps as it may deem necessary or appropriate in connection with the construction, equipment, and furnishing of such building. The Board may maintain, enlarge, or remodel any building so acquired or constructed and shall have sole control of such building and space therein.

" * * * * *

"The Board shall determine and prescribe the manner in which its obligations shall be incurred and its disbursements and expenses allowed and paid, and may leave on deposit in the Federal reserve banks the proceeds of assessments levied upon them to defray its estimated expenses and the salaries of its members and employees, * * * and funds derived from such assessments shall not be construed to be Government funds or appropriated moneys."

-2-

WHEREAS, fifty-eight and one-half per cent of the assessment levied upon the Federal reserve banks on June 27, 1934, (the portion of the assessment representing the amount which, in the judgment of the Board, might have been needed during the six months period beginning July 1, 1934, to provide for the costs, or part thereof, of the acquisition of a site and erection of a building thereon suitable and adequate for the Board's quarters) was not called for payment by the Board during the six months period beginning July 1, 1934; and,

WHEREAS, it appears from a consideration of the estimated expenses of the Federal Reserve Board for the six months period beginning January 1, 1935 and of the amounts which in the judgment of the Board may be needed during such period to provide for the costs, or part thereof, of the acquisition of a site and erection of a building thereon suitable and adequate for the Board's quarters, that it is necessary that a fund equal to five hundred seventy-six thousandths of one per cent (.00576) of the total paid-in capital stock and surplus (Section 7 and Section 13b) of the Federal reserve banks be created for such purposes, exclusive of the cost of engraving and printing of Federal reserve notes;

NOW, THEREFORE, BE IT RESOLVED BY THE FEDERAL RESERVE BOARD, That:

(1) There is hereby levied upon the several Federal reserve banks an assessment in an amount equal to five hundred seventy-six thousandths of one per cent (.00576) of the total paid-in capital and surplus (Section 7 and Section 13b) of each such bank at the close of business December 31, 1934.

(2) Twenty-one per cent of such assessment shall be paid in on January 2, 1935, twenty-one per cent thereof shall be paid in on March 1, 1935, and the remainder (fifty-eight per cent) shall be paid at such times and in such amounts as the Board may call for the payment thereof during such six months period beginning January 1, 1935.

(3) Every Federal reserve bank except the Federal Reserve Bank of Richmond shall pay such assessment by transferring the amount thereof on the dates as above provided through the Gold Settlement Fund to the Federal Reserve Bank of Richmond for credit to the account of the Federal Reserve Board on the books of that bank, with telegraphic advice to Richmond of the purpose and amount of the credit, and the Federal Reserve Bank of Richmond shall pay its assessment by crediting the amount thereof on its books to the Federal Reserve Board on the dates as above provided.
