

## FEDERAL RESERVE BOARD

WASHINGTON

ADDRESS OFFICIAL CORRESPONDENCE TO  
THE FEDERAL RESERVE BOARD

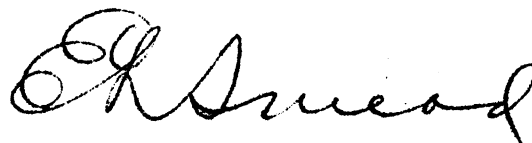

November 19, 1935  
B-1107

SUBJECT: Form F.R. 194

Dear Sir:

It is requested that beginning with the report on Form F. R. 194 for November, 1935, the amount of new Federal Reserve notes on hand at end of the report month be subdivided into notes of the 1928 series and notes of the 1934 series. In this connection it has come to our attention that in some instances Federal Reserve notes issued to the Federal Reserve bank and subsequently returned to the agent in original packages are being reported as "fit" Federal Reserve notes. It will be appreciated if in future reports on Form 194 all new Federal Reserve notes in original packages held by the Federal Reserve Agent are reported as new notes.

Very truly yours,

E. L. Smead, Chief,  
Division of Bank Operations.
