ADDRESS OFFICIAL CORRESPONDENCE
TO THE BOARD

May 15, 1936.

Dear Sir:

As you know, on May 8, 1936, Chairman Eccles addressed the Seventh Annual Wharton Institute of the University of Pennsylvania, at New York. Because of the public interest in the matters discussed in the address, it was felt that copies should be sent to the Federal reserve banks for the information of the officers and directors of the bank who may wish to read it. Accordingly, six copies of the address are being forwarded to you today under separate cover and additional copies will be sent to you on request.

Very truly yours,

Chester Morrill

Chester Morrill,
