

BOARD OF GOVERNORS  
OF THE  
FEDERAL RESERVE SYSTEM  
WASHINGTON

ADDRESS OFFICIAL CORRESPONDENCE  
TO THE BOARD

December 14, 1936.  
B-1184.

Dear Sir:

Under date of August 28, there was forwarded to you, as stated in the Board's letter B-1170 of that date, a supply of blank forms for the use of State bank members and their affiliates in submitting reports as of the next call date. Inasmuch as the usual Fall call for reports has not been made, the blank forms now in the possession of State bank members should be used in submitting the reports usually called for at the end of the year. In addition, however, it is desired that the banks report the amounts of their agricultural loans and farm real estate owned by them as of the next call date. For this purpose please send three copies of Form 105-f,                      copies of which have been sent to you under separate cover, to each State bank member at the time it is formally notified of the next call for condition reports, with the request that a report thereon be submitted in duplicate at the same time that the condition report on Form 105 is submitted.

The information called for by Form 105-f is the same as was called for by the two memorandum items which appeared at the bottom of page 4 of Form 105 on the June 30, 1936 call for condition reports. It is expected that this information will be called for regularly hereafter as of the mid-year and end-of-year calls, but it is proposed to include the items in Form 105 rather than in a separate schedule as is being done in the present instance. It is suggested that the figures reported on Form 105-f be compared with the corresponding figures reported in the two memorandum items at the bottom of page 4 of the reports rendered as of June 30, 1936, in order to make sure that the figures reported for the two call dates appear to be comparable. One copy of the report on Form 105-f should be sent to the Board and the other copy retained by your bank.

Very truly yours,

*Chester Morrill*
