R-943-a

EXECUTIVE ORDER NO. 9001
AUTHORIZING THE WAR DEPARTMENT, THE NAVY DEPARTMENT, AND THE UNITED STATES MARITIME COMMISSION TO PERFORM THE FUNCTIONS AND EXERCISE THE POWERS DESCRIBED IN TITLE II OF AN ACT APPROVED DECEMBER 18, 1941, ENTITLED "AN ACT TO EXPEDITE THE PROSECUTION OF THE WAR EFFORT", AND PRESCRIBING REGULATIONS FOR THE EXERCISE OF SUCH FUNCTIONS AND POWERS

The successful prosecution of the war requires an all-out industrial mobilization of the United States in order that the materials necessary to win the war may be produced in the shortest possible time. To accomplish this objective it is necessary that the Departments of War and the Navy and the United States Maritime Commission cooperate to the fullest possible degree with the Office of Production Management in the endeavor to make available for the production of war material all the industrial resources of the Country. It is expected that in the exercise of the powers hereinafter granted, these Agencies and the Office of Production Management will work together to bring about the conversion of manufacturing industries to war production, including the surveying of the war potential of industries, plant by plant; the spreading of war orders; the conversion of facilities; the assurance of efficient and speedy production; the development and use of subcontracting to the fullest extent and the conservation of strategic materials.

TITLE I

1. By virtue of the authority in me vested by the Act of Congress, entitled "An Act to expedite the prosecution of the War effort", approved December 18, 1941, (hereinafter called "the Act") and as President of the United States and Commander-In-Chief of the Army and Navy of the United States, and deseming that such action will facilitate the prosecution of the war, I do hereby order that the War Department, the Navy Department, and the United States Maritime Commission be and they hereby respectively are authorized within the limits of the amounts appropriated therefor to enter into contracts and into amendments or modifications of contracts heretofore or hereafter made, and to make advance, progress, and other payments thereon, without regard to the provisions of law relating to the making, performance, amendment, or modification of contracts. The authority herein conferred may be exercised by the Secretary of War, the Secretary of the Navy, or the United States Maritime Commission respectively or in their discretion and by their direction respectively may also be exercised through any other officer or officers or civilian officials of the War or the Navy Departments or the United States Maritime Commission. The Secretary of War, the Secretary of the Navy, or the United States Maritime Commission may confer upon any officer or officers of their respective departments, or civilian officials thereof, the power

to make further delegations of such powers within the War and the Navy Departments, and the United States Maritime Commission.

2. The contracts hereby authorized to be made include agreements of all kinds (whether in the form of letters of intent, purchase orders, or otherwise) for all types and kinds of things and services necessary, appropriate or convenient for the prosecution of war, or for the invention, development, or production of, or research concerning any such things, including but not limited to, aircraft, buildings, vessels, arms, armament, equipment, or supplies of any kind, or any portion thereof, including plans, spare parts and equipment therefor, materials, supplies, facilities, utilities, machinery, machine tools, and any other equipment, without any restriction of any kind, either as to type, character, location or form.

3. The War Department, the Navy Department, and the United States Maritime Commission may by agreement modify or amend or settle claims under contracts heretofore or hereafter made, may make advance, progress, and other payments upon such contracts of any percentum of the contract price, and may enter into agreements with contractors and/or obligors, modifying or releasing accrued obligations of any sort, including accrued liquidated damages or liability under surety or other bonds, whenever, in the judgment of the War Department, the Navy Department, or the United States Maritime Commission respectively the prosecution of the war is thereby facilitated. Amendments and modifications of contracts may be with or without consideration and may be utilized to accomplish the same things as any original contract could have accomplished hereunder, irrespective of the time or circumstances of the making of or the form of the contract amended or modified, or of the amending or modifying contract, and irrespective of rights which may have accrued under the contract, or the amendments or modifications thereof.

4. Advertising, competitive bidding, and bid, payment, performance or other bonds or other forms of security, need not be required.

TITLE II

Pursuant to Title II of the Act and for the protection of the interests of the United States, I do hereby prescribe the following regulations for the exercise of the authority herein conferred upon the War Department, the Navy Department, and the United States Maritime Commission.

1. All contracts and all purchases made pursuant to the Act and this Executive Order shall be reported to the President of the United States. Such reports shall be made at least quarter-annually, provided, however, that purchases or contracts of less than \$100,000 may be consolidated in such reports with other such purchases and need not be separately

set forth. In case the War Department, the Navy Department, or the United States Maritime Commission shall deem any purchase or contract to be restricted, confidential, or secret in its nature by reason of its subject matter, or for other reasons affecting the public interest, such purchases or contracts shall not be included with those described in the report just mentioned, but shall be included in a separate report containing such restricted, confidential, or secret purchases or contracts. The Secretary of War, the Secretary of the Navy, and the United States Maritime Commission shall make public so much of such reports (other than those reports covering restricted, confidential, or secret contracts or purchases) as they shall respectively deem to be compatible with the public interest.

2. Notwithstanding anything in the Act or this Executive Order the War Department, the Navy Department, and the United States Maritime Commission shall not discriminate in any act performed thereunder against any person on the ground of race, creed, color or national origin, and all contracts shall be deemed to incorporate by reference a provision that the contractor and any subcontractors thereunder shall not so discriminate.

3. No claim against the United States arising under any purchase or contract made under the authority of the Act shall be assigned except in accordance with the Assignment of Claims Act, 1940 (Public No. 811, 76th Congress, approved October 9, 1940).

4. Advance payments shall be made hereunder only after careful scrutiny to determine that such payments will promote the national interest and under such regulations to that end as the Secretary of War, the Secretary of the Navy, or the United States Maritime Commission may prescribe.

5. Every contract entered into pursuant to this order shall contain a warranty by the contractor in substantially the following terms:

The contractor warrants that he has not employed any person to solicit or secure this contract upon any agreement for a commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right to annul the contract, or, in its discretion, to deduct from the contract price or consideration the amount of such commission, percentage, brokerage, or contingent fees. This warranty shall not apply to commissions payable by contractors upon contracts or sales secured or made through bona fide established commercial or selling agencies maintained by the contractor for the purpose of securing business.

6. Nothing herein shall be construed to authorize the cost-plus-a-percentage-of-cost system of contracting.

7. Nothing herein shall be construed to authorize any contracts in violation of existing law relating to limitation of profits, or the payment of a fee in excess of such limitation as may be specifically set forth in the act appropriating the funds obligated by a contract. In the absence of such limitation, the fixed fee to be paid the Contractor as a result of any cost-plus-a-fixed-fee contract entered into under the authority of this Order shall not exceed seven per centum of the estimated cost of the contract (exclusive of the fee as determined by the Secretary of War, the Secretary of the Navy, or the United States Maritime Commission, as the case may be).

8. No contract or modification or amendment thereof shall be exempt from the provisions of the Walsh-Healey Act (49 Stat. 2036) because of being entered into without advertising or competitive bidding, and the provisions of such act, the Davis-Bacon Act, as amended (49 Stat. 1011), the Copeland Act, as amended (48 Stat. 948), and the Eight Hour Law, as amended by the Act of September 9, 1940 (Public No. 781, 76th Congress) if otherwise applicable shall apply to contracts made and performed under the authority of this Order.
