ANNUAL REPORT
OF THE
SUPERINTENDENT OF BANKS
OF THE
STATE OF ALABAMA

FOR THE FISCAL YEAR ENDING
SEPTEMBER 30, 1918

TO THE GOVERNOR

Montgomery, Ala.
The Brown Printing Company,
State Printers and Binders,
1918.

Hon. Charles Henderson,
Governor.

DEAR SIR :

I submit herewith my annual report covering the year ending September 30th, 1918, but including published reports from the banks on the call for statements as of Nov. 4th, 1918. All receipts and disbursements are shown herein, as required by the Act creating this Department.

Since the date of last report from this Department, one bank has been taken possession of for liquidation, to-wit:

Goodwater: Farmers & Merchants Bank.

We have permitted the following banks to voluntarily liquidate since the last report, requiring bonds to be given to properly protect creditors, to-wit:

Bridgeport: J. C. Jacobs Banking Co.

Larkinsville: Larkinsville Banking Co.

Clanton: First State Bank.

Vincent: Coosa Valley Bank.

Under Section 10 of the Act creating this Department, the following banks, liquidated, have unclaimed and unpaid deposits or dividends to the credit of this Department, drawing 4% interest, to-wit:

Peoples Savings & Investment Co., Jan. 28, 1914, \$370.19, earned interest, \$70.72.

Safety Bank & Realty Co., Jan. 13, 1916, \$389.84, earned interest, \$45.14.

Bank of Geneva, May 14, 1918, \$160.61, earned interest, \$2.67.

I respectfully call your attention to the following matters which I think should receive consideration by the next Legislature:

1. The Act creating this Department does not provide for a bank to voluntarily liquidate. In my opinion, the Act should provide ways and means for a bank to voluntarily liquidate, without being taken over by this Department, and incurring the expenses incident thereto.

36927

2. Section 10 of the Act provides that funds remaining in the hands of the Superintendent of Banks, uncalled for, be placed in some State bank, at interest, to the credit of the Superintendent of Banks, in his official capacity, in trust for the several depositors in, and creditors of, the liquidated bank from which they were received. The Act does not limit the time such deposits are to be held, and as you will note above in the case of the Peoples Savings & Investment Co., the deposit has been held for nearly five years. In all probability, this fund will never be called for, and in time such deposits will become a burden to this Department to keep track of, as well as to the banks that hold the deposits. It is my opinion that after the funds are held for from three to five years, the same should be certified into the State treasury, and machinery should be provided through which the depositor may get his money, if he should ever demand it.

3. Article 10 of Chapter 69 of the Code provides that all corporations organized and operating as trust companies, should be amenable to the banking laws, and provides that they shall be examined by the bank examiners. The Attorney General holds that since the Act creating this Department was passed subsequent to the Code, that this Department has no supervision of trust companies, unless they are doing a banking business. For this reason, there is no supervision now of trust companies in Alabama. In my opinion, the Legislature should have their attention called to this defect. Now that trust companies in most of the States are under the supervision of the Banking Departments, in my opinion, it would be wise to better regulate such concerns and have them examined by this Department.

4. Since national banks are specifically authorized to accept customers' drafts, in my opinion, a law authorizing and regulating such acceptances by State banks should be passed by the incoming Legislature.

Respectfully submitted,

D. F. GREEN,
Superintendent of Banks.
