OFFICE OF THE CHAIRMAN

August 6, 1951.

My dear Mr. President:

I have delayed responding to your memorandum of July 26 in the expectation that the August issue of "Current Economic Developments" would be available on today. I now find, however, that because of a delay in the receipt of some of the statistics needed it will not be possible to process the charts until later this week.

You may be assured that a copy will be sent to you as soon as it is available, and that hereafter you will receive a revised copy each month.

Your interest is very much appreciated and we are gratified that you have found these charts of value.

Respectfully yours,

  
Wm. McC. Martin, Jr.

The President,  
The White House.
