

THE WHITE HOUSE
WASHINGTON

March 10, 1947

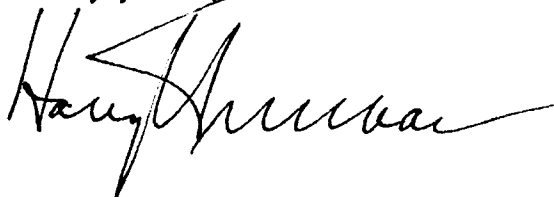

Dear Dr. Nourse:

I appreciated your letter of the seventh very much and I am certainly glad that the Council is watching the trend of developments since the submission of the Economic Report.

I hope you also noticed that the Congress shirked its duty in the report which they were supposed to make on the economic situation. They made a most innocuous statement, if you will remember.

I hope you keep your finger on the situation and keep me fully informed on the program.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Harry Truman". The signature is written in dark ink and is positioned below the typed name "Harry Truman".

Honorable Edwin G. Nourse
Chairman
Council of Economic Advisers
