Mr. Harry S. Truman,
President of the U S
Washington, D.C.

Dear Sir;-

There is no question that we are in the midst of one of the worst business depressions I have ever seen. Our business is off 75% and they say that Dallas is one of the brightest spots in the nation.

If Congress is going to do anything about halting this condition, I urge you to submit your plans to them quickly.

Respectfully,

G. S. McGhee
