FOR RELEASE FRIDAY, NOVEMBER 2, 1979

FSP 79-13

Schedule of Release Dates for Principal Federal Economic Indicators for December 1979

The Office of Federal Statistical Policy and Standards, U.S. Department of Commerce today issued the monthly schedule of target dates for release during December of principal economic indicators by Federal agencies.

Occasionally, agencies may be able to release data a day or two earlier or, because of unavoidable compilation problems, miss the target date, but in most instances the target dates will be met. The indicators are identified by the titles of the releases in which they are included, the source agency, and the release identification number where applicable. *Any inquiries about these series should be directed to the issuing agency.*

Explanation of abbreviations: BEA-Bureau of Economic Analysis; BLS-Bureau of Labor Statistics; FRB-Federal Reserve Board; HUD-Department of Housing and Urban Development.

SCHEDULE OF RELEASE DATES FOR PRINCIPAL FEDERAL ECONOMIC INDICATORS

February 1979
~~December 1978~~

Release dates scheduled by agencies responsible for the principal economic indicators of the Federal Government are given below. *These are target dates that will be met in the majority of cases. Occasionally agencies may be able to release data a day or so earlier or may be forced by unavoidable compilation problems to release a report one or more days later.*

month covering release dates for the following month. The indicators are identified by the title of the releases in which they are included; the source agency; the release identification number where applicable; and the *Business Conditions Digest* series numbers for all BCD series included, shown in parentheses. Release date information for additional series can be found in publications of the sponsoring agencies.

A similar schedule will be shown here each

(Any inquiries about these series should be directed to the issuing agency.)
