July to December 1948

UNITED STATES DEPARTMENT OF LABOR

Maurice J. Tobin, *Secretary*

BUREAU OF LABOR STATISTICS

Ewan Clague, *Commissioner*

Subject Index to Volume 67

July to December 1948

Absenteeism, United States:

Manufacturing. Absences per 1,000 workers and distribution of explained absence, by reason for, by sex of absentee, and by quarter, 1947. *September, 236-237.*

— Average days per worker and distribution of explained absenteeism by reason, by sex of absentee, and by quarter, 1947. *September, 237-238.*

— Distribution of absences ascribed to nonindustrial illness or accident, by length of absence and by sex of absentee. *September, 238-239.*

— Extent and causes, under peacetime conditions, year 1947. Joint survey by Social Security Administration, United States Public Health Service and BLS, summary. *September, 235-239.*

Older workers. BLS study of rates, 17,800 workers in 109 manufacturing plants, showing comparisons with younger workers. *July, 16-19.*

— Rates, by age groups and sex, manufacturing industries. *July, 16-17.*

Absenteeism, France. Postwar high level and reasons for, *July, 44-45.*

Accident statistics:

Disabling injuries (estimated), by industry group, 1947. *October, 361-363.*

Disabling injuries, frequency distribution for minors compared to that of adults. *December, 595.*

Fertilizer industry. Injury-frequency rates, compared with all chemical manufacturing and all manufacturing, prewar years 1938 and 1939, and year 1946. *December, 606.*

— Work injuries; time, wage, and other losses; causes of accidents; 1946. *December, 606-611.*

Manufacturing. Injury-frequency rates and severity averages, by major group, 1947; methods of determining severity averages. *October, 362, 364-365.*

— Injury-frequency rates, by industry, second quarter 1948, with cumulative rates for 1948 and final annual rates, 1947. *November, 505-508.*

— Injury-frequency rates, selected industries, first quarter 1948; preliminary annual rates for 1947. *August, 135-137.*

Manufacturing and nonmanufacturing. Disabling work injuries, estimates, 1947. *October, 361-365.*

Older workers. Injury-frequency rates, disabling and nondisabling injuries, by age group; average days disability; average number redressings per injury. *July, 17-18.*

Accident statistics—Continued

Textile dyeing and finishing. Injury-frequency rates, 1945; estimated losses; accident causes; "unsafe act" defined. *July, 20-25.*

Work injuries and accident causes, 1946; time, wage, and other losses. *November, 505-506.*

Agriculture:

Cooperatives; resolution on, passed by Congress of International Cooperative Alliance (Prague). *December, 600.*

World. Output, mid-1948, compared with prewar levels; outlook for crop year 1948-49. *November, 468-469.*

American Woolen Co. Wage chronology. (*See under Wage chronology.*)

Apparel:

Men's and boys'. Trends, postwar, in style and construction. *July, 37-38.*

Postwar changes in quality, following removal of wartime restrictions. *July 34-39.*

Women's and children's. Trends, postwar, in style and construction. *July, 38.*

Armed forces. (*See under Labor force.*)

Assignment. (*See Promotion and assignment.*)

Atomic energy. Economic and technological effects of development, on electric light and power industry. *November, 498-499.*

Austrian Trade Union Federation. (*See under Labor organizations, foreign countries.*)

Banks, Austria. Labor. Financial status, end of 1947. *September, 248.*

Benefits:

Plans; character, growth, development, and administration, in collective agreements, 1948; welfare funds, regulation of. *September, 229-234.*

Plans created under collective bargaining, specified companies, 1948. *September, 232-233.*

Black market. (*See under Prices, Austria and Vienna.*)

Bonus (nonproduction):

Electric and gas utilities. Extent of use, as of March-April 1948. *October, 380.*

Office workers, New York City. Extent of use, as of January-February 1948. *July, 29.*

Boot and shoe industry. (*See Footwear manufacturing.*)

Budget:

City worker's family (4-person); distribution of husband-wife families and single persons in relation to, by 1947 total money income and family size, Washington, D. C. *December, 623.*

Family, BLS; income in relation to, Washington, D. C., June 1947. *December, 622-623.*

Women workers. Cost-of-living figures, seven States, specified period 1947, or first half 1948, necessary for self-supporting woman to maintain herself in health. *September, 278.*

Bureau of Labor Statistics (U. S. Government). Consumers' price index. Essential facts concerning; purpose and meaning, structure, methods of compilation; movement since spring 1940. *July 8-11.*

Cartels. International. Provisions for supervision of, in Charter for International Trade Organization. *November, 479, 481-482.*

Ceramic engineers. (*See under* Engineering profession.)

Chambers of labor. (*See under* Labor organizations, foreign countries, Austria.)

Check-off. Limits on, under section 302 (c) (4) of Labor Management Relations Act; opinion given by Assistant Solicitor General, May 13, 1948. *July, 42.*

Child labor:

Accident statistics. Disabling injuries, frequency distribution for minors compared with that of adults. *December, 595.*

Children at work, 14-17 years of age, March 1940 and April 1945-48 (chart). *December, 590.*

Control of, in interstate industries, under Fair Labor Standards Act. Percent illegally employed, year ended June 30, 1948; total number illegally employed, and percent by age group, during first 10 years' operation of Act. *December, 589, 595.*

Employed minors, 14-17 years of age, agriculture and nonagriculture, July 1945-September 1948 (chart). *December, 593.*

Employment certificates, first regular; number issued for minors 14-15 and 16-17 years of age, 1940, and 1943-47, by State or city, with percent change, 1940-47. *December, 590-593.*

Fair Labor Standards Act provisions governing, enforcement; Administrator's recommendations for extension of coverage. *September, 271-274.*

Kentucky. Law of 1948, provisions. *November, 513.*

Louisiana. Workmen's compensation, Law of 1948 covering certain minors engaged in street trades. *September, 281.*

Minors, 14 through 17 years of age, receiving employment and age certificates for full- or part-time work, 1940 and 1943-47; percent change, 1940 to 1947. Employment certificates issued to minors 14 through 17 years of age, 1947. *December 593-594.*

New York. Workmen's compensation. Employer liability in cases of illegally employed minors, under 1948 amendment to law. *September, 281.*

Child labor—Continued

State legislation enacted in 1948. *November, 513.*

— (See Legislation, U. S., by State for specified State.)

Trends in an expanding labor market. Summary. *December, 589-595.*

Virginia. Law of 1948, provisions. *November, 513.*

Chronology. Labor events, May to November, 1948. *July, 60-62; August, 172-173; September, 305-307; October, 411-412; November, 524-525; December, 645-646.*

Closed shop. Legislation to ban, rejected by voters in Maine, Massachusetts, and New Mexico. *November, III.*

Clothing, United States:

Men's, dress shirts. Man-hour requirements per dozen to produce, by price line, plant size, and by type of labor and department. *September, 254-256.*

— Man-hour requirements per dozen to produce, 1939-47, showing decline per unit. *September, 254-256.*

Clothing, Great Britain. Postwar increases in supplies, efforts of Government to aid low-income families; relative supplies, including footwear, compared with prewar, beginning 1947. *August, 122.*

Collective agreements, United States:

American Woolen Co. and Textile Workers Union of American (CIO). (*See under* Wage chronology.)

Automobile industry. General Motors Corp. and United Automobile Workers (CIO) sign agreement based on changes in BLS consumers' price index and containing "annual improvement factor." Analysis, wage clause (text). *July, 1-7.*

Benefit plans included in; character, growth, development, and administration, 1948; funds, regulation of. *September, 229-234.*

Escalator clauses (cost-of-living). Use of, following First World War; effect of wartime stabilization program on; samples. *July, 5-7.*

Unionized offices, personnel practices; provisions. Analysis of 50 agreements from American Management Association survey. *December, 623-626.*

Collective agreements, foreign countries:

Austria. Act on Collective Agreements, February 1947, affecting. *September, 246.*

Escalator clauses (cost-of-living). Use of in Great Britain, Scandinavia, Finland, Switzerland, and Italy. *July, 7.*

Great Britain. Holidays (paid), number providing for, May 1947. *August, 119.*

Collective bargaining, United States:

Benefit plans under; character, growth, development, and administration, 1948; funds, regulation of. *September, 229-234.*

Collective bargaining, United States—Continued

Industry-wide, economic effects of; meeting, May 14, 1948, under auspices of Labor Relations Council, Wharton School of Finance and Commerce, University of Pennsylvania; discussion. *July, 40-42.*

Pension and retirement plans. Employers' obligation to bargain collectively on; NLRB ruling in Inland Steel Co. case. *September, 234.*

Union agreement provisions; selected contract clauses (text). *November, 487-493.*

Collective bargaining, foreign countries:

Austria. Act on Collective Agreements, February 1947, affecting. *September, 246, 248.*

— Lag in, since liberation, and reasons. *September, 248.*

Committees, joint production. History of, wartime, and number functioning in 1948; activities. *August, 123-126.*

Communism. Attacks on, by American Federation of Labor and Congress of Industrial Organizations at annual meetings. *December, III-IV.*

Conciliation and arbitration. Federal Mediation and Conciliation Service, arbitration functions and facilities. *July, 42-43.*

Construction:

Dwellings, new nonfarm. Units started, number and cost, selected years 1925-47, and monthly (January 1947-September 1948), by urban or rural location and by source of funds. (See Current labor statistics, table F-5, each issue.)

Employment. (See under Employment statistics.)

Employment, expenditures, starts; trends, May 1948. *July, IV.*

Expenditures, total, years 1946 and 1947, monthly (June 1947-November 1948), by type of project. (See Current labor statistics, table F-1, each issue.)

Federally financed. Contracts awarded and force-account work started, value of, selected periods 1936-1947, and monthly (May 1947-October 1948), by type of project. (See Current labor statistics, table F-2, each issue.)

House, new, one-family. Man-hours required to build, 18 industrial areas, 1946-47. Summary of BLS survey. *December, 611-614.*

— Occupational distribution of man-hours worked on, by type of exterior wall material; by construction cost classification; by size of operation; by selected area. *December, 612-614.*

New, public, and private. Labor requirements for, 1948. *October, 393-394.*

— Labor requirements, second quarter, 1948. *July, 47-48.*

Nonresidential (new), authorized in all urban places, total 1946 and 1947, monthly (April 1947-September 1948), by general type and by geographic division. (See Current labor statistics, table F-4, each issue.)

Construction—Continued

Private. Earnings and hours; 1940 average, January 1941, monthly (April 1947-September 1948), by type of firm. (See Current labor statistics, table C-3, each issue.)

Residential building (nonfarm). Statistics, 1946 and 1947. BLS program to develop better measures of activity; sampling methods and survey techniques used. *August, 161-164.*

Urban building. Valuation of, total years 1942, 1946, and 1947, monthly (April 1947-September 1948), by class of construction and by type of building. (See Current labor statistics, table F-3, each issue.)

Consumers' price index (CPI):

Essential facts concerning; purpose and meaning, structure, methods of compilation; movement since spring 1940. *July, 8-11.*

(See also under Prices.)

Contracts, U. S. Government. Walsh-Healy Act governing. Provisions; merging of Division administering, with Wage and Hour Division (U. S. Dept. of Labor), 1942; enforcement. *September, 272-273.*

Conventions, meetings, etc., United States:

American Federation of Labor, annual. Resolutions, attack on communism, decision to remain "in politics." *December, III-IV.*

Congress of Industrial Organizations, annual. Resolutions, attack on communism, decision to remain "in politics." *December, III-IV.*

International Cooperative Alliance (Prague), Seventeenth Congress of. Summary of proceedings. *December, 600-602.*

International Labor Organization, thirty-first session, San Francisco, June 17-July 10, 1948. Proceedings; conventions (agreements), recommendations, and resolutions adopted. *September, 261-266.*

Labor legislation, State. Fifteenth National Conference on (Washington, November 30, and December 1 and 2). Statement adopted. *December, IV.*

Labor Relations Council, Wharton School of Finance and Commerce, University of Pennsylvania, auspices of, May 14, 1948; significance of national collective bargaining. *July, 40-42.*

President's Conference on National Safety, 1948, first national conference on industrial safety; subjects covered, committees appointed and scope of activities; provision for final recommendations. *November, 508-511.*

Conventions, meetings, etc., foreign countries:

Great Britain. British Trades Union Congress, annual meeting, September 6-10, 1948; proceedings. *November, 511-513.*

Italy. World Federation of Trade Unions (WFTU), Rome, May 5-10, 1948. Successful efforts of western trade-unionists to reduce powers of general secretary; other details. *August, 147-151.*

Cooperation. Promotion of; resolution passed by Congress of International Cooperative Alliance (Prague). *December, 600-601.*

Cooperatives:

- Consumers'. Membership and business of, 1947, by type of association. *November, 500.*
- Consumers', leading, 1947, membership and business, by name of association. *November, 501.*
- Operations, in 1947. *November, 499-502.*
- Credit unions. Development, trend of, 1931-47 (chart). *October, 385.*
- Operations, assets, and earnings in 1946 and 1947, by State. *October, 385-387.*
- State and Federal; relative development of, 1925-47. *October, 388.*
- Nonfarm. Union participation, extent of. BLS study of some 600 associations, various types. *October, 388-392.*
- Retail store and petroleum. Trend of operations, changes in net earnings, 1942-47. *November, 501-502.*
- Seventeenth Congress of the International Cooperative Alliance (Prague). Summary of proceedings. *December, 600-602.*

Cost of living. (*See Prices.*)

Cost-of-living, Austria. Indexes, monthly, August 1947 to April 1948. *July, 45.*

Cotton textile industry:

- Holidays (paid), shift differentials, vacations with pay, as of April 1948. *September, 268.*
- Straight-time hourly earnings, selected occupations, by selected area, April 1948. *September, 267-268.*
- Workweek, length of, as of April 1948. *September, 268.*

Court decisions:

- Fair Labor Standards Act. Summaries. *July 54-55; August, 165-166; September, 299-300; October, 406-407; November, 519-520; December, 638-639.*
- National Labor Relations Act. Summaries. *July, 55-58; August, 167-168; September, 300-302; October, 407-409; November, 520-522; December, 639-643.*
- "Portal-to-Portal." Summaries. *August, 166; September, 299-300; October, 406-407; November, 519-520.*
- Selective Service and Training Act. Veterans' rights under. Summaries. *July, 58-59; August, 168-170; October, 409-410; November, 522; December, 643-644.*
- State courts. Summaries. *July, 59; August, 170-171; September, 302-304; October, 410; November, 522-523; December, 644.*
- Supreme Court (U. S.). Basing point system of pricing. *August, III.*
- Overtime pay under Fair Labor Standards Act, New York longshoremen, contract provisions and ruling. *July, IV.*

Credit unions. (*See under Cooperatives.*)

Current labor statistics. List of tables. *July, 70-71; August, 182-183; September, 314-315; October, 420-421; November, 533-534; December, 654-665.*

Decisions. (*See Court decisions.*)

Decisions, NLRB. (*See under Labor Management Relations Act; also under specific issue involved.*)

Defense Homes Corporation. (*See under Housing.*)

Demand. World, postwar. Investment and expenditures as factors in; inflationary effects. *November, 469-471.*

Department and women's ready-to-wear stores:

- Average weekly earnings, selected occupations, 16 cities, April 1948. *November, 485.*
- Discounts, holidays (paid), vacations with pay, 16 cities, April 1948. *November, 486.*
- Wage survey, 16 cities, April 1948, summary. *November, 483-486.*
- Workweek, length of, April 1948. *November, 486.*

Discounts. Department and women's ready-to-wear stores, 16 cities, April 1948. *November, 486.*

Draft law, 1948. (*See Selective Service Act of 1948; also under Legislation, U. S., Federal and general.*)

Earnings. (*See Wages and hours.*)

Economic and Social Council. (*See under United Nations.*)

Economic conditions. World. Inflation and factors underlying; postwar demand; changes in prices and price relationships. *November, 467-475.*

Economic conditions, foreign countries:

- Austria. Currency reform of December 1947, details and results; effects on labor. *July, 45-46.*
- Great Britain. Labor, postwar position of; income levels, national, 1938 and 1947; workers' gains in earnings and working conditions. *August, 117-122.*

Economic development. Provisions for, in Charter for International Trade Organization. *November, 477, 480-481.*

Elections. Representation. Striking employees who have been replaced, not eligible to vote in strike situations not caused by unfair labor practices in economic strikes, NLRB decision under section 9 (c) (3) of Labor Management Relations Act. *September, IV.*

Electric and gas utilities:

- Bonus (nonproduction), group insurance or pension plans, holidays (paid), sick leave, vacations with pay. Extent of provision for, as of March-April 1948. *October, 380.*
- Straight-time hourly earnings, selected occupations, by region, March-April 1948. *October, 378-379.*

Electric and gas utilities—Continued

Wage structure, 1948; occupational differences, regional variations, supplementary wage practices. *October, 377-380.*

(See also Electric light and power industry.)

Electric light and power industry:

Atomic energy. Economic and technological effects of development on. *November, 498-499.*

Capacity and production, 1902-47. *November, 497.*

Job characteristics; employment outlook; prospective levels of production and capacity. *November, 493-499.*

Number of customers and amount of power purchased, by type of use, 1947. *November, 495.*

(See also Electric and gas utilities.)

Electricity. (See Gas and electricity; Electric light and power industry; Electric and gas utilities.)

Employment. Maintenance and development of, by members of projected International Trade Organization. Provisions of Charter regarding; role of ILO in helping to achieve. *November, 477-479.*

Employment certificates. (See under Child labor.)

Employment conditions. Employment and unemployment, civilian, farm and nonfarm; influences affecting and future predictions. (See Labor month in review, p. III-IV, August, September, October, November, December.)

Employment conditions. Great Britain. Controls over, postwar; union attitude toward. *October, 370.*

Employment opportunities. Great Britain. Bill to improve, for boys and girls, introduced, March 1948, in accordance with report of Committee on the Juvenile Employment Service, September 1945. Provisions. *August, 120.*

Employment statistics, United States:

Child labor. Children at work, 14-17 years of age, March 1940 and April 1945-48 (chart). *December, 590.*

— Employed minors, 14-17 years of age, agriculture and nonagriculture, July 1945-September 1948 (chart). *December, 593.*

— First regular certificates; number issued for minors 14-15 and 16-17 years of age, 1940, and 1943-47, with percent change 1940-47. *December, 590-593.*

— Minors, 14 through 17 years of age, receiving employment and age certificates for full- or part-time work, 1940 and 1943-47; percent change, 1940 to 1947. Employment certificates issued to minors 14 through 17 years of age, 1947. *December, 593-594.*

Construction, contract. Wage and salary workers, estimated number; annual average 1939 and 1943, monthly (May 1947-October 1948). (See Current labor statistics, table A-2, each issue.)

Employment statistics, United States—Continued

Construction, new, public and private. Estimated total number workers involved, 1948, 1947, and 1946, by type of construction. *October, 394.*

Employment and unemployment. Estimating; BLS methods, revision of. *July, 51-53.*

Federal. Military branch. Personnel and total pay; yearly 1939 and 1943, monthly (May 1947-October 1948), by branch of service and type of pay. (See Current labor statistics, table A-14, each issue.)

— Percentage distribution by pay-fixing authority and basic annual salary group, 1946-47. *July, 14.*

— Washington, D. C. Personnel and total pay; yearly, 1939 and 1943, monthly (May 1947-October 1948), by branch and agency group. (See Current labor statistics, table A-13, each issue.)

— Yearly, 1939 and 1943, monthly (May 1947-October 1948), by branch and agency group. (See Current labor statistics, table A-11, each issue.)

Federal Executive Service. Employment and average annual salaries, by pay-fixing authority, July 1946 and July 1947. *July, 12.*

— Percentage distribution, by basis of salary payment, July 1947. *July, 15.*

Labor force. Monthly (May 1947-October 1948), by employment status, hours worked, and sex. (See Current labor statistics, table A-1, each issue.)

Manufacturing. Annual average, 1943, monthly (April 1947-September 1948), by State. (See Current labor statistics, table A-4, each issue.)

— Annual averages, 1939 and 1943, monthly (May 1947-October 1948), by major industry group. (See Current labor statistics, table A-3, each issue.)

Manufacturing, durable and nondurable goods. Production workers; annual average, 1939 and 1943, monthly (May 1947-October 1948), by industry group and industry. (See Current labor statistics, table A-5, each issue.)

— Production workers; indexes, annual averages, 1943, monthly (May 1947-October 1948), by industry group and industry. (See Current labor statistics, table A-6, each issue.)

Mining. (See Current labor statistics, tables A-2, A-8, A-9, and A-10, each issue.)

Nonagricultural. Annual averages, 1939 and 1943, monthly (May 1947-October 1948), by industry division. (See Current labor statistics, table A-2, each issue.)

Nonmanufacturing. Annual average, 1939 and 1943, monthly (May 1947-October 1948), by selected industry group and industry. (See Current labor statistics, table A-8, each issue.)

— Indexes; annual average, 1943, monthly (May 1947-October 1948), by selected industry group and industry. (See Current labor statistics, table A-9, each issue.)

Employment statistics. France. Indexes, 1938-47. *July, 44.*

Engineering profession:

- Ceramic engineers. Earnings and factors affecting; BLS survey, fall of 1947. *October*, 381-383.
- Median base monthly salary, median annual income, members Institute Ceramic Engineers, by years of experience, specified years, 1939-47. *October*, 381.

Escalator clauses. (See under Collective agreements.)

European Recovery Program. Effects of, and of other foreign grants and credits, upon world economy. *November*, 471.

Expenditures, United States:

- Birmingham, Indianapolis, and Portland (Oreg.). Correction of article in June 1948 issue (p. 624), "Expenditures of Moderate-Income Families: 1934-36 and 1945." *November*, 518.
- Construction. Total, 1939 and 1946, monthly (June 1947-November 1948), by type of project. (See Current labor statistics, table F-1, each issue.)
- Consumer. Intentions to buy, durable goods and houses, 1948; attitudes toward selected purchases. Financial status of spending units compared with previous year. *September*, 286.
- Consumer and Government, as percentage of gross national product, 9 countries, 1938 and 1947. *November*, 470.
- Home ownership, nonfarm families, relation to income. Expenditures for repairs and additions and other items, 1947. *November*, 516.
- Portland, Maine. Average by item, selected families, 1934-36. *December*, 632.
- Total for rents, nonfarm, 1944 and 1946. *December*, 633.

Expenditures, Great Britain. Percent of gross national product, 1944, 1945, and 1947, compared with 1938. *August*, 118.

Fabrics. Cotton, nylon, rayon, silk, and wool. Postwar improvement in quality, following removal of wartime restrictions. *July*, 34-37.

Fair Labor Standards Act:

- Child labor. Control of, in interstate industries. Percent illegally employed, year ended June 30, 1948; total number illegally employed, and percent by age group, during first 10 years' operation of Act. *December*, 589, 595.
- Operations under, first 10 years; summary. *September*, 271-274.

Federal employees. (See under Government employees.)

Federal Mediation and Conciliation Service (U. S. Government). Conciliation and arbitration, functions and facilities. *July*, 42-43.

Fertilizer industry:

- Indexes, man-hours expended per ton, by type of fertilizer, 1939-46. *September*, 259-260.

Fertilizer industry—Continued

- Injury-frequency rates, compared with all chemical manufacturing and all manufacturing, prewar years 1938 and 1939, and year 1946. *December*, 606.
- Man-hours expended to produce, per ton, mixed fertilizer and superphosphate, 1939-46; trends, by type of labor, by product and plant size. *September*, 258-260.
- Percentage distribution, plant workers, by straight-time hourly earnings and region, March 1948. *November*, 503.
- Shift differentials. Extent of use of, as of March 1949. *November*, 505.
- Straight-time hourly earnings, laborers, by type of plant and size of community, March 1948. *November*, 504-505.
- Straight-time hourly earnings, selected occupational groups, by region, March 1948. *November*, 504.
- Wage structure, March 1948. *November*, 502-505.
- Work injuries. Major agencies involved in accidents; unsafe working conditions, unsafe acts, major types; 1946. *December*, 607-610.
- Workweek, length of, as of March 1948. *November*, 505.

Finance. Defense Homes Corporation. Review of operation, ending July 30, 1948; financial statement. *November*, 516-517.

Finances:

- Consumer. Spending units, 1947; percentage of dis-savers, by income group, 1947 compared with 1946. *November*, 515.
- Survey (sponsored by Federal Reserve Board), 1948. Summary of findings. *September*, 286-287.

Food. Production, world, crop year 1947-48, outlook for year 1948-49. *November*, 469.

Footwear manufacturing:

- Holidays, paid; vacations with pay; use of, as of September 1947. *July*, 33-34.
- Man-hours expended per pair. Indexes, all shoes reported. *September*, 257.
- Trends, by type of shoe, by area and plant size. *September*, 257-258.
- Man-hours expended to produce, per pair, selected types of shoes, by class of shoe and factory price line, 1945. *September*, 256-257.
- Man-hours expended, total (direct and indirect); indexes, by class and factory price line. *September*, 257-258.
- Postwar improvement in quality, following removal of wartime restrictions. *July*, 37.
- Straight-time hourly earnings selected occupations, by type of shoe and process, and wage area. *July*, 32-34.
- Workweek, length of, as of September 1947. *July*, 33.

Foreign aid program. Grants and credits of U. S. Government, foreign, 1947 and 1948; effects on world economy. *November*, 471.

Gas and electricity :

Percent changes in bills, specified quantities, selected dates, to December 15, 1947. *July, 39.*

Price changes, 1947. *July 39-40.*

(See also Electric and gas utilities.)

George-Barden Act. (See under Legislation, U. S., Federal and general.)

Glycerin Manufacturing. (See soap manufacturing.)

Government employees :

Federal. Military branch. Personnel and total pay ; yearly, 1939 and 1943, monthly (November 1946-April 1948), by branch of service and type of pay. (See Current labor statistics, table A-14, each issue.)

— Pay increases, 1948. *July, III.*

— Percentage distribution by pay-fixing authority and basic annual salary group, 1946-47. *July, 14.*

— Real wages. Average annual salaries in current and 1939 dollars, July 1946 and July 1947; comparison with gains in manufacturing industries. *July, 12-13.*

— Total employment; yearly, 1939 and 1943, monthly (May 1947-October 1948), by branch and agency group. (See Current labor statistics, table A-11, each issue.)

— Washington, D. C. Total employment and total pay; yearly, 1939 and 1943, monthly (May 1947-October 1948), by branch and agency group. (See Current labor statistics, table A-13, each issue.)

Federal Executive Service. Employment and average annual salaries, by pay-fixing authority, July 1946 and July 1947. *July, 12.*

— Percentage distribution, by basis of salary payment, July 1947. *July, 15.*

Grain milling industry :

Percentage distribution, all plant workers, by straight-time hourly earnings and region, January 1948. *July, 30.*

Shift differentials, wage incentives, use of, as of January 1948. *July, 32.*

Straight-time hourly earnings, selected occupations, by region, January 1948. *July, 30-32.*

Workweek, length of, as of January 1948. *July, 32.*

Groceries, wholesale. Straight-time hourly earnings, men, selected occupations, 16 cities, July of 1947 and 1948. *December, 620.*

Group insurance :

Electric and gas utilities. Extent of use of, as of March-April 1948. *October, 380.*

Employees' obligation to bargain collectively on; NLRB ruling in W. W. Cross and Co. case. *September, 234.*

Office workers, New York City. Extent of provision for, as of January-February 1948. *July, 29.*

Guaranteed wage :

Connecticut. Order establishing, for beauty culture. *September, 276.*

Guaranteed wage—Continued

District of Columbia. Orders establishing, for retail trade and beauty culture. *September, 276.*

Minnesota. Order establishing, for retail trade. *September, 276.*

New York. Orders establishing, for laundry, beauty culture, and cleaning and dyeing industries. *September, 276.*

North Dakota. Orders establishing, for laundry, and cleaning and dyeing industries. *September, 276.*

Orders establishing and industries covered, 1947-48; summary. *September, 276-277.*

Utah. Order establishing, for retail trade. *September, 276.*

Handicapped workers :

Placements. Total, by type of disability, June 1948, and October 1, 1942-June 30, 1948. *September, 284.*

Rehabilitation and placement of; Federal agencies and private groups, work of. *September, 282-285.*

Havana Charter. (See International Trade Organization, Charter.)

Health, United States :

National Labor Relations Board decision. Employers must bargain on group health and accident plans. *July, IV.*

Older workers. Welfare medical visits to plant clinics, by age and sex of worker. *July, 18-19.*

Plans, health and welfare, in collective agreements, 1948; funds, regulation of. *September, 229-234.*

Health, Great Britain. National Health Services Act, 1946. Provisions. *August, 119.*

Hiring halls. NLRB decision in case of National Maritime Union and four Great Lakes oil tanker firms; union in violation of Labor Management Relations Act. *September, IV.*

Holidays (paid) :

Department and women's ready-to-wear stores. Extent of provision for, 16 cities, April 1948. *November, 486.*

Electric and gas utilities. Extent of use of, as of March-April 1948. *October, 380.*

Footwear manufacturing. Extent of provision for, as of September 1947. *July, 34.*

Industrial chemical industry. Extent of provision for, as of January 1948. *August, 143.*

Office workers, New York City. Extent of provision for, as of January-February 1948. *July, 29.*

Home ownership. Nonfarm families. Total number, early 1948; relation to income; expenditures for repairs and additions during 1947; other expenditures. *November, 516.*

Homework. Rhode Island. Industrial. Law amended, 1948; provisions. *November, 513-514.*

Hours of work, United States :

- Cotton textile industry. Workweek, length of, as of April 1948. *September, 263.*
- Department and women's ready-to-wear stores. Workweek, length of, as of April 1948. *November, 486.*
- Fertilizer industry. Workweek, length of, as of March 1948. *November, 505.*
- Footwear manufacture. Workweek, length of, as of September 1947. *July, 33.*
- Grain milling industry. Workweek, length of, as of January 1948. *July, 32.*
- Manufacturing and nonmanufacturing. Average 1939 and January 1941, monthly (April 1947–September 1948), by industry. (See Current labor statistics, table C-1, each issue.)
- Office workers, New York City. Average weekly scheduled hours of work, selected occupations in selected industry groups, January–February 1948. *July, 28–29.*
- Rayon and silk industry. Workweek, length of, as of April 1948. *September, 270.*
- Woolen and worsted textile industry. Workweek, length of, as of April 1948. *September, 271.*

Hours of work, foreign countries :

- France. Indexes, and number of hours per week, 1938–47. *July, 44.*
- Great Britain. Average 1945 and 1947, compared with prewar; changes between July 1945 and May 1, 1948. *August, 118–119.*

Household goods, Great Britain. Postwar increases in supplies, efforts of Government to aid low-income families. Relative supplies, compared with prewar, beginning 1947. *August, 122.*

Housing, United States :

- Cooperative. Resolution on, passed by Congress of International Cooperative Alliance (Prague). *December, 600.*
- Defenses Homes Corporation. Review of operation, ending July 30, 1948. *November, 516–517.*
- Expenditures for rents, nonfarm dwellings, 1944 and 1946. *December, 633.*
- Home ownership, nonfarm families. Total number, early 1948; relation to income; expenditures for repairs and additions during 1947; other expenditures. *November, 516.*
- Statistics, 1946 and 1947. BLS program to develop better measures of activity (nonfarm); sampling methods and survey techniques used. *August, 161–164.*

Housing, foreign countries :

- Great Britain. Postwar program and progress. Units completed April 1, 1945–April 30, 1948, by category. Types of assistance provided by Central Government. *August, 120–121.*

Housing, foreign countries—Continued

Great Britain. Units destroyed or rendered uninhabitable, damaged, out of total of 13 million dwellings, during Second World War. Number needed to replace. *August, 120.*

Impaired workers. (See Handicapped workers.)

Incentive wages. (See Wage incentives.)

Income, United States :

- Ceramic engineers. (See under Wages and hours.)
- Consumer. Disposable. Median, all spending units, before and after taxes. *November, 515–516.*
- Disposable. Proportion allocated to saving, selected durable goods, other consumer expenditures, by spending units within various income groups, 1947. *November, 516.*
- Distribution, by occupation group, 1947; spending units showing increases and decreases; liquid and nonliquid assets, ownership and use. *September, 286–287.*
- Family, in relation to BLS family budget, Washington, D. C., June 1947. *December, 622–623.*
- Total money, 1947, husband-wife families and single persons, Washington, D. C.; distribution, by family size, in relation to city workers' family budget. *December, 623.*

Income, foreign countries :

- Great Britain. Real income, national and per capita, postwar period compared with 1938. *August, 117–118.*
- Poland, national. Percentage of, to be used for investment, 1946–49. *November, 470.*
- Yugoslavia, national. Percentage of, to be used for investment, 1947–51. *November, 470.*

Industrial chemical industry. Shift differentials, holidays (paid), vacations with pay, as of January 1948. *August, 142–143.*

Industrial disputes. (See Labor-management disputes.)

Industrial Organization and Development Act of 1947. (See under Legislation, foreign countries, Great Britain.)

Industrial relations. (See Labor-management relations.)

Inflation. World, wartime and postwar. Factors underlying and effect on prices. *November, 467–475.*

Inflation. Great Britain. Union attitudes toward government efforts to control. *October, 368.*

Injuries :

Textile dyeing and finishing industry. Injury-frequency rates, 1945; estimated losses; accident causes; "unsafe act" defined. *July 20–25.*
(See also Accident statistics.)

Injuries, industrial. (See Accident statistics.)

Injury-frequency rates. (See under Accident statistics.)

Insurance. (See Group insurance, Life insurance.)

International Cooperative Alliance (ICA). (See under Conventions, meetings, etc.)

International Labor Organization:

Conference, 1948, San Francisco, June 17-July 10. Proceedings; conventions (agreements), recommendations, and resolutions adopted. *September, 261-266.*

Vocational guidance, tentative recommendations concerning. *December, 597-598.*

International trade. (See inverted title.)

ITO. (See International Trade Organization.)

International Trade Organization (ITO):

Charter for. Origin of proposal and international sessions leading to completion of document. *November, 476.*

— Summary of provisions, with emphasis on chapters II and III on employment and economic development. *November, 476-482.*

Investment. Domestic (gross) and foreign (net) as percentage of gross national product, 9 countries, 1938 and 1947. *November, 470.*

Job evaluation. Western Union Telegraph Co. Plan, including job classification, descriptions, and wage schedules, adopted as of April 1, 1948. *August, 134.*

Joint production committees. (See Committees, joint production.)

Labor and industrial conditions, Austria. Trade-union developments, prior to and since liberation. Austrian Trade Union Federation, granted legal status, summer 1946; character and organization, activities and accomplishments. *September, 244-248.*

Labor, Department of (U. S. Government). Tobin, Maurice J., appointed Secretary, August 7, to fill vacancy created by death of predecessor. *September, III.*

Labor force:

Adequacy of, fiscal year 1949, for expanded defense program. *October, 373-376.*

Armed forces. Estimates, BLS methods of obtaining. *July, 51.*

Estimating; BLS methods, revision of. *July, 50-51, 53.*

Total, classified by employment status, 1929-47. *July, 51-52.*

Total, estimated. Monthly (May 1947-October 1948), by employment status, hours worked, and sex. (See Current labor statistics, table A-1, each issue.)

Labor-management committees. (See Committees, joint production.)

Labor-management disputes, United States:

Atomic energy. Los Alamos (N. Mex.). AFL building-trades unions (3,300 members), in protest against hiring out-of-State labor. Agreement reached August 24. *September, 288-289.*

— Oak Ridge, Tenn. Contract signed by Atomic Trades and Labor Council (AFL) and Carbide and Carbon Chemical Corp., June 14, ending dispute beginning with union's threat of strike in March; details of settlement. *July, 49.*

Briggs Manufacturing Co. Walk-out of 170 plant guards, members of United Plant Guard Workers of America (Ind.) on September 8; refusal of 25,000 CIO United Auto Workers to cross picket lines; closing of plants. Settlement, September 23; terms. *October, 395.*

Louisiana. Law of 1948, establishing board of mediation in Department of Labor; functions. Law of 1946 repealed, effects upon labor union activities. *November, 514.*

Maine. Law of 1948 (referendum) regulating. *November, 514.*

New Jersey. Law effective on January 1, 1949, establishing State Department of Labor and Industry; functions. *November, 515.*

North Dakota. Laws of 1948 (referenda) regulating, provisions. *November 514.*

State legislation, enacted in 1948. Summary. *November, 514.*

Strikes averted by Government action in railroad, maritime, and bituminous-coal mining industries. Details. *July, III.*

Labor Management Relations Act:

Check-off, limits on, under section 302 (c) (4); opinion given by Assistant Solicitor General, May 13, 1948. *July, 42.*

Elections, representation. Striking employees who have been replaced, not eligible to vote in strike situations not caused by unfair labor practices in economic strikes. NLRB decision under section 9 (c) (3) of act. *September, IV.*

First anniversary, August 22. Union security under, restrictions on. *September, IV.*

Hearings, Joint Congressional Committee, on operation; recommendations. *July, III-IV.*

Hiring halls. NLRB decision in case of National Maritime Union and four Great Lakes oil tanker firms; union in violation of sections 8 (b) (2) and 8 (b) (3) of the act. *September, IV.*

Labor market. Child labor. Trends in an expanding labor market. Summary. *December, 589-595.*

Labor month in review. Major events currently affecting labor. Summary. (See pp. III and IV, *each issue.*)

Labor movement:

Great Britain. Background and present dual role of trade-unions. *October, 392-393.*
(See also Labor organizations.)

Labor organizations, United States:

Annual conventions, American Federation of Labor and Congress of Industrial Organizations; resolutions for repeal of Taft-Hartley Act, other resolutions; attack upon communism; decision to remain "in politics." *December, III-IV.*

Participation of, and of membership, in organization and support of nonfarm cooperatives. *October, 388-392.*

Labor organizations, foreign countries:

Austria. Chambers of labor, organization and function. *September, 244-245.*

— Trade-Union Federation, Affiliation, World Federation of Trade Unions; London Trade Union Conference, March 1948. *September, 248.*

— Granted legal status, summer 1946; character and organization, activities and accomplishments. *September, 244-248.*

— Membership, by industry and type of union, 1945-47; by occupation zone and land, 1947. *September, 245-246.*

— Wage and price policies following currency reform of December 1947. *July, 45-47.*

— Trade unions, legal status under provisions of Association Act of 1867; provisions. *September, 245-246.*

— Works councils, organization and functions. *September, 244-245.*

Great Britain. British Trades Union Congress, annual meeting, September 6-10, 1948; proceedings. *November, 511-513.*

— Membership and growth, 1938-47; industries and individual unions showing greatest gains. *October, 366-367.*

— Position and role of, under the Labor Government. *October, 366-372.*

— Trades Union Congress (TUC). Relationship with Government; political contributions; support of wage-price policies; attitudes toward workers' control of industry, joint consultative machinery, i. e., councils, works committees, etc. *October, 368-369.*

World Federation of Trade Unions (WFTU). Organization, control of policies, attitude toward European Recovery Program; meeting in Rome, May 5-10, 1948. *August, 147-151.*

Labor parties:

Great Britain. British Labor Government. Number of trade-unionists sitting in Parliament under, and individual trade-unionists holding important posts. *October, 367.*

Labor parties—Continued

Great Britain. British Labor Party. British labor under labor Government. *August 117-122; October, 366-372.*

Labor relations. (See Labor-management relations.)

Labor requirements:

Construction, new, public and private, 1948. *October, 393-394.*

Construction (new), public and private, second quarter, 1948. *July, 47-48.*

Electric light and power industry. Effects of technological changes on. *November, 498.*

Leather manufacturing. Indexes, direct, indirect, and total factory man-hours expended per unit, 1939-46, all reported types combined. *October, 384.*

— Man-hours required to manufacture a pound or square foot, selected types of leather, 1946. Comparison with 1939 figures. *October, 383-385.*

Labor standards. Fair. Maintenance of, by members of projected International Trade Organization. Provisions of Charter regarding. *November, 478.*

Labor turn-over:

Manufacturing. Monthly, years 1939 and 1943, and monthly (January 1946-September 1948), by class of turn-over. (See Current labor statistics, table B-1, *each issue.*)

Manufacturing and nonmanufacturing, selected groups and industries; monthly (March to September 1948), by class of turn-over. (See Current labor statistics, table B-2, *each issue.*)

Problem of, and importance of vocational counseling in reducing. *December, 596-597.*

Laundries, power. Straight-time hourly earnings, selected occupations, 33 large cities, July 1948. *December, 621-622.*

Leather manufacturing:

Indexes, direct, indirect, and total factory man-hours expended per unit, 1939-46, all reported types combined. *October, 384.*

Man-hour requirements for manufacturing a pound or square foot, selected types of leather, 1946. Comparison with 1939 figures. *October, 383-385.*

Legislation, U. S., Federal and general:

Civil Service Act. Amendment, prohibiting discrimination, in Federal service, against physically handicapped persons. *September, 284.*

Draft law. (See Selective Service Act of 1948, *this section.*)

Fair Labor Standards Act. Effect on, of Portal-to-Portal Act. *September, 274.*

— Operations under, first 10 years, summary. *September, 271-274.*

George-Barden Act of 1946, providing funds for vocational guidance. *December, 599.*

Legislation, U. S., Federal and general—Continued

- Longshoremen's and Harbor Worker's Act. Law of 1948 amending; provisions for increased benefits. *September, 279.*
- Minimum wage. State legislation, including wage orders. Progress, 1947-48. *September, 275-278.*
- Overtime. State laws establishing, 1947-48. Provisions. *September, 277-278.*
- Portal-to-Portal Act. Effect of, on Fair Labor Standards Act. *September, 274.*
- Postal Rate Revision and Federal Employees Salary Act of 1948. Pay raises for postal and classified civil service workers. *July, III.*
- Selective Service Act of 1948. Purpose and coverage; grounds for exemption; effects on labor-market situation. *July, IV.*
- Summary of provisions. *October, 373-374.*
- State laws enacted in 1948. Summary. *November, 513-515.*
- Vocational Rehabilitation Act, allowing States to rehabilitate certain citizens. *September, 282-283.*
- Walsh-Healy Act. Provisions; merging of Division administering, with Wage and Hour Division (U. S. Dept. of Labor), 1942; enforcement. *September, 272-273.*
- Workmen's compensation. State legislation, 1947; summary. *September, 278-281.*

Legislation, U. S., by State:

- Arizona. Industrial relations. Law of 1948 (referendum) regulating. *November, 514.*
- California. Minimum wage. Manufacturing; professional, technical, clerical, and similar occupations; transportation; amusement and recreation; after-harvest industries; canning and preserving. Orders revised, 1947-48. *September, 276.*
- Minimum wage. Laundry and dry cleaning, hotel and restaurant, retail trade, beauty culture. Orders made effective in 1947-48. Overtime rates. *September, 276-277.*
- Minimum wage. 1947 amendment to existing law, clarifying method of revising wage orders; change in compensation of wage-board members. *September, 275.*
- Connecticut. Minimum wage, laundry and dry cleaning, beauty culture (guaranteed wage). Orders made effective in 1947-48. Overtime rates. *September, 276-277.*
- District of Columbia. Retail trade, beauty culture. Orders made effective in 1947-48, establishing guaranteed wages. Overtime rates. *September, 276-277.*
- Kentucky. Child labor, law of 1948; provisions. *November, 513.*
- Minimum wage, 1947-48 revision of orders, general coverage. Overtime rates. *September, 276-277.*
- Workmen's compensation. Law amended, 1948; provisions for increased benefits. *September, 279-280.*

Legislation, U. S., by State—Continued

- Louisiana. Industrial relations. Law of 1948, establishing board of mediation in Department of Labor; functions. Law of 1946 repealed, effects upon labor union activities. *November, 514.*

- Maine. Industrial relations. Law of 1948 (referendum) regulating. *November, 514.*
- Massachusetts. Minimum wage, hotel and restaurant. Order made effective in 1947-48. *September, 276.*
- Minimum wage. 1948 amendment to existing law, extending coverage to workers in nonprofit institutions; exceptions. *September, 275.*
- Workmen's compensation. Law amended, 1948; provisions for increased benefits. *September, 280.*
- Minnesota. Minimum wage, retail trade (guaranteed wage). Order made effective in 1947-48. Overtime rates. *September, 276-277.*
- Mississippi. Workmen's compensation, law enacted, 1948. *November, 513.*
- Workmen's compensation. Law enacted in 1948; provisions for increased benefits. *September, 278.*
- Missouri. Workmen's compensation. Law amended, 1948, provision for increased benefits. *September, 280-281.*
- Nevada. Minimum wage. Rest periods, 1947 amendment providing. *September, 275.*
- New Jersey. Law, effective on January 1, 1949, creating Department of Labor and Industry; functions. *November, 515.*
- Workmen's compensation, disability act of 1948; provisions. *November, 513-514.*
- New York. Minimum wage, 1947 and 1948 amendments to existing law; provisions. *September, 275.*
- Minimum wage, laundry, dry cleaning and dyeing (guaranteed wage), hotel and restaurant, beauty culture (guaranteed wage). Orders made effective in 1947-48. Confectionery order revised. Overtime rates. *September, 276-277.*
- Workmen's compensation. Law amended, 1948; provisions for increased benefits. *September, 281.*
- North Dakota. Industrial relations. Laws of 1948 (referenda) regulating, provisions. *November, 514.*
- Minimum wage, laundry and dry cleaning (guaranteed wage). Order made effective in 1947-48. *September, 276.*
- Oregon. Minimum wage, laundry and dry cleaning, hotel and restaurant, retail trade. Orders made effective in 1947-48. Overtime rates. *September, 276-277.*
- Rhode Island. Homework, industrial; amendment of 1948; provisions. *November, 513-514.*
- Minimum wage, hotel and restaurant. Order made effective in 1947-48. *September, 276.*

Legislation, U. S., by State—Continued

Utah. Minimum wage, laundry and dry cleaning, hotel and restaurant, retail trade (guaranteed wage). Orders made effective in 1947-48. Overtime rates. *September, 276-277.*

Virginia. Child labor, law of 1948; provisions. *November, 513.*

— Workmen's compensation. Law amended, 1948; provisions for increased benefits. *September, 281.*

Wisconsin. Minimum wage; 1947-48 revision of orders, general coverage, including canning. Overtime rates. *September, 276-277.*

Legislation, foreign countries:

Austria. Act on Collective Agreements, February 1947; provisions. *September, 246.*

— Associations Act of 1867, provisions. *September, 245-246.*

— Nationalization law, issued July 1946; delays in application and reasons; industries designated for. *September, 248.*

— Works Councils Act, 1947, provisions. *September, 244, 246.*

Great Britain. Education Act 1944. School-leaving age raised under. *August, 120.*

— Family Allowances Act, June 1945, effective August 1946. Provisions. *August, 119.*

— Industrial Injuries Act, effective July 1948. Provisions. *August, 119.*

— Industrial Organization and Development Act of 1947, work authorized under. *October, 370.*

— National Assistance Act, effective July 1948. Provisions. *August, 119-120.*

— National Health Services Act, 1946. Provisions. *August, 120.*

— National Insurance Act, effective July 1948. Provisions. *August, 119.*

— Wages Council Act, 1945; provision for paid vacations in substandard industries. *August, 119.*

Life insurance. Plans included in collective agreements, 1948; methods of financing. *September, 232.*

Machine-tool industry:

Grinding machines, selected. Percent change in unit man-hours, by type of labor. *December, 617.*

Selected types. Man-hour requirements, 1939-47; index, relative man-hours per unit, 1947 (upright drill=100). *December, 615-617.*

Selected types. Man-hour trends, 1939-47, establishments having wage incentive systems, compared with plants on hourly wage basis. *December, 617.*

— Trends, man-hours expended per unit, 1939-47 (chart). *December, 615.*

— Unit man-hour trends, by type of machine tool and by type of labor; by size of plant and by type of labor. *December, 616-617.*

Man-hour requirements:

Construction, house, new, one-family. Man-hours required to build, 18 industrial areas, 1946-47.

Summary of BLS survey. *December, 611-614.*

Man-hour requirements—Continued

Construction, house, new, one-family. Distribution, man-hours worked, by type of exterior wall material; by construction cost classification; by size of operation; by selected area. *December, 612-614.*

Grinding machines, selected. Percent change in unit man-hours, by type of labor. *December, 617.*

Leather manufacturing. Indexes, direct, indirect, and total factory man-hours expended per unit, 1939-46, all reported types combined. *October, 384.*

— Man-hours required to manufacture a pound or square foot, selected types of leather, 1946. Comparison with 1939 figures. *October, 383-385.*

Machine-tool industry, selected types. Man-hour requirements, 1939-47; index, relative man-hours per unit, 1947 (upright drill=100). *December, 615-617.*

— Trends, man-hours expended per unit, 1939-47 (chart). *December, 615.*

— Trends, 1939-47, establishments having wage incentive systems, compared with plants on hourly wage basis. *December, 617.*

— Unit man-hour trends, by type of machine tool and by type of labor; by size of plant and by type of labor. *December, 616-617.*

Soap and glycerin manufacturing. Unit trends per operation, by type of labor, 1939-47. *December, 619.*

Soap and glycerin manufacturing, per unit of operation, 1939-47. *December, 618.*

Soap and glycerin products. Trends, man-hours expended to manufacture 100 pounds, 1939-47. *December, 619.*

Soap manufacture. Trends, per unit, 1939-47. *December, 618-619.*

Man-power:

Needs for fiscal year 1949, under expanded defense program. *October, 373-376.*

(See also Labor force.)

Meetings. (See Conventions, meetings etc.)

Minimum wage, United States:

California. Laundry and dry cleaning, hotel and restaurant, retail trade, beauty culture. Orders made effective in 1947-48. Overtime rates. *September, 276-277.*

— Manufacturing; professional, technical, clerical, and similar occupations; transportation; amusement and recreation; after-harvest industries; canning and preserving. Orders revised, 1947-48. *September, 276.*

— 1947 amendment to existing law, clarifying method of revising wage orders; changes in compensation of wage-board members. *September, 275.*

Connecticut. Laundry and dry cleaning, beauty culture (guaranteed wage). Orders made effective in 1947-48. Overtime rates. *September, 276-277.*

Minimum wage, United States—Continued

District of Columbia. Retail trade, beauty culture. Orders made effective in 1947-48, establishing guaranteed wages. Overtime rates. *September, 276-277.*

Fair Labor Standards Act provisions governing. Pay raises under (original); back wages paid during enforcement. *September, 271-273.*

Kentucky. 1947-48 revision of orders, general coverage. Overtime rates. *September, 276-277.*

Massachusetts. Hotel and restaurant. Order made effective in 1947-48. *September, 276.*

— 1948 amendment to existing law, extending coverage to workers in nonprofit institutions; exceptions. *September, 275.*

Minnesota. Retail trade (guaranteed wage). Order made effective 1947-48. Overtime rates. *September, 276-277.*

Nevada. 1947 amendment to existing law, providing rest periods; communications industry exempted. *September, 275.*

New York. 1947 and 1948 amendments to existing law; provisions. *September, 275.*

— Laundry, dry cleaning and dyeing (guaranteed wage), hotel and restaurant, beauty culture (guaranteed wage). Orders made effective in 1947-48. Confectionery order revised. Overtime rates. *September, 276-277.*

North Dakota. Laundry and dry cleaning (guaranteed wage). Order made effective in 1947-48. *September, 276.*

Orders becoming effective from January 1, 1947, to June 30, 1948, and industries covered; summary. *September, 275-278.*

Oregon. Laundry and dry cleaning, hotel and restaurant, retail trade. Orders made effective in 1947-48. Overtime rates. *September, 276-277.*

Rhode Island. Hotel and restaurant. Order made effective in 1947-48. *September, 276.*

State legislation, including wage orders. Progress, 1947-48. *September, 275-278.*

— (See under Legislation, U. S., by State, for specified State.)

Utah. Laundry and dry cleaning, hotel and restaurant, retail trade (guaranteed wage). Orders made effective in 1947-48. Overtime rates. *September, 276-277.*

Vermont. Legislative action, 1947, authorizing investigation to determine need for, in intrastate industries. *September, 275.*

Wage board activities, specified States, 1947-48, to prepare or revise wage orders. *September, 278.*

Wisconsin. 1947-48 revision of orders, general coverage, including canning. Overtime rates. *September, 276-277.*

Mining, foreign countries:

Great Britain. Coal. Manpower position, compared with prewar. *October, 371.*

Mining, foreign countries—Continued

Great Britain. Coal. Output, annual, average weekly, and average per man shift, 1938 and 1944-48. *October, 371.*

Minors. Employment of. (See Child labor.)

Monthly Labor Review. Issue in brief. (See p. II, each issue.)

National Coal Board. Great Britain. Efforts to increase output; attitudes, union and management, toward. *October, 371.*

National Labor Relations Board. Decisions. (See under Labor Management Relations Act; also under specific issue involved.)

Nationalization. Industrial; resolution passed by Congress of International Cooperative Alliance (Prague); objections to proposal, specified countries. *December, 601.*

Nutrition, foreign countries:

Great Britain. Food consumption, per capita, prewar, 1945 and 1948. *August, 121-122.*

— Wartime diet, quality deterioration; postwar supply difficulties; lowered consumption, first half of 1948; special rations. *August, 121-122.*

Office workers:

New York City. Average salaries and average weekly hours of work, selected occupations in selected industry groups, January-February 1948. *July, 26-29.*

— Bonus, nonproduction; group insurance; holidays (paid); pensions, retirement plans; sick leave; and vacations with pay; use of, as of January-February 1948. *July, 29.*

Oakland. (See San Francisco and Oakland, this section.)

San Francisco and Oakland. Supplementary wage practices, February 1948. *August, 138-141.*

— Weekly salaries, hourly rates, selected occupations, February 1948. *August, 138-141.*

Supplementary wage practices, selected cities, December 1947-February 1948. *September 242-243.*

Unionized offices, personnel practices; provisions. Analysis of 50 collective-bargaining agreements from American Management Association survey. *December, 623-626.*

Weekly salaries, selected occupations, selected cities, December 1947-February 1948. *September, 240-242.*

Oil. World resources; resolution on, passed by Congress of International Cooperative Alliance (Prague). *December, 600.*

Older workers:

Absenteeism. BLS study of rates, 17,800 workers in 109 manufacturing plants, showing comparisons with younger workers. *July, 16-19.*

— Rates, by age groups and sex, manufacturing industries. *July, 16-17.*

Output, United States and world:

Agriculture, world. Mid-1948 compared with prewar levels and outlook for 1948-49 crop year. *November, 468-469.*

Electric light and power industry, privately owned. Employment and output per man-hour, 1922-47; effects of technological changes on. *November 496, 498.*

Fuel and energy, world, by area, 1938 and 1947. *November, 469.*

Union cooperation in promoting; selected contract clauses (text). *November, 487-488.*

World industrial. Indexes, 1947 and first half 1948 (1938=100), specified countries; second quarter 1948 (1937=100), specified products. *November, 468-469.*

Output, foreign countries:

France. Output per man-hour, indexes, 1938-47; indexes, by industry, 1938-47; Monnet Plan to increase. *July, 44-45.*

Great Britain. Coal. Annual, average weekly, and average per man-shift, 1938 to 1948. *October, 371.*

Overtime, United States:

Fair Labor Standards Act provisions governing, persons receiving protection under; enforcement. *September, 271-274.*

Longshoremen, New York, pay under Fair Labor Standards Act. U. S. Supreme Court ruling on contract provisions. *July, IV.*

State legislation, establishing rates, 1947-48. Provisions. *September, 277-278.*

Overtime, foreign countries;

Great Britain. Agreements to work, selected industries; objections. *August, 119.*

— Collective agreements, postwar adjustments in, to provide for. *August, 118.*

Payrolls:

Federal. Military branch, yearly 1939 and 1943, monthly (May 1947-October 1948), by branch of service and type of pay. (See Current labor statistics, table A-14, each issue.)

Federal. Yearly, 1939 and 1944, monthly (May 1947-October 1948), by branch and agency group. (See Current labor statistics, table A-12, each issue.)

Federal Executive Service. Employment and average annual salaries by pay-fixing authority, July 1946 and July 1947. *July, 12.*

Federal, Washington, D. C. yearly, 1939 and 1943, monthly (May 1947-October 1948), by branch and agency group. (See Current labor statistics, table A-13, each issue.)

Manufacturing. Production workers; indexes, annual average, 1943, monthly (May 1947-October 1948) by industry group and industry. (See Current labor statistics, table A-7, each issue.)

Payrolls—Continued

Nonmanufacturing. Indexes; annual average, 1943, monthly (May 1947-October 1948), by selected industry group and industry. (See Current labor statistics, table A-10, each issue.)

Peace:

Industrial, causes of; summary of case studies by National Planning Association on relations between Libby-Owens-Ford Glass Co. and Federation of Glass, Ceramic and Silica Sand Workers of America (CIO); and Crown Zellerbach Corp. and International Brotherhood of Pulp, Sulphite and Paper Mill Workers and the International Brotherhood of Paper Workers. *December, 626-629.*

Resolution passed by Congress of International Co-operative Alliance (Prague). *December, 600.*

Pensions:

Electric and gas utilities. Extent of use of, as of March-April 1948. *October, 380.*

Employers' obligation to bargain collectively on; NLRB ruling in Inland Steel Co. case. *September, 234.*

Office workers, New York City. Extent of provision for, as of January-February 1948. *July, 29.*

Personnel. Practices, in unionized offices; provisions. Analysis of 50 collective-bargaining agreements from American Management Association survey. *December, 623-626.*

Petroleum products. (See Oil.)

Physically handicapped workers. (See Handicapped workers.)

Physically impaired workers. (See Handicapped workers.)

Political contributions. Great Britain. Dependence of Labor Party on trade-unions for. *October, 367.*

"Portal-to-Portal." Court decisions on. *October, 406-407.*

Portal-to-Portal Act. Effect of, on Fair Labor Standards Act. *September, 274.*

Power. (See Electric light and power industry.)

Power laundries. (See Laundries, power.)

Price stabilization, Austria. Currency reform of December 1947 and effects on prices. *July, 45-47.*

Prices, United States:

Agricultural machinery and equipment. Indexes, primary market; revision of, summary of methods used by BLS. *October, 403-405.*

— Indexes, wholesale, monthly 1946-47. *October, 405.*

Basing point system, Supreme Court ruling. *August, III.*

Commodity exchange. Domestic crops, March 31 to June 30, 1948 (chart). *September, 252-253.*

Prices, United States—Continued

- Commodity market; percent change June 30 to September 30, 1948. *December, 605.*
- Consumers', index. By group, March to June 1948 (chart). *September, 250.*
- BLS survey, actual expenditures, wage earners' and clerical workers' families; methods of calculating relative-importance figures for items. *August, 156-158.*
 - By group, June 15 to September 15, 1948. *December, 604.*
 - Essential facts concerning; purpose and meaning, structure, methods of compilation; movement since spring 1940. *July, 8-11.*
 - Large cities. Average, specified periods from 1913, monthly (May 15, 1947–October 15, 1948), by commodity grouping. (See Current labor statistics, table D-1, *each issue.*)
 - List of items included, and relative importance of each in major groups of items and in total index, December 1947. *August, 159-160.*
 - Major groups, relative importance and indexes for December 1947. *December, 631.*
 - Moderate-income families; monthly (April 15, 1948–October 15, 1948), by city and community group. (See Current labor statistics, table D-3, *each issue.*)
 - Moderate-income families, selected periods, August 15, 1930, and June 15, 1946, monthly (May 1947–October 15, 1948), by city. (See Current labor statistics, table D-2, *each issue.*)
- Developments, specified commodities, monthly; influences affecting and future predictions; indexes. (See Labor month in review, pp. III-IV, *each issue.*)
- Electricity. Increases and decreases, specified cities, 1947. *July, 39-40.*
- Export and import; indexes, by country, various months, 1947 and 1948. *November, 474.*
- Gas. Increases and decreases, specified cities, 1947. *July, 40.*
- Gas and electricity. Changes in 1947. Percent changes, specified quantities, selected dates, to December 15, 1947. *July, 39-40.*
- Gas, manufactured, natural, and mixed; changes, specified periods, to December 15, 1947. *July, 40.*
- Indexes, goods in various stages of fabrication, 10 countries, 1939-48. *November, 474.*
- Retail. Food and meat, by group, June 15 to September 15, 1948. *December, 604.*
- Food. Indexes, August 1939 and June 1946, monthly (May 1947–October 1948), by city. (See Current labor statistics, table D-5, *each issue.*)
 - Food. Indexes, average, selected periods 1923-46, monthly (May 1947–October 1948), by commodity group. (See Current labor statistics, table D-4, *each issue.*)
 - Food. Index, revision of, August 1947; summary of methods used by BLS. *October, 397-402.*

Prices, United States—Continued

- Retail. Food. Indexes, old (62 foods) and revised (44 foods); comparison of, all foods and major commodity groups, 56 cities combined, quarterly, 1939-46 and February 1947. *October, 398.*
- Food. Sampling errors; comparison of, average retail prices of certain foods, computed with and without stratification among independent stores, March 1947. *October, 401.*
 - Food and meat, by group, March to June 1948 (charts). *September, 250-251.*
 - Foods, list of, formerly priced, foods in revised index, foods eliminated, and imputation of weights. *October, 399.*
 - Foods. Sampling errors, distribution of prices reported by independent stores, New York and Chicago, March 1947. *October, 400.*
 - Foods, selected. Indexes, August 1939, monthly, May 1947–October 1948; average monthly price, May 1947–October 1948. (See Current labor statistics, table D-6, *each issue.*)
- Second quarter, 1948, general movement. *December, 603-606.*
- Trend, January through September, 1948, daily spot market, wholesale, and retail (chart). *December, 603.*
- Trends, June 1948; consumers' price index, May. *June, IV.*
- Trends, second quarter 1948, and first half of 1948. *September, 249-253.*
- Wholesale. BLS new weekly index issued on current basis, Fall of 1948, in place of weekly index issued since 1932; development of commodity sample, relationship to Bureau's monthly wholesale price index. *September, 290-298.*
- Index, abbreviated; commodities included in, classified by groups in the comprehensive wholesale index. *September, 296-298.*
 - Index, by group; percent change, June to September 1948. *December, 605.*
 - Index, March to June 1948. *September, 251-252.*
 - Indexes. August 1939 and June 1946, monthly (May 1947–October 1948), by commodity group and subgroup. (See Current labor statistics, table D-9, *each issue.*)
 - Indexes. Comprehensive monthly and weekly, and abbreviated weekly, monthly, from January 1947 to March 1948. *September, 291.*
 - Indexes. Farm products, foods, and metal products, March to June 1948 (charts). *September, 252-253.*
 - Indexes. Selected periods, 1913-46, monthly (May 1947–October 1948), by commodity group. (See Current labor statistics, table D-7, *each issue.*)
 - Indexes. United States and United Kingdom, 1939 to 1948. *November, 475.*
 - Indexes. Weekly (April 3–November 13, 1948), by commodity group. (See Current labor statistics, table D-8, *each issue.*)

Prices, United States—Continued

Indexes. Weekly comprehensive and abbreviated series, by group, January 1947–March 1948. *September, 293.*

— Percentage changes, average monthly, January–February 1947 to February–March 1948. *September, 295.*

— Price index, general description and present BLS methods of revision and correction. *August, 153–155.*

World. Levels, postwar changes in; consumers' and wholesale, indexes, by country, 1945 and mid-1948. *November, 471–475.*

— 1948 compared with 1949. Summary. *November, 467–475.*

— Relationships. Postwar changes in and reasons for. *November, 473–475.*

Prices, foreign countries:

Austria. Black market, decline in, after currency reform of December 1947, and effects. *July, 45–46.*

— Indexes; changes, monthly, August 1947 to April 1948. *July, 45.*

— Wholesale, food and industrial materials; indexes, March 1948. *July, 46–47.*

Vienna. Black market, food prices. Indexes, by month, August 1947 to April 1948. *July, 45.*

Printing trades:

Book and job, newspaper printing; intercity differences in rates, by size of city, January 1948. *August, 145.*

Increases, union rates, by city and industry branch, July 1, 1946, to January 2, 1948; increases negotiated since January 2. *August, 144–145.*

Indexes, union wage scales, 1939–48. *August, 143.*

Shift differential. Extent of use of, as of January 1948. *August, 145.*

Product. Gross national. Percentage distribution, 9 countries, 1938 and 1947. *November, 470.*

Production, United States and world:

Fuel and energy, world, by area, 1938 and 1947. *November, 469.*

World industrial. Indexes, 1947 and first half 1948 (1938=100), specified countries; second quarter 1948 (1937=100), specified products. *November, 468–469.*

Production, United States and world:

France, Indexes, 1938–47. *July, 44.*

Great Britain. Coal. Saturday tonnage, December 1947, January, and February 7, 1948. *August, 119.*

Production committees. (See Committees, joint production.)

Productivity, United States:

Dress shirts, men's. Man-hour requirements per dozen to produce, by price line, plant size, and by type of labor and department. *September, 254–256.*

Productivity, United States—Continued

Dress shirts, men's. Man-hour requirements per dozen to produce, 1937–47, showing decline per unit. *September, 254–256.*

Fertilizer manufacturing. Indexes, man-hours expended per ton, by type of fertilizer, 1939–46. *September, 259–260.*

— Man-hours expended to produce, per ton, mixed fertilizer and superphosphate, 1939–46; trends, by type of labor, by product and plant size. *September, 258–260.*

Footwear manufacturing. Man-hours expended per pair. Indexes, all shoes reported. *September, 257.*

— Man-hours expended per pair. Trends, by type of shoe, by area and by plant size. *September, 257–258.*

— Man-hours expended to produce, by pair, selected types of shoes, by class of shoe and factory price line, 1945. *September, 256–257.*

— Man hours expended, total (direct and indirect); indexes, by class and factory price line. *September, 257–258.*

Productivity, foreign countries:

France. Output per man-hour, indexes 1938–47; indexes, by industry, 1938–47; Monnet Plan to increase. *July, 44–45.*

Great Britain. Coal. Output, annual, average weekly, and average per man-shift, 1938 to 1948. *October, 371.*

— Efforts to increase; union attitude towards, and efforts to cooperate. *October, 366, 369–371.*

Promotion and assignment. Provisions for, in collective agreements; selected contract clauses (text). *November, 490–493.*

Publications. Recent, of labor interest. *July, 63–69; August, 174–181; September, 308–313; October, 418–419; November, 526–532; December, 647–653.*

Rationing, Great Britain. Wartime and postwar controls, effects on welfare of workers. *August, 117–118, 122.*

Rayon and silk industry:

Holidays (paid), shift differentials, vacations with pay, as of April 1948. *September, 269–270.*

Straight-time hourly earnings, selected occupations, by selected area, April 1948. *September, 269–270.*

Workweek, length of, as of April 1948. *September, 270.*

Real wages. (See inverted title.)

Rent control. Importance of, as factor in keeping down proportion of income spent for rent during 1947. *November, 516.*

Rents:

Contract (average). Changes, compared with changes in CPI rent index, 34 large cities, April 1940 and April 1947. *December, 634–635.*

Rents—Continued

Contract (average). Comparison, 1944 and 1945, with those in 1940, selected small cities not under rent control. *December, 635.*

— Comparisons of; all changes in rental market reflected by (chart). *December, 636.*

Control of, as factor in keeping down proportion of income spent for rent during 1947; percentages spent for, nonfarm families, by income group. *November, 516.*

Index, as compared with BLS consumers' price index (CPI); basic concepts underlying. *December, 631-637.*

Proportion of income spent for, nonfarm families, various income groups, 1947; effects of rent control. *November, 516.*

Seattle. Percent tenant units having facility included in rent, 1935-39 and 1944. *December, 635, 637.*

Urban and rural nonfarm areas, United States. Median monthly (average), by type of dwelling, April 1940. *December, 635.*

Reports. Advisory Council on Social Security. Report to Senate Committee on Finance, on extension of social-insurance systems recommending protection against income loss from permanent and total disability; dissents. *August, 146-147.*

Rest periods. Nevada. 1947 amendment to minimum-wage law, providing. *September, 275.*

Retirement:

Employers' obligation to bargain collectively on; NLRB ruling in Inland Steel Co. case. *September, 234.*

Plans, in collective bargaining agreements, 1948; funds, regulation of. *September, 229, 231, 233-234.* (See also Retirement plans.)

Retirement plans. Office workers, New York City. Extent of provision for, as of January-February 1948. *July, 29.*

Safety. Industrial, national. President's conference on; subjects covered, committees appointed and scope of activities; provision for final recommendations. *November, 508-511.*

Safety, Great Britain. Emphasis on, since nationalization of coal mines, and methods to achieve. *August, 120.*

Savings:

Birmingham, Indianapolis, and Portland (Oreg.). Correction of article in June 1948 issue (p. 624), "Expenditures of Moderate-Income Families: 1934-36 and 1945." *November, 518.*

Consumer out of income. Declining rate during 1947, and reasons for; most frequent forms. *September, 287; November, 515-516.*

Selective Service Act of 1948:

Defense program, fiscal year 1949; manpower needs. *October, 373-376.*

Selective Service Act of 1948—Continued

Deferments and exemptions under. *October, 374-375.* Summary of provisions. *October, 373-374.*

Seniority. Provisions concerning, in collective agreements; selected contract clauses (text). *November, 490-493.*

Shift differentials:

Fertilizer industry. Extent of use of, as of March 1948. *November, 505.*

Grain milling industry. Extent of use of, as of January 1948. *July, 32.*

Industrial chemical industry. Extent of use of, as of January 1948. *August, 142-143.*

Printing trades. Extent of use of, as of January 1948. *August, 145.*

Shoe industry. (See Footwear manufacturing.)

Sick leave:

Electric and gas utilities. Extent of provisions for, as of March-April 1948. *October, 380.*

Office workers, New York City. Extent of provision for, as of January-February 1948. *July, 29.*

Silicosis. Benefits, increases in, under State workmen's compensation laws, amended in 1948 (Kentucky, Massachusetts, Virginia). *September, 279-281.*

Silk industry. (See Rayon and silk industry.)

Soap manufacturing:

Man-hours expended to manufacture 100 pounds of soap and glycerin products, trends, 1939-47. *December, 619.*

Man-hours per unit of operation, soap and glycerin manufacturing 1939-47. *December, 618.*

Man-hour requirements 1939-47. *December, 618-619.*

Unit man-hour trends, soap and glycerin manufacturing operations, by type of labor, 1939-47. *December, 619.*

Social insurance, Great Britain. Ministry of National Insurance, established in accordance with recommendations of Beveridge Report of 1942. *August, 119.*

Social security, United States:

Account numbers, applications for, by persons under 18 years of age, 1940-47. *December, 590.*

Advisory Council on; report to Senate Committee on Finance on extension of social-insurance system, recommending protection against loss of income from permanent and total disability; dissents. *August, 146-147.*

Social security, Great Britain. Postwar extension of services. *August, 117, 119-120.*

Statistics, current labor. List of tables. *July, 70-71; August, 182-183; September, 314-315; October, 420-421; November, 533-534; December, 654-655.*

Stores:

- Department and women's ready-to-wear. Average weekly earnings, selected occupations, 16 cities, April 1948. *November, 485.*
- Discounts, holidays (paid), vacations with pay, 16 cities, April 1948. *November, 486.*
- Wage survey, 16 cities, April 1948, summary. *November, 483-486.*
- Workweek, length of, April 1948. *November, 486.*

Taft-Hartley Act. (See Labor Management Relations Act.)

Tariffs:

- International. General Agreement on Tariffs and Trade; first multilateral agreement on tariffs ever negotiated. *November, 482.*
- Provisions for use and reduction of, in Charter for International Trade Organization. *November, 480, 482.*
