### STATE AND CITY SUPPLEMENT.

ERCIAL

&

The STATE AND CITY SUPPLEMENT, issued semi-annually, is furnished without extra charge to every annual subscriber of the COMMERCIAL AND FINANCIAL CHRONICLE.

The INVESTORS' SUPPLEMENT, issued quarterly, is also furnished without extra charge to every subscriber of the CHRONICLE. THE STREET RAILWAY SUPPLEMENT, issued semi-annually, is likewise

furnished without extra charge to every subscriber of the CHRONICLE.

THE QUOTATION SUPPLEMENT, issued monthly, is also furnished without extra charge to every subscriber of the CHRONICLE.

Terms for the CHRONICLE, including the four Supplements above named, are Ten Dollars per year within the United States and Thirteen Dollars (which includes postage) in Europe.

File covers of the CHRONICLE are sold at 50 cents each; postage on the same is 18 cents. File covers for SUPPLEMENTS can be had at office for 65 cents or mailed for 80 cents.

LONDON AGENTS.—Messrs. EDWARDS & SMITH, 1 Drapers' Gardens, E. C., will take subscriptions and advertisements, and supply single copies of the CHRONICLE at 1s. each.

WILLIAM B. DANA COMPANY, PUBLISHERS, PINE STREET, CORNER OF PEARL STREET,

Post Office Box, 958.

ASSESSMENT VALUATIONS IN RELATION TO DEBT LIMITS.

It is now a pretty general custom to limit the indebtedness of counties and municipalities, the limit being usually fixed either by the Constitution or by legislative enactment at a certain percentage of the assessed value of the property. The provision of course is a wise one, being a protection against excessive debt issues, which foster extravagance and often entail burdens beyond the ability of the tax-payers to bear. In such a contingency credit becomes impaired, making future borrowings correspondingly more costly; or maybe a readjustment of the debt is found necessary and the municipality is obliged to scale or reduce the principal of its obligations or to ask some other indulgence of its creditors, with the effect of bringing borrowing to an end for a term of years, even where needful improvements would justify the step. Of all forms of limitation, an indebtedness proportioned to property valuation seems best adapted to the purpose. Under it no rigid limit is set to the amount of the debt, which may be increased as the valuation expands. The basis is a fair one, too, for an expansion of property values implies (other things being the same) growth in wealth and in population, and hence in the ability to make larger contributions to the public treasury. Moreover, with the growth in the municipality's population there follows a corresponding growth in the needs for improvements in various directions. The plan possesses an element of flexibility, just as circumstances require, and allows an adjustment of the debt to the needs of the situation. It is obvious, however, that in practical operation much depends upon the way the rule is applied. The methods of assessing values may vary widely, and they limit, and in the law with regard to the same there is

may be suddenly changed. Out of this, curious complications arise from time to time. Manifestly it makes a great deal of difference whether property is assessed for taxation at one half, one third or one quarter its value, or at its assumed full value. It will be readily seen, too, that there is wide room for the play of official or legislative discretion and design -that by departures in the basis of assessment the debt may be contracted or expanded as the case may be, even where there is a fixed percentage debt limit. In two Western States considerations arising out of such departures are at present engaging the attention of the people. We shall advert to them at length further below, for they present features which, though only of local bearing and application, are not without some degree of general interest.

HRONICLE.

In the past, questions as to the precise meaning to be given to the word debt have also at times arisen; but these questions have now become pretty well settled-legislative enactment or judicial construction aiding to that end—so that the meaning of the term is considered quite clearly defined. Doubt used to exist whether where the simple word debt or indebtedness was used it meant gross debt or net debt, the latter being the amount remaining after the deduction of sinking funds. That very point was raised, the reader will perhaps remember, in the case of the debt of this city, but in May 1886 the Court of Appeals decided, at the end of a litigation begun in July 1885, that the sinking fund was not a part of the city debt within the meaning of the provision of the Constitution limiting the creation of debt to 10 per cent of the assessed valuation of real estate-that is, that the sinking fund (which in the case of this city has always been large) was to be deducted in calculating the amount of the debt. More recently a similar question was raised with reference to the debt-creating power of Philadelphia, with the same result. That is to say, by a decision of the Supreme Court of Pennsylvania, filed May 31 1894, it is held that within the meaning of the word "Debt" in Section VIII., Article IX., of the Constitution of Pennsylvania, the real debt of the city is the authorized debt less the amount of the city certificates purchased and uncanceled in the sinking fund. In several of the S ates, to leave no room for misunderstanding, a definition of the word "debt" is furnished in the statutes or the Constitution. In Massachusetts there is no constitutional provision restricting the incurring of debt, but there is a statutory

### STATE AND CITY SUPPLEMENT.

Vol. LXX

a clause which explains how the debt is to be computcd. The water debt is of course distinctly excluded (as in nearly every other case), and in addition it is previded that in determining whether the limitation fixed by the statute has been reached the sinking funds shall also be deducted from the total of the debt. In New Hampshire, likewise, the restriction as to amount of indebtedness is imposed by statute and not by the Constitution. The provisions are contained in what is called the Municipal Bond Act of 1895. These prohibit an increase in the *net* debt of any municipal corporation to an amount exceeding 5 per cent of the value of the taxable property therein. To ascertain the net debt all debts, it is stated, must be included except water debt, and the following deductions are permitted: "Cash and other means" in treasury and sinking funds applicable to the payment of the debt included. In the same State there is also a reference to the matter in the laws prescribing the investments of savings banks. The purpose in this last case is to define the meaning of "net indebtedness" as applied to municipalities of other States in whose obligations the savings institutions of New Hampshire are allowed to invest their funds. The provision bearing on the subject declares that the term "net indebtedness" shall be construed to de note the indebtedness of any city or town, omitting debt created for supplying the inhabitants with water and deducting the amount of sinking funds available for the payment of municipal indebtedness.

We will refer to only one other instance, namely the State of Maine. Here also the definition is found in the savings bank investment laws. In the case of counties the term net municipal indebtedness, it is declared, must be construed to include all bonds which are a direct obligation of the county, less the amount of any sinking fund available in the reduction of such debt. In the case of cities and districts it is to be construed to include not only all bonds which are a direct obligation, but also all bonds of the districts or boards within the same, exclusive of any such debt created for a water supply and of the amount of any sinking fund available in the reduction of such debt.

These illustrations make it clear that usage and judicial interpretations have established pretty definitely what constitutes debt within the meaning of statutory or constitutional limitations. On the other hand, as already indicated, questions keep arising as to the tax valuations, owing to differences in the methods of computing the assessments in determining such valuations. We have stated above that matters of this kind were engaging attention in two of the Western States. One of these States is Illinois, the other Iowa. The Illinois case is much the more important and prominent. There a decidedly interesting situ-

tained by the last assessment for State and County taxes, previous to the incurring of such indebtedness." These provisions apply of course to Chicago the same as to other municipalities in the State. As the Constitution has been in force thirty years, it may no doubt be thought there has been time enough to establish its meaning. The difficulty and doubt which have now arisen are owing to the enactment of a law providing a new methed for assessing property.

In Chicago valuations in the past have been on a notoriously low basis, many pieces of property being assessed at not more than 10 to 15 per cent of their actual worth. In February 1898 the Illinois Legislature passed what is known as the Revenue Law of 1898. This law provides for a Board of Assessors and a Board of Review in counties containing 125,000 or more inhabitants. It declares that the preperty assessed shall be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale in the due course of trade, which value was to be set down in a column to be headed full value, and one-fifth part thereof to be set down in another column which should be headed assessed value, and this one-fifth value of all property so ascertained and set down should be the assessed value for all purposes of taxation, limitation of taxation, and limitation of indebtedness prescribed in the Constitution or any statute. In stating the substance of this Revenue Law, we have used substantially the words employed by the Chicago City Comptroller, Mr. William D. Kerfoot, in his report under date of March 31 1900.

There was an increase in the assessed value of the property of Chicago as the result of this law, but not to the extent expected. The city's financial needs have long been urgent, and apart from that the fact that every large and growing city wishes to carry forward various improvements from year to year has made the city officials desirous of putting out additional bonds if it could legally be done. The new law unfortunately did not furnish the relief counted upon. In fact, if it had been allowed to stand in its entirety, the effect would have been just the other way. There was one section (Section 49) in it which made the limit of indebtedness for cities in the class to which Chicago would belong only  $2\frac{1}{2}$  per cent of the assessed value of the property. This section was on Jan. 12 1900, for a special reason, declared unconstitutional, the Court, however, allowing the rest of the Act to stand. As a result, the debt limit remains as it was before-that is the 5 per cent fixed by the State Constitution. The question now at issue is whether the 5 per cent is to be calculated on the basis of the full value of the property arrived at under the new law, or at the assessed value which, as we have seen, is only one-fifth the full value. The reading of the law

ation has developed out of a new assessment law placed on the statute books a short time ago, and which in its application to the city of Chicago is producing some curious complications. The power of Illinois municipalities to create debt

The power of Illinois municipalities to create debt assess is plainly prescribed by the Constitution. The limit instrument now in force in that State is that of 1870. the o By Article 9, Section 12, of that Constitution it is basis provided that, "No county, city, township, school up to district or other municipal corporation shall be have allowed to become indebted in any manner or for any purpose, to an amount, including existing indebtedness, in the aggregate exceeding five per centum on the value of the taxable property therein, to be ascer-

allowing for certain deductions made, would be \$1,786,110,125. If the computation is on the basis of assessed values, then the city has reached the d bt limit and can create no further indebtedness. On the other hand if the computation is to be on the basis of the *full* value, then the city can issue bonds up to the amount of nearly \$70,000,000, and would hence have a large debt ma<sup>-</sup>gin for many years to come. The matter is plainly one of great importance to the city. A test case, to obtain a legal determination of the question, is to be made of the \$2,500,000 issue of bonds sold April 4, and a decision will be awaited

### April, 1900.

with much interest. The wisdom or expediency of permitting the creation of a debt up to 70 million dollars is not now under discussion. We may note, however, that Comptroller Kerfoot urges that in the event of an adverse construction, steps should be taken at the earliest moment to secure whatever action, by constitutional amendment or otherwise, may be necessary to enable the city to increase the debt to \$70,000,000.

The case of Iowa is just the reverse of this. There the taxable value has been enlarged, and it is now proposed to reduce the debt limit to correspond with the change. The Constitution of Iowa prescribes 5 per cent as the limit of indebtedness, the taxable value of the property to be ascertained by the last State and County tax list previous to the incurring of the debt. The revenue laws of the State were revised in 1898, and under this revision it was provided that property must be listed at its actual cash value, 25 per cent of this to be taxation basis. It is claimed that as compared with the methods in vogue under the old revenue laws this means an increase of four or five fold in the taxable basis. Steps have accordingly been taken to contract the debt limit to conform to this change, a bill having passed the Legislature and been approved by the (lovernor providing that in the future the aggregate of municipal indebtedness shall not exceed  $1\frac{1}{4}$  per cent of the actual value of property in cities or towns as returned by the last tax list.

### STREET RAILWAY BONDS AS INVEST-MENTS FOR SAVINGS BANKS.

The enlargement of the scope of the investment field of the savings banks is no longer seriously objected to by any one. Time was when suggestions of allowing these institutions to go outside of real estate mortgages and public funds (*i. e.*, Government bonds and State, city, county and town bonds, etc.,) for the employment of their moneys did not meet with much favor. The opposition came chiefly from municipal authorities who feared that as a result of opening the door wider, the banks would go so largely into the other and newer line of permissible investments that the demand for municipal securities would be curtailed, with the effect of obliging municipalities to pay a higher interest rate on their borrowings.

Originally the objections took a still narrower form, attempts having sometimes been made in the past to circumscribe the banks even in their choice of public funds, so as to oblige them to confine themselves mainly or exclusively to the issues of their own State. The motive in this case was the same as in the other, it being considered that such a policy was essential in the interests of municipal borrowing. But as municipal credit has steadily improved and the demand for obligations of that class has grown more rather than less active, notwithstanding the banks have been given authority to buy railroad and other new classes of securities, fears on that ground have disappeared. The truth is, savings banks deposits are growing so fast that the addition of new lines of investment has been an absolute necessity. During the calendar year 1899 the deposits of the savings institutions of New York State increased \$71,336,283, while in the fiscal year 1899 (ending Oct. 31) those of Massachusets increased \$29,559,125 ; at the same time the de posits of the banks in New Jersey in the latest year

were added to in amount of \$5,860,824, those of Pennsylvania \$10,533,342, those of Maine \$3,156,829, those of New Hampshire \$2,570,148, those of Vermont \$2,455,023, those of Rhode Island \$2,597,559, and those of Connecticut \$10,652,696. Here is a total addition in one year in New England, New York, Pennsylvania and New Jersey of \$138.721,834, and the aggregate of the deposits of those States now amounts to nearly two thousand million dollars-\$1,959,647,-640. On the other hand, the total of State, city, county and town bonds of all kinds issued during the calendar year 1899, according to the records kept by us, including the States whose bonds are not permissible investments, and also including bonds issued to refund existing obligations, was no more than \$118,113,005. And the exhibit for 1899 is simply a repetition of the experience of other years.

Impelled by the necessity here indicated, the three most important States (from a savings bank standpoint), namely New York, Massachusetts and Connecticut, holding together an aggregate of \$1,579,-817,893 deposits, last year as outlined in these columns at the time, greatly extended the authority of the institutions to make investments in railroad securities. As a matter of fact, however, the process has been going on steadily for years. New York State, with the largest deposits of any State, clung most tenaciously to old traditions. Long after most of the other States had added new classes of investments to the savings bank list, New York still hung back. Prior to 1898 the institutions in this State could not buy railroad bonds of any kind. In the year mentioned authority was first given to invest in such bonds under closely-guarded restrictions. The enactment of that year, though, simply gave permission to invest in the first mortgage bonds of railroads the principal part of whose road is located within the State. The door having been opened, it was natural to go a step further, and in 1899 another enactment was passed, under which the institutions of this State are given a pretty extensive list of railroad bonds to choose from. At this year's session of our Legislature a slight further change was made in the law, consisting simply in the addition of the Chicago & Alton RR. to the list.

The purpose of this article is to discuss the practice with reference to including or excluding street railway bonds among the permissible investments. Timeliness is given to a discussion of the subject by a variety of circumstances. A short time ago a bill was introduced in the Massachusetts Legislature intended to extend the authority of the savings institutions of that commonwealth in making investments so as to include the first mortgage bonds of street railway companies in that State. Under existing statutes the banks in Massachusetts are prohibited from buying

street railway securities—at least in the section of the law which confers the right to buy railroad bonds and notes, it is distinctly provided that street railway companies shall not be considered railroad companies within the meaning of the section. The bill which the Legislature was asked to enact read as follows:

SECTION 1. Savings banks are hereby authorized to invest their funds in first mortgage bonds of street railway companies incorporated under the laws of this State whose roads are located wholly or in part therein, and which have earned and paid a dividend of not less than three per centum per annum for two years next preceding such investment.

It is enough to say with reference to this proposed bill, that it failed of passage. As was recorded in the State and City Department of the CHRONICLE of March 31, the measure was, on the recommendation of the Committee on Banks and Banking, rejected in both branches of the Legislature.

The action in this case makes it interesting to see what is the line of policy of other States with refertions, in providing large issues of bonds covering extensive systems, of stable and assured earning capacity, ence to street railway investments. Generally speakcan ultimately be utilized to the advantage of the ing, there are not many States that sanction banks, but time will be needed to demonstrate that such investments. If we take the States up in such combinations have been established on a basis order, beginning with Maine, we shall find that safe beyond peradventure—and that, after all, is the that commonwealth does allow the savings institucondition indispensable above everything else. tions to hold street railway bonds, but that the The larger States have not favored street railway power there is hardly enough restricted, hence in. bonds as means for the employment of savings banks viting risk of loss where bank officers availing of the funds. Thus, the present law of this State in definwide latitude allowed by the law fail to exercise sufficing what railroad bonds the institutions may hold ient vigilance and care in making selections of street says that "street railroad corporations shall not be considered railroad corporations within the meaning railway investments. The weak point in the statute of this subdivision." The Connecticut law says: was brought to our notice about eight or nine months "This Act shall not be held to authorize any investago; and, rather singularly, demonstration of the dements in the bonds of any corporation operating its fect came in the case of a street railway of Massachu. railroad exclusively by any means other than steam as setts, the very State which bas now refused to allow a motive power, or in the bonds of any street railroad its own institutions to invest in street railway issues company." In Vermont the law does not give permisof any kind. Some time last summer one of the sion for railroad investments of any kind. The same smaller houses in Boston offered for sale an issue of is true of the general law controlling savings banks in bonds of a little electric railway in Massachusetts. Pennsylvania, though some of the banks organized There was nothing out of the ordinary in this offering under old special charters have authority to invest in any "good and valid securities." The provision in except that at the bottom of the circular the an. New Jersey makes it lawful for a bank "to invest its nouncement was made that the bonds were a legal funds in first mortgage bonds of any railroad cominvestment for Maine savings banks. The statement pany which has paid dividends," &c., &c., evidently seemed rather a surprising one, as the road was not meaning steam roads. In Rhode Island there is no alone of decidedly minor importance (it being less reference to either street roads or steam roads, but than twenty miles in length), but it had only just there is a clause permitting investments "in such been opened for business, so there had been no decorporate stocks or bonds as they (the institutions) may deem safe and secure." In fact, except in the monstration of its earning capacity. Yet study of the Maine statutes makes it conceivable that the statecase of Maine and New Hampshire, where any menment may have been correct. The Maine law detion is made at all of street railways it is to declare that the general provisions of law with reference to railclares (after enumerating the States in which roads shall not be construed as applying to street railrailroads investments are permitted) that "no bonds of street railroads shall be purchased unless an ways. Of the two States named, which form exceptions to the rule, we have already referred to the amount of capital stock equal to thirty-three and oneprovisions respecting street railways in Maine. third per cent of the mortgage debt shall have been In New Hampshire there are several references to paid in in cash and expended upon the road, evidenced the subject. By Section 10 of the Investment law it by a certificate of the Railroad Commissioners of the is provided that "street railroads shall not be consid-State where the road is located, filed in the office of ered railroads within the meaning of this and the last the Secretary of State of Maine, that said percentage preceding section "-that is, the sections allowing inhas been so paid in and expended in addition to the vestments in the bonds of any railroad company incorporated under the authority of any of the New amount of the bonded debt." As the circular above England States and of any State outside of New Engmentioned declared that the Massachusetts Board of land. Furthermore, Section 15, allowing investments Railroad Commissioners had placed the total cost of the in the stock of railroad corporations, reads: "exclusive road in question, completed, at over \$400,000, while the of street railways." On the other hand, Section 12 is full authorized issue of bonds was to be only \$200,000, entirely devoted to street railways and allows invest. it is easy to see that the requirement of the Maine law ments "in the bonds of street railway corporations might have been fully complied with. Yet the road located wholly or in part in cities of 50,000 inhabireferred to in less than six months from the time the tants or more, situated outside of New Hampshire, bonds were offered for sale went into the hands of a whose net indebtedness at the time of such investment receiver. We make reference to the matter simply as does not exceed its capital stock actually paid in and disclosing an unguarded point of the law which might remaining unimpaired; provided, such corporation possibly lead to ill-advised investments; we can not has earned and paid regular dividends on its capital discover that any savings institution was induced to stock for five years next preceding such investment, buy the bonds of the road referred to. but not exceeding five per cent of the deposits shall At first sight such a proviso as that contained in the be so invested." Here, it will be observed, the privilege Maine statute would seem ample to safeguard the inis much more closely guarded than in the Maine vestment. The experience in this instance shows case. The street railway (1) must be wholly or in that there are cases where it is not. The considerapart in cities of 50,000 inhabitants or more; (2) the tions affecting investments in street railway bonds are net indebtedness must not exceed the capital stock in many respects quite different from those governing actually paid in and remaining unimpaired; and (3) investments in steam roads. The only true test would the company must have earned and paid regular diviappear to be earnings and dividends, a test also pre dends for five years preceding. The Maine statute obviously embodies some excellent features, but would scribed in most recent State legislation for steam it not be well to add the third condition of the New roads. It is possible that as regards street railways Hampshire law, as here enumerated, and thus make even this test might not suffice when applied to the past, owing to the process of amalgamation and consol- it more nearly perfect?

idation which has been going on in the street railway world, changing completely the character of many of the undertakings. It is likely that these consolida-

### UNITED STATES.

## United States Debt and Its History.

The following is a statement of the debt of the United States past and present. To add to its usefulness we give references to the laws authorizing each of the issues of bonds outstanding to-day, and likewise, so far as we deem it needful, citations from those laws.

All our figures, except when otherwise noted, represent the status at the close of business June 30 or the beginning of business on July 1 of each fiscal year. To conform to that feature and yet furnish information through which any reader can always have the data for a correct exhibit of the debt situation at any past or future day, and make an accurate com. parison with previous years, we present, FIRST, the details as they stood at the close of the last fiscal year ending June 30 1899; SECOND, the changes in those details since June 30 1899 down to April 1 1900; THIRD, the items of interest-bearing debt, &c., at the beginning of each fiscal year since July 11876; FOURTH, we publish in the CHRONICLE every month-usually the first or second Saturday—the full detailed Government statement of the debt as reported by the Treasurer on the last day of the previous month; some months lack of space forces us to delay the publication to a later week.

With these data at his command, it would seem as if any inquirer could satisfy himself fully with reference to every point which might become of importance for him to know respecting the United States debt.

Redemption account. July 14 1890	35,817,381 50
Redemption account. Fractional currency July 14 1890 July 17, '62; Mar. 3, '63; June 30, '64, \$15,257,342 66; less \$8,375,934 estim'd as lost or destroyed, Act of June 21, '79.	6,881,408 66
Aggregate June 30 1899 of debt bearing no interest	\$389,433,653 66

The foregoing shows that the Government debt on June 30 1899 was made up of (1) interest-bearing debt, \$1,046,048,750, of (2) debt on which interest has ceased, \$1,218,300 26, of (3) debt bearing no interest, \$389,433,653 66, making total gross debt. \$1,436,700,703 92; subtracting from the total the net cash balance in the Treasury (\$251,330,468 73) at the same date (June 30 1899) we have the net debt as it stood at the close of the last fiscal year, \$1,155,320,235 19. To bring down the interestbearing debt to April 1 1900-which, as stated, was \$1,046,048,750 on June 30 1899-we must add the \$108,024,800 Loan of March 14, 1900, and deduct the following: from the Ten-Twenties of 1898 \$29,984,080, from the Funded Loan of 1907, \$71,126,600, from the Refunding Certificates \$2,030 and from the Loan of 1904, \$26,098,700 (a net deduction of \$19,186,610). to reach the total of the interest-bearing debt April 1, 1900, which was \$1,026,862,140.

For later and future details of the debt, see the same as issued every month in the CHRONICLE, the first or a later Saturday. We now add, first, references to and citations from the laws which are the authority for the debt as it stands to-day, including the new 2 per cent loan authorized March 14, 1900; second, the two tables on the next page, which exhibit all the particulars of the total debt of the United States on June 30 of each year from 1876 to 1899, and on April 1, 1900; third, the Pacific Railroad bonds, which are never included in the Treasury debt statements.

"FUNDED LOAN OF 1891" (Column 1) 4<sup>1</sup><sub>2</sub> per cents, continued at 2 per cent. The bonds of this issue still outstanding were issued in exchange for the 4<sup>1</sup><sub>2</sub> per cent funded loan of 1891 by mutual agreement between the Secretary of the Treasury and the holders, and were made redeemable at the pleasure of the Government. Amount issued was \$25,364,500 and they are all outstanding to-day.

"FUNDED LOAN OF 1907" (Column 2) 4 per cents. The act of July 14, 1870, authorized the issue of 1,000 million dollars of bonds at 4 per cent, payable in coin of the present standard value, at the pleasure of the United States after thirty years; these bonds to be exempt from all taxes or duties of the United States, as well as from taxation in any form by or under State, municipal or local authority. Bonds to be sold at not less than par in coin, and proceeds to be applied to the redemption of outstanding 5-20s, par for par. Outstanding (April 1 1900), 5428-555 700 \$488,525,700.

\$488,525,700. "REFUNDING CERTIFICATES" (Column 3).—Act of February 26 1879 authorized the Secretary of the Treasury to issue in exchange for lawful money of the United States certificates of deposit of the denomination of ten dollars, bearing interest at the rate of 4 per cent, and convertible at any time, with accrued interest, into the 4 per cent bonds described in the Refunding act; the money so received to be applied only to the payment of the bonds bearing interest at a rate not less than 5 per cent. On March 12 1879 the issue of these certificates and their exchange into 4 per cent bonds were authorized; the certificates were to draw 4 per cent interest from April 1 1879 and were convertiole in sums of \$50 or its multiples. The amount issued at the close of the fiscal year (June 30 1879) was \$39,308,110, but they had been converted so rapidly that there were outstanding at that date only \$12,848,210. On October 31 1879 the entire authorization had been reached, the maximum amount of the issue being \$40,012,750. Of these there were still outstanding on April 1 1900 a total of \$35,800. "LOAN OF 1904."—(Column 4.) The act of January 14 1875 authorizes the Secretary of the Treasury to use any surplus revenues from time to time in the Treasury not otherwise appropriated, and to issue, sell, dispose of, at not less than par in coin, either of the descriptions of bonds of the United States described in the act of July 14 1870 for the purpose of redeeming on and after January 1 1879 in coin, at the office of the Assistant Treasurer of the United States at New York, the outstanding legal-tender notes when presented in sums of not legs than fifty dollars. Under this authorization, and for the purpose mentioned, there were issued in February, 1894, payable in 10 years, \$50,000,-000 of 5 per cents and in November 1894 there were issued \$50,000,000 more for similar bonds for the same purpose. There are now outstand-

5

than fifty dollars. Under this althorization, and for the purpose mentioned, there were issued in February 1894, payable in 10 years, \$50,000, 000 of 5 per cents and in November 1894 there were issued \$50,000,000 more for similar bonds for the same purpose. There are now outstand-ing \$73,901,300. "LOAN OF 1925."-(Column 5.) Sales of bonds included under this designation were effected (1) in February 1895 to the amount of \$62,315,400 and (2) in February 1896 to the amount of \$100,000,000. In a message to Congress under date of February 5, 1895 (published in the CuncoxicLe February 9 1895, page 244), President Cleveland stated in substance that in pursuance of Section 3700 of the Revised Statues the detalls of an arrangement have this day been concluded whereby bonds authorized under the act of July 14 1875, payable in coin a the pleasure of the United States after the first day of Feb., 1925, with interest at the rate of 4 per cent per annum, to the amount of \$62,315,400, are to be issued for the purchase of gold coin amounting to a sum slightly in excess of \$65,000,000, to be delivered to the Treasury of, the United States, which sum added to the gold now held in our reserve will so restore such reserve as to make it amount to gold realized at 33 p. e. per annum. At least one-half of thegold to be obtained is to be supplied from abroad. Section 3700 of the amount of gold realized at "For a construction of the "Refunding Act of 1870" and of the "Restumption Act of 1875," see CHRONICLE, February 13 1893, page 265. The issue in February 1896 was an ordinary offering, open to all bidders, of \$100,000,000 of the same bonds as the foregolux—same in date, same in time of maturity, same in rate of interest and time of interest payments. Consequently both issues are called the "Loan of 1925," of which there are outstanding \$162,315,400. ""TEN-TWENTIES OF 1898,"-(Column 7.) The bonds included under this head are an issue of \$200,000,0003 per cents. They were

"TEN-TWENTIES OF 1898."-(Column 7.) The bonds included under this head are an issue of \$200,000,0003 per cents. They were auth rized by Act of June 13 1:99, and are known as the "War loan." The law provided that in allotting said bonds the individual subscrip-tions of the lowest amount must be first allotted. On the day the Act was signed a Treasury circular was issued (see circular in CURONICLE of June 18 1898, page 1163,) inviting subscriptions for 32 days, from June 13 to July 14, for the amount of bonds stated, in both compon and regis-tered form, coupons in denominations of \$20, \$100, \$500 and \$1,000, and registered in denominations of same amounts, and also in \$5.000 and \$10,000, dated August 1 1898, redeemable in coin at the pleasure of the United States after ten years from date of issue, and due and payable August 1 1918. See circular for further details. Subscriptions reached the amount of \$1,325,000,00J. The amount now outstanding (April 1 1900) is \$168,691,640.

"LOAN OF MARCH 14, 1900."—(Column 9.) Bonds (2 per cent payable at the pleasure of the Government after 30 years) authorized in "Act to define and fix the standard of value," etc. (for copy of Act see CHRONICLE, March 3, 1900, page 411), for the purpose of refunding (1) outstanding United States bonds bearing interest at 5 per cent payable Feb. 1, 1904; (2) bonds bearing interest at 4 per cent payable July 1, 1907, and (3) bonds bearing interest at 3 per cent payable August 1, 1908 (the "ten-twenties of 1898"). For details of arrangement see Secretary Gage's circular with reference to the operations for carrying out the refunding provisions of the bill in CHRONICLE, March 17, 1900, page 509. Of these 2 per cents there were outstanding April 1, 1900, according to debt statement, \$108,024,800.

In April, 1895, we gave a table showing the debt of the United States on the first day of July 1856, and every subsequent year. It is not necessary to repeat all those figures. We have determined on this occasion to begin our statement with 1876, as that year antedates all of the issues now outstanding, and yet carries the record sufficiently far back to show the nature and extent of the Government securities when the refunding operations of that period began. It has the advantage, too, of giving separate and distinct each issue of bonds now outstanding. The statement is subjoined.

PRINCIPAL OF THE PUBLIC DEBT OF THE UNITED STATES FROM JULY 1, 1876 TO APRIL 1, 1900.

NOTE 1.—The annual interest charge is computed upon the amount of outstanding principal at the close of the fiscal year, except in the case of April 1, for which the total is of that date, and is exclusive of interest charge on Pacific Railway bonds.

Note 2.—The figures for July 1 1879 were made up assuming pending funding operations to have been completed.

PACIFIC RAILROAD DEBT.—One other class of bonded debt must be referred to which has never been included in the total of Government debt—we mean the Pacific Railroad subsidy debt. To show the situation of this indebtedness we have to make compilations of our own, as the Treasury form comes short of indicating the existing situation. In the following we bring together the details respecting the issues to the Pacific Railroads, giving likewise in the statement the debt already paid and the balance due to the Government.

\* Government accepted principal of bonds-\$6,303,000-in full payment of all indebtedness; but subsequently received an additional \$321,898, as mentioned in the note below.

\$321,898, as mentioned in the note below. NOTE. — The Government has been reimbursed for \$27,236,512 principal and \$31,211,711 75 interest, being the total indebtedness of the Union Pacific Railroad Company to Nov. 1, 1897, and for the principal of the Kansas Pacific indebtedness, amounting to \$6,303,000 Subsequently under the final decree for the distribution of the assets of the Union Pacific Railroad, made by Judge Sanborn at St. Paul, October 24, 1899, the United States received an additional \$821,898 on its claim. Under settlement agreement of Feb. 1, 1899, twenty notes of the Central Pacific Railroad Company were delivered to the Treasurer of the United States, aggregating \$58,812,715 60, which amount represented the unpaid balance of the total indebtedness of the Central Pacific and Western Pacific Railroad companies to the United States on February 1, 1899. On March 10, 1899, in pursuance of agreement, the first four of said notes, aggregating \$11,762,543 12 (with accrued interest amounting to \$35,771 02) were transferred in consideration of a full cash payment into the Treasury of the principal and interest thereon; another note which, with interest, amounted to \$2,946,194 79 was paid in February, 1900, leaving the balance unpaid March 31, 1:00, \$44,109,536 70, and accrued interest, less transportation earnings.

DEBT LIMITATIONS.-Constitutional and statutory limitations restricting municipal indebtedness have become quite a feature since the crisis of 1873. In the States where these limitations are provisions of the Constitution of course debts contracted in excess of such limitation are absolutely void. In Maine the amendment to the Constitution

took effect January 2, 1878, and is in the following form and words: "Article XXII. Limitation of Municipal Indebtedness. No city or town "shall create any debt or liability which, singly or in the aggregate, "with previous debts or liabilities, shall exceed five per centum of the "last regular valuation of said city or town; provided, however, that "the adoption of this article shall not be construed as applying to any "fund received in trust by the said city or town, nor to any loan for the "purpose of renewing existing loans, or for war, or to temporary loans "to be paid out of money raised by taxation during the year in which "they are made."

SAVINGS BANKS' INVESTMENTS-POWERS AND RESTRIC-TIONS.-The provisions regulating the investments and loans of savings banks and institutions for savings in the State of Maine are contained in Public Laws 1895, Chapter 161, Public Laws 1893, Chapter 170, and Revised Statutes, Chapter 47, Sections 102 and 103.

All the provisions referred to above have been compiled by the Com-missioners of Savings Banks, and we give their compilation below in full.

In Maine Savings banks and institutions for savings are restricted to and hereafter may invest their deposits in manner following, to wit:
Public Funds.—Aggregate of Investments Unlimited.—
Public funds of the United States.
Public funds of the District of Columbia.
Public funds of any of the New England States.
Bonds of the clties, counties and towns of any of the New England
States

States

Bonds of the cities, counties and towns of any of the New England States. Public funds of the States of New York, Pennsylvania, Maryland, Ohio, Indiana, Kentucky, Michigan, Wisconsin, Minnesota, Iowa, Illi-nols, Missouri, Kansas and Nebraska. Bonds of counties of twenty thousand inhabitants or more in said last-named States, when issued for nunicipal purposes and which are a direct obligation on all the taxable property therein, except when issued in aid of railroads, provided the net municipal indebtedness of such county does not exceed five per cent of the last valuation of the property therein for the assessment of taxes. For meaning of "net municipal indebtedness of counties" sie memo-randa "A" further below. Bonds of any city of ten thousand inhabitants or more in said last-named States, when issued for municipal purposes and which are a direct obligation on all the taxable property therein, except when issued in aid of railroads, provided the net municipal indebtedness of such oities does not exceed five per cent of the last preceding valuation of the property therein for the assessment of taxes. For meaning of "net municipal indebtedness of such oities does not exceed five per cent of the last preceding valuation of the property therein for the assessment of taxes. For meaning of "net municipal indebtedness of cities" see memo-randa "B" given below. Bonds of the above-described cities and countles issued to take up at maturity bonds that were legal and constitutional when issued, pro-riding the interest has been fully paid on the original beings for at least

maturity bonds that were legal and constitutional when issued, pro-viding the interest has been fully paid on the original bouds for at least

PAR VALUE.—The bonds are chiefly for \$1,000 or multiples. INTEREST is payable at the State Treasury, Augusta, Me.

TOTAL DEBT.-The subjoined statement shows Maine's total fund ed debt on each of the dates named. On January 1, 1900, the total resources of the State amounted to \$1,242,290 78.

—First mortgages of real estate in this State and New Hampshire to an amount not exceeding sixty per cent of its value.
Loans on Collateral.—Aggregate of Investments Unlimited.
Notes with a pledge as collateral of any public funds or bonds of any kind the bank or institution would by this statute be authorized to purchase purchase

purchase
Notes with a pledge as collateral of any stocks the bank or institution would by this statute be authorized to purchase.
Holdings of the capital stock of any one corporation limited. See memoranda "E."
Loans on Deposit Books.—Aggregate of Investments Unlimited.
Notes with a pledge as collateral of any savings bank-deposit book or books of any savings bank in this State.
Loans on Railroad Stock.—Aggregate of Investments Unlimited.
ited.—Notes with a pledge as collateral of the stock of any railroad or railroads mentioned in this section, but not over seventy-five per cent of the market value of such stock.

of the market value of such stock. Holdings of the capital stock of any one corporation limited. See memoranda "E."

memoranda "E." Loans to Municipalities.—Aggregate of Investments Unlimited. —To any county, city or town in this State. 'Loans on Other Personal Property.—Aggregate Unlimited.— Notes secured by a pledge or mortgage of such other personal prop-erty as, in the judgment of the trustees, it is safe and for the interest of the bank to accent

of the bank to accept. Loans to Corporations in Maine.—Aggregate Unlimited.—To any corporation having real estate and doing business in this State. Deposits in Banks.—Aggregate Unlimited.—May deposit on call in banks or banking associations incorporated under authority of this State or the laws of the United States and receive interest thereon.

### MEMORANDA.

A,

### В.

From Chapter 165, Public Laws, 1889. The trustees shall see to the proper investment of deposits and funds of the corporation in the manner hereinbefore prescribed.

...........No loans shall be made directly or indirectly to any officer of the corporation or to any firm of which such officer is a member.

### H.

H. From Chapter 47, Section 105, Revised Statutes. Officers Not to Receive Gift, Fee, &c.—No gift, fee, commission or brokerage shall be received [by any officer of a savings bank on ac-count of any transaction to which the bank is a party under a pen-alty for each offence of one hundred dollars, to be recovered in an ac-tion of debt in the name and to the use of the State, provided that nothing herein contained applies to any expense of examining titles and making conveyances upon loans made by savings banks.

Expense of Making Loans.—Parties making a loan from a savings bank shall pay all expenses incurred by reason thereof.

J.

From Chapter 47, Section 131, Revised Statutes. Does Not Affect Investments Already Made.—But nothing herein affects the legality of investments already made......And said securities are valid in favor of the bank pursuant to any law in force when such investments were made.

K. Change of Investments.—And this chapter does not require the change of investments for those hereinbefore named, except as the same can be done gradually by the sale or redemption of the se-curities so invested in, in such manner as to prevent loss or embar-rassment in the business of such corporation or unnecessary loss or injury to the borrowers on such securities.

Investing in Securities Not Authorized, a Misdemeanor.—The invest-ments in securities not named in section 100 is a misdemeanor on the part of the trustees authorizing or officers making the same, and such trustees or officers are subject to the prosecutions and punishments prescribed by law for that offense.

Portland (City) is in Cumberland County.

Of the debt of this city nearly one-half was incurred on account of the Portland & Ogdensburg RR., whose stock the city holds to the amount of \$2,356,110. The railroad is leased for 999 years to the Maine Central RR. Company at 2 per cent on stock, payable quarterly. This rental aids the city considerably in meeting its interest charge.

## New Hampshire.

DEBT, RESOURCES, ETC.

Admitted as a State - - - One of Original Thirteen Total area of State (square miles) - - - - 9,305 Concord

Governor (term expires 1st Wed. Jan., 1901), Frank W. Rollins Secretary of State { Chosen by Legislature; } Edw. N. Pearson Treasurer - - { term expires Jan., 1901. } Solon A. Carter Legislature meets biennially in odd years on the first Wednesday in January, and length of session is not limited.

HISTORY OF DEBT. - New Hampshire's debt history is very brief. This State has always been extremely conservative, and no bonds were issued until after the breaking out of the Civil War. In 1866 New Hampshire reported her funded indebtedness at \$4,169,818, contracted exclusively for war purposes. June 1, 1869, the total outstanding was \$3,213,962 22, against which the Treasurer reported an asset of \$77,082 89. The situation of the State debt now is as below:

LOANS	—In	terest.	Princip	pal
NAME AND PURPOSE.	P.Ot.	Payable.	When Due.	Outstand'a.
Agricultural College 1893	. 4		July 1, 1913	\$135,00 <b>0</b>

Trust funds	.4&6		•••••	734,749 45

Of the trust funds held June 1, 1899, \$80,000 bear 6 per cent interest and \$652,653 26 bear 4 p. c. interest, no interest being paid on \$2,096 19. PAR VALUE OF BONDS.—The bonds of this State are in \$500 and \$1,000 pieces.

INTEREST is payable at the Commonwealth Bank of Boston and at State Treasurer's office.

TOTAL DEBT.—The net debt on June 1, 1899, was \$1,335,068 05. The subjoined statement shows New Hampshire's total debt on the dates named. Assets June 1, 1899, were \$690,953; floating debt, \$1,472.

Total debt......\$2,024,549 \$2.136,643 \$2,263,305 \$2,394,218 ASSESSED VALUATION.—The State's total assessed valuation (in-eluding taxable savings, bank savings and insurance capital) has been as follows:

$ \begin{array}{ c c c c c c c c c c c c c c c c c c c$	1898 1897. 1896	$\begin{array}{cccccccccccccccccccccccccccccccccccc$	1890. 1885.	.274,816,34 .250.530.53
---	-----------------------	--	----------------	----------------------------

\* The difference of nearly \$70,000,000 in the valuation for 1899 as reported in the October SUPPLEMENT and that given above arises from the fact that the figures in the last SUPPLEMENT did not include the valuation of railroads, telephones, etc.

the valuation of railroads, telephones, etc. DEBT LIMITATION.—There is no restriction in the Constitution of New Hampshire upon the debt-making power of the people through the "General Court," except the following, which is the last clause of Article 5 of Part Second of that instrument. Provided, That the General Court shall not authorize any town to loan or give its money or credit directly or indirectly for the benefit of any corporation having for its object a dividend of profits or in any way aid the same by taking its stocks or bonds. The above is an amendment to the Constitution, which was ratified in 1377. The amendment would appear to be intended as a complete estoppel to municipal loaning of money or credit to railroad and indus-trial corporations. It is to be noticed, however, that by its terms the restriction does not specifically mention "cities," the words being "any town." In addition to the foregoing is the "Municipal Bond Act of 1895." It tells in the matter of issuing bonds what a municipal corporation

It tells in the matter of Issuing bonds what a municipal corporation may do, what it must do, and what it cannot do. The law enacts: Sec. 1. The term "municipal corporation" means town, city, school dis-trict village district and village precimat

SAVINGS BANKS' INVESTMENTS-PRIVILEGES AND RE-STRICTIONS.—The laws in this State relating to savings banks in-vestments were remodeled by the Legislature of 1895. The act referred to was approved on March 29, 1895, and went into effect on July 1 of the same year. It is as follows: [In 1899 certain changes were made in sections 4, 7, 8 and 15, which we have incorporated below.] AN ACT to regulate the investments of savings banks. Be it enacted by the Senate and House of Representatives in General Court convened:

Be it entitled by the behavior of the second second

2d. In notes secured by first mortgages of real estate situated out-side of New Hampshire, which at the time is improved, occupied, and productive; but not exceeding 25 per cent of the deposits shall be so

invested. 3d. In notes secured by collateral in which the bank is at liberty to 3d. In notes secured by collateral in which the bank is at liberty to invest, of at least equal value; but the amount of any one class of se-curities so taken as collateral, added to that which the bank may own at the time, shall not exceed the total limit of that class of securities, and not exceeding 25 per cent of the deposits shall be so invested. 3<sup>1</sup>/<sub>2</sub>. In notes secured by collateral of securities which are listed on the Stock Exchanges of Boston and New York, the listed price of which shall at all times be at least ten per cent in excess of the face of the note; but not exceeding iffteen per cent of the amount of the deposits shall be so invested. The capital stock of a State bank or trust company, and the guer

The capital stock of a State bank or trust company, and the guar-anty fund of a guaranty savings bank, shall not be accepted by such institution as collateral.

4th. In notes of individuals or corporations, with one or more in-dorsers; but not exceeding five per cent of the amount of its deposits shall be loaned to any one person or corporation, and not exceeding twenty per cent of the deposits shall be invested in this class of secu-rity; but not exceeding twenty per cent shall be so invested if in notes of individuals or corporations resident outside of the New England States States.

5th. In the public funds of the United States, or those for which the

5th. In the public funds of the United States, or those for which the faith of the United States is pledged to provide for the payment of the interest and principal, including the bonds of the District of Columbia. 6th. In the bonds or notes of this State, or of any county, city, town, precinct, or district of this State. 7th. In the authorized bonds or interest-bearing obligations of any other New England State, or of the States of New York, New Jersey, Pennsylvania, Delaware, Maryland, Ohio, Indiana, Illinois, Kentucky, Missouri, Michigan, Wisconsin, Minnesota, Iowa, Kansas, Nebraska, North Dakota, South Dakota, Colorado, California, Oregon, Montana, Wyoming, Washington, Utah, or the territories of Arizona and New Mexico.

North Dakota, South Dakota, Colorado, California, Oregon, Montana, Wyoming, Washington, Utah, or the territories of Arizona and New Mexico. 8th. In the authorized bonds or notes of any county, city, town, school district, or other municipal corporation of any of the foregoing States, whose net indebtedness does not exceed 5 per cent of the last preceding valuation of the property therein for taxation, not issued in all of railroads; and in the authorized bonds or notes of any eity of 100,000 inhabitants of any of the foregoing States, whose net in-debtedness does not exceed 7 per cent of the last preceding valua-tion of the property therein for taxation; *provided, houever*, that the bonds or notes of any county of less than 10,000 inhabitants, or of any eity, town, or other municipal corporation of less than 20,000 inhabitants, or of any school district of less than 20,000 inhabitants, of any of the foregoing States, shall not be authorized investments; but not exceeding 30 per cent of the deposits shall be so invested. The term "net indebtedness" shall be construed to denote the in-debtedness of any city or town, omitting debt created for supplying the inhabitants with water, and deducting the amount of sinking funds available for the payment of municipal indebtedness. 9tb. In the bonds of any railroad company incorporated under the authority of any of the New England States whose road is located wholly or in part in the same, and which is in possession of and operat-ing its own road, and has earned and paid regular dividends for the two years next preceding such investment, or in the bonds or notes of any railroad company incorporated under the laws of this State; but not exceeding twenty-five per cent of the deposits shall be so invested. 10th. In the bonds of any railroad incorporated under the authority of any State outside of New England, which is in possession of and operat-ing its own road, and has earned and paid regular dividends of not less than four per cent per annum on its capital stock for

per cent of the deposits shall be so invested. Street railroads shall not be considered railroads, within the meaning of this and the last preceding section. 11th. In the bonds of corporations of this State whose net indebted-ness at the time of such investment does not exceed its capital stock actually peid in and remaining unimpaired; but not exceding five per cent of the deposits shall be so invested. 12th. In the bonds of street railway corporations located wholly or in part in eities of 50,000 inhabitants or more, situated outside of New Hampshire, whose net indebtedness at the time of such investment does not exceed its capital stock actually paid in and remaining unim-paired, *provided* such corporation has earned and paid regular divi-dends on its capital stock for five years next preceding such invest-ment; but not exceeding five per cent of the deposits shall be so in-vected vested. 13th. In the capital stock of any bank or trust company incorporated under the laws and doing business within this State; but the amount of such stock heid by any savings bank as an investment and as col-lateral for loans shall not exceed one-tenth of the total capital stock of the back of the stock heid by any savings bank as an investment and as col-lateral for loans shall not exceed one-tenth of the total capital stock of the back of the stock of the action for the state of New York; but the amount of such stock held

by any savings bank as an investment and as collateral for loans shall not exceed one-tenth of the total capital stock of such national bank, and not exceeding ten per cent of the deposits shall be so invested.

15th. In the stock of any railroad corporation, exclusive of street railways, situated in whole or in part in New England, New York, Pennsylvania, Ohio, Indiana, Michigan, and Illinois, that has earned and paid regular dividends of at least four per cent for five years previous to such investment; but not exceeding twenty per cent of its deposite shall be so invested.
16th. In the stock of any manufacturing company in the New England States that has earned and paid regular dividends for five years previous to such investment, and whose net indebtedness does not exceed the amount of its capital stock fully paid in : but not exceeding ten per cent of the deposite shall be so invested.
17th. Any savings bank may purchase and hold land and buildings suitable and actually used by it in part for its banking-rooms, the total cost of which shall not exceed 10 per cent of its deposite.
18th. Any savings bank may hold and lease real estate `acquired by foreclosure of mortgages owned by the bank, but all taxes, foreclosure expenses, and cost of maintenance shall be paid out of the income of the bank. 15th. In the stock of any railroad corporation, exclusive of street

the bank.

19th. Deposits of cash on call or subject to check shall be made in some authorized banking or trust company incorporated under the laws of this State or the Commonwealth of Massachusetts, or in some national bank located in the New England States or in the City of New York.

Section 2. Whenever any person shall at the same time hold an office in both a national bank and a savings bank he shall give bond in double the amount required by existing law.

(Coupon bonds EXPLANATORY OF BONDS.—The Penacook sewer bonds were issued on the eity's credit for the Penacook sewer district, the interest and principal being payable from a special tax on that district. The school district bonds were issued under a special act of the State Legis-lature. The school districts have by their votes and by their agents bound themselves to repay the city all sums expended on account or the principal or interest of these bonds.

INTEREST is paid at city treasury and at Nat. Revere Bank, Boston. CITY PROPERTY.—The eity valued its buildings and other prop-erty on January 1, 1899, at \$250,000, and besides this has water works valued at \$900,000 which are the property of the "precinct."

### PENACOOK.-WILLIS G. BUXTON, Treasurer. Penacook is in Merrimack County.

INTEREST is payable at the office of E. H. Rollins & Sons, Boston.

### PORTSMOUTH.-GEO. D. MARCY, City Clerk.

This city is one of the county seats of Rockingham County. The city issued \$343,000 bonds in aid of the Portsmouth & Dover RR., and received in return stock of the par value of \$344,000. This stock is now worth considerable more than its face value, and the city has been selling it and applying the proceeds to the payment of the railroad bonds. When all these bonds shall have been paid the city will still have on hand a considerable balance from the sale of the stock.

## State of Vermont.

ITS

### DEBT, RESOURCES, &c.

Admitted as a State (Act February 18 1791) March 4, 1791 Total area of State (square miles) - - - -9,565 State Capital - - - -Montpelier Governor (term expires Oct. 1900) - -Edw. C. Smith Secretary of State, (term expires Oct. 1900) - Fred. A. Howland Treasurer, (term expires Oct. 1900), - - John L. Bacon Legislature meets biennially in even years the first Wednes-

day in October, and length of session is not limited.

HISTORY OF DEBT.-For a brief history of the Vermont State debt see STATE AND CITY SUPPLEMENT of April, 1895, pages 15 & 16. The liabilities of the State on July 1, 1899, were as follows:

LOANS-	In	lerest.	Princ	ipal.
NAME AND PURPOSE. Agricultural College Fund	Rale.	Payable.	When Due.	Outstand'g.
Agricultural College Fund	6	J & D	June1, 1910.	\$135,500 <b>0</b> 0
Floating debt July 1, 1899.				355,973 83
State school tax to be distrib'	d 5			
do highway do do	5			87,381 82
INTEREST is payable at 1	the Sta	te treasur	Σ.	

TOTAL DEBT, ETC.-The total debt of the State on July 1, 1899, was \$666,237 47. On July 1, 1899, the total resources were \$879,-248 33, including cash on hand and in banks \$133,632 91.

ASSESSED VALUATION, -The State's assessed valuation and tax rate have been as tollows:

~~ ·		
-Assessed valuation		Tax rate
Personal.	Total. pe	cr \$1,000
\$57,969,558	\$175,611,672	\$2.00
58,621,654	174,763,633	1.50
59,396,708	174,391,149	2.50
60,996,759	174,697,223	1.00
61,700,471	173,799,755	2.20
63,045,247	175, 132, 912	1.00
65,263,376	$176.051\ 365$	2.50
65,157,388	178,052,513	
	$\begin{array}{c} Personal.\\ \$57,969,558\\ 58,621,654\\ 59,396,708\\ 60,996,759\\ 61,700,471\\ 63,045,247\\ 65,263,376\end{array}$	$\begin{array}{rrrrrrrrrrrrrrrrrrrrrrrrrrrrrrrrrrrr$

The tax rate for 1899 was \$2.00 per \$1,000, which includes State school and State highway taxes of 50 cents each per \$1,000, collected and re-distributed to towns on a basis of the number of schools and road mileage.

DEBT LIMITATIONS.-There appears to be nothing in the Constitution or in the Statutes of Vermont providing a general limit to the debt-making power of municipalities. Whatever in each case the Legislature authorizes, the city, town, county or other civil division can issue. Of course the purpose of the improvement must be of a public character. Railroad subscriptions by towns are authorized by Section 2760, chapter 132 of the Revised Statutes, the section being as follows: SECTION 2760. A town may aid in the construction of a railroad organized under the general law by issuing bonds to aid such railroad, by taking capital stock therein, or in such other manner as it directsbut the liability so assumed shall not exceed eight times the grand list of the town at the time. Such aid shall be given in the way provided in this chapter. It will be noticed that this section contains a limit to the power granted of making subscriptions in aid of railroads-to wit: That the subscriptions shall not exceed eight times "the grand list." To evolve the "grand list" in Vermont, the authorities first prepare a schedule of all the property, real and personal, of each individual, with valuations entered at their real value in money, deducting debts owing : after this is done "the grand list" is made up by taking one per cent of that amount, according to Section 317, Chapter 25, of the Revised Statutes, which is as follows: "All taxab... property shall be set in the list at one " per cent of its value in money on the first day of April of the year "In which the list is made."

Following Section 2760, above cited, which authorizes subscriptions In aid of railroads, are other sections describing the method in which

these subscriptions must be made, by calling a town meeting, voting, &c., &c. Then follows Section 2766, authorizing the issue of bonds.

SECTION 2766. Such town may issue bonds, with coupons payable semi-annually, at a rate of interest not exceeding seven per cent, to aid such road.

The only other general authority granted for the issue of bonds by municipal corporations in Vermont is that given for refunding outstanding bonds and notes. The Sections which grant this power are Sections 2769, 2775 and 2776, Chapter 132 of the Revised Statutes, Sections 2769 and 2776 are as follows:

SECTION 2769. A town which has outstanding and unpaid negotiable notes or bonds, issued to pay for stock subscribed to a railroad com-pany, under any act of the general assembly, may issue other nego-tiable notes or bonds to pay or retire such outstanding notes or bonds.

tiable notes or bonds to pay or retire such outstanding notes or bonds. SECTION 2,775. A town having outstanding and unpaid orders, notes, bonds or conpons, issued under any act of the Legislature, for the pur-pose of the erection of public buildings, or in aid of public improve-ments, or for the payment of soldiers' bounties, may issue other negotiable notes or bonds for the purpose of retiring the outstanding orders, notes, bonds and coupons, in the same manner that it may issue new notes or bonds to pay or retire outstanding notes or bonds issued in aid of a railroad; and the powers, restrictions, duties and liabilities of the town and town officers in the matter shall be the same as is provided by law in the case of the refunding by a town of town bonds issued in aid of a railroad; and the interest on such new notes or bonds shall be provided for in the same manner. Br. Section 2776 municipal corporations other than towns have the

By Section 2776 municipal corporations other than towns have the same refunding powers granted them which are conferred upon towns by the two sections last above cited.

The only other section which we need quote is Section 2751 of Chapter 130, which names the objects for which towns may vote money. If money is appropriated for any other object, the Charter or a special statute must be looked to for the authority.

SECTION 2751.—Towns in town meetings may vote such sums of money as they judge necessary for the support of the poor; for laying out and repairing highways; for the prosecution and defense of the common rights and interests of the inhabitants, and for other necessary incidental town expenses.

POPULATION OF STATE.—According to the first census (1790) the population of Vermont was 85,425, of which 44,756 were males, 40,398 were females and 271 free eolored. The total in 1800 was 154,465. Since that date each ten year aggregate is given below.

1890	332,422	1860	31	5,098   183	0 280,652
1880	332,286	1850	314	$4,120 \mid 182$	0 235,966
1870	330,551	1840		$1,948 \mid 181$	0

SAVINGS BANKS INVESTMENTS-PRIVILEGES AND RE-STRICTIONS .- The provisions of law relating to savings banks are found in Chapter 174 of the Vermont statutes, Sections 4066 to 4131 inclusive, as amended from tlme to time. The first section having reference to investments is Section 4096, which treats of real estate morigages. It authorizes the investment of 70 p.e. of the assets in such mortgages, one-sixth at least of which "shall be upon real estate in this State"-that is Vermont. A proviso adds that only 50 per cent of the assets may be invested in mortgages on real estate outside of Vermont. Sections 4097 and 4098 relate only to obtaining and paying for insurance. Section 4099 is as follows, and has reference to investment on personal security.

SECTION 4099-No loans or investments on personal security shall be made except upon at least two approved names, not less than two of whom reside in this State or within fifty miles of the institution making such investment, and such personal loans or investments shall not be for a longer time than one year; and not more than one-third of the assets of a savings bank, savings institutiou or trust company shall be invested in personal securities.

Section 4100 only covers a single point; that is to say it restricts to five per cent of the deposits the amount which a savings bank may invest in the lot and building for the transaction of its business, and adds that a revenue may be derived from portions of the building not required for the bank's use. The next section (Section 4101) covers the most important of the provisions relating to investments that are contained in the law. We give the section in full below. The separation into paragraphs and the figures in parenthesis which number and begin the paragraphs are our own.

SECTION 4101—With the foregoing exceptions, the moneys deposited in Savings' Banks, Savings' Institutions and Trust Companies, and the income therefrom, shall be invested only as follows: (1.) In the public funds of the United States, or public funds for the

payment of principal and interest of which the faith of the United States

(2.) In the bonds or notes of the counties, cities, towns, villages and school districts of the New England States, New York, Pennsylvania, Ohio, Michigan, Indiana, Illinois and Iowa;

Ohio, Michigan, Indiana, Illinois and Iowa; (3.) In the stock of any national bank in the New England States, New York and the cities of Detroit, Chicago, St. Paul and Minneapolis; in the stock of any banking association or trust company incorporated under the authority of and located in this State; (4.) In the municipal bonds, not issued in aid of railroads, of counties, eitles and towns of five thousand or more inhabitants in the States of New Jersey, Wisconsin, Minnesota and Missouri, and in counties, eitles and towns of ten thousand or more inhabitants in the States of Kansas, Nebraska, North Dakota. South Dakota, Oregon and Washington, but no investment shall be made in any of the counties, eities or towns in the States above named, except in cities of fifty thousand or more inhabitants, where the municipal indebted-ness of such county, city or town exceeds five per cent of its assessed of fifty thousand or more inhabitants, where the municipal indebted-ness of such county, city or town exceeds five per cent of its assessed valuation, and when not issued in aid of railroads; (5.) In the school bonds and independent school district bonds of New Jersey, Wisconsin, Minnesota and Missonri; and in the school bonds and independent school district bonds of school districts of two thousand or more inhabitants in the States of Kansas, Nebraska, North Dakota, South Dakota, Oregon and Washington, where the amount of such bonds issued does not exceed five per cent of the assessed valuation of the respective cities, towns and school districts. (6.) In the public funds of any of the states named in this section; in notes with a pledge of any of the aforesaid securities, including de-posit books or deposit receipts, issued by a savings bank, savings institution or trust company or banking association located in this State, as collateral, such notes not to exceed the par or market value of such security; (7.) But no savings bank, savings institution or trust company shall (7.) But no savings bank, savings institution or trust company shall hold, by way of investment or as security for loans, more than ten per cent of the capital stock of any one bank, nor invest more than ten per cent of its deposits, nor more than thirty-five thousand dollars in the capital stock of any one bank; and no such investments shall be made in the capital stock of any such banks, owned or loaned upon, to exceed in the aggregate one-fourth of the deposits of any savings bank, cavings institution or trust company. savings institution or trust company.

The amount of loau which can be made to one person or corporation, &e., is restricted by the next section, and we give it in full. It is as follows:

SECTION 4102-No savings bank, savings institution or trust company shall loan to any one person, firm or corporation, or the individual members thereof, more than five per cent of its deposits, nor more than thirty thousand dollars; nor shall such loan on personal security exceed ten thousand dollars.

We also give Section 4106 in full. It confers authority upon savings banks to make deposits on call in banks and trust companies in certain States and cltics, and is as follows.

SECTION 4106.—The words "trust company" in this chapter shall be construed to include savings banks and trust companies. A savings bank, savings institution or trust company may deposit on call in banks, banking associations or trust companies in this State, or in the cities of New York, Boston or Chicago, or in national banks in the cities of St. Paul, Minneapolis and Kansas City, with or without interest, as may be agreed upon, sums not exceeding in the aggregate twenty per cent of the assets of such savings bank, savings institution or trust company.

Section 4107 enacts that savings banks may hold real estate acquired on foreclosure or otherwise taken to seeure debt, but it must be sold within five years, &c. Section 4108 authorizes savings banks to demand and receive on loans 6 per cent interest.

1880 1,783,085	1840 737,69	99

DEBT LIMITATIONS .- There seems to be no provision in the Constitution of Massachusetts limiting the power of the LegIslature to create State indebtedness, or limiting its power to authorize municipal indebtedness. Statutes general and special have, however, been passed on this subject with respect to Cities and Towns.

First among these Statutes needing mention we have Chapter 29 of the Revised or "Public Statutes." The important sections to be cited contained in Chapter 29 are as follows. We give only the substance of the sections, not the words.

SECTION 1-Provides that cities and towns shall not incur debt except in the manner and within the limitations prescribed in this chapter.

SECTION 2—Provides (as a preliminary for determining whether the limitation fixed by Section 4 has been reached by any municipality) that the water debt and the sinking funds shall be deducted from the total debt.

SECTION 3-Provides that the first 17 sections of chapter 29 shall not apply to debts incurred in aid of railroads, to water scrip issued under special statutes, or to indebtedness for a fire district.

SECTION 4—Provides that no city or town except as provided in the following section shall become indebted in an amount which exceeds 3 per cent on the last preceding valuation [but amended as noted below.]

SECTION 5—Provides that cities and towns which were indebted on the 13th day of June. 1875, to an amount not less than 2 per cent on valuation for that year may "increase such indebtedness to the extent "of an additional one per cent on that valuation and no more."

SECTION 6-Provides that cities, &c., "may by ordinary vote incur debts for tempory loans" in anticipation of the year's taxes and of the year's taxes next ensuing.

SECTION 7—Provides that other debts than those referred to in section 6 shall be incurred only by a vote of two-thirds of the voters present at a town meeting, of two-thirds of all the members of each branch of the city council, and approved by the Mayor; or if the Mayor disapproves, by another like vote after notice of such disapproval.

SECTION 8-Provides that debts incurred for water must be payable within 30 years; in constructing sewers within 20 years; all other debts within 10 years

SECTIONS 9 to 17 inclusive, contain interesting provisions relating to sinking funds and other allied matters

SECTION 18-Provides that any city which at a meeting of its voters has accepted by a two-tbirds vote any act to supply said city with water, may by a vote of a majority of the members of each branch of the city council contract debts and issue bonds for the purpose.

SECTION 19—Provides that towns, &c., shall not increase their debt by subscriptions in aid of railroads beyond 3 per cent of valuation; but the limitation of this section shall not apply to temporary loans mentioned in Section 6.

SECTIONS 20 to 23, which are the final ones of Chapter 29, have no reference to the subject we are discussing and need not be cited.

As the reader has seen, the foregoing (Section 4, Chapter 29) fixes the general debt limitation for cities and towns at 3 per cent.

This general limitation was lowered by a later law. The provision is found in Chapter 312, Section 2 of the Laws of 1885, which provision reduces the general debt limitation of cities from 3 per cent to 212 per cent on the average valuation for the preceding three years. Worcester, Lynn, Gloucester and Brockton are in the same Section exempted from the operation of the Section until January 1, 1889-later than 1889 the only exemptions we find in the Statutes are special in their purpose, not general. In 1893, however, authority was given for an addition of 12 per cent, to provide public playgrounds-that is to say, under Chapter 225, Laws of 1893, any town or city (except Boston) may incur an indebtedness of 4% of the assessed valuation beyond the limit of indebtedness for playgrounds.

The temporary loans provision, as it appears above in Section 6 (Chapter 29), is also changed by Section 4, Chapter 312, by omitting "and of the year next ensuing;" so that at present cities and towns by ordinary vote can incur debts for temporary loans in anticipation of the taxes of the year only in which such debts are incurred.

Temporary loans (for a term not exceeding one year) in anticipation of money to be derived from an issue of bonds or other form of indebtedness, duly authorized, are provided for by a statute approved June 14,1898. The same Act states that the time within which said bonds etc., shall become due shall not be extended by reason of said tempor. ary loan.

The foregoing statements cover all the material facts general in their application passed with respect to debt limitation. In addition to these General Provisions there are various Special Laws which contain exceptions to the general law as to debt limitation, which apply to Boston, Cambridge, Lynn, Newburyport, Waltham, Worcester, &c., &c.

SAVINGS BANK INVESTMENTS-POWERS AND RESTRIC-TIONS.—The provisions regulating the investments and loans of savings banks and institutions for savings in Massachusetts are con-tained in Section 21, Chapter 317, acts of 1894, and amendments thereof. All the provisions have been compiled by the Commissioners of Savings Banks, and we cannot do better than to give their compila-tion, which we do below in full. In 1899 the authority to purchase railroad bonds was materially broadened. The amendment is included in the provisions helow in the provisions below.

Massachusetts savings bank deposits and the income derived therefrom shall be invested only in manner following, to-wit

**Public Funds.**—Aggregate of Investments Unlimited.— Bonds of the United States. Bonds of any of the New England States. Bonds of the States of New York. Illinois, Pennsylvania. Ohio, In-iana, Iowa, Wisconsin, Michigan, Minnesota, Missouri and of the Victoria of Columbia diana, Iowa, Wiscon District of Columbia.

Bonds or notes of any county, city or town of this Commonwealth. Bonds or notes of incorporated districts in Massachusetts whose net indebtedness\* does not exceed five per cent of the last preceding valua-

tion of the property therein for the assessment of taxes. Bonds or notes of any city of the States of Maine, New Hampshire, Vermont, Rhode Island or Connecticut whose net indebtedness\* does

years next preceding such investment; or in the first mortgage bonds, guaranteed by such railroad company, of any railroad company so in-corporated whose road is thus located.

First mortgage bonds of any railroad company incorporated under the authority of any of the New England States and whose road is located wholly or in part in the same, and has earned and paid regular dividends of not less than 3 per cent per annum for the two years next preceding such investment on all its issues of capital stock, notwith-standing the road of such company may be leased to some other railroad company. company

Bonds or notes of any railroad company incorporated under the laws of this Commonwealth, whose road is located wholly or in part therein, uncncumbered by mortgage, which has paid a dividend of not less than five per cent per annum for two years next preceding such investment. the board of commissioners of savings banks. Bonds or notes of the Boston & Maine Railroad, issued according to

wealth and doing fursiness in the city of Boston, as may be approved by the board of commissioners of savings banks.
Bonds or notes of the Boston & Maine Railroad, issued according to law, notwithstanding any mortgages on that part of its railroad, franchises and property formerly belonging to the Eastern Railcoad Company, the Eastern Railroad in New Hampshire or the Portsmouth Great Falls & Conway Railroad.
Bonds of the New York & New England Railroad Company issued according to law, and for the payment of the principal and interest of which first mortgages, made as provided in cnapter three hundred and one of the acts of the year eighteen hundred and eighty-eight are held as collateral security under an indenture of thrust duly made and entered into for that purpose: provided, that the amount of the bonds so issued shall not exceed the amount of the mortgages so held in trust, and that no one of said mortgages shall exceed in amount sixty per cent of the value of the real estate thereby mortgaged; and no investment in said bonds shall be made by any such corporation except upon the report of not less than two members of the convolution. When the first mortgage indebtedness to the amount of the promises covered by each of said mortgages according to their best judgment, and such report shall be filed and preserved with the records of the corporation. When the first mortgage indebtedness to the amount of the fraincad of the Boston Revere Beach & Lynn Railroad Company lying between Boston and Lynn in this Common wealth, and mairing on the ifferenth day of July in the year eighteen hundred and ninety-seven, shall have been discharged, savings banks and institutions for savings in this Commonwealth may invest their deposits and the income derived therefrom, in the bonds of said company issued according to law, notwithstanding the existence of the Present mortgage and property, formerly belonging to the Boston Ruter down of the Delaware K Hudson Company, of the Chicago Burlington Company, edness

In the legally-authorized bonds of any railroad company incor-porated under the authority of the States of New York, Pennsyl-vania, Ohio, Michigan, Indiana, Illinois or Iowa, whose road is located wholly or in part in the same, and has earned and paid regular divi-dend of not less than four per cent per annum on all its issues of earliest stock for the ten years preceding such investment; provided dend of not less than four per cent per annum on all its issues of capital stock for the ten years preceding such investment: *provided* said bonds be secured by a first mortgage of the whole or a part of the railroad and railroad property of such company, and be guaranteed, both principal and interest, by one or more of the companies named in the first clause of this Act.

vermont, knode Island or Connecticut whose net indebtedness\* does not exceed five per cent of the last preceding valuation of property therein for the assessment of taxes. Bonds or notes of any county or town of the States of Maine, New Hampshire, Vermont, Rhode Island or Connecticut whose net indebted-ness\* does not exceed three per cent of the last preceding valuation of property therein for the assessment of taxes. Bonds issued for municipal purposes and refunding her do investi-

property therein for the assessment of taxes. Bonds issued for municipal purposes, and refunding bonds issued to take up at maturity bonds which have been issued for other than mu-nicipal purposes, but on which the interest has been fully paid, of any city of the States of New York, Ohio, Illinois, Pennsylvania, Indiana, Michigan, Iowa, Minnesota, Missouri and Wisconsin, having at the date of such investment more than 30,000 inhabitants, as established by the last national or State census (or city census certified to by the city clerk or treasurer of said city, and taken in the same manner as a national or State census preceding such investment), and whose net indebtedness\* does not exceed five per cent of the last preceding valua-tion of property therein for the assessment of taxes. tion of property therein for the assessment of taxes.

Railroad Bonds and Notes.—Aggregate of Investments Unlimited First mortgage bonds of any railroad company incorporated under the authority of any of the New England States whose road is located wholly or in part therein, which is in possession of and operating its own road, and which has carned and paid regular dividends of not less than 3 per cent per annum on all its issues of capital stock for the two

By the provisions of Section 4 of Chapter 516 of the Acts of 1896, incorporating the Boston Terminal Company, savings banks and insti-tutions for savings were authorized to invest in the mortgage bonds of that company

Bank Stock.—Thirty-five per cent of deposits, both as loans and investments.—Stock of any bank incorporated under the authority of this Common wealth.

Stock of any national bank located in any of the New England States

States. Stock of any trust company, or safe deposit and trust company, incorporated under the laws of and doing business within this Com-monwealth, as provided for in chapter four hundred thirteeen of the acts of the year eighteen hundred eighty-eight, or of those trust companies, or safe deposit and trust companies, incorporated as such by special charters granted under the laws of and doing business within this Commonwealth, whose special charters require them to provide

the same security as prescribed in sections thirteen and fourteen of said chapter four hundred thirteen. Holdings, by way of investment or as security for loans, in the stock of any one bank, trust company, or safe deposit and trust company not to exceed three per cent of deposits nor more than \$100,000, nor an amount exceeding one-quarter of the capital stock thereof.

Real Estate for Banking Purposes.—Five per cent of deposits but not exceeding \$200,000.—For the purpose of a site and the erection or preparation of a suitable building for the convenient transaction of its business.

**Real Estate by Foreclosure.**—May hold real estate acquired by foreclosure or otherwise; same to be sold within five years after the title is vested in the corporation. Commissioners may in certain cases, upon petition of the board of investment, grant an additional time within which such real estate shall be sold. See Chapter 77, Acts of 1886 1886

Loans on Real Estate.—Sevenly per cent of whole amount of deposits.—First mortgages on real estate situated in this Common-wealth, to an amount not exceeding sixty per cent of the valuation thereof, no loan to be made except upon report of not less than two members of the board of investment, who shall certify to the value of the premises to be mortgaged, such report to be filed and preserved with the records of the corporation.

Loans on Personal Security.—Thirty-three and one-third per cent of deposits and income. Bonds or other personal securities, payable and to be paid at a time not exceeding one year, with at least two surcties, if principal and surcties are all citizens of and resident in this Commonwealth, provided that the total liabilities to any such corpora-tion of any person, partnership, company or corporation for money borrowed upon personal security, including in the liabilities of a part-nership or company the liabilities of the several members thereof, shall at no time exceed five per cent of such deposits and income.

**Loans on Rairoad Stock** — Aggregate of investments unlimited —Notes of citizens of this Commonwealth, with pledge as collateral of the stock of any rairoad company incorporated under the authority of any of the New England States whose road is located wholly or in part therein, which is in possession of and operating its own road, and which has earned and paid regular dividends of not less than five per cent per annum on all issues of its capital stock for five years next preceding the date of such note or notes or any renewal thereof, at no more than seventy-five per cent of the market value thereof, such note or notes to be made payable on demand and to be paid or renewed within one year of the date thereof.

of the date thereof. Note or notes of any citizen of this Commonwealth, with a pledge as collateral of shares of the capital stock of the Boston & Lowell Rail-road Corporation; of the Boston & Providence Railroad Company; of the Connecticut River Railroad Company, and of the Old Colony Rail-road Company, notwithstanding the read of each of said companies may be leased to some other railroad company; such note or notes not to exceed in any case seventy-five per cent of the market value of the securities pledged, and to be made payable on demand, and to be pald or renewed within one year of the date thereof. Street railway companies shall not be considered railroad companies within the meaning of this section.

within the meaning of this section. Loans on Public Funds—Aggregate of Investments Unlimited— Notes of any citizen of this Commonwealth, with pledge of the bonds of the United States; any of the New England States; State of New York; bonds or notes of any eity, county or town of this Commonwealth; bonds or notes of any city of the States of Maine, New Hampshire, Ver-mont, Rhode Island or Connecticut whose net indebtedness\* does not exceed five per cent of the last preceding valuation of property therein for the assessment of taxes; bonds or notes of any county or town thereof whose net indebtedness\* does not exceed three per cent of such valuation. valuation.

Loans not to exceed the par value of the securities pledged. DEBT LIMITATIONS.—The general provision as to debt limita-tion which applies only to Boston is found in the Supplement to the Public Statutes of Massachusetts, Laws of 1885, Chapter 178. The act is entitled "An act to limit the municipal debt of, and the rate of "taxation in, the city of Boston." SECTION 1—Provides that the taxes exclusive of State tax and of sums required by law to be raised on account of the city debt shall not exceed in any one year \$9 on every \$1,000 of the average of the as-sessors' valuation for the preceding five years, the valuation year to year being first reduced by all abatements. SECTION 2—Provides that the limit of Indebtedness of the city of Boston shall hcreafter be 2<sup>1</sup><sub>2</sub> per cent until January 1, 1887, and there-after shall be 2 per cent on the average valuation prescribed in section 1 of this act.

1 of this act.

The foregoing limitation is of course exclusive of debts created for water supply, and further exceptions have been made from year to year by different legislatures, authorizing bonds outside of the debt limit for various purposes, especially enumerated. It is proper to state that under Chapter 93, Acts of 1891, the city is authorized to *anticipate* its authority to borrow money within its debt limit for any current municipal year.

NEW LOANS AUTHORIZED.—The following is a summary of loans authorized but not issued as of Jan. 31, 1900:

		Inside	Outside
	Purpose of Issue-	Debt Limil.	Debt Limit.
	Rapid transit		\$2,384,000
1	School houses.	\$300.000	300,000
j	South Union Station		
	Laying out and construction of highways		1,419,550
ł	Bridges	100.000	.,,
1	Play grounds		
	Park.	75,000	
	Sewerage		900,000
	Miscellameous	24,000	000,000
ł			

Totals.....\$1,149,000 \$5,003,550 In addition to above, loans have been authorized outside of debt limit without limit as to amount, for Charlestown Street improve-ment, Cambridge Bridge sewerage charges and Atlantic Avenue ex-tension. The amounts issued to date on the first three mentioned were \$165,000, \$350,000 and \$400,000, respectively.

BORROWING POWER.—The city's borrowing power Jan. 31 1900, Is shown in the following statement: Total debt, city and county......\$36,566,450 00 Less special loans (outside of limit).....\$36,566,450 00

do county loans (outside of limit)..... 2,921,000 00 do Cochituate water debt......17,306,273 98 2,921,000 00

Total deductions...... 56,793,723 98 ..\$30,172,855 00 ducted as above (water loans, etc.)..... 11,100,621 52 Net debt, excluding debts outside of limit.....\$19,072,233 48 Two per cent on \$1,007,017,424 (average valuation for

Right to borrow Jan. 31, 1900, under chapter 178

authorized, but are not yet issued.

ASSESSED VALUATION.—The city's assessed valuation of real estate and personal property and tax rate have been as follows:

		A	ssessed Valuation	1 Re	alcof Tax
ļ	Years-	Real.	Personal.	Total. per	r \$1.000.
]	1899	\$866,773.300	\$233,034,820	\$1,089,808,120	\$13.10
	1898	830,233,900	205,865,518	1,036,099,418	13.60
	1897	803,860,550	208.721.659	1,012,582,209	13.00
l	1896	770,261,700	210,990,726	981,252,426	12.90
	1895	744,743,550	206,618,969	951,362,519	12.80
	1894	723,728,750	204,363,706	928,092,456	12.80
	1893	707,762,275	216,331,476	924,093,751	12.80
Į	1890	619,990,275	202,051,525	822,041,800	13.30
	1880	437,370,100	202,092,395	639,462,495	15.20
	1870	365,593,100	218,496,300	584,089,400	15.30
	1711				

The tax rate for 1899 includes the State tax \$0.55 per \$1,000; the county tax, \$0.95; the city tax proper, \$11.60; total, \$13.10.

POPULATION.—8tate census, 1895, was 494,205. In 1890 population was 448,477; in 1880 it was 362,839; in 1870 lt was 250.526.

PAR VALUE OF BONDS is \$500 and multiples thereof.	Legislature meets annually the last Tuesday in May at New-
INTEREST on most issues is payable, principally by check, at the	port, and holds an adjourned session the following January at
Merchants' National Bank in Boston.	Providence. There is no limit as to the length of session.
TOTAL DEBT, SINKING FUNDS, ETC	
Feb. 1, 1900. Dec. 1, '98. Dec. 1, '97. Dec. 1, '96.	HISTORY OF DEBTFor a brief history of the Rhode Island
Total bonded debt\$9,229,000 \$8,045,000 \$6,735,000 \$5,315,000 Sinking funds 3,603,287 3,204,932 2,785,314 2,383,735	State debt see State and otte Set manual of April 10, 2000, page 50.
	The bonds outstanding at present are described as follows:
	Turkey and The second

(inc. above)......\$3,500,000 \$2,775,000 \$2,225,000 \$2,175,000

The sinking fund receives yearly a sum sufficient with accumulations of interest on sinking fund investments to retire entire debt at matur-ity. In 1899 \$267,200 was paid into sinking funds other than th-water bonds sinking fund.

CITY PROPERTY.—The city owned property in 1899 valued a \$12,541,334, including water works costing \$3,300,031. Receipts from water assessments in year 1898-99 were \$283,531 40; interest on water loans, \$101,750; paid to sinking fund, \$21,750.

ASSESSED VALUATION.—The city's assessed valuation and tax rate have been as follows, real estate being taken at "its full and fair cash value":

		Personal	Ra	le of Tax
Years.	Real Estate.	Property.	Total, per	•\$1.000.
1899	\$83,478,100	\$28,857,999	\$112,336,099	\$16.00

In 1899 tax rate includes: State tax, \$0.26; county tax, \$0.74; city tax, \$15.00; total, \$16.00. Average assessed valuation for three years 1897 to 1899, inclusive, was \$103,526,649, and for three years '96 to '98, inclusive, \$97,109,100.

POPULATION.—Population in 1895 was 98,687; in 1890 was 84,655; in 1880 was 58,291; for 1900 is estimated at over 120,000.

### ADDITIONAL STATEMENTS.

In the table below we give statements regarding all towns in the State of Massachusets which have reported an indehtedness of over \$25,000, and which are not represented among the foregoing. We add the population according to the Massachusetts Census of 1895.

INTEREST is payable in Providence at the Rhode Island Hospital Trust Company on all loans except that due in 1938, which is payable at the Industrial Trust Co., Providence.

PAR VALUE OF BONDS.-The bonds are for \$1,000 each.

TAX FREE.-Bonds of the State House loan are tax exempt.

	1850 147,545	
	1840 108,830	

MUNICIPAL INDEBTEDNESS LIMITATIONS.—There is nothing in the Constitution of Rhode Island limiting the amount of city debts. The following, however, are two sections taken from Title 7, Chapter 36 (page 157) of the Revised Statutes of the State of 1896. Since 1878 these provisions have been in force, and consequently 3 per cent of the taxable property has been the limit of the power of each town (which includes city) to create debt.

SECTION 20. "The outstanding notes, bonds and contracts of towns shall be paid and be fulfilled according to the tenor thereof, and all public works now authorized to be prosecuted shall be prosecuted, and all indebtedness now authorized to be incurred on account thereof may

all indebtedness now authorized to be incurred on account thereof may be incurred according to the tenor of the authority therefor. SECTION 21. No town shall, without special statutory authority therefor, incur any debt in excess of three per centum of the taxable property of such town, including the indebtedness of such town on the tenth day of April, one thousand eight hundred seventy-eight, but the giving of a new note or bond, for a pre-existing debt, or for money borrowed and applied to the payment of such pre-existing debt, is excepted from the provisions of this section, and the amount of any sinking fund shall be deducted in computing such indebtedness."

A proposed new constitution, containing certain limitations as to State and other debts, failed of adoption at the November election in 1898, was again submitted to popular vote in 1899 and again defeated. SAVINGS BANK INVESTMENTS AND RESTRICTIONS.-In the Revised Statutes of Rhode Island (which were revised in 1896), Sections 54, 55, 56, etc., of Chapter 178, Title 19 (on page 548), will be found the provisions of law with reference to Savings Bank Investments. Section 54, which recites in detail the stocks, bonds, etc., these institutions are allowed to put their money in is as follows:

SECTION 54. Institutions for savings shall invest their receipts—
(1) In public stocks or bonds of any State or of the United States,
(2) Or in any bank stock, or in notes or bonds of any town or city.
(3) Or in notes of any school district or fire district in any New England State.

(4) Or in such corporate stocks or bonds as they may deem safe and secure

(5) Or they may discount notes, bonds or drafts of individuals or cor-porations, with two other responsible endorsers, surctices or guarantors, (6) Or the notes, bonds or drafts of individuals or corporations secured

by the public notes, stocks or bonds of any State of the United States, or of any town or city or of any school district or fire district in any New England State, or by the stock or bonds of any corporation which may be deemed to be safe, or by mortgage on real estate.

Coucerning Sections 55 and 56, the first appears to give savings institutions quite extensive powers as to making and keeping deposits in commercial banks. When so kept, however, they are to be kept "payable on demand whether drawing interest or not." The two sections are subjoined.

Sections are subjointed. Sections 55.—No such institution shall have an amount exceeding one-half of its receipts invested in notes, bonds or drafts of individuals or corporations, unless secured by some public notes, bonds or stocks as aforesaid, or by mortgage on real estate: but the preceding section shalf not be so construed as to forbid any such institution from placing and holding on deposit in any bank such reasonable amount of their re-ceipts as is customary and they may deem proper, payable on demand, whether drawing interest or not. SECTION 56.—No money shall be loaned by any institution for sav-ings to any trustee, director or other officer of such institution. For the other provisions of the law as they now are we would refer

For the other provisions of the law as they now are we would refer our readers to the Revised Statutes of 1896.

### JOHNSTON.-HERBERT C. CALEF, Treasurer.

This town is in Providence County. On June 1, 1898, a portion of this town, representing about five-sevenths of the assessed valuation, was annexed to the city of Providence. The commission appointed to apportion the debt to be assumed by the city of Providence report that the city's share of the net debt is \$255,720.64, leaving \$101,677.43 as the town debt remaining. Bouds Nos. 1 to 100 and 151 to 191 (all in-clusive) remain as an obligation of the town of Johnston, and interest will be paid, when due, by the Union Trust Co. as usual. The bonds given below are those remaining as an obligation of the town after division.

INTEREST is payable by the Union Trust Company, Providence.

### LINCOLN.—ALFRED E. SHERMAN, Treasurer.

This town is in Providence County.

DEBT LIMITATION.—The Constitution of Connecticut contains but a single provision restricting the debt-making power. The provision is Article 25, adopted as an amendment in 1877, and is as follows :

No County, City, Town, Borough or other Municipality, shall ever subscribe to the capital stock of any railroad corporation, or become the purchaser of the bonds, or make donation to, or loan its credit in aid of, any such corporation; but nothing herein contained shall affect the validity of any bonds or debts incurred under existing laws, nor be con-strued to prohibit the General Assembly from authorizing any Town strued to prohibit the General Assembly from authorizing any Town or City to protect by additional appropiations of money or credit any railroad debt contracted prior to the adoption of this amendment.

The foregoing is explicit and comprehensive, covering every municipality. There are no general restrictions in the Revised Statutes; whatever restrictions have been made from time to time are contained in enabling acts and in city charters.

As to towns, we notice that there is a general law granting them unlimited power to issue bonds. According to section 140, chapter 23 of the Revised Statutes, "when any town shall have made appropriations "or incurred debts, or shall hereafter make appropriations or incur "debts exceeding ten thousand dollars, it may issue bonds, either regis-"tered or with coupons attached, or other obligations, payable at such "times and at such annual rate of interest not exceeding 6 per cent, " payable annually or semi-annually, as it shall determine," &c. Cities have had no such general authority conferred upon them.

Exemption from Taxation has been accorded by general statute to certain bonds issued by cities and towns to aid in the construction of railroads; and this exemption has been extended to new bonds issued for the purpose of redeeming or providing a fund to redeem the railroad aid bonds above referred to. This exemption is found in Section 3,820, Chapter 241 of the Revised Statutes (last clause of Section), and the bonds there named are those "issued by any town or city in aid of the "construction of the railroads of the Connecticut Western Railroad "Company, the New Haven Middletown & Willimantie Railroad Com-" pany, the Shepaug Valley Railroad Company, the Connecticut Valley "Railroad Co., the Connecticut Central Railroad Company, or either of "them." All railroads which are in whole or in part in the State are taxed by the State under Section 3920, Chapter 244 of the Revised Statutes, so that the tax on these bonds is paid by the railroads.

Exemption from lax of new bonds issued to redeem or to provide a fund to redeem the railroad aid bonds, or to redeem or to provide a fund to redeem any reissue of the same, is conferred fully by an act approved June 19, 1889, and found in the "Public Acts" for that year.

**POPULATION OF STATE.**—Population has been as follows:

by the pledge of any stocks, bonds, or other obligations which, under the provisions of this act, can be purchased by savings banks; and may invest not exceeding twenty per centum of their deposits and surplus in notes, each of which shall be the joint and several obliga-tion of two or more parties, all residents of this State. (2) And may invest in the bonds of the United States, the District of Columbia, any of the New England States, or any of the States of New York, New Jersey, Pennsylvania, Delaware, Maryland, Ohio, Ken-tucky, Michigan, Indiana, Illinois, Iowa, Wisconsin, Minnesota, Mis-souri, Nebraska, Kansas, California, Colorado, and Oregon; (3) In the bonds of any city in the New England States, or in the State of New York: of Newark, Paterson and Trenton in the State of New Jersey; of Philadelphia in the State of Pennsylvania; of Cinch-nati, Cleveland, Columbus, Dayton, and Toledo in the State of Mich-igan; of Chicago in the State of Illinois; of Milwaukee in the State of Wisconsin: of St. Louis in the State of Missouri; of Omaha in the State of Nebraska; (4) Or in the obligations of any of the counties, towns, cities, bor-

(4) Or in the obligations of any of the counties, towns, cities, boroughs, and school districts in this State,
(5) Or in the capital stock of any bank or trust company located in this State, or in the city of New York in the State of New York, or in Boston in the State of Massachusetts;

Boston in the State of Massachusetts; (6) Or in the bonds of any other incorporated city located in any of the States mentioned in this act, having not less than twenty thousand inhabitants, as ascertained by the United States or State census, or any municipal census taken by authority of the State next preceding such investment; *provided*, the amount of the bonds of said city, including the issue in which such investment is made and its proportion (based on the valuations contained in the assessment for taxation next pre-ceding such investment) of the county and town delt. after deducting on the valuations contained in the assessment for taxation next pre-ceding such investment) of the county and town debt, after deducting the amount of its water debt, and the negotiable securities in the sink-ing funds which are available for payment of its bonds, does not ex-ceed seven per centum of the valuation of property in said city as assessed for taxation next preceding such investment; provided, al-ways, that the State or city issuing said bonds has not defaulted pay-ment of any of its funded indebtedness or interest thereon within fifteen years next preceding the purchase of such bonds by the savings bank; but this act shall not be held to authorize the investment of any funds in any "special assessment bonds" or "improvement bonds", so called, which are not direct and primary obligations of the city is-suing the same:

funds in any "special assessment bonds" or improvement bonds", so called, which are not direct and primary obligations of the city is-suing the same; (7) Or in the bonds of any railroad company organized under the laws of any of the States mentioned in this Act, and which bonds are secured by a first mortgage (as the only mortgage security) given by said railroad company upon some portion of the railroad owned by it, or given by a railroad company (a majority of the capital stock in which is owned by the railroad company issuing said bonds), upon some portion of the railroad owned by it but leased or operated by the railroad company issuing said bonds, and which portion of said railroad in either case shall be located wholly or in part in one or more of the States mentioned in this Act, provided the entire railroad of said company is located wholly within the United States; or in the consolidated bonds of any railroad company incorporated by this State and authorized to issue such bonds to retire the entire funded debt of said company; provided, that in every case the railroad com-pany in the bonds of which an investment is made shall have paid each year, for a period of not less than flour per centum per annum upon its entire capital slock outstanding; and provided, further, that said outstanding capital stock at the time of such investment equals or exceeds in amount one-third of the entire outstanding issue of said bonds; also in the bonds of the following-named railroad corpora-tions, viz: tions, viz :

Boston & Albany Railroad Company, Boston & Lowell Railroad Company, Boston & Maine Railroad Company,

Boston & Maine Railroad Company, Concord & Montreal Railroad Company, Fitchburg Railroad Company, Harlem River & Port Chester Railroad Company, Maine Central Railroad Company, New England Railroad Company, New York & New England Kailroad Company, New York, New Haven & Hartford Railroad Company, Old Colony Railroad Company.

Old Colony Railroad Company,

and in any general or consolidated mortgage bonds issued by any of the following-named railroad corporations to retire all of the out-standing prior mortgage bonds secured upon the property covered by said general or consolidated mortgage:-

Chicago & North Western Railway Company, Chicago, Burlington & Quincy Railroad Company, Chicago, Milwaukee & St. Paul Railway Company, Ohicago, Rock Island & Pacific Railway Company, Chicago & Alton Railroad Company, Chicago & Alton Railroad Company, Cleveland & Pittsburg Railroad Company, Lake Shore & Michigan Southern Railway Company, Michigan Central Railroad Company, Morris & Essex Railroad Company.

Michigan Central Rahroad Company, Morris & Essex Railroad Company, New York Central & Hudson River Railroad Company, Pennsylvania Railroad Company, St. Paul, Minneapolis & Manitoba Railway Company, Eastern Railway of Minnesota, Northern Division,

Eastern Railway of Minnesota, Northern Division, and in the mortgage bonds hitherto issued which the said consolidated or general mortgage bonds are to retire at maturity; *provided*, that at no time within five years next preceding the date of such investment shall such railroad corporation have failed regularly and punctually to pay the principal at maturity, (or as extended,) and interest of all its mortgage indebtedness, and in addition thereto regularly and punc-tually to have paid dividends upon all its outstanding capital stock during the preceding five years; further, that at the date of every such dividend the outstanding capital stock of such railroad corpora-tion shall have been equal to at least one-third of the total mortgage indebtedness of such railroad corporation. including all bonds issued or to be issued under any mortgage securing any bond in which such or to be issued under any mortgago securing any bond in which such investment shall be made, but this Act shall not be held to authorize any investment in the bonds of any corporation operating its railroad exclusively by any means other than steam as a motive power, or in

SAVINGS BANKS INVESTMENTS-PRIVILEGES AND RE-STRICTIONS.-At the session in 1899 material changes were made in the provisions regulating the investment of the deposits of the savings banks of Connecticut. We give below the law as thus amended. The Act of 1899 is entitled "An Act concerning Investments of Savings Banks", and is as follows. The separation into paragraphs and the tigures in brackets which number and begin the paragraphs we have inserted so that those who need to refer to or use any particular portion of the section can more readily find the part desired; otherwise we give the section as it reads and was passed.

Section 1800 of the General Statutes, as amended by chapter CCXXIX of the Public Acts of 1893 and by chapter CCXVII of the Public Acts of 1897 is hereby amended to read as follows: Savings banks may buyer banks may invest-

(1) Not exceeding twenty per centum of their deposits and surplus in notes secured by the pledge of stocks or bonds as collateral se-ourly: *provided*, said stocks or bonds shall have paid dividends or interest of not less than three per centum per annum during the two years next preceding that in which the respective loan is made; or

exclusively by any means other than steam as a motive power, or in the bonds of any street railroad company.
(8) All other investments shall consist of deposits in incorporated banks or trust companies located in this State or in the States of New York, Massachusetts, or Rhode Island.
(9) Or of loans secured by morigage on unincumbered real estate situated in this State, worth double the amount of the loan secured thereon, provided that any savings bank in the towns of Putnam. Brooklyn and Killingly may loan on land located in the County of Providence in the State of Rhode Island; any savings bank in the town of Ridgefield may loan on land located in the County of Enfield or in the town of Stafford may loan on land located in the count of the town of Enfield or in the State of Massachusetts; and any savings bank in the town of Stafford may loan on land located in the County of Westbank in the town of Stonington may loan on land located in the County of Washington in the State of Rhode Island.

It would seem according to the foregoing amendment of section 1800 that only forty per cent of the deposits and surplus of any savings bank may be employed on personal security, but that no limit is placed upon the amount which may be invested in the other securities mentioned in the section.

The subjoined sections, 1803, 1804, 1805 and 1806, provide certain restrictions with reference to loans-section 1803 restricting loans on Mortgage Security to Manufacturing Corporations and Ecclesiastical Societies; section 1804 restricting amount of loans to one party on personal security; section 1805 forbidding loans on single names.

SEC. 1803. No loan shall be made by any savings bank to any corpor-ation or association or ecclesiastical society, secured by mortgage upon their property, unless the same shall be accompanied by the individual guarantce of some responsible party or parties, or by other collateral security of equal value to the amount of the sum loaned, and the directors or trustees of any such bank consenting to any loan contrary to the provisions of this section shall be held individually responsible to the full extent of such loan.

SEC. 1804. No savings bank having more than twenty-five thousand dollars deposits shall loan on personal security to any one person, company, or interest, more than three per cent of its deposits at the time of making such loan.

SEC. 1805. No savings bank shall buy, or lend any money upon, any obligation on which only one person or firm shall be holden, without taking additional security for the same equivalent to the guaranty or indorsement of some other responsible party.

Besides the ordinary safeguards which are in all savings bank laws there is one of no little importance that ought to aid materially in preventing incautious loans. We refer to the provision below.

SEC. 1806.—When any loan or investment is made by any savings bank, the names of the directors or trustees consenting thereto shall be entered upon the records of said bank, and said record shall be at all times open to the inspection of the corporators and auditors of said bank and the Bank Commissioners, and be *prima facie* evidence of the truth of the statements therein contained.

TRUST FUNDS-HOW LOANED OR INVESTED-We find in Section 495 of the General Statutes the following liberal provisions providing that trust funds may be loaned or invested in the same securities savings banks are authorized to invest in.

SEC. 495.-Trust funds, unless it is otherwise provided in the instru-SEC. 495.—17thst funds, thiless it is otherwise provided in the instru-ment creating the trust, may be loaned on the security of mortgages on unencumbered real estate in this State, double in value the amount loaned, or may be invested in such mortgages or in the bonds or loans of this State, or of any town, city, or borough of this State, or in any bonds, stocks, or other securities which the savings banks in this State are or may be authorized by law to invest in, or may be deposited in savings banks incorporated by this State.

### CITIES, COUNTIES AND TOWNS IN THE STATE OF CONNECTICUT

### NOTE.-For debts of minor civil divisions not found among the state-

Mote.—Por deois of minor etta divisions hal joind dimong the state-ments given below, see "Additional Stalements" at the end of this State. The relation which the towns, cities and boroughs of this State bear to one another is peculiar, and requires a word of explanation. The State is divided into eight counties, and these counties are made up of towns, numbering in the aggregate 167. The towns are the civil unit, and on the assessed valuation (which is called the "Grand List of each town") is levied the tax for State purposes as well as the tax for town expenditures. Within the town is often situated a city or a borough, or both, all of which may at the same time have bonds outstanding. There are ten cities, each with one exception bearing the same name as the town in which it lies. Of late several towns and cities whose limits were about identical have been consolidated and the outstanding bonds of both town and city are reported together without distinction. This is the case with the city and town of Hartford, which previous to April, 1896, reported their debts separately. The city and town of New London have been consolidated and also Bridgeport city and town. On December 7, 1897, city, town and school district of New Haven were likewise consolidated. The borough stands in about the same relation to the town as does the city. The grand list as determined for the town is used by both the city and the borough in levying taxes, the city, for instance, putting a tax of its own on its share of the total grand list of the town. This tax is additional to the town tax. In some instances the schools are in the charge of school districts, which also are empowered to issue bonds and to levy a tax, so that to cover the total tax paid by a city it is necessary to take into account the State, town, city and school district levies. In the statements which follow we give under one heading the town and city, wherever they bear the same name, for though distinct corporations, their debts are to a greater or less extent the ments given below, see "Additional Stalements" at the end of this State.

single community.

BETHEL.-WILLIAM H. JUDSON, Treasurer.

DEBT LIMITATION-STATE. The new Constitution has in some measure modified the provisions of the fundamental law restricting the power of the Legislature over the issue of debt, &c These provisions are found in Article 7. We give the sections of that article (Article 7) below which have reference to the subject. State credit not to be given.—SECTION 1. The credit of the State shall not in any manner be given or loaned to or in aid of any individual association or corporation. State debts, power to contract.—SEC. 2. The State may, to meet casual deficits or failures in revenues, or for expenses not provided for, con-tract debts; but such debts, direct or contingent, singly or in the aggre-gate, shall not at any time exceed one million of dollars; and the moneys arising from the loans creating such debts shall be applied to the purpose for which they were obtained, or to repay the debt so con-tracted, and to no other purpose whatever.

tracted, and to no other purpose whatever. State debts to repet invasions.—SEC. 3. In addition to the above limited power to contract debts, the State may contract debts to repel invasion, suppress insurrection, or defend the State in war; but the money arls-ing from the contracting of such debts shall be applied to the purpose for which it was raised, or to repay such dcbts, and to no other purpose whatever.

ing from the contracting of such debts shall be applied to the purpose whatever. Limitation of legislative power to create debts.—SEC. 4. Except the debts specified in sections two and three of this article, no debts shall be hereafter contracted by or on behalf of this State, unless such debt shall be authorized by a law, for some single work or object, to be dis-tinctly specified therein; and such law shall impose and provide for the collection of a direct annual tax to pay, and sufficient to pay, the interest on such debt as it falls due, and also to pay and discharge the principal of such debt within eighteen years from the time of the con-tracting thereof. No such law shall take effect until it shall, at a gen-eral election, have been submitted to the people, and have received a majority of all the votes cast for and against it at such election. On the final passage of such bill in either house of the Legislature; the question shall be taken by ayes and noes, to be duly entered on the journals thereof, and shall be: "Shall this bill pass, and ought the same to receive the sanction of the people?" The Legislature may at any time, after the approval of such law by the people, if no debt shall have been contracted in pursu-nece thereof, repeal the same: and may at any time, by law, forbid the contracting of any further debt or liability under such law; but the tax imposed by such act, in proportion to the debt and liability which may have been contracted, in pursuance of such law. shall remain in force and be irrepealable, and be annually collected, until the proceeds thereof shall have made the provision hereinbefore specified to pay and discharge the interest and principal of such debt and liability. The money arising from any loan or stock creating such debt or liability, shall be applied to the work or object specified in the act authorizing such debt or liability, or for the repayment of such debt or liability and for no other purpose whatever. No such law shall be submitted to be voted on, within t

provided. DEBT LIMITATION.—CITIES. COUNTIES. TOWNS AND VILLAGES.— The new Constitution of New York State puts a general and uniform limit to the power of all counties and cities of the State to con-tract and put out their obligations, leaving to the Legislature to fix the debt-making power of villages and towns only. These provisions are found in Article 8, Section 10. We give that section in full. The separation into paragraphs and the figures in pareuthesis which num-ber and begin the paragraphs are our own, we having inserted them so that those who need to refer to or use any particular portion can the more readily find the part desired. With that exception we give Section 10 of Article 8 as it reads, preserving even the punctuation. (1) No county, city, town or village shall hereafter give any money or property, or loan its money or credit to or in aid of any individual, association or corporation, or become directly or indirectly the owner of stock in, or bouds of, any association or corporation ; nor shall any

Association or corporation, or become directly or indirectly the owner of stock in, or bouds of, any association or corporation; nor shall any such county, city, town or village be allowed to incur any indebtedness except for county, eity, town or village purposes. This section shall not prevent such county, city, town or village from making such pro-vision for the ald or support of its poor as may be authorized by law. (2) No county or city shall be allowed to become indebted for any purpose or in any manner to an amount which, including existing

indebtedness, shall exceed ten per ceutum of the assessed valuation of the real estate of such county or eity subject to taxation, as it appeared by the assessment rolls of said county or eity on the last assessment for State or county taxes prior to the incurring of such indebtedness; and all indebtedness in excess of such limitation, except such as may now exist, shall be absolutely void, except as herein otherwise provided.
(3) No county or eity whose present indebtedness exceeds ten per centum of the assessed valuation of its real estate subject to taxation, shall be allowed to become indebted in any further amount until such indebtedness shall be reduced within such limit.
(4) This section shall not be construed to prevent the issuing of certificates of indebtedness or revenue bonds issued in anticipation of the collection of taxes for amounts actually contained, or to be contained in the taxes for the year when such certificates or revenue bonds are issued and payable out of such taxes.
(5) Nor shall this section be construed to prevent the issue of bonds to provide for the supply of water; but the terms of the bonds issued to provide for the supply of water; but the terms of the bonds issued to provide for the supply of water; but the terms of the bonds issued to provide the supply of water shall not exceed twenty years, and a sinking fund shall be created on the issuing of the said bonds at their maturity.
(6) All certificates of indebtedness or revenue bonds issued in anticipation of the interval of the principal and interest of said bonds at their maturity. maturity. (6) All certificates of indebtedness or revenue bonds issued in an-

ticipation of the collection of taxes, which are not retired within five years after their date of issue, and bonds issued to provide for the supply

ticipation of the collection of taxes, which are not retired within five years after their date of issue, and bonds issued to provide for the supply of water, and any debt hereafter incurred by any portion or part of a city, if there shall be any such debt, shall be included in ascertaining the power of the city to become otherwise indebted.
(7) Whenever hereafter the boundaries of any city shall become the same as those of a county, the power of the county to become indebted shall cease, but the debt of the county at that time existing shall not be included as part of the city debt. [At the November 1899 election an amendment to the Constitution was adopted changing this paragraph to read as follows: Whenever the boundaries of any city are the same as those of a county, or when any city shall include within its boundaries more than one county, the power of any county wholly included within such city to become indebted shall cease, but the debt of the city debt.]
(8) The amount hereafter to be raised by tax for county or city purposes, in any county containing a city of over one hundred thousand inhabitants, or any such city of the state, in addition to providing for the principal and interest of such county or city, to be accertained as prescribed in this section in respect to county or city debt.
By the terms of the forcgoing section, Paragraph (1), every "County, City, Town or Village" is included in the prohibition against (1) loaning "its money or credit," (2) in becoming "directly or indirectly the owner of stock in or bonds of any such the paragraphs include only counts.

According to Paragraph (6) it seems that "any debt hereafter in-curred by any portion or part of a city, if there shall be any such debt, shall be included in ascertaining the power of the city to become other wise indebted.

When indebted." We would also call special attention to Paragraph (7), declaring that [as amended in 1899] whenever the boundaries of any city may be the same as those of a county or when any city shall include within its boundaries more than one county, "the power of any county whoity in-cluded within such city to become indebted shall ccase, but the debt of the county heretofore existing shall not \* \* be reckoned as a part of the city debt."

the city debt." In May 1886 the New York Court of Appeals decided at the end of a litigation begun in July 1885 that the sinking fund was not a part of the city debt within the meaning of the above provision of the Constitution limiting the creation of debt to 10 per cent of the assessed valua-tion of the real estate.

Towns and Villages are not limited in their debt-making power by the Constitution. Those municipalities will be governed by general or special statutes.

The 1895 Legislature passed an act "for the protection of bona fide purchasers and holders of coupon bonds and of municipal corporations against misfeasance, malfcasance or negligence of public officers." The full text of this law was published in the CHRONICLE of June 8, 1895. V. 60, p. 1023.

1895. V. 60, p. 1023. EXEMPTION FROM TAXATION.—There is one general New York statute with reference to exemption from taxation "for town, county, municipal or State purposes" of a class of bonds "issued by any village, city, town or county" in the State, which seems to have a wider appll-cation than is generally known. As originally passed in 1881 the ex-emption applied only to bonds issued to pay up or retire bonds "created to aid in the construction of any railroad." A new law was passed in 1886 (Chapter 316) making the tax exemption apply to "new bonds" issued under the act to retire any of the then "present bonded indebted-ness of any village, city, town or county in this State." With reference to such new bonds the third section of the act of 1886 says : "All new bonds issued by any village, city, town or county in this State under the provisions of this act shall be exempt from taxation for town, county, municipal or State purposes until the period when they are made payable." In 1893 still another law was passed making the statute cover any bonded indebtedness. The law as it now stands will be found in editorial on page 4 of the April, 1894, SUPPLEMENT. In addition to the foregoing there are special laws authorizing special here a the cover any thick we have not more the parts the parts of the parts of the parts of the act of the act of the aven by the parts.

In addition to the foregoing there are special laws authorizing special issues that are exempt, but which we have not room to quote here. For New York City there is a general statute which directs how any of its bonds may be made exempt from city and county taxation. That statute is subjoined.

SEC. 137. The Commissioners of the "Sinking Fund of the City of New York for the redemption of the city debt," when duly authorized by ordinance of the Common Council, may, by concurrent resolution, direct that the bonds and stocks of said city, issued pursuant to law, after June ninth, eighteen hundred and eighty, shall be exempt from taxation by said city and by the county of New York, but not from taxa-tion for State purposes; and all bonds and stocks issued pursuant to such authority shall be exempt from taxation accordingly, provided that said bonds and stocks shall not bear interest exceeding the rate of four and one-half per centum per annum. The bonds and stocks of the city of New York issued pursuant to the provisions of this section shall express upon their face the fact that they are exempt from taxation by the city and county of New York, but not from State taxation, and shall refer to this section, and to the ordinance of the Common Council, and the resolution of the Commissioners of the Sinking Fund authorizing their issue. SAVINGS BANK INVESTMENTS-POWERS AND RESTRIC-TIONS .- In 1898 the New York Legislature passed an amendment to paragraph 6, Sec. 116, of the Savings Bank law of 1892. The amendment extended investments of savings banks to first mortgage railroad bonds the principal part of whose railroad is located within this State. and in 1899 the field of railroad investments was still further enlarged. In 1900 the Chicago & Alton RR. was added to the list and other changes made in paragraph 6.

1. In the stocks or bonds or interest-bearing notes or obligations of the United States, or those for which the faith of the United States is pledged to provide for the payment of the interest and principal, in-cluding the bonds of the District of Columbia.

2. In the stocks or bonds or interest-bearing obligations of this State, issued pursuant to the authority of any law of the State.

3. In the stocks or bonds or interest-bearing obligations of any State of the United States which has not within ten years previous to mak-ing such investment by such corporation defaulted in the payment of any part of either principal or interest of any debt authorized by the legislature of any such State to be contracted; and in the bonds or in-terest-bearing obligations of any State of the United States, issued in pursuance of the anthority of the legislature of such State, which have, prior to the passage of this act, been issued for the funding or settlement of any previous obligation of such State theretofore in de-fault, and on which said funding or settlement obligation there has been no default in the payment of either principal or interest since the interest on such funded or settlement obligations has been paid regu-larly for a period of not less than ten years next preceding such in-In the stocks or bonds or interest-bearing obligations of any State larly for a period of not less than ten years next preceding such investment.

4. In the stocks or bonds of any city, county, town or village, school district bonds and union free school district bonds issued for school purposes, or in the interest-bearing obligations of any city or county of this State, issued pursuant to the authority of any law of the State for the payment of which the faith and credit of the municipality issuing them are placed. suing them are pledged.

5. In the stocks or bonds of the following cities: Boston, Worcester, Cambridge, Lowell, Fall River, Springfield and Holyoke, in the State of Massachusetts; St. Louis, in the State of Missouri; Cleveland, Cincinnati and Toledo; in the State of Ohio; Detroit and Grand Rapids, in the State of Michigan; Providence, in the State of Rhode Island; New Haven and Hartford, in the State of Connecticut; Portland, in the State of Maine; Philadelphia, Pittsburg, Alleghany, Reading and Scranton, in the State of Pennsylvania; Minneapolis and St. Paul, in the State of Miunesota; Des Moines, in the State of Iowa: Milwaukee, in the State of Wiscon-sin; Louisville, in the State of Kentucky; Paterson, Trenton, Newark and Camden, iu the State of New Jersey; Baltimore, in the State of Maryland. If at any time the indebtedness of any of said cities, less its water debt and sinking fund, shall exceed seven per centum of its valuation for pu-poses of taxation, its bonds and stocks shall thereafter, and until such indebtedness shall be reduced to seven per centum of the valuation for the purposes of taxation, cease to be an authorized investment for the the purposes of taxation, cease to be an authorized investment for the moneys of savings banks, but the superintendent of the banking department may, in his discretion, require any savings bank to sell such bonds or stocks of said city, as may have been purchased prior to said increase of debt.

In bonds and mortgages on unincumbered real property situated in this State, worth at least twice the amount loaned thereon. Not more than sixty-five per centum of the whole amount of deposits shall be so loaned or invested. If the loan is on unimproved and unproductive real property, the amount loaned thereon shall not be more than forty per centum of its actual value. No investment in shall be so loaned or invested. If the loan is on unimproved and unproductive real property, the amount loaned thereon shall not be more than forty per centum of its actual value. No investment in any bonds and mortgage shall be made by any savings bank except upon the report of a committee of its trustees charged with the duty of investigating the same, who shall certify to the value of the prem-ises mortgaged or to be mortgaged, according to their best judgment, and such report shall be filed and preserved among the records of the corporation. Also in the first mortgage bonds of any railroad corpo-ration of this State, the principal part of whose railroad is located within this State; or of any railroad corporation of this and any other State or States connecting with and controlled and operated as part of the system of any such railroad corporation of this State, and of which connecting railroad a corporation of an issue to retire all prior mortgage debt of such railroad companies respectively; provided that at no time within five years next preceding the date of any such in-vestment shall such railroad corporation of this State or any such in-vestment shall such railroad corporation of this State or any such in-vesting railroad corporation of this state or any such in-vest fields upon all its outstanding capital stock during the preceding five years, at the rate of not less than four per centum per annum; and provided, further, that at the date of every such dividend the out-standing capital stock of such railroad corporation, or such connecting railroad company respectively shall have been equal to at least one half of the total mortgage bonds of the following railroad corporations z-spectively, including all bonds issued or to be issued under any mort gage securing any bond in which such investment shall be made. Also in the mortgage bonds of the following railroad corporations z-spectively, including all bonds issued or to be issued under any mort gage sceuring any bond in which such investment indebtedness: and further provided that all bonds hereby authorized for investments shall be secured by a mortgage which is a first mort-gage on either the whole or some part of the railroad and railroad prop-erty actually in the possession of and operated by such company; or that such bonds shall be mortgage bonds of an issue to retire all prior mortgage debt of such railroad company; also in the first mortgage bonds of the Fonda Johnstown & Gloversville RR. Co., or in the mortgage bonds of said railroad company of an issue to retire all prior mortgage debts of said railroad company, and provided the capital stock of said railroad company shall equal or ex-ceed in amount one third of the par value of all its bonded indebted-ness; and provided, also that such railroad be of standard gauge of four feet eight and one-half inches. Not more than twenty per centum of ness; and provided, also that such railroad be of standard gauge of four feet eight and one-half inches. Not more than twenty per centum of the whole amount of deposits of any bank shall be loaned or invested in railroad bonds, and not more than five per centum of the deposits of any bank shall be invested in the bonds of any one railroad. Street railroad corporations shall not be considered railroad corporations within the meaning of this subdivision. [Under date of June 10, 1899, F. D. Kilburn, Superintendent of the State Banking Department, issued a circular naming the bonds in which savings banks may invest under the amendment of 1899. For list of such bonds see CHRONICLE, V. 68, p. 1111. In 1899, as above stated, the Chicago & Alton was added to the list.]

We give section 116 below as it stands with these amendments incorporated

Sec. 116. In what securities deposits may be invested.—The trustees of any savings banks may invest the moneys deposited therein and the income derived therefrom only as follows:

7. In real property subject to the provisions of the next section.

It will be noted that subdivision 7 (the last paragraph of the above) refers to the "next section" for the provisions applicable. This reference is to section 117 of the law of 1892; we omit that section as it relates only to real estate. Sections 118, 119 and 120 of the law of 1892 we subjoin.

SECTION 118. The trustees of every such corporation shall as soon as practicable invest the moneys deposited with them in the securities authorized by this article; but for the purpose of meeting current

payments and expenses in excess of the receipts, there may be kept an available fund not exceeding ten per contum of the whole amount of deposits with such corporation, on hand or deposit in any bank in this State organized under any law of this State or of the United States, or with any trust company incorporated by any law of the State; but the sum so deposited in any one bank or trust company shall not exceed twenty-five ucr centum of the paid-up capital and surplus of any such bank or company; or such available fund, or any part thereof, may be loaned upon pledge of the securities or any of them named in sub-divisions one, two, three and four of the preceding section but one, but not in excess of ninety per centum of the cash market value of such securities so pledged. Should any of the securities so held in pledge depreciate in value, after making any loau thereon, the trustees shall require the immediate payment of such loan or of a part thereof, or ad-ditional security therefor, so that the amount loaned shall at no time exceed 90% of the market value of the securities pledged for the same. same.

same. SECTION 119. Every such corporation may also deposit temporarily in the banks or trust companies specified in the last section the excess of eurrent daily receipts over the payments, until such time as the same can be judiciously invested in the securities required by this article. Whenever it shall appear to the superintendent of banks that the trustees of any such corporation are violating the spirit and intent of this provision by keeping permanently uninvested all or an undue proportion of the moneys received by them, he shall report the facts to the Attorney-General, who shall proceed against such corporation in the manner provided in section eighty-two of this chapter.

SECTION 120. The trustees of any savings bank shall not loan the moneys deposited with them or any part thereof, upon notes, bills of exchauge, drafts or any other personal securities whatever. In all cases of loans upon real property, a sufficient bond secured by a mort-gage thereon, shall be required of the borrower, and all the expenses of searchers,<sup>\*</sup> examinations and certificates of title or appraisal of value, and of drawing, perfecting and recording papers, shall be paid by the borrower. by the borrower.

POPULATION OF STATE.—New York ranks first in population among the States of the Union. In 1892 the count showed 6,513,343. The following gives the U.S. Consus figures:

\* So in the original.

INTEREST is payable at the American Exch. Nat. Bank, N. Y. City

HEMPSTEAD.—Hempstead is in Queens County and the town originally included Far Rockaway, Hempstead, Inwood, Law-rence, Rockaway Beach and Seaford villages. On Jan. 1, 1898, that portion of the town lying "westerly of a straight line drawn from the southeasterly point of the town of Flushing through the middle of the channel between Rockaway Beach and Shelter Island, in the county of Queens, to the Atlantic Ocean," became part of New York City, under the Greater New York Charter. This boundary was changed by the Legislature in April, 1899, and the new boundary is that portion of the old town of Hempstead "bounded on the east and north by the east and north bounds of the former village of Far Rockaway, and on the east by a line drawn due north from the northwest corner of said village to the south line of the town of Jamaica, as it existed on the thirty-first day of December, 1897." The bonds given below are those remaining as a debt against the town after assigning to New York City the portion belonging to it according to a decision of the Supreme Court of the Third Judicial District at Albany Dec. 9, 1899. See V. 69, p. 1357. LOANS— When Due. Ass'd valuation, real..\$10,241,723 HEMPSTEAD,-Hempstead is in Queens County and the

REDEMPTION BONDS-	
5s, F&A, \$4,000Aug. 1, 1905	

NASSAU CO.-H. M. W. EASTMAN, Treasurer.

Created Jan. 1, 1899. out of that portion of Queens County not included in the Greater New York. For debt, etc., prior to formation, see Queens County statement. Since organization the county has sold \$100,000 3<sup>1</sup><sub>2</sub> per cent 30-year gold (ourt-house bonds, and has borrowed \$24,000 for the payment of its estimated share of Queens County interest.

NEWBURGH.—{JONATHAN D. WILSON, Mayor. This city is in Orange County. The interest on the water bonds is met by water rents. The Chambers Creek bridge bonds were issued jointly by the city of Newburg and town of New Windsor, to be paid in proportion to the taxable property of each.

APPROPRIATIONS AND EXPENDITURES—The total appropriation for Greater New York in 1898 was \$77,559,332 37. Expenditures therefrom to Dec. 1, 1899, \$74,950,088 48. The appropriation for the year 1899 was \$93,520,082 03, and the expenditures therefrom was \$83,808,194 77. The appropriation for 1900 is \$90,778,972 48.

POPULATION—The population of Greater New York is estimated at 3,654,594 as of July 1, 1009. The tables which follow give full details regarding the indebtedness of the consolidated eity and the various boroughs and other divisions forming part of it. We show first the bond issues made since the Greater New York Charter went into effect. Then we add statements reporting at length the indebtedness of the separate boroughs; all the districts, towns and other divisions being in each case grouped under the horough they belong in each case grouped under the borough to which they belong :

GREATER NEW YORK BONDS .-- Bonds issued since consolidation.

The loans marked (S. F.) are held wholly in the sinking fund. The paragraph mark  $(\P)$  indicates exempt from taxation except for State purposes.

POPULATION OF THE BOROUGHS OF MANHATTAN AND THE BRONX.—Estimated by Health Department, as of July 1, 1900, was 2,181,611. In 1892 the population was 1,801,739; in 1890 it was 1,515,501; in 1880 it was 1,206,299; in 1870 it was 942,292.

#### BOROUGH OF BROOKLYN.

CITY OF BROOKLYN. The old city of Brooklyn covered the entire area of the county of The old city of Brooklyn covered the entire area of the county of Kings, the county government being consolidated with that of the city on January 1, 1896, under the provisions of Chapter 954 of the Laws of 1895. Under the provisions of this act "the debt of the said county shall not be deemed to be or be included as a part of the debt of the City of Brooklyn, within the meaning of the provision of the Constitution of the State of New York limiting the power of cities to incur indebtedness." [See CHRONICLE. vol. 62, p. 49.] The towns of Flatbush, New Utreeht and Gravesend were annexed to the City of Brooklyn in 1894 and the town of Flatlands became a ward of the city on the first day of January, 1896. Debt city of. Brooklyn, including annexed towns, and debt of Kings County, as constituted prior to consolidation on January 1, 1898: Jan. 1, 1900.

 \$110,066,632
 \$32.7445
 POPULATION-In 1900 was estimated at 136,559 as of July 1.

#### COUNTY OF QUEENS.

The debt of the county of Queens is reported under the county's own name on a subsequent page; the amount of this debt which will be chargeable to the elty of New York has not yet been judiclally determined, although the referee, ex-Judge Brown, has decided that the division of the debt should be on the basis of the assessed valua-tion of Nassau County and Queens Borough. This division makes New York City responsible for \$3,822,346 and Nassau County for \$985,653 of the old county's debt. The decision was confirmed, but an appeal has been taken. has been taken.

QUEENS CO.—CHAS. L. PHIPPS, Treasurer.

QUEENS CO.—CHAS. L. PHIPPS, Treasurer. County seat is Long Island City. A good part of the county is now included in the Greater New York, and a bill changing name to Nassau County has become a law. Act took effect January 1, 1899. The amount of the outstanding bonds of this county which will be charge-able to the city of New York has not yet been judicially determined: although the decision of ex-Judge Brown, as referee, placing it at \$3,822.316 was confirmed, the matter is still in the courts on appeal. New York City is now paying '79495664771 of the interest of the debt of Queens County as constituted prior to Jan. 1, 1899, Nassau County paying '20504335229—all payments being subject to the final de-cision of the courts. eision of the courts.

## State of New Jersey.

#### DEBT, RESOURCES, ETC.

Admitted as a State One of Original Thirteen Total area of State (square miles) 7,815 -- -Trenton State Capital \_ \_ \_ \_ Governor(term exp. Mon. bef. 2d Tues. Jan.'02) F. M. Voorhees Secretary of State (term expires Apr. 1, 1902) - Geo. Wurts Treasurer (term expires April 2, 1903) - George B. Swain Comptroller (term expires April 2, 1903) - Wm. S. Hancock Legislature meets annually the second Tuesday of January, and there is no limit to the length of the session.

HISTORY OF DEBT.—New Jersey has always been a conservative State; there are consequently no facts out of which to construct a his-tory of debt issues. In a report made in 1838 the financial officer of the State affirmed that New Jersey had put out no obligations of any kind or loaned its credit to any company. The Constitution of 1844 forbade the creating of a State debt exceeding one hundred thousand dol-lars *creept* for purposes of war, &c., as will more fully appear in the item below with respect to "debt hunitation." This exception, under which it was allowable to exceed the hundred-thousand-dollar limit became operative on the occasion of the breaking out of our Civil War. Quite a debt was created at that period and what the State now owes is the remnant of those war issues. The details are as follows.

LOANS- NAME AND PURPOSE. War loan.	Rate. Payable.	When Due. Outstand'g. Jan. 1, 1902 71,000
INTEREST is payable in	Jersey City and	Frenton.
TOTAL DEBT.—The tot 1900, was \$71,000. At pre-		
Nov. 1, 1899 \$	71,000   Nov. 1, 1	\$660,400
Nov. 1, 1898 1	94,000   Nov. 1, 1	735,400

On Nov. 1, 1899, the cash balance on hand was \$1,253, 153 42.

ASSESSED VALUA	I ION.—The assessed valuation, etc., has been	i.
1899\$866,030,048	1892\$742,759,082   1880\$518,617,518	i
1898 844,354,193	1890 649,979,700 1878 531,851,849	į.
1397 812,609,090	1888 603,676,953 1876 596,833,707	
1896 794,428,048	1886 573,256,303   1874 619,057,903	L
1895 786,998,070	1884 554,828,114	ł
1394 774,398,332	1882 534,917,876	ĺ.
		£

In addition to the above the valuation of railroad and eanal property in 1900 was \$222,216,534.

DEBT LIMITATIONS.—The provisions of law limiting and regulat ing the debt-making power in New Jersey will be better understood and the information will be made more serviceable to the investor if arranged in accordance with the civil divisions to which the provisions

(1) THE STATE is restricted as to its debt-making power by the State Constitution. In Article IV, Section VI, paragraphs 3 and 4, the whole subject is disposed of. The third paragraph forbids a loan of the State's credit, and the fourth paragraph forbids the creation of debt. These provisions are as follows 3. The eredit of the State shall not be directly or indirectly loaned in any case. 4. The Legislature shall not in any manner create any debt or debts, 4. The Legislature shall not in any manner create any debt or debts, liability or liabilities of the State, which shall singly or in the aggregate with any previous debts or liabilities at any time exceed one hundred thousand dollars, except for purposes of war, or to repel invasion, or to suppress insurcetion, unless the same shall be authorized by a law for some single object of work, to be distinctly specified therein; which law shall provide the ways and means, exclusive of loans, to pay the interest of such debt or liability as it falls due, and also to pay and discharge the principal of such debt or liability within thirty-five years from the time of the contracting thereot, and shall be irrepealable until such debt or liability and the interest thereon are fully joind and disc charged; and no such law shall take effect until it shall, at a general election, have been submitted to the people, and have received the sanction of a majority of all the votes east for and against it at such election: and all money to be raised by the authority of such law shall be applied only to the specific object stated therein, and to the payment of the debt thereby ereated. This section shall not be construed to re-fer to any money that has been, or may be, deposited with this State by the Government of the United States. the Government of the United States.

According to the foregoing (4th paragraph), the power of the State for making debt is limited to \$100,000, except (1) for purposes of war etc., and (2) when the authorization is for some single object of work speci-tied therein, etc. In the latter case the mode of procedure is, as will be seen, given in the same paragraph of the Constitution. (2) *OITLES, COUNTLES, TOWNS, Elc.*, are also restricted in the making of certain kinds of debt by Article I, paragraphs 19 and 20, of the Constitution. We give the paragraph in full. 19. No county, ety, borough, town, township or village shall hereafter give any money or property, or loan its money or eredit, to or in aid of any individual, association or corporation, or become security for or be directly or indirectly the owner of any stock or bonds of any association or corporation 20. No donation of land or appropriation of money shall be made by the State or any municipal corporation to or for the nse of any society, association or corporation whatever. It will be noted that the above prolibition relates to the giving of money, property or credit of eities, &c., to individuals, associations, or corporations, &c., and that the prolibition is absolute, forbidding the doing of such acts in any form, shape or manner. There is one other restriction of the State Constitution, and that is found in Artiele IV. Section VII., paragraph 11, which forbids the Legislature passing any special laws "regulating the internal affairs of *lowns and conulies*"; in this and in all other cases in which according to the judgment of the Legislature general laws are feasible, the Constitution states that general laws must be provided. In compliance with this last provision the Legislature has passed many general laws covering bonded indebtedness of cities, towns, etc. They are so numerous they cannot be cited here. We would refer the reader to the Revised Statutes of New Jersey published in 1896 under the heading "Municipal Bonds" pages 693 to 716 both inclusive; and also to the same heading

TAX EXEMPTION.—The State of New Je:sey passed in 1893 a general statute which exempts from taxation the bonds, securi-ties and other evidences of indebtedness of municipal corpora-tions; the provision covers not ouly the bonds, etc., to be hereafter issued, but those as well that have been heretofore issued. It is a sweeping statute, and one which is of decided interest to the holders of the municipal securities of the State. The full text of it may be found in the STATE AND CITY SUPPLEMENT for October, 1898, page 58.

SAVINGS BANKS' INVESTMENTS-POWERS AND RESTRIC-TIONS.-The last general savings bank law of New Jersey was passed in 1876. Since then the legislative tendency in the matter of investments has been in the direction of allowing the management of these institutions a wider choice and a larger discretion. In 1878 the limits of the 1876 law were broadened in several particulars by a new act of two sections, the first taking the place of section 26 of the act of 1876. In 1886 still another law was passed in place of the first section of the law of 1878. Again in 1889 an act was passed extending materially the provisions of section two of the law of 1878, which covered the same subject matter contained in section 29 of the original law of 1876, and thereby section 26 of the law of 1876 was superseded by the law of 1886, and section 29 was superseded by the law of 1889. In 1896 a supplement approved March 30, 1896 (Chapter 139, laws of 1896) to the law of 1876, making school district bonds an authorized investment, went into effect. In 1897 an act was passed (approved April 9) authorizing investments in bonds issued by commissioners appointed by the Supreme Court of the State. In 1899 a further supplement extending the permissible line of municipal investments so as to include the bonds of townships and boroughs was approved March 24. An attempt to add such securities to the list was made in 1898, but the measure then falled to receive the approval of the Governor. The 1899 law is as follows:

ernor. The 1899 law is as follows: SECTION 1. It shall be lawful for any savings bank in this State to invest its funds in the bonds of any eity, county, town or township of th's State issued pursuant to the authority of any law of this State, or in the bonds of any borough or village or school district of this State, issued pursuant to the authority of any law of this State; provided, such borough, village or school district shall not, within the ten years next preceding, have defaulted in the payment of any part of either principal or interest of any legal debt or obligation thereof; and provided further, that the total indebtedness of any such borough or village does not exceed ten per centum of its assessed valuation, and such school district bonds are by taw charged upon all the property of the inhabitants of such district, or in any interest-bearing obligation (other than obligations commonly known as improvement certificates) issued by the eity, county, town, township, borough or village in which such bank or institution is situated. The following is the law of 1897 (approved April 9, 1897):

The following is the law of 1897 (approved April 9, 1897):

"Sec. 1. It shall be lawful for any bank, trust company, savings bank or savings institution \* \* incorporated under the laws of this State, to invest moneys belonging to or deposited with any such com-panies in any bonds authorized by the laws of this State to be issued by any commission appointed by the Supreme Court of this State by virtue of any law of this State."

We omit the law of 1896 with reference to school district bonds because its provisions are included in the laws of 1899, quoted above. Next we give the leading provisions of the general law as to investments.

SECTION 1. That the first section of the act of which this is a supplement be and the same is hereby amended so as to read as follows:

That it shall not be lawful, from and after the passage of this act, for

any savings bank or other savings institution. whether chartered any savings bank or other savings institution, whether chartered or incorporated under a general or special act of the legislature of this State, and any provision contained in the charter, or any supplement thereto, of such savings bank or savings institution to the contrary, to invest the moneys deposited with the same in any manner, except as follows, to wit:

I. In the stocks or bonds or interest-bearing notes or obligations of the United States, or those for which the faith of the United States is distinctly pledged to provide for the payment of the principal and interest thereof;

. In the interest-bearing bonds of this State;

II. In the interest-bearing bonds of this State;
II. In the bonds of any State in the Union that has not, within ten years previous to making such investment by any such bank or institution, defaulted in the payment of any part of either principal or interest of any debt authorized by any legislature of such State to be contracted.
IV. In the stocks or bonds of any city, town, county or village of this State, issued pursuant to the authority of any law of this State, or of the cities of New York, Brooklyn and Philadelphia, or in any interestbearing obligations (other than those commonly known as improvement certificates) issued by the city, town or borough in which such bank or institution shall be situated; (See below for provision including the bonds of certain eties and counties of any State in the U.S).
V. In bonds secured by mortgages which shall be a first lien on real estate situate in this State, and worth at least double the amount

loaned thereon, but not to exceed eighty per centum of the whole depos-the shall be so loaned or invested; but in case the loan is on unimproved or unproductive real estate, the amount loaned thereon shall not be more than thirty per centum of its actual value; and no investment in any bond and mortgage shall be made by any savings bank, except upon the report of a committee of at least three of the managers, directors or trustees of any such bank or institution, and a majority of which committee shall certify to the value of the premises mortgaged, or to be mortgaged, according to their best judgment; such report shall be filed and preserved among the records of the institution; VI. In real estate strictly in accordance with the following pro-visions.

visions.

We do not reprint the real estate provisions, as they cover a matter not germane to our present subject. It is sufficient to say that they are two in number, marked (a) and (b), and may be summarized as below :

(a) authorizes the holding of a plot for creation of a banking build-ing or buildings, portions of which may be rented, but the cost of lot and buildings must not exceed 50% of the net surplus of the corporation; (b) all purchases under forcelosure sales upon mortgages owned by the corporation or sales under judgments or decrees obtained for debts due, etc.; and all such real estate must be sold within five years unless, on application to the State Board having supervision of Savings Banks, time shall be extended time shall be extended.

But the character of permissible investments was further greatly enlarged by the law of 1886, which is as follows :

enlarged by the law of 1886, which is as follows: SECTION 1. That it shall be lawful for any savings bank or savings in-stitution, incorporated under any law of this State, to invest moneys deposited with it in the bonds of any city or county of any State of the United States of America, which have been or may be issued pursuant to the authority of any law of any such State; provided, no such city or county has, within ten years previous to making such investment by any such savings bank or savings institution of this State, defaulted in the payment of any part of either principal or interest of any debt authorized by law of such State to be contracted; and provided, fur-ther, that the total indebtedness of any such city or county is limited by law to ten percentum of its assessed valuation. By another set the banks also have the right to jurget in vallroad

By another act the banks also have the right to invest in railroad bonds under certain restrictions. The authorization was given by Section 2 of an act approved February 22, 1888. Subsequently (April 27, 1838,) this Section 2 was repealed. On March 27, 1889, however, it was again re-enacted. The section is as follows:

SECTION 2. That it shall be lawful for any savings bank in this State to invest its funds in first mortgage bonds of any railroad company which has paid dividends of not less than four per centum per annum regularly, on their entire capital stock, for a period of not less than five years next previous to the purchase of such bonds, or in any con-solidated mortgage bonds of any such company authorized to be issued to retire the entire bonded debt of such company.

The other law referred to above passed in 1839 amending section 2 of the law of 1878 is as below. It relates to loans on colluterals:

SECTION 2. That hereafter it shall not be lawful for any saving insti-SECTION 2. That hereafter it shall not be lawful for any saving insti-tution in this State to loan the money on deposit with the same, or any part thereof, upon notes, bills of exchange or drafts, excepting upon the additional pledge of collateral security or securities, which collat-oral security or securities shall be of the same nature and character as those in which the money deposited may be invested, as directed in the first section of this act, or the capital stocks of national and State banks, or other corporations of this State, which nave not defaulted in the payment of interest dividends within two years next preceding the time of such loan, and then only to the extent of *eighly* per centum of the market value of such collaterals; provided, that the total amount of such loans shall not exceed fifteen per centum of the total deposits held by such institution. held by such institution.

In addition to the foregoing (according to section 27 of the general law of 1876) the managers can keep on hand or on deposit in any bank in the State, or in any trust or safe deposit company in New Jersey, New York or Pennsylvania, an available fund of not exceeding ten per cent of the whole amount of deposits with such corporation, or loan the same on pledge of the securities named in the first section cited above. Also (according to section 28 of the general law of 1876) they can deposit temporarily in banks the excess of current daily receipts over payments until such time as they may be judiciously invested.

#### ADDITIONAL STATEMENTS.

In the table below we give statements regarding all minor civil divi-sions in the State of New Jersey which have reported an indebtedness of over \$10,000, and which are not represented among the foregoing detailed returns. We add in each ease the population from the Census of 1890 of 1890.

\* Appointed by Governor, and holds his office at Governor's pleasure.

HISTORY OF DEBT.-For a history of Pennsylvania's State debt from 1789 to 1893, see the STATE AND CITY SUPPLEMENT of 1893, page 63 and 64. The details of the debt as it now exists are subjoined.

	LOANS-	-In	lerest.	Princip	oal,

PAR VALUE OF BONDS.-These bonds are in pieces of \$50, \$100 and multiples of \$100.

INTEREST on the Agricultural College loan is payable at the State Treasurer's office in Harrisburg; on all other bonds at Farmers' & Mechanics' Bank in Philadelphia.

TOTAL DEBT, ETC .- The subjoined statement shows Pennsylvania's total public debt, the sinking fund held by the State against the same, and the State's unfunded debt, on the dates indicated.

<i>Dec.</i> 1, 1899. Total public debt	$\begin{array}{c} Dec. 1, 1898. \\ \$6, \$15, 299 \\ 5, 789, 317 \end{array}$	$\begin{array}{c} Dec. \ 1, 1897. \\ \$6, \$15, 305 \\ 5, 540, 638 \end{array}$	
Net debt	\$1,025,982 134,149 6	\$1,274,667 134,155	

The sinking fund on December 1, 1899, held the following securities: Allegheny Valley Railroad bonds, \$1,000,000; interest on same, \$20,833; United States 4 per cent consols, at 112, \$2,775.000, and cash, \$1,954,255; total, \$5,750,088.

The unfunded debt mentioned in the above table consists of relief notes in circulation, interest certificates uuclaimed, interest certifieates outstanding, and bonds past-due upon which interest has ceased.

ASSESSED VALUATION has been as follows:

The above does not include valuation of railroad property.

DEBT LIMITATION-In Pennsylvania the limit to the indebtedness of the State, and to the indebtedness of the cities and minor civil organizations in the State, is fixed by the State Constitution.

1. State indebtedness .- With regard to the State, the regulations controlling and governing debt creation, payment, &c., are found in Sections 4, 5, 6, 11, 12, 13 and 14 of Article IX of the Constitution, and are as follows.

ARTICLE IX, Sec. 4. No debt shall be created by, or on behalf of, the State except to supply casual deficiencies of revenue, repel invasions, suppress insurrection, defend the State in war, or to pay existing debt; and the debt created to supply deficiencies in revenue shall never exceed, in the aggregate at any one time, one million of dollars.

SECTION 5. All laws authorizing the borrowing of money by, and on behalf of, the State shall specify the purpose for which the money is to be used, and the money so borrowed shall be used for the purpose speci-fied and no other.

SECTION 6. The credit of the Commonwealth shall not be pledged or loaned to any individual, company, corporation or association, nor shall the Commonwealth become a joint-owner or stockholder in any

leaned to any individual, company, corporation or association, nor shall the Commonwealth become a joint-owner or stockholder in any company, association or corporation. SECTION 11. To provide for the payment of the present State debt, and any additional debt contracted as aforesaid, the General Assembly shall continue and maintain the sinking fund sufficient to pay the accruing interest on such debt, and annually to reduce the principal thereof by a sum not less than two hundred and fifty thousand dollars; the said sinking fund shall consist of the proceeds of the sales of the public works, or any part thereof, and of the income or proceeds of the sale of any stocks owned by the Commonwealth, together with other funds and resources that may be designated by law, and shall be increased from time to time by assigning to it any part of the taxes or other revenue of the State not required for the ordinary and current expenses of government, and unless in case of war, invasion or insur-rection, no part of the said sinking fund shall be used or applied other-wise than in the extinguishment of the public debt. SECTION 12. The moneys of the State, over and above the necessary re-serve, shall be used in the payment of the debt of the State, either directly or through the sinking fund, and the moneys of the sinking fund shall never be invested in or loaned upon the security of anything except the bonds of the United States or of this State. SECTION 13. The moneys held as necessary reserve shall be limited by law to the amount required for current expenses, and shall be se-cured and kept as may be provided by law. Monthly statements shall be published, showing the amount of such moneys, where the same are deposited, and how secured. SECTION 14. The making of profit ont of the public moneys, or using

deposited, and how secured. SECTION 14. The making of profit out of the public moneys, or using the same for any purpose not authorized by law, by any officer of the State, or member or officer of the General Assembly, shall be a misde-meanor, and shall be punished as may be provided by law; but part of such punishment shall be disqualification to hold office for a period of not less than five years. not less than five years.

State loans in Pennsylvania, whether created for original indebtedness or authorized to fund existing indebtedness, are usually negotiated through the Governor and Commissioners of the sinking fund.

The last act of the Pennsylvania Legislature authorizing a public loan was the act of June 8, 1881, when a thirty-year loan was effected to fund existing indebtedness at a lower rate of interest.

The earliest date at which the last of the existing indebtedness of Pennsylvania will mature is February 1, 1912, and under existing arrangements the accumulations in the sinking fund will at that time pay the total State indebtedness.

(2) County and Municipal Indebtedness .- Under the laws of Pennsylvania the power to create county loans is in the Board of County Commissioners, which consists in each county of three persons, elected tri-ennially under the minority system of voting, by which the minority party in each County usually has one member of the Board.

In cities and boroughs the power to create indebtedness is vested in

part thereof, of any eity, county, borough or township, unless such debt shall have been contracted to enable the State to repeal invasion, suppress domestic insurrection, defend itself in time of war, or to assist the State in the discharge of any portion of its present indebtedness.

SECTION 10. Any county, township, school district or other municipality incurring any indebtedness shall, at or before the time of so doing, provide for the collection of an annual tax sufficient to pay the interest, and also the principal thereof within thirty years.

(3) Townships and School Districts .- In the various school districts of the State the school directors have the power to create loans, subject to the limitations of Section 10 above quoted, to provide for the redemption of the same within thirty years.

In townships, the only authority, except that of the school directors to borrow money, is in the road supervisors, who have no power to create bonded indebtedness, but simply to make a temporary loan for necessary expenses, which must be provided for by an assessment of sufficient township tax rate. known as road tax.

POPULATION OF STATE.-The population of Pennsylvania has been reported as follows in the years named-

SAVINGS BANKS INVESTMENTS-POWERS AND RESTRIC-TIONS.-Philadelphia is, we believe, entitled to the distinction of starting the first savings institution in the United States. The name this association bore was the "Philadelphia Savings Fund Society," and it still exists, bearing the same name. Originally the bank was not incorporated, but was a voluntary organization, such societies in Great Britain being at that time of a like character. The date of the organization was November 27, 1816, and the bank was opened for business December 2, 1816. Mr. Hutchinson, who, now holds the office of President, states that the oldest ledger of the company goes back to the time of opening, and shows a deposit on that day (December 2, 1816) of five dollars. The company was not incorporated until February 25, 1\$19.

It is surprising that Pennsylvania, although engaged in such an early venture in the department of savings institutions, should have made so little progress in the same department since. Indeed, the second organization does not bear date until 1847, and we think there had only been 10 mutual savings institutions organized in the whole State from 1816 down to the early part of 1890. We may assume, however that this slow development was in no measure due to a lack of desire for savings banks on the part of the people of that common wealth. That such institutions were sought and needed is sufficiently evident from the fact that nine of the ten companies referred to above reported in 1890 that they held \$63.957,341 of deposits. In 1889 a general law, facilitating the incorporation of savings banks, was passed by the Legislature. Since then there has been a small addition to the number of institutions, the total doing business in the State on Nov. 29, 1899, being 16, with deposits aggregating \$99,261,413.

The provisions of the special charters are all liberal as to investments. A law passed in 1885, and a supplement of the same passed in 1889, authorizing the extension for twenty years of special charters, contains the following.

"Provided also, that no \* \* \* Savings Institution or Savings Bank having no capital stock, renewing or extending its charter, corporate rights and franchises, under the provisions of this act, shall thereafter be allowed the privileges of a bank of discount, nor be allowed to loan any money received on deposit, EXCEPT first mortgage or lien upon real estate within this commonwealth, upon the bonds or securities of the United States or of this State, or upon county, city, borough, township or school bonds of any county, city, borough, town-ship or school district within this commonwealth, or any other good and ralid securities," and ralid securities.

Authority to loan on any "good and valid security "appears to confer about as broad a discretion upon the managers as could be expressed in a statute.

It was not until 1889, as already stated, that a general law facilitating the organization of savings institutions was passed. That law of 1889 is indeed well adapted not only for facilitating, but for stimulating, the growth of the system. Its influence in the latterdirection would seem to be assured under the liberality of the provisions respecting investments. The following is section 17, which contains the investment limitations; we would especially direct attention to subdivision four of this section:

SECTION 17.—It shall be lawful for the trustees of any savings bank to invest money deposited therein only as follows: (1.) In the stocks or bonds or interest-bearing notes or the obliga-tions of the United States, or those for which the faith of the United States is pledged to provide for the payment of the interest and the minimal principal. (2) In the stocks or bonds of the Commonwealth of Pennsylvania

bearing interest

(3) In the stocks or bonds of any State in the Union that has not within ten years previous to making such investments, by such corporation, defaulted in the payment of any part of either principal or in-terest of any debt authorized by any Legislature of such State to be contracted. (4) In the stocks or bonds of any city, county, town or village of any State of the United States, issued pursuant to the authority of any law of the State, or in any interest-bearing obligations issued by the city or county in which such bank shall be situated. (5) In bonds and mortgages on unincumbered, improved real estate, situated in this State. It will be noted that according to the foregoing (sub-division four), Pennsylvania savings banks are allowed to invest their deposits in the bonds and stocks of any city, county town or village in any of the United States. Furthermore, by the fifth subdivision bonds. and mortgages are left to the discretion of the trustees in all purchases, except that they must be first mortgages on improved real estate in Pennsylvania. The next section (18) relates to the temporary deposit of funds in banks and trust companies. It makes it lawful to deposit temporarily in banks or trust companies the excess of current daily receipts over the payments until such time as the same can be judiciously invested in the securities named above.

councils, municipal debts being created by ordinance.

The creation of county, city and other municipal indebtedness is subject to the following constitutional limitations.

ARTICLE IX, Sec. 7. The General Assembly shall not authorize any county, city, borough, township or incorporated district to become a stockholder in any company, association or corporation, or to obtain or appropriate money for, or to loan its credit to, any corporation, association, institution or individual.

SECTION S. The debt of any county, city, borough, township, school district, or other municipality or incorporated district, except as herein provided, shall never exceed seven per centum upon the assessed value of the taxable property therein, nor shall any such municipality or district incur any new debt, or increase its indebted-ness to an amount exceeding two per centum upon such assessed valuation of property, without the assent of the electors thereof at a public election in such manner as shall be provided by law; but any city the debt of which now exceeds seven per centum of such assessed div the debt of which now exceeds seven per centum of such assessed valuation may be authorized by law to increase the same three per centum, in the aggregate at any one time, upon such valuation.

SECTION 9. The Commonwealth shall not assume the debt, or any

#### PERRY CO.-New Bloomfield is the county scat.

PHILADELPHIA.— {S. H. ASHBRIDGE, Mayor. Philadelphia, co-extensive with the county of the same name, is the chird eity of the United States, has an area of over 130 square miles, and includes a number of places which have almost the character of peparate towns. The county is under eity control and has no separate lobt. In the following table the various issues of bonds under the general heads, Taxed City Loan and Untaxed City Loan, are given in the order of their dates of maturity. The long-continued litigation over the issuance of the \$11,200,000 bonds voted Nov. 7, 1897, was concluded May 15, 1899, by a decision of the Supreme Court confirming their validity. One half the bonds was issued July 1, 1899. An issue of \$12,000,000 was authorized at the election held Nov. 7, 1899, for the improvement of the water supply. At this date (April 1, 1900), none have yet been offered for sale.

The city sinking fund held on Jan. 1, 1900, in addition to the loans given above, assets amounting to \$2,958,928 96. The cash on hand in the city treasury on that date was \$9,045,842 28. The sinking fund holds the following securities: City loan, at par, \$15,561,200 and United States loan, at par, \$413,000. The amount of bonded debt redeemed by the Sinking Fund Commission during the year 1899 was \$1,402,800. Among the assets held by the city are 22,500 shares of Sunbury & Eric Railroad stock, par value \$100 per share, or 45,000 shares of Philadelphia & Eric Railroad stock, par value \$50 per share, market value \$20 per share.

CITY PROPERTY—The real estate owned by the city is valued at \$57,353,944, an increase over the appraisement of Jan. 1, 1899, of \$1,378,450.

ASSESSED VALUATION, ETC.—The following shows the annual payments to the sinking fund, amount of bonded dobt and outstanding warrants, assessed value of property, and the tax rate, for years indi-cated. Property in this city is assessed at about 80% of its actual value.

# State of Delaware.

ITS

#### DEBT, RESOURCES, ETC.

Admitted as a State One of Original Thirteen
Total area of State (square miles) 2,120
State Capital, Dover
Governor (term expires Jan., 1901) Ebe W. Tunnell
Secretary of State (term expires with Gov.) James H. Hughes
Treasurer Lewis H. Ball
Legislature meets biennially in odd years on the first Tues-
day in January, and pay is limited to 60 days.

HISTORY OF DEBT.-The historical details of Delaware's State debt from 1865 to 1894 will be found in the STATE AND CITY SUPPLE-MENT of April, 1894, page 72. The present extent and condition of the debt and resources of the State are given below, showing that Delaware now holds good assets more than equaling its liabilities.

1892	. 8,684,986	5,602,699	515.137,528	1.7712
1890	. 10,691,124	6,278,907	482,184,824	$1.771_{2}$
1884	. 10,965,934	3,992,851	469,593,225	$1.871_{2}$
1880	. 11,277,110	3,649,442	459,187,408	$1.871_{2}$

1880..... 11,277,110 3,649,442 459,187,408 1.8742 DEBT LIMITATION.-There is nothing in the Constitution of Maryland limiting the power of the Legislature to authorize bond issues either by the State or by its municipalities. No general limit for eities and towns has been fixed by the Legislature, nor is there any general authorization to be found in the statutes under which cities and towns can issue bonds. This power is lodged in the Legislature, and is dele-gated to the municipalities from time to time for specific purposes as the occasion may arise. It is necessary, therefore, for the investor to study the law in each case on this as well as on other points affecting the loan with respect to which he may need information.

POPULATION OF STATE .--

Of the total population in 1880 22.49 per cent was colored and in 1890 20.92 per cent. In number, blacks were 165,091 in 1850; 171,131 in 1860; 175,391 in 1870; 210,230 in 1880; and 218,004 in 1880.

SAVINGS BANKS INVESTMENTS.—There are in this State gen-eral banking laws under which savings banks may be organized, and yet we notice that even in 1890 a special charter was granted incorpor-ating the Germania Savings Bank of Baltimore. However, in both the general and special laws there appears to be a pretty general authority granted for investing the deposits. The general law states that-

Any savings institution incorporated under this article shall be expable of receiving from any person or persons, or bodies corporate or politic, any deposit of money which shall be invested or loaned out on good security in the discretion of the directors; provided that no part of the funds of said corporation shall be loaned to any officer or director of such corporation.

In the special law passed in 1890, which we have referred to above, the power to loan the deposits is made a little more definite. The sec-tion referring to that subject states that the "corporation shall have "power to borrow money, receive money on deposit, loan money 'taking such security therefor, either real or personal, as the Board of 'Directors may deem sufficient; provided that no part of the funds of "said corporation shall be loaned to an officer or director thereof." We cannot discover any marked difference in the two provisions cited, except that the encement in the case of the new Baltimore bank states distinctly that the security can be either real or personal. But as

states distinctly that the security can be either real or personal. But as much as that would, we think, be assumed as authorized under the gen-eral provision, since no limit is made and loaning on bond and mortgage is always a legitimate part of the business of savings banks.

#### CITIES, COUNTIES AND TOWNS

IN THE

#### STATE OF MARYLAND.

# District of Columbia.

(INCLUD'G THE LATE CORPORATION OF WASHINGTON.)

On July 1, 1878, the duties of the Sinking Fund Commissioners of the District of Columbia were transferred to the Treasurer of the United States, and since that date Congress has appropriated annually a sum sufficient to pay not only the interest on the District's bonds but also, it is believed, sufficient to extinguish the entire debt of the District upon the maturity of the 3.65 per cent loan, in 1924. Bonds are tax exempt.

The faith of the United States was pledged to secure the payment of the interest on these bonds and to maintain a sinking fund sufficient to redeem them all by maturity. The issue is limited to \$15,000,000 and is exempt from taxation by Federal, State or municipal authority. The coupon bonds are for \$50 and \$500 each, the registered bonds \$1,000 and \$5,000 each.

INTEREST on the bonds is paid at the United States Treasury in Washington and at the Sub-Treasury in New York.

TOTAL DEBT .- The subjoined statement shows the District's total debt on the dates named:

adoption of the Constitution of 1851 the whole situation in these particulars has changed, the legislative power with respect to the State having been limited. The same is in large measure true also of the municipalities.

FIRST, As to the State's power to contract debt, this is regulated under the first five sections of article 8 of the Constitution. Section 1 limits the power to the supply of "easual deficits in revenues or to meet expenses not otherwise provided for," but in the aggregate debts for even the purposes named cannot exceed \$750,000. Section 2 contains an exception to the foregoing; it grants the power to contract debt in case of invasion, of insurrection, of war or of the redemption of the then existing indebtedness. Section 3 reaffirms the limit, except as above specified. Section 4 forbids the loaning of the State credit. Section 5 further forbids the assumption of debts by States. We insert these five sections in full.

the assumption of debts by States. We insert these five sections in fifth. SECTION 1. [Debt limited to seren hundred and fifty thousand doltars]. The State may contract debts to supply casual deficits or failures in revenues or to meet expenses not otherwise provided for; but the aggregate amount of such debts direct and contingent whether contracted by virtue of one or more acts of the General Assembly, or at different periods of time, shall never exceed seven hundred and fifty thousand dollars; and the money arising from the creation of such debts shall be applied to the purpose for which it was obtained or to re-pay the debts so contracted and to no other purpose whatever.

SECTION 2. [Additional and for what purpose.] In addition to the above limited power the State may contract debts to repel invasion, suppress insurrection, defend the State in war, or to redeem the present outstanding indebtedness of the State; but the money arising from the contracting of such debts shall be applied to the purpose for which it was raised, or to re-pay such debts, and to no other purpose whatever; and all debts incurred to redeem the present outstanding indebt-edness of the State shall be so contracted as to be payable by the sinking fund hereinafter provided for as the same shall accumulate.

SECTION 3. [The State to create no other debt.] Except the debts above specified in Sections 1 and 2 of this article, no debt whatever shall here-after be created by or on behalf of the State. SECTION 4. [Oredit of State; the State shall not become joint owner or stockholder.] The credit of the State shall not in any manner be given or loaned to or in aid of any individual association or corporation what-ver per perfect the state should be a stock above a stockever: nor shall the State ever hereafter become a joint owner or stock-holder in any company or association in this State or elsewhere formed

SECTION 5. [No assumption of debts by the State.] The State shall never assume the debts of any county, eity, town or township, or of any corporation whatever, unless such debt shall have been created to repel invasion, suppress insurrection or defend the State in war.

The foregoing sections complete the limitation as to State debt and eredit. Sections 7, 8, 9, 10 and 11 of Article 8 cover the matter of sinking funds referred to in Section 2 above. But they need not be published here.

SECOND, As to Cities, Towns, Counties. &c., so far as the Constitution affects the power of the Legislature to authorize these municipalities to create debt, the limitations are found in section 6 of article 8 and in sections 1, 2 and 6 of article 13. (1) Section 6 of article 8 forbids the General Assembly to authorize cities, &e., to become stockholders in or to raise money or loan oredit to aid corporations, &c. (2) Sections 1 and 2 of article 13 forbid the passing of special acts and require general acts for conferring corporate powers. (3) Section 6 of article 13 provides that the General Assembly make provision for the organization of cities, &c., by general laws and restrict their debt-making power. These sections are as follows:

1894	1.200.364.474	542.297.641	1.742.662.115
1890		545.833.165	1.778,138,477
1885		509.913.986	1.670.079.868
1880		456,166,134	1.558.215.965
1875		535,660.818	1.598.575.862
1870			
1860		459,684,861	1,167,731,697
		248,408,290	888,302,601
1850	341,389,838	98,487,502	439,876,340
1840	85,287,291	27,038,895	112,326,156
1830	50,086,250	14,589,335	64,675,578

The State tax (per \$1,000) for 1898 was \$2.84 and the same for 1899. DEBT LIMITATION .- Ohio has very carefully guarded the debtmaking power of the State. This could not be said while the Constitution of 1802 was in force; for under that instrument it was compotent for the Legislature to construct works of internal improvement on behalf of the State, or to aid in their construction by subscribing to the capital stock of corporations created for that purpose, or to authorize in other ways the creation of debt in unlimited amounts. But since the

ARTICLE 8, Section 6. [Counties, cities, towns or townships not author-ized to become stockholders, &c.] The General Assembly shall never authorize any county, city, town or township, by vote of its citizens or otherwise, to become a stockholder in any joint stock company, corpora-tion or association whatever; or to raise money for, or loan its credit to, or in aid of, any such company, corporation or association. ARTICLE 13, Section 1. [Corporate powers]. The General Assembly shall pass no special act conferring corporate powers. Section 2. [Corporations how formed]. Corporations may be formed under general laws: but all such laws may from time to time be altered

under general laws; but all such laws may from time to time be altered or repealed.

Section 6. [Organization of cities, dc.] The General Assembly shall provide for the organization of cities and incorporated villages by gene-ral laws and restrict their power of taxation, assessment, borrowing money, contracting debts and loaning their credit, so as to prevent the ahuse of such power.

Vol. LXX

One at first sight would infer from section 6 article 8 above cited that cities could not subscribe to the stock of or loan money to railroads, as railroads are corporations and joint-stock companies. That, however, is not a correct conclusion, as was decided in the case of Walker vs. The City of Cincinnati, a case which arose under an act of the General Assembly of Ohio entitled "An Act relating to cities of the first class," authorizing any such city to construct a line of railroad therefrom to any other terminus in that State or hn any other State. In pursuance of the authority that act purports to give, Cincinnati undertook to build the Cincinnati Southern Railroad. To test the legality of that proceeding this action was brought. The Court's opinion is very full and explicit, the conclusion being that from "the language "of the section it is quite evident that it was not intended to prohibit "the construction of railroads nor indeed to prohibit any species of "public improvements. The section contains no direct reference to "railroads nor to any other special classes of improvements or euter-"prises. The inhibitions are directed only against a particular manner "or means by which under the Coustitution of 1802 many public im-"provements had been accomplished."

In compliance with section 6, article 13 (cited above), which provides for the organization of cities etc. by general law, the Legislature has made an elaborate classification of municipal corporations. First they are divided into cities, villages and hamlets. Then cities are divided into two classes, the first class being subdivided into three grades and the second class being subdivided into four grades, the grade being determined by population according to the last Federal Census.

Cities in the FIRST CLASS-First grade includes all cities of more than 200,000 inhabitants; second grade all less than 200,000 and more than 90,000 inhabitants; third grade all less than 90,000 and more than 31,-500 inhabitants.

Cities in the SECOND CLASS-First grade includes all cities of less than 31,500 and more than 30,500 inhabitants; second grade all less than 30,500 and more than 20,000 inhabitants; third grade all less than 20,000 and more than 10,000 inhabitants; fourth grade all less than 10,000 and more than 5,000 inhabitants.

VILLAGES-Of the first class include all having less than 5,000 and more than 3,000 inhabitants; the second class includes all having less than 3,000 and more than 200 inhabitants.

HAMLETS-According to section 1550 of the Revised Statutes all existing corporations organized as "incorporated villages for special "purposes shall be hamlets until advanced to villages."

It is impossible to make any satisfactory generalization with regard to the bonding power the Legislature has granted these municipalities. There are a few sections of the Revised Statutes authorizing bond issues which have a universal application, such as the provision granting power to issue bonds in anticipation of special assessments, but most of the laws for that purpose eover only one class of cities, and many of them are so worded as to apply only to one city, and granting an issue of bonds for a specific purpose. No general laws limiting the powers of municipalities to incur indebtedness have been passed, although section 6, article 13, appears to require it. And yet is it not a question whether that section calls for any legislation of a general nature except a general law "for the organization of cities, &c." ?

POPULATION OF STATE-The population of Ohio has been as follows in the years named.

18803,198,062	$\begin{array}{c} 1860.\ldots.2,339,511\\ 1850\ldots\ldots1,980,329\\ 1840\ldots\ldots1,519,467\end{array}$	1820581,295

### CINCINNATI.--{JULIUS FLEISCHMANN, Mayor. PAUL M. MILLIKEN, Auditor.

Cincinnati is situated in Hamilton County. In 1895 the villages of Avoudale, Clifton, Linwood, Riverside and Westwood were annexed to Cincinnati and their indebtedness was assumed by that city. The Legislature of 1900 passed a bill providing for the annexation of a number of surrounding villages, subject to a

for the annexation of a number of surrounding villages, subject to a vote of the places affected. The elty Sinking Fund Trustees entered into an agreement with a New York firm in 1898 looking to the refunding of the Cin-cinnati Southern Railway bonds. This agreement was set aside by Judge Spiegel on Aug. 18, 1898, and upon appeal the State Supreme Court affirmed that ruling. See CHRONICLE, V. 67, p. 189 and 442; V. 68, p. 1143. The Board of Trustees of the Cincinnati Southern Rallway has also twice advertised for proposals to refund these bonds, first on Dec. 20, 1898 (see CHRONICLE, Nov. 26, 1898, p. 1122), all bids then received being rejected. They again called for proposals July 19, 1899 (V. 68, p. 1236), but only a small portion had been offered for extension when litigation again blocked further refunding operations. This suit was dismissed on sept. 7, 1-99, by Judge Davis, of the Com-mon Pleas Court, and the case is now (April, 1900,) pending in the State Supreme Court on appeal. By agreeuent made in March, 1900, between the two boards the Board of Trustees will have until July, 1901, to extend time of payment of these bonds, and if refunding is not accomplished by that time the Sinking Fund Trustees will under-

The total tax rate (per \$1,000) for 1899 was  $$2.96^{2}3$ , including Benevolent Institution tax \$0.50, school tax \$1.10, State debt sinking fund tax \$0.30, and Educational Institution tax \$0.16^{2}3, in addition to the general fund tax of \$0.90 as given above.

DEBT LIMITATION.-In the present Constitution of Indiana, which went into effect November 1, 1851, superseding the Constitution adopted in 1816, there are explicit provisions limiting the power of both the State and its municipalities to contract debt.

FIRST, as to the State, Section 5 of article 10 provides that no debt except to meet casual deficits in revenue, to pay interest, to repel invasion &c. can be contracted. The section in full is subjoined.

CREATION OF DEBT FORBIDDEN.-No law shall authorize any debt to be contracted on behalf of the State except in the following cases: To meet casual deficits in the revenue; to pay interest on the State debt; to repel invasion, suppress insurrection, or, if hostilities be threatened, provide for the public defense.

In the sixth section of the same article the last clause prohibits the assumption by the State of the debts of any municipality or corporation. The clause referred to reads as follows.

Nor shall the General Assembly ever on behalf of the State assume the debts of any county, city, town or township, nor of any corporation whatever.

SECOND. as to municipalities, the provision contained in the Constitution seems to be equally clear and emphatic, and, as will be found, fixes the limit at 2 per cent of the valuation. It is article 13 of that instrument which relates to this subject, and we give the article in full below.

LIMITED - EXCESS VOID. - No political or municipal corporation in this State shall ever become indebted in any manner or for any purin this State shall ever become indebted in any manner or for any pur-pose to an amount in the aggregate exceeding two per centum on the valuation of the taxable property within such corporation, to be ascer-tained by the last assessment for State and County taxes previous to the incurring of such indebtedness; and all bonds or obligations in excess of such amount given by such corporation shall be void; *Pro-vided*, That in time of war, foreign invasion, or other great public calamity, on petition of a majority of the property owners in number and value, within the limits of such corporation, the public authorities in their discretion may incur obligations necessary for the public pro-tection and defense to such an amount as may be requested in such petition. petition.

It should be said in connection with the above that several laws have been enacted since the foregoing constitutional limit was adopted (March 14 1881), and bonds have been issued by counties thereunder beyond the 2 per cent limit, for the construction of "free gravel, stone or other macadamized roads." Several such laws were passed at the 1899 session of the Legislature. But in the case of Strieb vs. Cox, Treas., 111 Ind., the Supreme Court of Indiana held that gravel road bonds are not properly indebtedness of the county-hence do not come within the inhibition of Section 13 of the Constitution. (See editoria IN STATE AND CITY SUPPLEMENT for October, 1899, page 3.) In 1899 the State Supreme Court, in the case of Wilcoxon versus City of Bluffton, ruled that bonds issued by a city at the request of the School Trustees must be counted in determining whether the city is indebted to the constitutional limit of 2 per cent.

THIRD, counties (but no other kind of municipality) are prohibited from subscribing for any stock in a corporation unless paid for at time of such subscription. The section which covers this subject is section 6 of article 10, and is as follows.

Counties cannot take stock. No county shall subscribe for stock in any incorporated company unless the same be paid for at the time of such subscription; nor shall any county loan its credit to any incor-porated company, nor borrow money for the purpose of taking stock in any such company; nor shall the General Assembly ever on behalf of the State assume the debts of any county, city, town or township, nor of any corporation whatever any corporation whatever.

The prohibition which this section contains applies, as already stated, only to counties. Consequently the Legislature was at liberty to authorize cities to subscribe to the stock of railroads, as it did by a general law passed in 1867 granting the power to subscribe to the stock of any railroad running into or through any city or near its corporate limits. Other laws of a somewhat similar character have been passed at other dates. We notice one law too which authorizes counties bordering on the State line to subscribe for railroad stock and to issue bonds for the purpose of paying the subscription. In view of the above section this grant of power extended to counties would seem to be at least questionable. COUNTIES are apparently restricted by statute to a lower than the Constitutional limit of 2 per cent in the matter of creating certain kinds of debt. For instance, Section 5749 of the Revised Statutes authorizes any county to issue bonds when necessary to construct, complete or epair court house, jail or other county buildings, or to fund existing debt; in those cases county commissioners may borrow for that purpose not exceeding 1 per cent on assessed valuation and issue bonds therefor.

Also (if the laws that have been passed are constitutional), the limit of 2 per cent may be exceeded for the purpose of making gravel roads (see above), the Supreme Court having decided that gravel road bonds are not properly an indebtedness of the county.

In addition to the foregoing, general statutes have been passed by the Legislature granting general powers to cities and towns of fifteen thousand inhabitants or over to issue bonds for legitimate corporate purposes, subject, however, to the Constitutional limit of 2 per cent on valuation. But we have not the space to set out here the details, or the details of the other legislation applicable to cities of larger and smaller population, and covoring specific purposes, such as water works, &c.

109/	18001,300,428	1830
18902,192,404	1850	1820
18801,978,301	1840 685,866	1810 24 520
1000 1 000 007 1	1010	1010
18701,680,637		

Between 1860 and 1870 the increase was 330,209, or 24.45 per cent, between 1870 and 1880 297,664, or 17.71 per cent, and between 1880, and 1890 214,103, or 10.82 per cent.

# State of Illinois.

#### DEBT, RESOURCES, &c.

Organized as a Territory (Act Feb. 3, 1809) - March 1, 1809
Admitted as a State (Act April 18, 1818) - Dec. 3, 1818
Total area of State (square miles) 56,650
State Capital Springfield
Governor (term ends 2d Monday Jan. 1901) - John R. Tanner
Sec. of State (term ends 2d Mon. Jan. 1901) - James A. Rose
Treasurer (term ends 2d Mon. Jan. 1901) Floyd W, Whittemore
Legislature meets biennially in odd years on the Wednesday
after the first Monday in January, and there is no limit to
length of sessions.

Under a law passed Feb. 25, 1898, there will be a general assessment of real estate but once in every four years instead of annually; personal property will be listed every year. The law also provides that property shall be appraised at full value but assessed at only onefifth of such value.

DEBT LIMITATION,-No State has developed a greater repugnance to the creating of debt than Illinois, if we may judge from the provisions of its present Constitution. We say developed, because this antagonism has apparently been progressive. Nothing of it is to be found in the Constitution of 1818. The Constitution of 1848 contains no reference to municipalities, but has in it stringent restrictions limiting to \$50,000 the power of the Legislature to create State debt, except in ease of war, invasion, etc., unless the law proposing the issue of bonds is submitted to a vote of the people. But turning to the Constitution of 1870 we find the whole subject of debt-making most thoroughly considered and its basis settled.

FIRST, as to the State, the provisions are not very unlike the provisions of the Constitution of 1848, except that as to the limit for casual defight fight for the second sec properly raised to \$250,000. But with that exception and with the further exception for the purpose of repelling invasion etc. no debt can be contracted unless the law is submitted to a vote of the people at a general election, which law must contain a provision for the payment of interest as it accrues, and previous notice of the clection be given by publication for three months prior to such election. These last two restrictions as to interest and notice of election are only found in the 18:0 Constitution. The sections which cover these matters are as follows; we omit the first portion of Section 18, which relates only to appropriations and payment of appropriations out of funds belonging to the State :

to the State : SECTION 18. \* \* \* \* \* *Provided*, the State may, to meet easual deficits or failures in revenues, contract debts never to exceed in the ag-gregate \$250,000. and moneys thus borrowed shall be applied to the purpose for which they were obtained, or to pay the debt thus created, and to no other purpose; and no other debt except for the purpose of repelling invasion, suppressing insurrection or defendin the State in war (for payment of which the faith of the State shall be  $p^{-d}ged$ ),shall be contracted, unless the law authorizing the same shall; a general election have been submitted to the people, and have received a majority of the votes cast for members of the General Assembly at such election The General Assembly shall provide for the publication of said law for three months at least before the vote of the people shall be taken upon the same; and provision shall be made at the time for the payment of the interest annually as it shall accrue, by a tax levied for the purpose or from other sources of revenue; which law providing for the payment of such interest by such tax, shall be irrepealable until such debt be paid: And provided further, that the law levying the tax shall be sub-mitted to the people with the law authorizing the debt to be contracted SECTION 20. The State shall never pay, assume or become responsible

SECTION 20. The State shall never pay, assume or become responsible for the debts or liabilities of, or in any manner give, loan, or extend its credit to or in aid of any public or other corporation, association or individual.

Nothing needs to be added in explanation of the foregoing. The provisions seem to be explicit and to guard most wisely the creation of State debt

SECOND, municipal indebtedness is regulated only in the Constitution of 1870. In that instrument the subject is dealt with in all its phases First is a provision in Article 8, Section 3, forhidding the General Assembly and every municipality from making any appropriation in aid of any sec tarian purpose. Second is a "separate section" forbidding any such municipality from becoming a subscriber to the stock of any railroad, &c., or to loan its credit. Third is the board and general provision Section 12, Article 9, which limits the indebtedness of all municipalities to 5 per cent "on the value of the taxable property therein," &c We give these sections below :

ARTICLE 8. Sections below: ARTICLE 8. Section 3. Neither the General Assembly nor any county city, town. township. school district, or other public corporation. shall ever make any appropriation. or pay from any public fund whatever. anything in aid of any church or sectarian purpose, or to help support or sustain any school, academy. seminary, college, university, or other literary or scientific institution controlled by any church or sectarian denomination whatever; nor shall any grant or donation of land, money or other personal property ever be made by the State, or any such public corporation. to any church or for any sectarian purpose.

or other personal property ever be made by the State, or any such public corporation, to any church or for any sectarian purpose. ARTICLE 9, Section 12. No county, city, township, school district or other municipal corporation shall be allowed to become indebted in any manner or for any purpose, to an amount, including existing indebted-ness, in the aggregate exceeding five per centum on the value of the taxable property therein, to be ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness. Any county, city, school district or other municipal corporation incur-ring any indebtedness as aforesaid shall before, or at the time of doing so, provide for the collection of a direct annual tax sufficient to pay the interest on such debt as it falls due, and also to pay and discharge the principal thereof within twenty years from the time of contracting the same. This section shall not be construed to prevent any county, eity, township, school district, or other municipal corporation, from issuing their honds in compliance with any vote of the people which may have been had prior to the adoption of this Constitution in pursuance of any law providing therefor.

law providing therefor. SEPARATE Sections. [Municipal subscriptions to railroads etc.] No county, city, town, township or other municipality shall ever become subscriber to the capital stock of any railroad or private corporation, or make donation to or loan its credit in aid of such corporation, provided, however, that the adoption of this article shall not be construed as affect-ing the right of any such municipality to make such subscriptions

HISTORY OF DEBT .- The historical details of the State debt of Illinois from 1829 to 1870, when the debt was all paid off, will be found in the STATE AND CITY SUPPLEMENT of April 1894, page 91.

BONDED DEBT.-This State had on January 1, 1900, no bonded debt, except \$18,500 bonds which have eeased to draw interest, but have not yet been surrendered for payment.

EQUALIZED VALUATION.-The total equalized valuation has been as follows in the years named. The tax rate for 1899 was \$4.20.

Years. Equalized Val.	Years. Equalized Val.	Years. Equalized Val.
1899\$953,099,574	1891\$822.109.429	1883 \$817,904,721
1898 778,474,910	1890 808,892,782	1882 809,995,895
1897 . 799,695,853	1889 792,197,542	1881 799,813,566
1896 816,679,620	1888 784,911,874	1880 786,616.394
1895 833,188,469	1887 796,752,888	1879 784,632,550
1894 824,651,628	1886 793,563,498	1878 857,235,762
1893 847,191,516	1885 798,482,823	1873 1,355,401,317
1892 831,310,306	1884 809,169,803	

ing the right of any such municipality to make such subscriptions where the same have been authorized, under existing laws, by a vote of the people of such municipalities prior to such adoption.

The foregoing limitation to 5 per cent is general, as will be seen-that is, it applies to all municipalities. With this limitation preserved the Legislature has passed general laws authorizing the city council in eities and the board of trustees in villages to issue bonds for corporate purposes, for refunding and consolidating debt, for water works, etc.; and the county board of any county has been authorized by general statute to issue, when it deems it necessary, county bonds, after submitting the matter to the legal voters of the county at a general election, at which a majority vote is required as a prerequisite of the issue. Receutly an attempt was made to limit "any county, city, township, school district or municipal corporation" in counties containing 125,-000 or more inhabitants to 21 per cent of the assessed value, but Jan-12, 1900, the State Supreme Court ruled that this was an arbitrary

and unnatural classification of municipalities which could not be sustained. See Vol. 70, page 242.

IMPROVEMENT BONDS .- There is a kind of improvement bond authorized in some cases which is made a special lien on the land benefitted and to which the 5 per cent limit has no reference. We refer to cases which come under the law entitled "To divide cities and villages subject "to overflow into improvement districts." This statute provides that any such city or village or part thereof may be laid off into an improvement district for the purpose of draining, raising the grade of the streets and improving the district; that after the cost for the work has been ascertained and been assessed, the assessment may be paid in instalments or otherwise and such city or village may issue bonds sufficient to pay the assessment. In that case the bonds are a lien on the lots, blocks or parts thereof which shall be designated therein; but before the issue the owner of the lots, etc., to be charged must endorse upon the back of such bond his consent, under seal, in substance as follows : "I hereby indorse the within bond " and consent that the lot or lots or parts thereof therein designated "shall become liable for the interest and principal therein namea and "the same shall be a lien upon said property from this date until paid "off and discharged." The bond when executed by the city or village and so endorsed by the owner shall be recorded in the recorder's office in the county, and such record shall be a notice of the lien created to the same extent as the record of mortgages is a notice.

We have room to give only this very brief and imperfect outline of this statute. The whole law will be found in the Revised Statutes of Illinois, the 1889 edition, page 303. To understand the real cause and occasion for all this machinery, one should study also the previous statute (page 99, &c.) which authorizes cities, &c., to protect themselves from overflow and inundation and control private levees, &c. After having read the two laws it will be found that the district improvement bond has been devised as a relief measure, and that it affords a wise and ingenious method for helping those in more moderate circumstances who have been taxed for a very necessary improvement to pay the tax by instalments.

POPULATION OF STATE.-The population of Illinois has been reported as follows in the years named.

18803,077,871	1850	$\begin{array}{cccccccccccccccccccccccccccccccccccc$	1

INTEREST-Interest on refunding school bonds is payable in Peoria; on all other bonds at the Mercantile National Bank, New York.

TOTAL DEBT ETC.—The city's bonded debt on Jan. 1, 1900, was \$464,500, of which \$245,000 was water debt; floating debt, \$211,-000; total debt. \$664,500. \$150,000 of the floating debt is for new eity hall and will be paid \$50,000 yearly. The special assessment debt of \$234,300 is not included in the total bonded debt.

WATER WORKS.—The water works bonds, \$245,000, were as sumed by the Peoria Water Co. when the city water works was sold to them. The city holds first mortgage on the new works for the pay-ment of them, which would make the city's net bonded debt \$219,500 January 1st, 1900.

ASSESSED VALUATION.—In 1899 the assessed valuation of real estate was \$6,159,238; of personal property, \$2,521,782; total \$8,681,020. Total tax rate (per \$1,000) 1899, \$34.50.

**POPULATION.**—The population in 1890 was 41,024; in 1880 was 29,259; in 1900 (estimated) 60,000.

PEORIA CO.-J. F. KNUPP. Treasurer.

This county, by paying off its bonds as they matured, has reduced its debt to small proportions. The county seat is Peoria.

#### PERRY COUNTY .-- J. G. TAFFER, Clerk.

County seat is Pinckneyville.

County seat is Pinckneyville. The bonds below described are registered with the State Auditor. The United States Supreme Court has established the validity of Chester & Tamaroa railroad-aid bonds of this county and has declared the \$100,000 B. & S. S. railroad-aid bonds invalid. At the November (1899) election, a proposition to issue bonds to re-fund the Chester & Tamaroa bonds together with accrued interest, amounting in all to about \$190,000, was voted upon and defeated. Since then the county has been mandamused to pay indebtedness to the amount of about \$162,000 as follows. All interest due and accrued up to June 1, 1900, and 10% of principal to be paid in 1900. Interest and 15% of the remaining principal in 1901: interest and 20% of principal then remaining in 1902; interest and 25% outstanding principal in 1903, interest and 30% principal in 1904; interest and 50% principal in 1905, and the remaining amount due in 1906. Principal and accrued interest to the amount of about \$30,000 has not yet at this date (Mar. 1, 1900) been put into judgments. The bond proposi-tion may again be voted upon.

INTEREST is payable by the State Treasurer, Springfield.

Legislature meets blennany in out years the mist day in January, and there is no limit to the length of sessions, excepting special sessions, in which the pay of members is limited to 20 days.

HISTORY OF DEBT .- The historical details of Michlgan's State debt will be found in the STATE AND CITY SUPPLEMENT of April, 1894. page 98. In 1864 the State Treasurer reported the funded debt at \$3,880,399, and \$1,450,472 additional "Trust fund debt." The bonded debt July 1, 1899, consisted of \$500,000 war loan bonds (1898) and \$19,000 of "past-due part paid \$5,000,000 loan bonds" adjustable at \$578.57 per \$1,000, amounting to \$10,992.83, which have never been presented for payment and bear no interest. These latter bonds must be presented for payment prior to May 31, 1900, or be forfeited to the State. The "Trust fund debt" on the same date amounted to \$6,120,003 56.

In 1896 the assessed valuation of real estate was \$805,553,976; personal property, \$140,455,965; total valuation, \$946,009,941.

DEBT LIMITATION. - Michigan, as noted in our history of the State's debt, started its career as a State in January 1837, when the whole land was buoyant over its inflated enterprises carried on at public expense. So to be abreast with the times, instead of putting any limit on the power of the State to create debt, it put into its Constitution a notice to the Legislature to go to work at once and make provision for "ascertaining the proper objects of improvement in relation to roads. "canals and navigable waters," that the money might be raised and these improvements might be prosecuted with as little delay as possible.

That was the spirit which ruled and the condition which prevailed in 1837. In 1850 Michigan made and adopted another Constitution. During the years which intervened the people had gained a wide experience and had evidently profited by it. Hence we find them at the latter date showing a purpose to make an instrument in its financial features about as dissimilar from the one it was to supplant as it could well be. Nothing will illustrate this change in spirit and purpose more clearly than the following limitations respecting the creation of State indebtedness which were inserted. These sections are all found in article 14 of the 1850 Constitution, which Constitutiou is still in force.

SECTION 3. The State may contract debts to meet deficits in revenue. Such debts shall not in the aggregate at any one time exceed fifty thousand dollars. The moneys so raised shall be applied to the pur-poses for which they were obtained or to the payment of the debts so contracted.

SECTION 4. The State may contract debts to repel invasion, suppress insurrection or defend the State in time of war. The money arising from the contracting of such debts shall be applied to the purpose for

from the contracting of such debts shall be applied to the purpose for which it was raised or to pay such debts. SECTION 6. The credit of the State shall not be granted to or in aid of any person, association or corporation. SECTION 7. No scrip, certificate, or other evidence of State indebted-ness shall be issued except for the redemption of stock previously issued or for such debts as are expressly authorized in this Constitution. SECTION 8. The State shall not subscribe to, or be interested in the stock of any company, association or corporation. SECTION 9. The State shall not be a party to, or interested in, any work of internal improvement, nor engage in carrying on any such work ex-cept in the expenditure of grants to the State of land or other property. The foregoing sections annear to cover every branch and phase of the

The foregoing sections appear to cover every branch and phase of the subject; and compared with the Constitution of 1837 what a contrast they afford !

Cities and villages, however, were left by the 1850 instrument to the discretion of the Legislature in the matter of restrictions upon their borrowing power. The provision which relates to this subject is found in Article 15, Section 13, and is as follows:

SECTION 13.—The Legislature shall provide for the incorporation and organization of cities and villages, and shall restrict their powers of taxation, borrowing money, contracting debts and loaning their credit.

In the exercise of the power granted by this section the Legislature has passed general laws governing the incorporation, taxation and bonding of cities and villages. With regard to cities the chief provisions with respect to taxation and bond issues will be found in the second volume of the 1890 revision of Howell's Annotated Statutes of Michigan, Chapter 22, on "Finance and Taxation," pages 629 to 702, Sections 2693 to 2730. The sections which mainly cover these points are the following-we give the substance not the words of the section :-

Taxes, And in what amount they can be laid, are defined in Section 2697 to Section 2701.

Section 2697 provides that the maximum amount which the council may raise by general tax for all general purposes (except schools and school house purposes and except as otherwise provided below) shall not exceed in any one year -

SECTION 2698 provides that the council may also raise in each street district not exceeding one fourth of one per cent.

SECTION 2699 provides that in addition to above the council may raise by special assessment in sewer and in special assessment districts for improving streets and constructing sewers (chargeable on lands in district according to frontage or benefits) not exceeding in one year 5 per cent.

SECTION 2,712. If any greater amount is required for erecting public buildings, or for purchase of ground for same, or for other public improvements or purposes than can be raised by the council under the foregoing provisions, such amount may be raised by tax or loan or partly by tax and partly by loan if authorized by a maiority vole of the electors voting upon the question at an annual city election. The amount that may be so raised in any year shall not exceed two per cent of assessed valuation.

SECTION 2,713. The proposition to raise such additional amount must be submitted by an ordinance distinctly stating the purpose of proposed expenditure, the amount proposed, and whether to be raised by tax or loan. Such ordinance shall be passed, published in one newspaper of city, and copies posted in five most public places in each ward of city, at least two weeks before the election -vote shall be by ballot.

SECTION 2,717. No loans made exceeding amounts prescribed in this act. For loans lawfully made bonds of the city may be issued bearing a legal rate of interest. Record to be kept by city clerk. When deemed necessary by council new bonds may be issued in place of former bonds falling due. Each bond shall show upon its face the class of indebtedness to which it belongs and from what fund payable.

The foregoing provisions apply to cities. The law relating to villages with reference to the same subject is so nearly of a like character as not to need reciting.

POPULATION OF STATE.-The population of Michigan has been as follows in the years named

$\begin{array}{cccccccccccccccccccccccccccccccccccc$	7,654 1820 8,765
--	------------------

From 1860 to 1870 increase was 434,946, or 58.06 per cent; from-1870 to 1880, 452,878, or 38.25 per cent; from 1880 to 1890, 456,952, or 27.92 per cent.

BAY CITY.—GEO. F. AMBROSE, Comptroller.

Bay City is in Bay County. The debt was principally incurred for water, but the water revenue does not fully meet the interest on the water bonds.

When Due. LOANS-WATER-WORKS BONDS-When Due LOANS-

SECTION 2700 provides that a tax of not more than two dollars per year may be levied upon each lot or premises drained by a private sewer or drain leading into a public sewer or drain.

SECTION 2701 provides that the council may also raise such further sum, not exceeding three mills on the dollar of assessed valuation, as may be necessary to provide an interest and sinking fund to pay funded debt.

Loans, When allowed and amount indicated.

SECTION 2,709. Provides that no public work shall be contracted or commenced until a tax shall have been levied to pay cost.

SECTION 2,710. Instead of levying a tax for whole amount authorized by this act in any year for the general and street district funds, the council may raise part by tax and part by loan-the aggregate of both not exceeding amount for which tax might have been levied in the year.

SECTION 2,711. Council also anthorized to raise moneys by loan in anticipation of receipts from special assessments.

#### DEBT, RESOURCES, ETC.

Organized as a Territory (Act. Apr. 20, 1836) - July 3d, 1836 Admitted as a State (Act. Aug. 6, 1846) - May 29th, 1848 Total area of State (square miles) - - - -56,040Madison State Capital - - - --Governor (term expires 1st Monday in Jan. 1901), Edw. Scofield Secretary of State (1st Mon. Jan. 1901), - W. H Froehlich Treasurer (1st Monday Jan. 1901) - - J. O. Davidson Legislature meets bi-ennially in odd years on the second

Wednesday in January, and there is no limit to length of sessions.

HISTORY OF DEBT. For a brief history of the Wisconsin debt 866 STATE AND CITY SUPPLEMENT OF April, 1895.

At present the State has no indebtedness except the trust funds, as follows:

Certificates	of indebtedness,	School Fund	1,563,700
Do	do	Normal School Fund	515,700
Do	do	University Fund	111,000
Do	do	Agricultural College Fund	60,600
motol.		D	0 051 000

DEBT LIMITATION.-The constitutional provisions of Wisconsin restricting debt-making are very rigorous, plain and comprehensive. Since the amendment adopted in 1874, cities &c., as well as the State, are definitely limited by that instrument. We will give the provisions first which relate to the State and after that those which have reference to elties, &c.

(1) STATE indebtedness is confined within very close bounds. -1t seems as if the framers of the Constitution must have taxed to the extreme their ingenuity for forms in which to express their determination to inhibit debt-making. The sections which cover the subject are sections 3, 4, 6, 7, 9 and 10 of Article 8. We give them in full below.

SECTION 7. State may borrow money, when. The Legislature may also borrow money to repel invasion, suppress insurrection or defend the State in time of war; but the money thus raised shall be applied exclus-

State in time of war; but the money thus raised shall be applied exclus-ively to the object for which the loan was authorized, or to the repay-ment of the debt thereby created. SECTION 9. Evidences of debt. No scrip, certificate, or other evidence of State debt, whatsoever, shall be issued, except for such debts as are authorized by the sixth and seventh sections of this article. SECTION 10. Internal improvements—avails of grants. The State shall never contract any debt for works of internal improvement, or be a party in carrying on such works, but whenever grants of land or other property shall have been made to the State, especially dedicated by the grant to particular works of internal improvement, the State may carry on such particular works, and shall devote thereto the avails of such grants, and may pledge or appropriate the revenues derived from such works in aid of their completion.

(2) CITIES, counties, towns, villages, &c., were unrestricted except by legislative enactment until 1874. Since that amendment was adopted fire per cent on the value of the taxable property has been the extreme amount of debt permissible for any municipality. Not only is that the case, but, as will be seen, the municipality is required before or at the time when it incurs any indebtedness, to make provision for an annual tax sufficient to pay the interest and also sufficient to pay the principal within twenty years from the time of contracting the debt. We give below the amendment referred to in full.

Limitation of Municipal Indebtedness-Adding to Section 3, Article 11, the words:

11, the words: No county, city, town, village, school district, or other municipal cor-poration, shall be allowed to become indebted in any manner or for any purpose, to any amount, including existing indebtedness in the aggregate exceeding five per centum on the value of the taxable property therein, to be ascertained by the last assessment for State and county taxes pre-vious to the incurring of such indebtedness. Any county, city, town, village, school district, or other municipal corporation incurring any indebtedness, as aforesaid, shall before or at the time of doing so pro-vide for the collection of a direct annual tax sufficient to pay the interest on such debt as it falls due, and also to pay and discharge the principal thereof within twenty years from the time of contracting the same. On April 20, 1893, a new law passed by the Legislature of Wisconsin

On April 20, 1893, a new law passed by the Legislature of Wisconsin was approved by the Governor which gives general authority for the issuance of bonds to cities operating under special charters granted by the State, and containing a population of three thousand or more inhabitants, as follows. This authority is of course subject to the foregoing provisions of the Constitution.

SECTION 3. Oredil of State, for what not given. The credit of the State shall never be given or loaned in aid of any individual, association or corporation. SECTION 4. Contracting debts. The State shall never contract any

public debt, except in the cases and manner herein provided. SECTION 6. Limitation on public debt. For the purpose of defraying extraordinary expenditures, the State may contract public debts (but extraordinary expenditures, the State may contract public debts (but such debts shall never in the aggregate exceed one hundred thousand dollars). Every such debt shall be authorized by law, for some purpose or purposes to be distinctly specified therein; and the vote of a majority of all the members elected to each House, to be taken by yeas and nays, shall be necessary to the passage of such law; and every such law shall provide for levying an annual tax sufficient to pay the annual interest of such debt, and the principal within five years from the passage of such law, and shall specially appropriate the proceeds of such taxes to the payment of such principal and interest; and such appropriation shall not be repealed, nor the taxes be postponed, or diminished, until the principal and interest of such debt shall have been wholly paid.

For the erection and construction of a city hall and the purchase of a site for the same.

For the construction and extension of water works or the purchase of the same, and for constructing sewers, and for the improvement and maintenance of the same.

For the erection, construction and completion of school buildings and the purchase of school sites.

For the purchase of sites for engine houses, for fire engines and other equipments of the fire department, and for the construction of engine houses.

For the purchase of sites for police stations and for the construction

if buildings thereon for the use of the police department. For the construction of viaducts, bridges, and for repairs of the same. For the erection and construction of library and museum buildings

and the purchase of sites for the same. For the establishment of public baths and hospitals and the purchase of sites for the same.

For the purchase of lands for public parks and improvements thereof and for the payment of purchase money and interest thereon which may be or become due for park lands already acquired or contracted for.

For permanently improving streets in such eity, and for creating a fund out of which to advance the cost of repairs to sidewalks in antic-ipation of the collection of special assessments for such cost of repairs by the Treasurer of such eity. For the construction or purchase of electric or gas light plants for lighting streets and public buildings. For refunding existing indebtedness.

The law further provides that bonds issued under this act shall bear interest, payable annually or semi-annually, at a rate not exceeding 6 per cent per annum; that the Common Council shall annually levy a tax upon all the taxable property sufficient to pay the annual interest thereon, and to provide a sinking fund each year equal to 5 per cent on the principal of said bonds; that no bonds shall be issued so that the amount thereof, together with all the other indebtedness of the city, shall exceed 5 per cent of the assessed valuation of the city and also that the bonds shall show on their face the amount of indebtedness of the city issuing the same, the annual amount of the assessment of the taxable property therein for the five years next preceding the issue, and the average amount there of, and they shall not be sold for less than their par value and accrued interest.

No system could be devised better adapted for keeping municipal debt at a minimum than the foregoing amendment establishes.

ASSESSED VALUATION.—The total assessed valuation of the State, as detormined by the State Board of Assessors, and the tax rate for State purposes, have been as follows for the years named below :

		Personal	Total	State Tax	Taxes
Year.	Real Estate.	Property.	Valuation.	Rate.	Ruised.
	\$	\$	\$	\$	\$
1899.			625,000,000

MANITOWOC CO.-A. H. ZANDER, Co. Clerk. County seat is Manitowoc.

PAR VALUE OF BONDS.-The bonds are mostly for \$1,000 each. INTEREST is payable in New York and Milwaukee.

Total bouded debt\$6,060,750 Sinking funds 574,237	\$6,266,000 565,850	\$6,728,000 520,250	$\begin{array}{c} \$6,352,250 \\ 484,250 \end{array}$
	DF 800 150	the 0.05 550	11E 0/10 000

Net debt......\$5,486,513 \$5,700,150 \$6,207,750 \$5,868,000 Water debt (included).\$1,123,000 \$1,298,750 \$1,474,500 \$1,654,250

SINKING FUND.—The sinking fund receives yearly a sum equal to 5 per cent of the original issue of bonds, and it is required by law that this amount of the debt shall be aunually retired.

CITY PROPERTY.—The city owns its water works, and receives from water rates a larger sum yearly than the total interest charges on its debt. The total valuation of corporate property on January 1, 1900, was \$20,620,237.

ASSESSED VALUATION.-The city's assessed valuation (about one-half cash value) and tax rate have been:

		Personal	To'l Assessed To	ax Rate	1
Years.	Real Estate.	Property.	Valuation, p'r	*\$1,000	
1899	\$124,703,830	\$27,268,073		\$22.07	1
1898	122,258,668	24,970,760	147,229,428	23.02	
1897	121,156,090	23,527,326	144,683,425	23.12	
1896	119,441,715	24,329,904	143,771,619	-23.69	
1895	118,184,040	24,365,973	142,550,013	20.45	
1890			105,484,055	21.50	
1880	41,646,373	14,229,596	55,875,969		

POPULATION.—In 1890 population was 204,468; in 1880 it was 115,702; in 1870 it was 71,440; in 1895 it was 249,270; in 1900 (estimated), 300,000.

Regides	the State -	tor of \$1.70	for 1900 than	in a tom of D	1.0.2.6

Besides the State tax of \$1.70 for 1899 there is a tax of \$1.23 for school and university purposes.

DEBT LIMITATION .- Minnesota has protected the State from extravagant expenditures through restrictions which its Constitution puts on every kind of debt making. That instrument fixes the limit at \$250,-000 "for the purpose of defraying extraordinary expenditures;" and anamendment, ratified in 1879, extended this power to \$250,000 additional "for erecting and completing buildings for the insane, a deaf. dumb and blind asylum, and State prison." Besides the foregoing, it is also provided that the State credit shall not be loaned, &c. With regard to the debt of municipalities there is but one section in the Constitution which relates to that subject, and that has reference to makingrailroad debt.

FIRST, as to State indebtedness, the sections which treat of the subjeet are in article 9, sections 5, 6, 7, 8 and 14.

jeet are in article 9, sections 5, 6, 7, 8 and 14. SECTION 5. (Public dcbt may be contracted.) For the purpose of de-fraying extraordinary expenditures, the State may contract public debts, but such debts shall never, in the aggregate, exceed two hundred and fifty thousand dollars; every such debt shall be authorized by law for some single object, to be distinctly specified therein; and no such law shall take effect until it shall have been passed by the vote of two-thirds of the members of each branch of the Legislature, to be recorded by the yeas and nays on the journals of each House, respectively; and every such law shall levy a tax, annually, sufficient to pay the annual interest of such debt, and also a tax sufficient to pay the principal of such debt within ten years from the final passage of such law, and shall specially appropriate the proceeds of such taxes to the payment of such principal and interest; and such appropriation and taxes shall not be repealed, postponed, or diminished, until the principal and interest of such debt shall have been wholly paid. The State shall never contract any debts for works of internal improvement, or be a party in earrying on such works, except in cases where grants of land or other property shall have been made to the State, especially dedicated by the grant to specific purposes; and in such cases the State shall devote thereto the avails of such grants, and may pledge or appropriate the revenues de-rived from such works in aid of their completion. SECTION 6.—(Public debt how contracted.) All debts authorized by the preceding section shall be contracted by loan on State bonds of amounts not less than five h undred dollars each, ou interest, payable within ten years after the final passage of the law authorizing such debt; and such bonds shall not be sold by the State under par. A correct registry of all such bonds shall be kept by the Treasurer in numerical order, so as al-ways to exhibit the number and amount unpaid and to whom severally made payable.

made payable. SECTION 7.—The State shall never contract any public debt, unless in time of war, to repel invasion or suppress insurrection, except in the cases and in the manner provided in the fifth and sixth sections of this article.

SECTION 8.—(Appropriation of money received from loan or State bonds.) The money arising from any loan made, or debt or liability con-tracted, shall be applied to the object specified in the act authorizing

tracted, shall be applied to the object specified in the act authorizing such debt or liability, or to the repayment of such debt or liability, and to no other purpose whatever. SECTION 14.—(Slate debt for public buildings). For the purpose of erecting and completing buildings for a hospital for the insane, a deaf, dumb and blind asylum, and State prison, the Legislature may by law increase the public debt of the State to an amount not exceeding two hundred and fifty thousand dollars, in addition to the public debt al-ready heretofore authorized by the Constitution, and for that purpose may provide by law for issuing and negotiating the bonds of the State and appropriate the money only for the purpose aforesaid; which bonds shall be payable in not less than ten nor more than thirty years from the date of the same, at the option of the State. SECOND, as to city, county or other municipality the only restriction

SECOND, as to city, county or other municipality the only restriction on the debt-making power in the Constitution is the following, found in article 9, section 15.

SECTION 14.-(Municipal debts in aid of railroads.) The Legisla-ture shall not authorize any county, township, city or other municipal corporation to issue bonds or to become indebted in any manner to aid in the construction or equipment of any or all railroads to an amount that shall exceed five per centum of the value of the taxable property within such county, township, eity, or other municipal corporation; the amount of such taxable property to be ascertained and determined by the last assessment of said property made for the purpose of State and county taxation previous to the incurring of such indebtedness.

The foregoing was adopted as an amendment in 1879. Before its adoption the section read so as to authorize municipal corporations to issue bonds in aid of railroads to ten per cent of valuation. Hence the amendment consisted in simply changing the word ten and making it five.

This is all the Constitution contains with reference to the debts of municipalities. The Legislature, however, has made some general provisions governing bond issues, which will be found in the STATE AND CITY SUPPLEMENT for October, 1899, and in previous numbers of that publication.

HISTORY OF DEBT.-For the history of Minnesota's debt see STATE AND CITY SUPPLEMENT, April, 1893, page 103. The details of Minnesota's debt are given in the following statement:

ninety days.

LOANS	In	terest.	Prine	ipal.

112

PAR VALUE OF BONDS.—A few of the older bonds are of denominations other than \$1,000. All late issues however (*i. e.* all bearing less than 5 per cent interest) are for \$1,000 each.

#### TOTAL DEBT, SINKING FUNDS, ETC.-

Jan., 1900. Bonded debt			Jan. 1, '97. \$7,840,000 1,342,907	
Net debt\$6,678,683	\$6,655,745	\$6,821,755	\$6,497,093	
Water debt (incl.)\$1,770,000	\$1,830,000	\$1,830,000	\$1,430,000	

SINKING FUND.—It is provided by the city's charter that in addi-tion to raising a tax sufficient to pay the interest on all its bonds the oity shall levy a tax of one mill on each dollar of the assessed valuation to provide for the principal of the bonds when due. The maintenance of this sinking fund for the payment of the principal of the bonds is "de-clared to be part of the contract with the holder of any bonds of the city that may hereafter be issued and shall be kept inviolate." In ac-cordance with this provision there was raised by taxation for the sink-ing fund in 1899 \$120,499. The sinking fund is invested in city of Minneapolis 4 and 4<sup>1</sup><sub>2</sub> per cent bonds.

BOND LIMIT.—The city of Minneapolis is restricted in all legisla-tive acts authorizing the issue and sale of bonds, and is required to keep within the following limit: From the total issue of all city bonds shall be deducted the total amount of funds and securities in the sink-ing fund, and this balance shall not exceed 5 per cent of the aggregate value of the taxable property of the side of the securities in the sinkvalue of the taxable property of the city as assessed and determined for the purpose of taxation.

RHEAD.—GEO. L. HALL, City Recorder.

Jarch 1, 1900. 168,512

# ER TAIL CO.-Steve Butler, Treasurer.

### State of lowa.

DEBT, RESOURCES, &c.

Organized as a Territory (Act June 12, 1838) - July 3, 1838
Admitted as a State (Act August 4, 1846) - Dec. 28, 1846
Total Area of State (square miles) 56,025
State Capital Des Moines
Governor (term expires Jan. 1903) Leslie M. Shaw
Secretary of State (1st Monday Jan. 1901) G. L. Dobson
Treasurer (1st Monday Jan. 1901) - John Herriott
Auditor (1st Monday Jan. 1901) F. F. Merriam

Legislature meets biennially in even years, the 2d Monday in January, and there is no limit to length of sessions.

HISTORY OF DEBT.-For history of Iowa's debt see STATE AND CITY SUPPLEMENT of April 1894, page 110.

TOTAL DEBT .- Iowa has a bonded debt of only \$10,900. On July 1, 1899, there were no warrants outstanding and the State had eash on hand amounting to \$445,002 and a claim ou the United States Government for war expenses amounting to \$51,000.

EQUALIZED VALUATION. -The equalized assessed valuation has been as follows in the years named :-

1870222,561,061	71,971,191			294,532,252

SECTION 2. [Same.] The State may contract debts to supply casual SECTION 2. [Same.] The State may contract debts to supply casual deficits or failures in revenues, or to meet expenses otherwise provided for; but the aggregate amount of such debts, direct and contingent, whether contracted by virtue of one or more acts of the General Assembly or at different periods of time, shall never exceed the sum of two hundred and fifty thousand dollars; and the money arising from the creation of such debts shall be applied to the purpose for which it was obtained, or to repay the debts so contracted, and to no other purpose whatever. whatever.

SECTION 4. [For what other purposes State may contract debl.] In addition to the above limited power to contract debts, the State may contract debts to repel invasion, suppress insurrection, or defend the State in war; but the money arising from the debts so contracted shall be availed for the purpose for which it was relied on to energy such SECTION 4.

State in war; but the money arising from the debts so contracted shall be applied for the purpose for which it was raised, or to repay such debts, and to no other purpose whatever. SECTION 5. [Other debts to be authorized.]—Except the debts hereinbe-fore specified in this article, no debt shall be hereafter contracted by or on behalf of this State, unless such debt shall be authorized by some law for some single work or object, to be distinctly specified therein; and such law shall impose and provide for the collection of a direct annual tax sufficient to pay the interest on such debt as it falls due, and also to pay and discharge the principal of such debt within twenty years from the time of contracting thereof; but no such law shall take effect until at a general election it shall have been submitted to the people, and have received a majority of all the votes cast for and against it at such election; and all money raised by authority of such law shall be applied only to the specific object therein stated, or to the payment of the debt created thereby; and such law shall be published in at least one newspaper in each county, if one is published therein, throughout the State, for three months preceding the election at which it is submitted to the people. to the people.

ARTICLE VIII, Section 3. [State not to be a stockholder.]—The State shall not become a stockholder in auy corporation, nor shall it assume or pay the debt or liability of any corporation, unless incurred in time of war for the benefit of the State.

There can be but little fear that a State or city will ever create debt iu any larger amount than it can easily pay where the law, as in the above case, requires a tax to be levied at the time of its creation sufficient to pay the interest annually and the principal when due.

SECOND, as to municipal indebtedness, the limit is fixed absolutely in the Constitution. The provisions covering the subject are as follows:

ARTICLE VIII, Section 4. [Corporation not to be a stockholder.] No political or municipal corporation shall become a stockholder in any banking corporation, directly or indirectly.

ARTICLE XI, Section 3. [To what amount county may become indebted.] No county or other political or municipal corporation shall be allowed to become indebted in any manner, or for any purpose, to an amount in the aggregate exceeding five per centum on the value of the taxable property within such county or corporation—to be ascertained by the last State and county tax list previous to the incurring of such indebtedness.

The above (section 3 of article XI) covers cities, counties, towns and every other kind of political or municipal corporation. The Supreme Court of Iowa has decided that even a school district is such a corporation and subject to the 5 per cent limit. [A bill is now (April 1, 1900), under consideration in the Legislature which fixes the limit of indebtedness of municipalities at only 14 per cent of the actual value of property in cities or towns as returned by the last tax list. This change is proposed because, under a revision of the Revenue Law made in 1898, property is now listed for taxation on a much higher basis than formerly.]

POPULATION OF STATE.—The population of Iowa has been a	8
follows in the years named:	
1895 $2,058,069$ $1870$ $1,194,020$ $1850$ $192,214$	4

#### CITIES, COUNTIES AND TOWNS IN THE

## STATE OF IOWA.

NOTE.-For reports not given in alphabetical order among the fol-lowing, see "Additional Statements" at the end of this State.

BOONE SCHOOL DISTRICT .-J. J. SNELL, Secretary.-This district is in Boone County. REFUNDING BONDS— When Due. | Total debt Feb. 1, 1900 ... \$43,000 5s, J&J, \$27,000....July 1, 1905 | Tax valuation 1898....1,131,587 5s, J&D, 13,000....Dec. 15, 1901 | Real valuation (est.)....3,250,000 Bonds optional 5 years from date. | Population 1900 (est.)....10,500 INTEREST is payable in Boone and at the First Nat. Bank of Chicago.

BURLINGTON.-P. C. NAUMANN, Mayor. Burlington is in Des Moines County.

LOANS-REFUNDING BONDS-When Due. 5s, A&O, \$120,000.....Oct. 1, 1900 (\$20,000 due y'rly) to Oct. 1, 1905 5s, A&O, \$33,000.....Oct. 1, 1907 4s, M&N, 50,000.....June 1,1906 Subject to call after 1901.

LOANS- When Due. BURL. WATER CO. 1ST MORTGAGE BONDS, INTEREST ASSUMED-6s, M&N, \$160,000...Nov. 1, 1902

INTEREST on bonds is payable in New York at Chemical National Bank and in Burlington.

TAX RATE.-The State tax (per \$1,000) for 1899 was \$2.90.

DEBT LIMITATION .- Iowa's Constitution restricts the creating of debt, both State debt and municipal debt.

FIRST, as to State debt, the limitation made is not absolute, for it permits other debt if authorized by some law for some single specified work. But this permission is very safely guarded-(1) the law must provide for the collection of a direct annual tax sufficient to pay the interest regularly and discharge the debt in twenty years; and (2) the law cannot take effect until it has been submitted to the people at a general election, and has received a majority of the votes cast. All the debt provisions relating to the State we give below.

ARTICLE 7, Section 1. [Limitation of State indebtedness.] The credit of the State shall not in any manner be given or loaned to, or in aid of, any individual, association, or corporation; and the State shall never assume, or become responsible for, the debts or liabilities of any individ-ual, association or corporation, unless incurred in time of war for the benefit of the State.

BUNDED DEBT on April 1, 1899, was \$223,000; floating debt. \$79,800; total debt, \$302,800; sinking fund, \$14,200; net debt, \$288,600. The water bonds are not included in the total funded debt, as they are the obligations of a private company. The city, however, in return for use of water agrees to pay the interest on these bonds directly to the bondholder, and to pay \$2,000 yearly to a sinking fund for their redemption. BONDED DEBT on April 1, 1899, was \$223,000; floating debt.

ASSESSED VALUATION in 1898 of real estate was \$2,913,261; personal property, \$966,838; total, \$3,880,099; total tax rate (per \$1,000) in 1898 was \$69.00, including State tax, \$3.30, county tax, \$6.00; city tax, \$37.00; school tax, \$22.70. In the water district, which includes about one-half the city, the water tax (per \$1,000) is \$50.00. Property is assessed at "about 25 per cent of its actual value."

POPULATION in 1890 was 22,565; in 1880 it was 19,450; in 1899 (estimated), 30,000.

BURLINGTON INDEPENDENT SCHOOL DISTRICT.-H. A. KELLEY, Secretary.

in the District Court on October 7, 1899, held that the city of Council Biuffs had the legal right under and by virtue of Section 905 of the Code of Iowa to issue its bonds and exchange them for the outstanding general and water fund warrants of said city issued during the fiscal years of 1896, 1897 and 1898, provided said bonds when so issued are uchally exchanged for said warrants by mutual exchange.—See V. 69, p. 817. A tax levy of \$5.00 (per \$1,000) is made each year for water

purposes. The sinking funds accumulated on the straight city bonds on March 1, 1899, amounted to \$2,843, and on the inter-section improvement bonds to \$24,748, and on the warrants \$53,905, making a total of \$81,496.

ASSESSED VALUATION.—The city's assessed valuation has been as given below in the years named. The noticeable decrease in 1899 is due to a change in the law. Property was formerly assessed at from 30 to 40 pcr cent of its value, but under the new law all real estate is assessed at 25 per cent of its actual value.

		Personal

The special assessment bonds are secured by property certificates

The special assessment bonds are seedred by property certificates issued and held in trust for bondholders. In addition to the bonded debt the city had outstanding on March 1, 1899, general fund warrants to the amount of \$141,056; water fund warrants to the amount of \$76,875, and special fund warrants to the amount of \$4,768. For the purpose of funding the warrants the City Council has anthorized the issuance of \$150,000 bonds. The issuance of these bonds has been prevented by litigation, a decision handed down in 1899 by Judge Towner declaring that the general city houds. down in 1899 by Judge Towner declaring that the general city bonds, and the intersection, sewer, grading and paying bonds constitute the indebtedness of the city; hence that the city was in excess of its debt limit. See CHRONICLE, March 25, 1899. Judge Smith, however,

# State of Missouri.

DEBT, RESOURCES, ETC.

Organized as a Territory (Act June 4, 1812) - Dec. 7, 1912 Admitted as a State (Act March 6, 1820) - Aug. 10, 1821 - - 69,415 Total area of State (square miles) - -State Capital, - - - - - - Jefferson City Governor (term expires Jan., 1901), - - Lon. V. Stephens Sec'y of State (term expires Jan., 1901), Alex. A. Lesueur Treasurer (term expires Jan., 1901), - Frank L. Pitts Auditor (term expires Jan, 1901) - James M. Seibert

Legislature meets biennially in odd years on the first Wednesday after the first Monday of January, and there is no limit to length of sessions; but after the first seventy days members can draw only a dollar a day for their services, except every tenth year, when the statutes are revised, at which session members are allowed \$5.00 per day for 120 days. A session of this kind was held in 1899.

HISTORY OF DEBT.-The interesting details of Missouri's eventful history in debt-making and debt-paying will be found on page 111 of the STATE AND CITY SUPPLEMENT for April, 1893. The details of the debt on Jan 1, 1899, were as follows:

DEBT LIMITATION.—Missouri has made provision in its Consti-tution restricting the creation of debt both on behalf of the State and of its municipalities. *FIRST, with respect to the State*, the regulations are full and specific. They are found in article 4, sections 44, 45 and 46, which we subjoin. ARTICLE 4, Section 44. (*General Assembly not to contract debts except* as herein.) The General Assembly shall have no power to contract or to authorize the contracting of any debt or liability on behalf of the State, or to issue bonds or other evidences of indebtedness thereof, ex-cept in the following cases:

State, or to issue bonds or other evidences of indebtedness thereof, ex-cept in the following cases: *First*, In renewal of existing bonds, when they cannot be paid at maturity out of the sinking fund or other resources. *Second*, on the occurring of an unforescen emergency, or casual defi-elency of the revenue, when the temporary liability incurred, upon the recommendation of the Governor first had, shall not exceed the sum of two hundred and fifty thousand dollars for any one year, to be paid in not more than two years from and after its creation. *Third*, on the occurring of any unforescen emergency, or casual defi-elency of the revenue, when the temporary liability incurred or to be incurred shall exceed the sum of two hundred and fifty thousand dollars for any one year, the General Assembly may submit an act providing for the loan, or for the contracting of the liability, and containing a pro-vision for levying a tax sufficient to pay the interest and principal when they become due (the latter in not more than thirteen years from the date of its creation), to the qualified voters of the State, and when the act so submitted shall have been ratified by a two-thirds majority, at an election held for that purpose, due publication having been made of the

election held for that purpose, due publication having been made of the provisions of the act for at least three months before such election, the act thus ratified shall be irrepealable until the debt thereby incurred shall be paid, principal and interest.

shall be paid, principal and interest. SECTION 45. (State's credit not to be loaned.) The General Assembly shall have no power to give or to lend, or to authorize the giving or lending of the credit of the State in aid of or to any person, asso-clation or corporation, whether municipal or other, or to pledge the credit of the State in any manner whatsoever, for the pay-ment of the liabilities, present or prospective, of any individual, association of individuals, municipal or other corporation whatsoever. SECTION 46. (Public money, grant of prohibiled.) The General Assem-bly shall have no power to make any grant, or to authorize the making of any grant of public money or thing of value to any individual, asso-ciation of individuals, municipal or other corporation whatsoever. *Provided*, That this shall not be so construed as to prevent the grant of wid in a case of public calamity.

sid in a case of public calamity.

The foregoing sections cover all phases of State indebtedness and so restrict action as to put the State beyond the chance of future debt embarrassment.

SECOND, with regard to cities and other municipalities, the provisions are in like manuer full and wisely constructed. There are three-section 47 in article 4, section 6 in article 9 and section 12 in article 10. We give them complete below.

47 In article 4, section 6 in article 9 and section 12 in article 10. We give them complete below.
ARTICLE 4, Section 47. (Municipalilies, loaning credit of.) The General Assembly shall have no power to anthorize any county, city, town or township, or other political corporation or sub-division of the State now existing, or that may be hereafter established, to lend its credit, or to grant public money or thing of value in aid of or to any individual, association or company.
ARTICLE 9, Section 6. (Municipalities not to subscribe to capital slock of corporations.) No county, township, city or other municipality shall hereafter become a subscriber to the capital stock of any railroad or other corporation or association, or make appropriation or others. All authority heretofore conferred for any of the purposes aforesaid by the General Assembly, or by the charter of any corporation, is hereby repealed. Provided, however, That nothing in this Constitution contained shall affect the right of any such municipality to make such subscription or association, or to its adoption, or to prevent the issue of renewal bonds, or the lace divided existing laws by a vote of the people of such municipality prior to its adoption, or to prevent the issue of renewal bonds, or the use of such other means as are or may be prescribed by law for the liquidation or payment of such subscription, or of any sub-division of the sub-divided to become indelted in any manner or for any purpose to an amount exceeding in any year the face of the voters thereof voting at an election to be hereafted ressenting indebtedness, if any diebtedness, in the sage such as because or pay easient of two the aggregate exceeding five per cathar suball of two the assention or sub-division of the state shall be allowed to be come indebtedness, in the sage such as because of renewal bonds, or the use of such other means as are or may be prescribed by law for the liquidation or pay meat of such the taxable allowed to be incurred to an amo

It is searcely necessary to add anything to the foregoing. The sections given make clear (1) that a municipality cannot loan its credit; (2) that at cannot subscribe to the capital stock of corporations; (3) that it cannot get into debt unless two-thirds of the voters voting at an election favor it, and then only to an aggregate of 5 per cent of valuation, except that with such assent any county may be allowed to become Indebted in'a larger amount for the erection of a court house or Jail, and finally (4) that before or at the time of getting the assent of the voters an annual tax must be provided sufficient to pay interest and form a sinking fund to pay the debt within 20 years. These provisions are certainly very conservative.

 POPULATION OF STATE.
 —The population of Missouri has been as follows in the years named.

 1890......2,679,184
 1860.....1,182,012
 1830....140,455

 1880.....2,168,380
 1850.....682,044
 1820....66,557

 1870.....1,721,295
 1840.....383,702
 1810.....19,783

 The proportion of the colored population was 6.70 per cent in 1880 and 5.75 per cent in 1890. In number blacks were 90,040 in 1850; 118,503 in 1860; 118,071 in 1870; 145.350 in 1880, and 154,131 in

 \$3,767,900

 Sinking funds......
 343,000
 312,900
 228,497
 227,900

Net debt.....\$3,375,900 \$3,415,000 \$3,499,503 \$3,540,000 The figures of total debt include the water debt, amounting in 1900 to \$3,062,000.

The city has no floating debt and the surplus income received by it from the water works, after paying all operating expenses and the annual interest on the entire city debt, is now about \$152,000.

A sinking fund is provided by the laws of Missouri calculated to extinguish the total debt of the city in about 20 years without reduc-ing the amount appropriated for current expenses and improvements and without increasing taxation.

ASSESSED VALUATION.—The city's assessed valuation and tax rate have been as follows:

Real	Personal	Merchants,	×	City Tax
Year. Estate.	Property.	Banks, etc.	Total p	
1899\$52,709,790	\$13.709,665	\$4,642,690	\$71,062,145	\$12.00
1898 50,454,365	13,216,725	4,138,495	67,809,585	12.00

GOLD BONDS.—All the city's bonds are payable, principal and in-terest, in gold, except the \$245,000 6s issued for purchase of Block 121-

INTEREST on all bonds is payable in New York City—on the Pur-chase of Block 121 6s, at the National Bank of the Republic; on the Park bonds at the National Bank of Commerce. Interest on the bonds payable in  $\pounds$  sterling, on those maturing in 1912, 1914 and 1915 and on the 3<sup>1</sup><sub>2</sub>s of 1909 and 1918, is payable at the National Bank of Com-merce, New York, or at the National Bank of Scotland (Limited), Lon-don, at the rate of \$4'8665 per pound sterling. Interest on all other bonds is payable at the National Bank of Commerce, N. Y., or at the office of J. S. Morgan & Co., London, at the option of the holder.

TOTAL DEBT, SINKING FUNDS, ETC.—The subjoined statement sbows St. Louis's total municipal debt and the water debt, &c.

Jan. 2, 1900. April 10,1899. April 13, 1896. Total bonded debt......\$18,916,278 \$19,392,278 \$20,647,711 Water, debt included...... 5,808,000 5,808,000 5,808,000 Note.—Under the charter the Municipal Assembly must appropriate \$1,200,000 annually with which to pay debt and the interest thereon. That portion of each annual appropriation not required for the pay-ment of the interest constitutes the sinking fund for redemption of the debt existing April 7, 1890, and bonds issued in renewal thereof. On the basis of renewing the eity's bonded debt at 4 per cent, the debt for which this sinking fund was established will be extinguished in 1927. 1927

CITY PROPERTY.—The city owns its water works, the revenue from which for water rates, permits, etc., for the fiscal year 1898-99 was \$1,379,361 and net operating expenses and cost of collecting water rates were \$521,250. In addition to the water works the city owns its hospitals, insane asylums and poor house, city hall, court house, jail, house of correction and work house, engine houses, markets, police stations, parks, etc.

ASSESSED VALUATION.—The city's assessed valuation (about 3-5 cash value) and tax rate have been as follows:

	Real Estate	-Oity	tax per \$1.	.000	Bonded,
	and Personal		New limit	Old	Debt.
Years.	Property.	Limits.	Increased	Limits	in April.

INTEREST on the Constitutional and Scttlement bonds is payable at the Seaboard Nat. Bank in N.Y.; on the 3<sup>1</sup>/<sub>2</sub> per cent refunding bonds at the Chase National Bank in New York; and on all other bonds at the Chemical National Bank in New York.

TOTAL DEBT (all bonded) Jan. 1, 1900, \$708,300; sinking and other funds available for payment of debt, \$242,389; net debt Jan. 1, 1900, \$465,911. State has taxes due and unpaid to an amount estimated at \$600,000, which when collected will be available for the payment of bonded indebtedness as well as for current expenses.

ASSESSED VALUATION.-The State's valuation has been as follows:

incurred except for the purpose of repelling invasion, suppressing in-surrection, or defending the State or the United States in war, and pro-vision shall be made by law for the payment of the interest annually, and the principal when due, by tax levied for the purpose, or from other sources of revenue; which law providing for the payment of such interest and principal by such tax tax or otherwise shall be irrepealable until such debt is paid; provided, however, the State of South Dakota shall have the power to refund the Territorial debt assumed by the State of South Dakota by bonds of the State of South Dakota. Dakota.

SEC. 3. That the indebtedness of the State of South Dakota, limited by section 2 of this article, shall be in addition to the debt of the Territory of Dakota, assumed by and agreed to be paid by South Dakota.

SEC. 4. The debt of any county, city, town, school district, or other subdivision, shall never exceed *five per centum* upon the assessed value of the taxable property therein. In estimating the amount of indebt-edness which a municipality or subdivision may incur, the amount of indebtindebtedness contracted prior to the adoption of this Constitution shall be included.

SEC. 5. Any eity, county, town, school district or any other sub-division incurring indebtedness shall, at or before the time of so doing, provide for the collection of an annual tax sufficient to pay the interest and also the principal thereof when due, and all laws or ordinances providing for the payment of the interest or principal of any debt shall be irrepealable until such debt be paid.

POPULATION OF STATE.—The population of South Dakota has been reported as follows in the years named. 1895.330,975 1890.328,808 1880.98,268 1870.\*14,181 1860.\*4,837

\* This is the total for both North and South Dakota.

TAX RATE.-In 1899 the tax rate (per \$1,000) was \$2.20.

DEBT LIMITATION.—South Dakota has incorporated into its Constitution very stringent provisions limiting the debt-making power of the State and its municipalities. All these provisions are found in Article XIII., and are as follows.

SECTION 1. Neither the State nor any county, township or munici-pality shall loan or give its credit or make donation to or in aid of any individual, association or corporation, except for the necessary support of the poor, nor subscribe to or become the owner of the capital stock of any association or corporation, nor pay or become responsible for the debt or liability of any individual, association or corporation; pro-vided that the State may assume or pay such debt or liability where in vided, that the State may assume or pay such debt or liability when in-curred in time of war for the defense of the State. Nor shall the State

engage in any work of internal improvement. SEC. 2. For the purpose of defraying extraordinary expenses and making public improvements, or to meet casual deficits or failure in rovenue, the State may contract debts never to exceed with previous debts in the aggregate \$100,000, and no greater indebtedness shall be

Secretary of State (term ends 2d Mon. Jan. 1901) - (	H. A. Clark
Treasurer (term ends 2d Monday Jan. 1901) F.	E. Grimes

Legislature meets biennially in odd years on the 2d Tuesday in January. There is no limit to length of sessions, but members can receive pay for only 50 days services in the aggregate.

INCIDENTS IN STATE ORGANIZATION, ETC.-See STATE AND CITY SUPPLEMENT of April, 1893, page 124, for the facts and statements heretofore given under this head.

HISTORY OF DEBT,-When Kansas was admitted into the Union as a State (in 1861) it had a bonded debt of \$150,000. The Constitution of 1859 limited the debt-making power to one million dollars (with certain restrictions and exceptions), as more fully described below. In 1866 the bonded debt was \$630,775, of which the State owned \$28,650. In 1878 the total bonded debt was \$1,181,975, of which the State owned \$713,600. The bonded debt Sept. 1, 1898, was \$632,000, all held by State funds. At present the debt is:

DEDT	1 INALTATION	Vanaoa	has he its	Constitution	airon the

DEBT LIMITATION, - Kansas has by its Constitution given the State power to contract public debts for the purpose of defraying extraordinary expenses and making public improvements in an amount not to exceed \$1,000,000. This limit, however, has two exceptions. First, the next section provides that it may be exceeded if the proposed law for creating such debt shall be submitted to a vote of the electors, and if the proposed law be ratified by a majority of the votes cast. Second, the section following provides that the State may borrow money to repel invasion, &c. We give these sections in full and also the subsequent one which forbids the State being a party to internal improvements.

ments. Debts, annual tax; proceeds. For the purpose of defraying extraordin-ary expenses and making public improvements, the State may contract public debts; but such debts shall never, in the aggregate, exceed one million dollars, except as hereinafter provided. Every such debt shall be authorized by law for some purpose specified therein, and the vote of a majority of all the members elected to each House, to be taken by the yeas and mays, shall be necessary to the passage of such law; and every such law shall provide for levying an annual tax sufficient to pay the generation shall only a shall specifically appropriate the proceeds of such taxes to the payment of such principal and interest; and such appropri-ation shall not be repealed nor the taxes postponed or diminished until the interest and principal of such debt shall have been wholly paid. Other debts. No debt shall be contracted by the State except as here-in provided, unless the proposed law for creating such debt shall first be submitted to a direct vote of the electors of the State at some general election; and if such proposed law shall be ratified by a majority of all the votes cast at such general election, then it shall be the duty of the Legislature next after such election to enact such law and create such debt, subject to all the provisions and restrictions provided in the pre-ceding section of this article. Borrow money. The State may horrow money to renel invasion.

cediug section of this article. Borrow money. The State may borrow money to repel invasion, suppress insurrection or defend the State in time of war; but the money thus raised shall be applied exclusively to the object for which the boan was authorized, or to the repayment of the debt thereby evented created.

Internal improvements. The State shall never be a party in carrying on any works of internal improvement.

MUNICIPAL indebtedness is not restricted by the Constitution at all. The only provision for the regulation of such matters contained in that Instrument is the following, requiring the Legislature to make general

TOTAL DEBT.—Bonded debt on Aug 1, 1899, was \$100,500 sinking fund, \$2.000. The city has no floating debt. This total does not include the internal improvement bonds, amounting to \$20,000 or \$1,000 sewer bonds payable by special tax on property adjoining.

laws and restricting the power to make debt in the case of cities, towns and villages.

*Cities.* Provision shall be made by general law for the organization of cities, towns and villages; and their power of taxation, assessment, borrowing money, contracting debts and loaning their credit, shall be so restricted as to prevent the abuse of such power.

Under the foregoing the legislation of Kansas has become so extensive that our limited space here does not admit of even a brief digest. The reader will, however, find the ground very fully covered in a series of articles which were published in the CHRONICLE, Vol. 53, pages 854 and 942, and Vol. 54, pages 42 and 128.

POPULATION OF STATE.-The population of Kansas has been as follows in the years named. Population in 1899 est. at 1,425,112. 1880..... 107,206

The proportion of the colored population was 4.33 per cent in 1880 and 3.59 per cent in 1890. In number blacks were 627 in 1860; 17,108 in 1870; 43,107 in 1880, and 51,251 in 1890.

ASSESSED VALUATION in 1899 of real estate was \$519,080; personal property, \$138,389; railroads, \$93,354; total, \$750,803; total tax per \$1,000 1898 was \$70.25. In 1893 the total valuation was \$1,131,086. Real estate is assessed at about 15 and personal property at about 13 of actual value.

**POPULATION** in 1890 was 8,347; in 1880 was 1,012; in 1895 lt was 6,904; in 1899 (estimated), 8,000.

# JUNCTION CITY.--{J. V. HUMPHREY, Mayor. T. W. DORN, Clerk.

This city is in Geary County.

# KANSAS CITY.--}R. L. MARSHMAN, Mayor. GEO. E. YEAGER, City Clerk.

This city is in Wyandotte County.

TOTAL DEBT ETC—The bonded debt on Sept. 1, 1898, was \$335,-000; sinking fund, \$30,000; net debt, \$305,000. This does not in-clude the internal improvement bonds, which are payable by special assessment, and which on July 1, 1898, amounted to \$782,276, or the Board of Education bonds, which amounted to \$782,276, or the Board of Education bonds, which amounted to \$205,871.

ASSESSED VALUATION as equalized by the State Board for 1898 was \$9,050,776 city tax rate (per \$1,000) 1899, \$21 50. Property is assessed at one-third of its actual value.

POPULATION in 1890 was 38,316; in 1880 was 3,200. The population in 1895 was 40,676; in 1898 (est.), 46,028.

KINGMAN.- I. P. CARPER, Mayor.

Kingman is in Kingman County.

GREAT FALLS SCHOOL DIST. No. 1.

Comprises about one-fourth of the entire county, and includes the city of Great Falls with all its suburbs.

HELENA.--{F. J. EDWARDS, Mayor. H. F. TILTON, Treasurer.

Helena is the county seat of Lewis and Clark County. On Jan. 18, 1900, this city voted to extend its limit of indebtedness to 5% over and above the 3% of the assessed valuation as provided for in the State Constitution.

LOANS-	When Due.	Bonded debt Mar. 8, '99.	\$542,000

4s, J&J, \$130,000	July 1, 1919		
Int, payable in New Y	fork & Helena.		

\* The floating debt mentioned above represents outstanding war-rants issued subsequent to Sept. 12, 1893, and accrued interest thereon at 7 per cent, which have been declared lilegal by the State Supreme Court. The Union Bank & Trust Co. of Helena has been appointed agent for the city to exchange *illegal* 3 per cent bonds for the war-rants. The city intends to preserve the warrants, to be returned to the original owners in the event that the city is enjoined from pay-ing the interest on these honds. ing the interest on these bonds.

HELENA SCHOOL DISTRICT NO. 1.—THOMAS E. GOODWIN, Clerk. --- This district is in Lewis and Clark Co.

The total State tax (per \$1,000) in 1899 was \$6.25

DEBT LIMITATION.—In Wyoming the provisions of the Constitu-tion with respect to debt contraction and limitation are quite volumin-ous. They are all found in Article 16 of that instrument, and indicate that the State is determined to preserve with care the conservative reputation which it enjoyed as a Territory. Citations from the laws of the State respecting debt limitation will be found on page 137 of the STATE AND CITY SUPPLEMENT of April, 1895.

POPULATION OF STATE.—Wyoming's population has been as follows in the years indicated:

1890......60,705 | 1880......20,789 | 1870......9,118 In 1870-80 increase was 11,671, or 128.00 per cent, and in 1880-90 39,916, or 192.01 per cent.

# State of Idaho.

DEBT, RESOURCES, ETC.

Organized as a Territory (Act March 3, 1863) - March 3, 1863
Admitted as a State (Act July 3, 1890) July 3, 1890
Total Area of State (square miles) 84,800
State Capital Boise
Governor (term ends 1st Monday Jan. '01) Frank Steunenberg
Secretary of State (term ends 1st Mon.Jan. 1901) - M. Patrie
Treasurer (term expires 1st Mon. Jan. 1901) L. C. Rice
Auditor (term expires 1st Mon. Jan. 1901) - B. Sinclair
Logislature mosts bioppially in odd yours on the Monday

Legislature meets biennially in odd years on the Monday after the 1st of January, and the length of sessions is limited to 60 days.

DEBT HISTORY.-Idaho as a Territory always kept its debt within moderate limits. When it became a State the bonded debt of the Territory was \$146,715 06. Of that amount \$46,715 06 was issued to pay floating debt, \$80,000 to pay for Capitol building and \$20,000 for an asylum. The condition of the State's debt now is set out with all the details below.

LOANS-	-In	lerest.		Princ	ipal.
				When Due.	
Asylum improvem't	5	J&	J	July 1, 1905-'15	\$25,000

do18		J &	J	July 1, 1903-'13	65,000
do18				June, 1904-'14	

INTEREST on the asylum improvement and normal school bonds is payable at the Chase National Bank, New York; on the 6 per cent wagon-road bonds by Wells, Fargo & Co., New York; on the refunding bonds at the office of the State Treasurer.

TOTAL DEBT, ETC.-The total bonded debt on Jan. 1, 1900, was \$425,500.

ASSESSED VALUATION.-In 1899 the total assessed valuation was \$46,548,313; in 1898 was \$30,423,671; in 1893, \$33,431,841, property being assessed at about 13 of its estimated true value. The tax rate per \$1,000 in 1899 was \$15.00 ; in 1893 it was \$8.50.

DEBT LIMITATION.-Idaho has placed limits in its Constitution upon the debt-making power both of the State and its municipalities. Though the provisions have a conservative tendency, they are not quite as strict as the Constitutional limitations of most of the other new States. For a digest of the laws respecting debt limitation in Idahe, see STATE AND CITY SUPPLEMENT of April, 1895, pages 138 and 139.

POPULATION OF STATE.-The population of Idaho has been as follows in the years named:

In 1870-80 increase was 17,611, or 117.41 per cent, and in 1880-90 51,775, or 158.77 per cent. The population in 1899, estimated, 150,000.

#### CITIES, COUNTIES AND TOWNS IN THE STATE OF IDAHO.

ADA COUNTY.-CHAS. S. KINGSLEY, Auditor. County seat is Boise City. Canyon County, created from part of Ada Co., is liable for 35.8 per cent of the bridge and court-house bonds debt.

County seat is Caldwell.

0-28, J&J, \$1 

(\$1,900 yearly) to 1906 | Population in 1896 about....4,500 INTEREST on 6s paid in Hailey; on all other bonds in New York. The above shows the debt for which Alturas County was primarily held, the bonds having been issued by Alturas County before the creation of Elmore and Logan countles and before the annexation of a part of Alturas to Bingham. When the Legislature parcelled out Alturas County it failed to provide for an apportionment of the debt. The amount which Alturas County will be required to pay is only about one-fifth of above amount, because the bonds pledged the tax-able property of the county as constituted at the time of issue, and be-fore the division of Alturas. Elmore, Logan and part of Bingham County were taken from Alturas County in 1889.

## BANNOCK COUNTY .-

# Arizona Territory.

DEBT, RESOURCES, ETC.

Organized as a Territory (Act. Feb. 24, 1863) - Feb. 24, 1863
Total area of Territory (square miles) 113,020
Territorial Capital Phœnix
Governor (term expires Sept. 1, 1901) N. O. Murphy.
Secretary (term expires July 1, 1901) Chas. H. Akers
Treasurer T. W. Pemberton
Legislature meets biennially in odd years the third Monday
in January, and sessions are limited to 60 days.

In 1891 arrangements were perfected through an act of Congress to fund all the Territorial, county and municipal indebtedness of this Territory at five per cent, and as fast as any portion of the debt matures it is to be replaced by a five per cent lean.

When Due. Tax valuation, real. .. \$10,738,825 Tax valuat'n, personal. 1,905,289

DEBT LIMITATION.-Municipal indebtedness as well as State debt is carefully regulated in the Constitution of California. The section which relates to the bonding of counties, cities, towns, etc., has been amended, the amendment having been adopted February 25, 1891. Nothing in explanation of the provisions needs to be said, as the sec-tions of the Constitution treating of this subject are all very plain and comprehensive; they will be found in the STATE AND CITY SUPPLE-MENT of April, 1895, page 146.

POPULATION OF STATE.—The population of California has been as follows in the years named.

1890	1,208,130	1870	560,247	1850	92.597
1880			379,994		í.

In 1860-70 increase was 180,253, or 47.44 per cent; in 1870-80 304,447, or 54.34 per cent; and in 1880-90 343,436, or 39.72 per cent The number of Chinese in the population was 71,681 in 1890 and 75.120 in 1890 and 75,132 in 1880.

SACRAMENTO.-A. L. FROST, Treasurer. This city is the county seat of Sacramento County and the capital of the State. The original debt was a little less than \$1,600,000, being four series of 6 per cent bonds, issued in 1858, and falling due in 1888, 1893, 1898 and 1903 The flood of 1861-1862 destroyed half of the property values, and the coupons had been delinquent for a dozen years. In 1872 a Funded Debt Commission (abolished by Legislative Act of 1899) was created and received from the city a gift, or capital, of \$212,080 80. With this it bought bonds and coupons, and collected from the city as other creditors did and re-invested in more bonds and coupons. In 1899 the Commission was ordered by decree of Court to cancel \$1,411,167 60 of the bonds and coupons at par. 35,851,652 The tax rate for city and county purposes for 1899-00 was \$10.29 and for State purposes \$6.01 per \$1,000 of valuation. The amount of taxes levied in 1898-99 for city and county purposes (exclusive of railroads assessed by the State Board of Equalization, \$189,454) was \$4,643,894: for State purposes was \$1,719,439: total amount of taxes, \$6,363,333. The estimated revenue for city and county purposes from other sources than taxation was \$1,443,515.

POPULATION in 1890 was 298,997; in 1880 it was 233,959; in 1870 it was 149,473. For 1898 the population is estimated at 350,000.

#### SANTA CRUZ.-

SANTA CRUZ.— This eity is in Santa Cruz County. The eity has been in litigation over its 5 per cent refunding bonds (issued April 16, 1894), which it refused to pay, they having been purloined, but on Sept. 28, 1898, the United States Circuit Court held the entire issue of \$360,000 bonds invuld as between the city of Santa Cruz and purchasers of the bonds having notice of the facts constituting their invalidity, but also held that the eity was estopped by recitals contained in the bonds, from denying their validity in the case of innocent purchasers for value. Upon this ground the court rendered judgment against the city for the amount of principal and interest due upon such bonds as were purchased upon the faith of recitals contained therein and without notice or knowledge of their invalidity. The munidiality received no consider-ation whatever for these bonds. The United States Circuit Court of Appeals, however, on Dec. 5, 1899, declared that the entire issue was void, on the ground that there was a flaw in the bonds themselves which the purchasers should have investigated before buying. V. 69, p. 1260. The city is in litigation also over \$225,000 5 per cent water bonds issued Jan. 16, 1889, but in this case having received value for the bonds has been disposed to pay maturing principal and interest, notwithstanding their supposed invalidity. This payment, however, is resisted by certain tax payers. Recognized debt Oct '98.\$155,293 | Population in 1890 was.....5,596

INTEREST is payable at Weaverville.

# State of Oregon.

DEBT, RESOURCES, ETC.

Organized as a Territory (Act Aug. 14, 1848) - A	Aug. 14, 1848
Admitted as a State (Act Feb. 14, 1859) -	Feb. 14, 1859
Total area of State (square miles)	- 96,030
State Capital	- Salem
Governor (term ex. 2d* Monday Jan. 1903), -	T. T. Geer
Secretary of State (term ex. 2d Mon. Jan. 1903), F	F. I. Dunbar
Treasurer (term ex. 2d Mon. Jan. 1903) -	C.S. Moore

\* The Legislature does not always canvass the vote for Governor immediately upon its meeting, and the Governor's term runs until his successor is declared elected.

Legislature meets biennially in odd years on the second Monday in January, and there is no limit to length of sessions; but members of the Legislature can draw pay only for 40 days' services in the aggregate.

HISTORY OF DEBT.—For history of Oregon's State debt see STATE AND CITY SUPPLEMENT of April, 1894, page 147. To-day Oregon practically has no debt. There are some little left-over lotsthatgo by that name, in the aggregate amounting to \$1,829.79, which the State is ready and would be very glad to pay, but cannot get them in. Interest on these ceased prior to December 31, 1896. On January 1, 1900, \$12,869 of general fund and \$32,946 of Scalp County fund warrants were outstanding, in addition to which there are \$36,344 of swamp land warrants, payable out of the proceeds of sales of swamp lands, redeemable on call of the Treasurer. On Jan. 1, 1900, the amounts held in the irreducible trust funds was as follows: School fund, \$3,199,302: Agricultural College fund, \$140,694, and University fund, \$101,398.

VALUATION.—The gross valuation according to the returns of the county boards of equalization for 1899 was \$128,373,108; exemptions, \$8,090,229; net taxable valuation, \$120,252,879. State tax rate (per \$1,000), 1899 was \$6:30.

DEBT LIMITATION.—Oregon framed and adopted its Constitution in 1857. It is quite a notable fact that the people of the State are to-day living under that instrument in the precise form in which it was originally adopted, for there never has been an amendment made to it. The provisions with respect to debt limitation will be found on pages 150 and 151 of the STATE AND CITY SUPPLEMENT of April, 1895.

POPULATION OF STATE.—The population of Oregon has been as collows in the years named:

#### CITIES, COUNTIES AND TOWNS IN THE STATE OF OREGON.

NOTE.—For places nol given in alphabetical order among the following statements, see "additional statements" at the end of this State.

#### ASTORIA.—Astoria is in Clatsop County.

Go ILD 6s, M&N, 56,500.....May 1, 1901

\* These bonds are payable, principal and interest, from the water rates, not from taxation.

INTEREST on the general bonds due in 1910 is payable by Blair & Co., New York; on the general bonds due June 1, 1921, the boulevard bonds and the park bonds, at the Chemical National Bank, New York; on the light bonds in New York; on the water bonds due in 1921 in Chicago; on all other bonds in Portland.

GOLD PAYMENT.-Both principal and interest are payable in gold. TOTAL DEBT-The city's bonded debt on Jan. 1, 1900, was \$5,429,336, including the water debt of \$3,150,000; sinking fund, \$55,714; net debt, \$5,372,622.

DEBT LIMITATION.—Portland's charter limits the city's debt to the present debt, and floating or warrant debt is prohibited.

ASSESSED VALUATION in 1899 was \$28,567,611, property being assessed at about 30 per cent of its actual value; city tax (per \$1,000) was \$8.00; total tax (per \$1,000) \$36.00.

WATER WORKS.—The water works are self-sustaining. The amount invested in the entire plant to Jan. 1, 1900, was \$3,906,818.

**POPULATION.**—The population in 1890 was 46,385; in 1880 was 17,577. The total population of Portland, East Portland and Albina in 1890 was 62,046; in 1895 it was 81,342. In 1900 (est.) 90,000.

PORTLAND SCHOOL DISTRICT.-H. S. ALLEN, Clerk.

STATE DEBT.-The Washington State debt is described in detail below. The North American Trust Co. is now (1900) the New York fiseal agent for the State of Washington.

LOANS NAME AND PURPOSE. Funding, April 1, 1890, gold. 3<sup>1</sup>2g. Apr. 1 Apr. 1, 1905 School fund bonds, 1899..... 3<sup>1</sup>9 All bonds subject to call at any time. Principal.-Outstand'g. \$220,000 500,000

INTEREST is payable at the office of the State Treasurer in Olympia TOTAL DEBT.-The total bonded dobt on March 1, 1900, was \$220,000 (not including the \$500,000 bonds issued for investment of the Permament School Fund), and the floating debt on July 1, 1899 was \$1,472,983.

ASSESSED VALUATION .- The assessed valuation, equalized by State board, for 1899 of real estate was \$172,129,311; personal proporty, \$36,507,245; railroads, \$20,500,983; total, \$229,137,539. The following statement shows the total assessed valuation of the State for the years indicated. The tax rate (per \$1,000) for 1899 was \$6.65. including \$3.75 for school purposes.

provides the method in which additional debt may be created. These sections are all found in article 8, and were given in the STATE AND CITY SUPPLEMENT of April, 1895; page 152. SECOND, Counties, Oities, Towns &c. are more rigorously guarded. The whole system as to municipalities is found in section 6 of article 8, though section 7 is also important, as it forbids counties, cities &c. giving money or loaning credit to any corporation &c. Sections 6 and 7 will be found on page 152 of the April, 1895, SUPPLEMENT.

POPULATION OF STATE.—The full record of population of Washington as far back as it goes is given in the following.

1899 (est.)....450,000 | 1890......349,390 | 1870.....23,955-1892......395,589 | 1880......75,116 | 1860.....11,594

The State tax rate (per \$1,000) for 1898 was \$9.20.

DEBT LIMITATION,-Nevada has in its Constitution limited the State to a nominal indebtedness, except for the purpose of "defraying extraordinary expenses" arising from invasion, war, etc.; and in such cases the law shall provide an annual tax sufficient to pay the interest semi-annually and the principal within twenty-years. Further the State is forbidden ever to assume the debt of any county, city, etc., or to donate or loan its money or credit, or to subscribe to the stock of any company, etc.

Counties, cities, towns etc. cannot become stockholders in any company, or loan their credit, etc. But other than that the Constitution omits to put any limit on county, city, etc., debts; but provides that the Legislature shall make general laws restricting their borrowing power. The Constitutional provisions referred to are as follows:

ARTICLE IX., SECTION 3. [State debt limited.] For the purpose of enabling the State to transact its business upou a cash basis from its organization, the State may contract public debts, but such debts shall never in the aggregate, exclusive of interest, exceed the sum of three hundred thousand dollars, except for the purpose of defraying extra-ordinary expenses, as hereinafter mentioned. Every such debt shall be authorized by law for some purpose or purposes, to be distinctly speci-fied therein, and every such law shall provide for levying an annual tax sufficient to pay the interest semi-annually and the principal within sufficient to pay the interest semi-annually and the principal within twenty years from the passage of such law, and shall specially appro-priate the proceeds of said taxes to the payment of said principal and interest; and such appropriation shall not be repealed, nor the faxes be postponed or diminished, until the principal and interest of said debts shall have been wholly paid. Every contrast of indebtedpass entered shall have been wholly paid. Every contract of indebtedness entered into or assumed by or ou behalf of the State, when all its debts and liabilities amount to said sum before mentioned, shall be void and of no effect, except in cases of money borrowed to repel invasion, suppress insurrection, defend the State in time of war, or, if hostilities be threatened, to provide for the public defense.

association whatever, or loan its credit in aid of any such company, corporation or association, except railroad corporations, companies or associations.

SECTION 8. [Cities and towns to be restricted by general laws]. The Legislature shall provide for the organization of cities and towns by general laws; and restrict their powers of taxation, assessment, bor-rowing money, contracting debts, and loaning their credit, except for procuring supplies of water.

POPULATION OF STATE.-Though Nevada has some good grazing land, the mining industry, more particularly silver mining, has had chlef attention, and with the decline of this, population has also declined, the Census of 1890 showing a total of only 45,761 persons, against 62,266 in 1880. The famous Comstock lode is located within Nevada, but the silver production of the State has greatly fallen off in recent years. The full record of population is as follows:

1890 .....45,761 | 1880 .....62,266 | 1870 ......42,491 | 1860 ......6,857

Legislature meets biennially in odd years on the first Wednesday in December, and sessions are limited to 90 days, but may be extended for a further period not exceeding 30 days, provided three-fifths of the members elected to each house concur.

\* These officials are elected by the General Assembly and hold office for two years.

STATE DEBT.-For a detailed report of the Virginia debt as it stood prior to 1892, and for the history of the debt settlement made by and between the Virginia Debt Commission and the Bondholders. Committee, see the STATE AND CITY SUPPLEMENT of April, 1893, pages 151 and 152. Other items of interest with reference to the Virginia deb<sub>t</sub> will be found in the CHRONICLE as follows: Vol. 56, p. 636, 802; V. 57 p. 155, 190, 565, 733, 950, 1053; V. 58, p. 232, 274, 315, 357.-V. 66, p. 392.-V. 67, p. 333.-V. 68, p. 196, 241.

On Oct. 1, 1899, Virginia's debt stood as shown below:

ever, another opportunity to fund the bonds was given. By this Act bondholders had until July 1, 1898, to come in and accept the terms, and power was given the Commissioners of the Sinking Fund to extend the time until Dec. 31, 1898. By Act of Feb. 3, 1900, the time has again been extended, this time to July 1, 1900, with authority to still further extend it to Jan. 1, 1901. Bonds were to carry interest from the semi-annual period next preceding the date of funding. Under the old law coupon bonds once converted into registered certificates were not re-convertible into coupon bonds, but the 1892 Act makes coupon and registered bonds interchangeable.

and registered bonds interchangeable. WEST VIRGINIA CERTIFICATES.—In the settlement of 1871 it was assumed that West Virginia should provide for one-third the prin-cipal and interest of the then existing debt, that is \$15,239,370 out of the total debt of \$45,718,112. To represent, therefore, West Vir-ginia's share of bonds funded "deferred certificates" were issued. All efforts, however, to induce West Virginia to take recognition of these certificates have thus far been unavailing. In 1885 the holders of about \$3,000,000 certificates united for the purpose of obtaining a comprom-ise, and deposited their holdings with the Farmers' Loan & Trust Com-pany, which gave its trust receipts therefor. This attempt came to nothing, and in 1890 Messrs. C. Satterthwaite & Sons, of No. 30 Throg-morton Street, London, E. C., started another movement to bring about a settlement. a settlement.

morton Street, London, E. C., started another movement to bring about a settlement. An adjustment company, with the Mereantile Trust & Deposit Com-pany of Baltimore at its head, was formed late in 1893 for the purpose of making an attempt at the settlement of the West Virginia certificates. See CHRONICLE, Vol. 57, page 819; Vol. 58, pages 51, 314 and 444. In August, 1898, another movement was started, this time under the leadership of Messrs. Brown Bros., with the same object in view, and that movement is now being vigorously pushed. The plan provides for ascertaining the exact amount of the old Virginia debt with which West Virginia is justly chargeable (subject to certain limitations), and then compromising that amount at the same percentage at which Vir-ginia compromised the two-thirds of the original Virginia debt, namely, 60 per cent for principal and 304 per cent for interest. (See the edi-torial article in STATE AND CITY SUPPLEMENT for Apri), 1899.) The Legislature of Virginia in March, 1900, passed a bill anthorizing the State Debt Commission to take such action and Institute such pro-ceedings as may be deemed proper to protect the State's interests and to bring about a settlement with West Virginia bonds had been sur-rendered, and "deferred certificates" been given to represent West Virginia's one third, under the acts of 1871 and 1879, these acts were repealed. The remaining bonds were refunded under other laws. These laws required a certificate to represent one-third the *principal* of the old bonds brought in for funding, but gave "non-interest-bearing certificates" to represent one-third the *interest* on old bonds. The fol-lowing sho ws the amounts of each issue: LOANS-NAME AND PURPOSE

LOANS--Interest.--Principal.-

Nore.-Since Oct. 1, 1899, \$345,000 century bonds have been pur-chased by the Sinking Fund.

The interest on the Century bonds is 2 per cent for the first 10 years (or until July 1, 1901,) and 3 per cent thereafter. Both issues are exempt from taxation.

# State of West Virginia.

#### DEBT, RESOURCES, ETC.

Admitted as a State (Act Dec. 31, 1862)	-	J	une 20 1863
Total area of State (square miles) -	-	-	- 24,780
State Capital	-	-	Charleston
Governor (term expires March 4, 1901)	-	G. V	V. Atkinson
Secretary of State* (term exp. Mar. 1901	) W1	m. M.	O. Dawson
Treasurer (term expires March 4, 1901)	-	M.	A. Kendall
Auditor (term expires March 4, 1901)	- 3	L. M.	La Follette

Legislature meets biennially in odd years ou the second Wednesday in January: sessions are limited to 45 days, but may be extended provided two-thirds of the members elected to each house concur.

\* Secretary of State is appointed by the Governor.

TOTAL DEBT.-This State has no debt. In the settlement of the Virginia debt one-third was set apart as the share belonging to West Virginia, but this has never been recognized by the latter State. Various movements to secure recognition have been started from time to time, and one such movement is now in progress; for details see remarks under State of Virginia.

The proportion of the colored population was 4.19 per cent in 1880 and 4.39 per cent in 1890. In number blacks were 17,980 in 1870, 25,-386 in 1880 and 33,508 in 1890.

The city's total resources on Jan. 23, 1900, were \$484,699 43, in. cluding \$161,500, the value of school buildings, and \$186,100, the value of other public buildings.

TAX FREE,-Bonds due 1906 are free from taxation.

# MEMPHIS.--{JOS. J. WILLIAMS, Mayor. W. B. ARMOUR, Secretary.

Multiply 111.3.— (W. B. ARMOUR, Secretary. Memphis is the County seat of Shelby County. A yellow fever epidemic in 1878 rendered the city unable to meet its obligations, and in 1879 the city's charter was repealed and the Taxing District of Shelby County was organized for the purpose of securing a compromise with the bondholders on such terms as the city felt able to make. The courts, however, held that the Taxing District was liable for the entire debt of the city, and a compromise at 50 per cent was then arranged for under the act of March 1883. This act was amended in 1885. The old debt has been all retired and interest payments on the new Issues are promptly made. In 1891, by an act of the Legislature, this dis-trict was again incorporated as a city.

# State of North Carolina.

#### DEBT, RESOURCES, ETC.

	Admitted as a State One of Original Thirteen
	Total area of State (square miles) 52,250
1	State Capital Raleigh
1	Governor (term expires Jan. 1, 1901) - D. L. Russell
	Secretary of State (term exp. Jan. 1, 1901) - Cyrus Thompson
	Treasurer (term expires Jan. 1, 1901) W. H. Worth

Legislature meets biennially in odd years on the Wednesday after the first Monday in January, and there is no limit to length of sessions, but if sessions are continued longer than 60 days members "shall serve without compensation."

STATE DEBT.—The old debt, excepting such as is not recognized, has mostly been funded under the funding laws of 1879, the time pres-cribed for the exchange baving been extended to January 1, 1901. These laws provided for the issue of (1) consolidated 4 p. c. bonds due in 1910 to fund old ante-war bonds at 40 per cent of face value, "New" railroad bonds recognized as valid at 25 per cent, and bonds of 1866 and 1868 at 15 per cent, nothing being given for overdue coupons; and (2) for new consolidated 6 per cent bonds due in 1919, for which the North Carolina RR. construction bonds were made exchangeable at par, holders of construction bonds abating \$240 of overdue interest on

5s,, \$45,000	holders of construction bonds abating \$240 of overdue interest on each \$1,000 bond. The new bonds, both 4s and 6s, carry tax-receivable
	coupons, and are exempt from "all State, county or corporate taxation
SEVIER COJOHN CHANDLER, Clerk.	or assessment, direct or indirect, general or special." An amendment to the State Constitution passed by the Legislature
Sevierville is the county seat.	in 1879 and ratified by popular vote in 1880, forbids the General

RAILROAD BONDS—         Population in 1890 was112,740           6s,, \$391,000         Population in 1897 (est )150,000	Bonds of 1889- P ison debt bond, 4s J & J Jan. 1, 1909 110,000

Tax valuation 1899...\$39,523,507

Prison farm bonds, 48..... J & J Jan. 1, 1909

60,000

Consols 6 p

PAR VALUE OF BONDS.—The consolidated 4s are \$50, \$100, \$500 and \$1,000; the consolidated 6s \$1,000 each. The prison bonds are for \$100, \$500 and \$1,000 each.

INTEREST on the consolidated 4s and 6s is payable in New York at the National Bank of the Republic and in Raleigh.

TOTAL DEBT RECOGNIZED AND TOTAL ADJUSTED.-The funding act of March 4, 1879, was extended to Jan. 1, 1901. The recognized fundable debt which has been funded and the recognized fundable debt which has not been funded are as follows:

	Funded.	Not funded
per cent	\$2,720,000	\$25,000
per cent	3,379,450	232,320

Consols 4 1 To the foregoing we should add the further fact that the State does not have to raise money for the interest on the six per cent bonds for the reason that the lease of the North Carolina Railroad provides a fund for the payment of the interest thereon, and the State holds three millions in the stock of the road, which if sold will much more than pay the principal pay the principal.

ASSESSED VALUATION.—The State's assessed valuation (about 60 per cent of cash value) and tax rate have been as follows. 'The total valuation for 1899, not including railroads, was \$252,891,827:

				Tax
Years, Reat Estate,	P ersonal.	Railroads.	Total.	Rate.
1898.\$155.280.169	\$76,967,160	\$33,619,868	\$265,867,197	\$1.30

#### ADDITIONAL STATEMENTS.

# State of South Carolina.

DEBT, RESOURCES, ETC.

- - - - Columbia-State Capital --Governor (term expires Jan. 18, 1901) - - M. B. McSweeney Secretary of State (term expires Jan. 18, 1901) - M, R. Cooper Treasurer (term expires Jan. 18, 1901) - W. H. Timmerman

Legislature meets annually on the second Tuesday in January, and after the session of 1899 the term will be limited to forty days.

HISTORY OF DEBT.—For history of South Carolina's debt from 1794 to 1893 see the STATE AND CITY SUPPLEMENT of April, 1893, pages 163 and 164. The State debt on January 1, 1899, consisted of the following items:

LOANS-	-Interest Prin	
NAME AND PURPOSE.	P. Ct. Payable. When Due.	Outstand'g.
NAME AND PURPOSE. B'nds to ref. brown consols '92	2 4 <sup>1</sup> <sub>2</sub> J & J Jan. 1, 1933	\$5,573,626

Agricul. Col. Scrip-two pieces		
Clemson College stock, 1891.		
BONDS FUNDABLE INTO BRO		
Various old bonds		350,208

PAR VALUE OF BONDS—The brown consols, the brown bonde •xchangeable for the same and the blue bonds are all for \$500 and \$1,000.

INTEREST is payable in New York at the National Park Bank; in Columbia, South Carolina, at the State Treasury; and in Charleston at the South Carolina Lean & Trust Company.

TOTAL DEBT.—The total valid bonded debt on January 1, 1900, was \$6,844,967, including \$350,208 yet to be funded, and much of which may never be presented.

ASSESSED VALUATION.—The State's assessed valuation and tax rate at different periods are shown in the table below.

1 2000 000 00-	Torono Long		THE PLACE CONTINUE TO A		
	Real	Personal			Tax per
Years.	Estate.	Property.	Railroads.	Total.	\$1,000.

1890. 8	8,416,367	44,280,171	17,905,913	150,602,451	5.25
1880. 7	6,583,666	36,574,858	7,392,900	120,551,624	4.75

STATE PROPERTY.—The State owns valuable deposits of phosphates, but its revenue from the mining of them, after increasing from \$196.698 in 1886 to \$237,149 in 1890, fell to \$23,522 in 1898.

POPULATION OF STATE.—The population of South Carolina has been as follows in the years named:

The proportion of the colored population was 60.70 per cent in 1880 and 60.16 per cent in 1890. In number blacks were 393,944 in 1850, 412,320 in 1860; 415,814 in 1870; 604,332 in 1880; 692,503 in 1890.

#### CITIES, COUNTIES AND TOWNS

tax, \$26.50; school tax, \$1.00; total, \$38.1212.

POPULATION.—In 1890 population was 54,955; in 1880 it was 49,984. According to local figures the population in 1899 was 67,000.

#### COLUMBIA.-

Columbia is the capital of the State and the county seat of Richland County. In 1880 the city funded the entire amount of its debt (prin-cipal and overdue interest) into the first issue of bonds below de-scribed. The water bonds, seenred by first mortgage on water works costing over \$400,000, were issued in 1891 for improvements.

LOANS-NAME AND PURPOSE. New city funded debt, 1880. Water bonds (1st mort.), 1891. Cl. Payable. Principal. When Due. Outstand'g. When Due. Outstand'g. July 1, 1910 \$852,186 J & J Jan. 1, 1921 75,000 PAR VALUE OF BONDS is \$100, \$500 and \$1,000.

INTEREST.—The bonds hore 2 per cent interest till July 1, 1891, and will bear 3 per cent till July 1, 1900; thereafter 4 per cent. This interest is payable at the City Treasury. The coupons are tax-receiv-able except for water rents.

BONDED DEBT at the date of our last returns was \$852,186.

DEBT LIMITATION.—The city cannot create a debt in excess of one-eighth the assessed valuation of city property.

ASSESSED VALUATION.—The eity's assessed valuation (about <sup>1</sup><sub>2</sub> cash value) and tax rate have been as follows:

	Real	Personal	Total Ass'd	Tax per
Years.	Estate.	Property.	Valuation.	\$1,000.

charge of his duties from the time of his inauguration. The ceremony of charge of instanties from the time of his inauguration. The ceremony of inauguration shall take place during the first week of the session of the General Assembly next after the election, and on such day of that week as the General Assembly by joint resolution appoints. On failure of appointment, it takes place at 12 o'clock, meridian, on Saturday of that week, unless prevented by providential causes." Article V., section 2, paragraph 1 of the Constitution says that the Sceretary of State, Comp-troller-General and Treasurer shall "hold their offices for the same time as the Governor" time as the Governor."

HISTORY OF DEBT.-The details of Georgia's early history in debt-making will be found in the STATE AND CITY SUPPLEMENT for April, 1893, pages 165 and 166. The debt of the State is now being steadily reduced, \$100,000 being devoted each year to that purpose. Moreover the State Constitution adopted in December, 1877, provides against the creation of any bonded debt "except to repel invasion, suppress insurrection, or defend the State in time of war," \$200,000 being made the limit for floating in debtedness which may be temporarily incurred in ease of deficiency ia the revenues.

State University bonds fall due as follows: \$3,000 July, 1932; \$61,-000 April, 1933; \$1,000 May, 1933; \$96,000 April, 1934; \$86,000 June, 1935; \$6,000 July, 1935; \$1,000 January, 1936; \$1,000 April, 1936; \$15,000 February, 1939; \$3,000 October, 1940; \$2,500 July, 1942, and \$7,000 in July, 1946.

PAR VALUE OF BONDS.-Bonds are in pieces of \$500 and upwards. INTEREST on the university bonds is payable at the State Treasury in Atlanta, and all others at Atlanta, Ga., and at the National Park Bank, New York City.

TAX FREE,-All of the above-mentioned bonds are tax exempt.

BONDED DEBT.—The valid bonded debt of the State of Georgia on March 1, 1900, was \$7,836,000, of which \$7,831,500 was interest-bearing and \$4,500 was past due and non-interest bearing. The contingent liabilities of the State on the same date were \$464,000 of South Georgia & Florida RR. bonds, indorsed by the State of Georgia.

STATE PROPERTY.—The State owns the Western & Atlantic RR., extending from Atlanta, Ga. to Chattanooga, Tenn., 138 miles, and has leased it for 29 years from December 27, 1890, to the Nashville Chatta-nooga & St. Louis RR. Company at a rental of \$420,012 per annum.

DEBT LIMITATION.—"The bonded debt of the State shall never be increased except to repel invasion, suppress insurrection or defend the State in time of war." (Constitution of 1877, Art. IV, Sec. 12, Par. 1.

State in time of war." (Constitution of 1877, Art. IV, Sec. 12, Par. 1. COUNTIES. CITIES. &c. The State Constitution of 1877, Article VII, Section VII, limits the indebtedness to seven per cent of the assessed valuation. The paragraph reads as follows: "The debt hereafter incurred by any county, municipal incorporation or political division of this State, except as in this constitution provided for, shall not exceed seven per centum of the assessed value of all taxable prop-erty therein, and no such county, municipalities or division, shall incur any new debt, except for a temporary loan or loans to supply casual deficiencies of revenue, not to exceed one-fifth of one per centum of the assessed value of taxable property therein, without the assent of two-thirds of the qualified voters thereof, at an election for that purpose to be held as may be prescribed by law; but any city the debt of which does not exceed seven per centum of the assessed value of the taxable property at the time of the adoption of this Constitution may be authorized by law to increase, at any time, the amount of said debt, three per centum upon such assessed valuation."

MUNICIPAL BOND ISSUES.—In December, 1897, a very important law governing issues of bonds by counties, municipalities and other civil divisions in Georgia was passed. This law provides for having the Superior Court determine the validity of proposed bond issues, and judgment in the affirmative having been given, the bonds thereafter can never be called in question. See CHRONICLE of January 15, 1898 15, 1898.

ASSESSED VALUATION. -- The State's assessed valuation (which is not over 50 p. c. of actual value) and tax rate have been as follows:

INTEREST on the \$18,000 water bonds and on the \$35,000 lm-provement bonds is payable at New York or at Americus; on all other bonds by Hambleton & Co., Baltimore, Md.

TAX FREE.-All of the city's bonds are exempt from taxation.

ATHENS.— {E. I. SMITH, Mayor. W. W. TURNER, Treasurer. Athens is the county seat of Clark County. This city has never failed in the payment of principal or interest of its debt. On January 1, 1900, the corporation owned property valued at \$278,500.

PAR VALUE OF BONDS.—The bonds of this city are in pieces of \$100, \$250, \$500 and \$1,000 each.

TAX FREE.-All of the city's bonds are exempt from city tax. OPTIONAL. - None of the bonds are payable before maturity.

INTEREST is payable in Augusta, and all coupons are tax-receivable

TOTAL DEBT, ETC.—The city has no floating debt. The following statement shows Augusta's total bonded debt (including the water debt) on the first of January of each of the years mentioned except 1897, which is for May 1.

Years.	Bonded debt.	Years B	onded debl.		onded debt.
1900	\$1,752,300	1894	\$1,750,800	1880	\$2,039,000
1899	1.749.800	1893	1,750,800	1877	2,014,750
1898	1,750,800	<b>1</b> 892	1,751,300	1872	1,383,750
1897	1,749,800	1891	1,748,800		
1895	1,752,800	1883	2,061, 00		

DEBT LIMITATION.—The Constitution of the State of Georgia adopted in 1877, limits municipal indebtedness in this State to 7 per cent on the amount of taxable property. Augusta's debt at that time was in excess of that limitation and still is. Therefore under no cir-cumstances can the debt of the city be increased. No bonds can be lawfully issued except for the purpose of retiring old issues as they fall due. No obligation of this city has ever been repudiated or scaled.

CITY PROPERTY.—The city owns its water works, valued in 1900 at \$1,000,000, the Augusta Canal, valued at \$2,000,000, and \$300,000 in other good real estate within city limits. The net annual in-come from water rents (canal and water works) was reported in 189; as \$95,588:52 and increases yearly from new industries and new extensions of water mains extensions of water mains.

ASSESSED VALUATION.—The city's assessed valuation and tax rate have been as given below. In 1897 the assessed valuation of all real estate was reduced 10 per cent and in 1899 and in 1900 5 per cent was deducted.

	Real	Personal	Total Assessed	Oily lax.
Years.	Estate.	Property.	Valuation.	per \$1000
1900	\$13,063,301	\$5,493,097	\$18,556,398	\$12.50
1899	13,536,602	5,243,474	18,780,076	12.50
1898	14,321,235	5.076.043	19,397,278	12.50
1897	14,146,688	5,050,010	19,196,698	12.50
1896	15,940,612	5,370,849	21,311,461	12.50
1895	16,588,350	5,931,832	<b>2</b> 2,520,182	12.50
1891	16,041,973	5,309,326	21,351,299	12.50
1880	9,010,960	5,028,107	14,039,067	15.83 <sup>1</sup> 3

The total tax rate in 1899 was \$24.76 per \$1,000. This includes State tax, \$5.36; county tax, \$4.70; school tax, \$2.20, and city tax proper, \$12.50.

POPULATION.—In 1890 population was 33,300; in 1880 it was 21,891; in 1900 (Board of Health estimate), 57,000.

INTEREST is payable at the office of the City Treasurer.

TOTAL DEBT, all bonded, on Jan. 1, 1900, was \$461,500. The eity has assumed the payment of \$4,000 of 6 per cent Chappel College bonds, due in 1903, in addition to the above.

TAX FREE.-The eity's bonds are exempt from taxation.

CITY PROPERTY.—The city owns real estate and improvements valued at \$256,500.

TAX VALUATION (about 80 % actual value) in 1900 of real estate was 6,964,620; in 1899 it was 6,372,015; personal property, 53,501,-678; total (1899), 59,573,693. The city and school tax (per 51,000) in 1900 was 511.00; State and county tax, 56.30. The valuation of personal property assessed in 1890 was only 5201,060.

**POPULATION** in 1890 was 17,303; in 1880 it was 10,123, According to local figures the population for 1900 was estimated at 20,000.

#### FLOYD COUNTY.—J. B. HILL, Treasurer.

County seat is Rome.

#### GAINESVILLE.-G. P. BOONE, Clerk.

County seat of Hall County. In July, 1897, the city refused to pay the interest on the \$20,000 of railroad bonds due in 1901, on the ground that the bonds were issued illegally. The matter was investi-gated, with the result that the eity authorities became satisfied of the legality of the issue, and then the coupons were all paid off with interest from the date they became due.

1876		$7\frac{1}{2}$ do	1,016,518.44

POPULATION OF STATE.-Population of Alabama has been as follows in the years named :

The proportion of the colored population was 47.53% in 1880 and 45.04% in 1890. In number, blacks were 345,109 in 1850; 437,770 in 1860; 475,510 in 1870; 600,103 in 1880; and 681,431 in 1890.

#### CITIES, COUNTIES AND TOWNS

#### IN THE

#### STATE OF ALABAMA.

ANNISTON. -- {0. Z. HENDERSON, Mayor. P. B. BROWN, Treasurer. Anniston is in Calhoun County. The city defaulted in the pay-ment of interest on the bonds now outstanding. A majority of the bond holders, having united and brought suit in the United States District Court, secured a judgment against the city for the pay. ment of the overdue coupons. The Mayor and the Chairman of the Finance Committee were appointed a committee to arrange for an adjustment on the basis of a reduction of interest, and it is stated an agreement has been reached whereby new 20-year bonds will be is-sued to refund the old bonds, together with the interest accrued there-on. The new bonds will bear 2% interest for the first five years, 3% for the next five years, 5% for the third five years and 6% for the re-maining five years.

BIRMINGHAM.— {F. V. EVANS, Auditor. GEORGE EUSTIS, Treasurer. Birmingham is in Jefferson County. In 1899 an amendment to the State Constitution was passed permitting an increase of one-half per cent in the tax rate, the proceeds to be applied exclusively to the payment of interest on the city's bonds and for the creation of a sink-ing fund. Accordingly the interest (previously paid one-half in eash) has since Jan, 1900, been paid in full. See CHRONICLE, Vol. 69, p. 194.

#### MOBILE.-J. CURTIS BUSH, Mayor.

Mobile is the county seat of Mobile County. This city has paid its interest regularly since the compromise with its bondholders in 1881.

8
1
1.1

PAR VALUE OF BONDS-The bonds are for \$500 each.

INTEREST is payable in New York City at the Mercantile National Bank; also in Mobile at the First National Bank. The bonds bear 4 per cent to Jan. 1, 1901; thereafter 5 per cent.

TOTAL BONDED DEBT Feb.15, 1900, was \$2,255,787, not includ-ing the water bonds. Of the funding bonds of 1881 about \$250,000 stand better in the market than the rest because they are endorsed with the statement that they represent the purchase money for certain wharf property and are secured by a vendor's lieu on said property. An Act of the Legislature requires the eity to levy a tax of 34 of one per cent on its valuation to provide for the payment of principal and interest of the bonds of 1881. After the payment of interest the sur-plus remaining from this tax is applied to the redemption of the bonds, after drawing by lot, at par, bonds so redeemed being canceled

ASSESSED VALUATION for 1899 of real estate \$11,306,461, personal property, \$4,876,443; total, \$16,182,904; 1897 was \$15,716,922; for 1896, of real estate, was \$10,303,555, of personal property, \$4,-252,872; total, \$14,556,427. The total tax rate (per \$1,000) for 1899 was \$17:50, including State tax \$5:50, county tax \$5:00, city tax \$6:00 and \$8:bool tax \$1:00. and school tax \$1.00.

**POPULATION**—The population in 1890 was 31,076; in 1880 was 29,132; in 1870 was 32,034. In 1899 it was estimated at 45,000.

# State of Mississippi.

#### DEBT, RESOURCES, ETC.

Organized as a Territory (Act Apr. 7 1798) - *Apr. 7, 1798
Admitted as a State (Act March 1 1817) - Dec. 10, 1817
Total area of State (square miles) 46,810
State Capital Jackson
Governor (term exp. January 1904) A. H. Longino
Secretary of State (term exp. January 1904) - J. L. Power
Treasurer (term expires January 1914) - J. R. Stowers

Legislature meets quadrennially in leap years the Tuesday after the first Monday in January, with a special session the second year following the leap year. Regular or quadrennial sessions are not limited, but special sessions are limited to 30 days, unless the Governor by proclamation shall extend the sitting, and only revenue and appropriation bills can be considered, "except such other matters as may be acted upon at an extraordinary session called by the Governor."

\*This is the date of the organization of the old Mississippi Territory, which was divided up into two parts when the State was created. In January, 1900, the State Legislature passed a bill authorizing an issue of \$1,000,000 bonds for a new State House.

HISTORY OF DEBT.—For history of the State debt of Mississippi see STATE AND CITY SUPPLEMENT of April 1894, page 170.

# NEW ORLEANS. } PAUL CAPDEV'ELLE, Mavor. WILLIAM S. DOUGLAS, Compt'r.

NE VV ORLEANS. WILLIAM S. DOUGLAS, Compt'r. New Orleans is co-extensive with the parish of Orleans. An amendment to the Louisiana Constitution authorizing the city to refund its debt at a lower rate of interest was adopted in 1892, and up to July 1, 1899, the city had issued 4 per cent 50-year bonds to the amount of \$9,008,500, thus enabling it to pay all its maturing loans and all those upon which it had option. The amendment provides that the interest tax collected in excess of requirements shall be divided between city schools and city improvements. The new Louisiana Constitution, in effect May 12, 1898, confirms these arrangements. On June 6, 1899, the city voted a special tax of 2<sup>1</sup>/<sub>2</sub> mills for water, sewer and drainage purposes, intended to provide for an issue of from 12 to 16 millions bonds. As this requires an amendment to the State Constitution, the Legislature, in special session, passed a bill for its submission to a vote of the people of the State at the election to be held April 17, 1900. # State of Arkansas.

DEBT, RESOURCES, ETC.

Organized as a Territory (Act of March 2, 1819) - July 4, 1819
Admitted as a State (Act of June 15, 1836) - June 15, 1836
Total area of State (square miles) 53,850
State Capital Little Rock
Governor (term expires Jan, 1901) Daniel W. Jones
Secretary of State (term exp. Jan. 1901) Alex. C. Hull
Treasurer (term expires Jan. 1901) Thomas E. Little

Legislature meets biennially in odd years on the 2d Monday in January, and sessions are limited to 60 days, unless by a two-thirds vote of the members a longer time is decided on.

HISTORY OF DEBT.—For history of the Arkansas State debt see STATE AND CITY SUPPLEMENT of April, 1894, page 173. By Act of Congress approved April 29, 1898, a compromise was effected between the United States and the State. In accordance with the terms of this settlement the United States authorities on May 27. 1898, delivered to the State Arkansas bonds and coupons amounting to \$1.505,160, and carrying besides a large sum of overdue interest. This operation wiped out the entire debt of the United States against the State except \$160,000, which has since been reduced to \$105,000, and this latter is the amount of bonds now held by the United States. DEFLINDING —Under the Legislative Act of 1899 the entire debt

latter is the amount of bonds now held by the United States. REFUNDING.—Under the Legislative Act of 1899 the entire debt (except that due the United States) is being refunded by an issue of 3 per cent 30-year bonds, denominations \$500 and \$1,000. Up to Aug. 18, 1\$99, \$1,222,500 new bonds had been exchanged for the holdings of the Permanent School Fund (including the Sixteenth Section fund) and for the holdings of private parties and the Arkansas Industrial University. Of this total only \$45,000, principal and inter-est, represents the amount of the bonds held by individuals which had been funded up to that date. The funding bonds of 1875 ("Loughboroughs") re-issued since 1°85 had all been refunded under this Act before August 18, 1899. Since then all but \$17,000 of the blue-numbered non-Holfords of 1869 have been refunded and all but \$9,000 of the red-numbert d non-Holfords

been refunded and all but \$9,000 of the red-numbered non-Holfords of 1870.

Under notice of the Governor all bonds not exchanged must be presented before May 8, 1900. The \$160,000 of bonds held by the United States at the time of set-tlement were to be paid off, one-half on or before Sept. 1, 1900, and the other half Sept. 1, 1901. Up to April 1, 1900, \$55,000 had been paid, leaving \$105,000 outstanding.

TOTAL DEBT, ETC. — The following statement shows the debt of the State as it stood *prior* to the refunding of the recognized debt under the Act of 1899. In 1898, under a compromise made by Act of Congress, as noted above, a large amount of bonds and coupons held by the United States was delivered up, which accounts for the reduc-tion shown October 1, 1898.

	Oet. 1, '98.	Oet. 1, '96.	Oet. 1, '94.	Oct. 1, '90.
Total bonded debt	\$382,000	\$1,576,000	\$1,805,000	\$2,092,100
Overdue Interest		2,642,752		2,884,897
				· · · ·

Total debt......\$1,565,580 \$4,218,752 \$4,823,022 \$4,976,997 Total debt........\$1,565,580 \$4,218,752 \$4,823,022 \$4,976,997 In addition to the above indebtedness there was outstanding on Oct. 1, 1898, State scrip to the amount of \$375,264 and sinking fund notes \$105,022, making the total State indebtedness \$2,045,866. All this sorip was called for payment Aug. 1, 1899, (to be barred if not pre-sented for payment within six months), and the amount so barred on Feb. 1, 1900, was about \$374,000 The bonded debt on Oct. 1, '98, was held as follows: by the United States \$160,000 principal, \$2,400 inter-est; permanent school fund, \$275,000 principal, \$193,785 interest; Six teenth Section fund, \$338,000 principal, \$44,970 interest; Arkansas Industrial University, \$42,000 principal, \$44,970 interest; individual investors, \$67,000 principal, \$123,975 interest. DEBT\_NOT\_BECOGNIZED\_HOI\_FORDS\_ETC\_A summary of DEBT NOT RECOGNIZED, HOLFORDS, ETC.—A summary or the unrecognized debt appears below. To aid in distinguishing the Holfords from the valid bonds of the State it should be said that under the act of April 6, 1869, two series of funding bonds were issued. One was dated July 1, 1869, and numbered from 1 to 1,000, inclusive. All of this series are printed in blue ink and are non-Holfords—in other words, are recognized obligations. The second series were dated January 1. 1870, numbered from 1 to 2,050, inclusive, and are printed in red ink, Of this series numbers 491 to 1,860, both inclusive, are the Holfords which constitute part of the unrecognized debt. The unrecognized debt is as follows: is as follows:

	Real	Personal	Total Assessed	Tax rale.
Years.	Estate.	Property.	Valuation.	per \$1000
1899	\$119,980,700	\$59,191,298	\$179,171,993	\$5.50

# Territory of Oklahoma.

DEBT, RESOURCES, ETC.

Organized as a Territory (Act May 2, 1890) - May 2, 1890
Total area of Territory (square miles) 39,000
Territorial Capital Guthrie
Governor (term expires May 12, 1901) C. M. Barnes
Secretary (term expires June 7, 1901) - Wm. M. Jenkins
Treasurer, Frank M. Thompson
Auditor S. N. Hopkins
Legislature meets biennially in odd years on the second
Tnesday in January, and legislative sessions are limited to
sixty days.

The bonds were issued for the erection of the Territorial University, Territorial Normal School and Agricultural and Mechanical College.

TOTAL DEBT.—The bonded debt of the Territory on July 1, 1899, was \$48,000; floating debt (warrants) \$290,036; total debt, \$338,036. ASSESSED VALUATION for 1899 was \$42,982,414; tax rate (per \$1,000) was \$5.20. Property is assessed at about 50 per cent of its actual value.

**POPULATION.**—The population of the Territory in 1890 was 61,834. The last census, taken in 1894, showed a population of 212,000. According to an official estimate the population had in-creased in 1898 to 311,400.

MUNICIPAL AND COUNTY BOND LAW.—A State law approved in 1893 has done much to widen the market for new Texas municipal loans. At present before any bond can be issued by a municipality or county it must receive the certificate of the Attorney General that it county it must receive the certificate of the Attorney General that it is a lawful obligation. It must then be registered in the office of the State Comptroller, and when the bond is so issued its validity cannot be questloned except on the grounds of fraud or forgery. The text of the law will be found in the STATE AND CITY SUPPLEMENT of April, 1895, page 178. Where the fact is known to us we have marked with a star (\*) in the returns below the issues put out *prior* to the enactment of the above law.

850,309,246 860,910,567

2.20

3.25 2.25

..... . . . . . .

above law.

A law went into effect Aug. 26, 1899, compelling counties and incor-porated towns and cities to submit propositions for the issuance of

bonds (all except "funding bonds issued or to be issued of any valid outstanding bonds of said county, town or city;" also excepting bond issues for loss than \$2,000, when "issued for the purpose of repairing buildings or structures, for the building of which bonds are allowed to be issued,") to a vote of the qualified taxpayers before the issue can be submitted to the Attorney-General for approval as required by the law of 1893—V. 69, p. 509.

POPULATION.-The population of Texas has been as follows:

**1890**.....**2**,235,523 | 1870......**8**18,579 | 1850.....212,592 **1880**.....**1**,591,749 | 1860.....**6**04,215 |

Of the total population in 1890 492,837 were blacks, which compares with 393,384 in 1880, 253,475 in 1870, 182,931 in 1860 and 58,558 in 1850. It will be observed that the proportion of the colored race has greatly diminished, the ratio for 1890 being only 22.04 per cent, against 24.71 per cent in 1880 and larger percentages in previous decades.
