INDEX TO STATE AND CITY DEPARTMENT.

The following index is made by the page number to every item regarding State, city, town or county finances published in the United States during the years 1902, 1903 and 1904. Every item, not appearing on these pages, is included. October 4, 1903, pages 735 to 796, inclusive, will be found an index to the items appearing from the beginning of July up to and including September 30, 1903. The two indexes together therefore cover everything published in the State and City Department in the present volumes.
