PREMIUM BONDS.—The premium bonds (\$20 each) receive no interest till drawn by lot for payment and then they receive principal with simple interest from July 15 1875. They also get a premium if they happen to draw a prize, 2,352 prizes, aggregating \$100,000. being distributed yearly among the drawn bonds. From 1892 to 1895 inclusive, 21,000 bonds (par value \$420,-000) were paid each year, in two installments of 10,500 bonds each, on Jan. 15 and July 15; since 1895 bonds to the number of 10,000 are paid semi-annually—20,000 bonds annually. There are two drawings to determine the bonds payable July 15 in each year, and they take place Jan. 31 and April 15 next preceding. The drawings to determine which bonds shall receive prizes (ranging from \$20 to \$5,000) occur just before the bonds are paid. Drawn premium bonds are receivable by the city for all dues, licenses, taxes and debts of any description at their face value and interest.

At a meeting held Jan. 9 1912 the Board of Liquidation of the City Debt declined, upon the advice of their attorneys, Dufour & Dufour, to refund into 6% bonds the 5% premium bonds of Sept. 1 1875. This action was taken in reply to a letter received from Benjamin Ory, who held five of the bonds, which are for \$20 each. See V. 94, p. 223. NATCHITOCHES PARISH ROAD DISTRICT NO. 9. LIVINGSTON PAR. DEBT LIMITATION.—The provisions of the Constitution concerning State, county and municipal indebtedenss, are contained in Sections 1, 2 and 9 of Article 16. This section does not prohibit the State from issuing interest-bearing bonds or notes, but does prohibit the Issuance of interest-bearing evidences of indebtedness by counties or municipalities. The issuance of bonds by improvement districts, such as school, levee, bridge, drainage, road and other improvement districts is not prohibited by the Constitution, and the Supreme Court of the State of Arkansas, in a series of decisions extending over a period of 25 years, has held, without qualification, that the above sections of the Constitution have no application to bonds issued by improvement districts, and that such districts have the right to borrow money, issue bonds or other interest-bearing evidences of indebtedness. Section 27, Article 19, authorizes the organization of improvement districts within the corporate limits of cities and towns. Bonds issued by the various improvement districts accordingly have a recognized standing, the taxes being collected by the county and municipal officials and the proceeds paid into the treasury of the districts.

Sections 1, 2 and 9, Article 16, and Section 27, Article 19, referred to above, follow:

Section 1. Neither the State nor any city, county, town or other municipality in this State shall ever loan its credit for any purpose whatever; nor shall any county, city, town or municipality ever issue any interest-bearing evidences of indebtedness, except such bonds as may be authorized by law to provide for and secure the payment of the present existing indebtedness, and the State shall never issue any interest-bearing Treasury warrants of scrip.

Sec. 2. The General Assembly shall, from time to time, provide for the

to provide for and secure the payment of the present existing indebtedness, and the State shall never issue any interest-bearing Treasury warrants or scrip.

Sec. 2. The General Assembly shall, from time to time, provide for the payment of all just and legal debts of the State.

Sec. 9. No county shall levy a tax to exceed ½ of 1% for all purposes, but may levy an additional ½ of 1% to pay indebtedness existing at the time of the ratification of this Constitution.

Section 27. Nothing in this Constitution.

Section 27. Nothing in this Constitution shall be so construed as to prohibit the General Assembly from authorizing assessments on real property for local improvements in towns and cities, under such regulations as may be prescribed by law, to be based upon the consent of a majority in value of the property holders owning property adjoining the locality to be affected; but such assessments shall be ad valorem and uniform.

(At the general election Sept. 14 1914 a proposed amendment to Sec. 1 of Art. 16 was voted permitting cities and towns under certain conditions to issue bonds and other evidences of indebtedness. The State Supreme Court, however, on March 22 1915 ruled that, while the amendment received a majority of the votes cast on that particular subject, it did not receive a majority of the votes cast for State officers, and therefore falled of adoption. V. 100, p. 1185.)

(An amendment to the Constitution providing that the credit of the State might be loaned to an amount not exceeding 2% of the assessed valuation of property in the State upon the security of farm lands within the State, was defeated at the November 1918 election.)

The State Supreme Court upheld the road-building law passed by the Legislature in 1915. See "Chronicle" of May 6 1916, page 1733.

TAXATION OF MUNICIPAL BONDS.—Bonds or other interest-bearing evidences of indebtedness issued by the State, or political subdivisions thereof, are subject to taxation as personal property, but only when owned or held by residents of the State.

Section 1. That hereafter it shall be lawful for all banks, banking companies, trust companies, savings banks, building and loan associations, insurance companies, doing business in the State of Arkansas, all trustees and guardians of the estates of minors and insane presons, executors or administrators, to invest their funds in bonds issued under the Act of Congress, dated July 17 1916, entitled the "Federal Farm Loan Act," or any Act amendatory thereof.

amendatory thereof.

Sec. 2. That hereafter it shall be lawful for any person, firm or corporation, now or hereafter required by law to maintain a cash deposit as public security, or in lieu thereof to file a bond of approved security in favor of the State of Arkanasa, to deposit with the officer of the State of Arkanasa now or hereafter designated as the custodian of such funds, in lieu of such cash deposit, an amount of bonds issued under the Act of Congress, dated July 17 1916, known as the "Federal Farm Loan Act," which, at the market value thereof, shall equal or be in excess of the amount required as such cash deposit.

ction 3 repeals all laws conflicting with this Act.

LEGISLATURE meets biennally in odd years on the 2d Tuesday in January, and sessions are limited to 60 days at \$5 per day and \$2 per day thereafter without limit.

\* Under date of Nov. 8 we are advised that no new Secretary had yet been appointed.

been appointed.

HISTORY OF DEBT.—For early history of the State debt see "State and City Supplement" of April 1894, pages 174 and 175.

At the time of the panic in 1907 State was for a few days obliged to suspend cash payments, but merely because of its inability to secure cash from the 31 State depositories with which the State had on deposit at the time \$1.504.637 45. See V. 85. p. 1289, and V. 86, p. 240.

Note.—In 1908 there was a large increase in the assessed valuation, due to a new law which required that property be assessed at its full value.

Note.—In 1998 there was a large increase in the assessed valuation, due to a new law which required that property be assessed at its full value.

DEBT LIMITATION.—State.—Section 49. Article 3 of the State Constitution reads "No debt shall be created by or on behalf of the State except to supply casual deficiencies of revenue, repel invasion, suppre s insurrection, defend the State in war, or pay existing debt; and the debt created to supply deficiencies in the revenue shall never exceed, in the aggregate at any one time, two hundred thousand dollars."

Section 50 of the same Article prohibits the Legislature from giving or lending, or authorizing the giving or lending of the credit of the State in aid of, or to any person, association or corporation, whether municipal or other; or to pledge the credit of the State in any manner whatsoever, for the payment of the liabilities, present or prospective, of any individual, association of individuals, municipal or other corporation.

Counties, Cities, Tourns, &c.—Section 52 of Article 3 of the State Constitution states that the Legislature shall have no power to authorize any country, city, town or other political corporation or subdivision of the State to lend its credit or to grant public money or thing of value in aid of, or to, any individual, association or corporation whatsoever, or to behowever, that under legislative provision any country, any political subdivision of a country, any number of adjoining counties, or any political subdivision of the State, or any defined district now or hereafter to be described and defined within the State, and which may or may not include towns, villages or municipal corporations, upon a vote of a two-thirds (2-3) manount not to exceed one-fourth (4) of the assessed valuation of the real property of such district or territory, except that the total bonded indebtedness of any city or town shall never exceed the limits imposed by other provisions of this constitution, and levy and collect such taxes to pay the interest thereon a

that in cities of over 5,000 inhabitants no tax for any purposes in any one year must exceed two and one-half per centum of the taxable property, and provides that no debt shall ever be created by any city or town unless at the same time provision be made to assess and collect annually a sufficient sum to pay the interest thereon and create a sinking fund for at least two per cent (2%) thereon. By Sec. 6, Art. XI, counties, cities and towns are authorized to levy taxes necessary to pay the interest and provide a sinking fund to satisfy any indebtedness legally made and undertaken; but all such taxes shall be assessed and collected separately from that levied, assessed and collected for current expenses of municipal government, and shall, when levied, specify in the Act of levying, the purpose therefor, Sec. 7, Art. XI, provides that all counties and cities bordering on the coast of the Gulf of Mexico are authorized, upon a vote of two-thirds (2-3) of the taxpayers therein, to levy such tax for construction of sea-walls breakwaters or sanitary purposes, and may create a debt for such works and issue bonds in evidence thereof. But no debt for any purpose shall ever be incurred in any manner by any city or county unless provision is at the time of creating the same, for levying and collecting a sufficient tax to pay the interest thereon and provide at least two per cent (2%) as a sinking fund.

A joint resolution, amending Article XVI of the Constitution of Texas a suthorizing the city and county of Galveston to issue \$5,000,000 seawall bonds, passed by the 1919 Legislature, was approved by the voters at the November 1919 election.

School Districts.—Section 3 of Article VII of the constitution authorizes the Legislature to reprovide for the formation of school districts by reported or

authorizing the city and county of Galveston to issue \$5,000,000 seawall bonds, passed by the 1919 Legislature, was approved by the voters at the November 1919 election.

School Districts.—Section 3 of Article VII of the constitution authorizes the Legislature to provide for the formation of school districts by general or special law and the same section provides that, with the approval of a majority of the qualified tax-paying voters, such districts may levy a tax of not to exceed (as amended Nov. 2 1920) \$1.00 on the \$100 valuation, this limitation, however, not to apply to incorporated cities or towns constituting separate and independent school districts.

MUNICIPAL AND COUNTY BOND LAW.—A State law approved in 1893 has done much to widen the market for new Texas municipal loans. At present before any bond can be issued by a municipality or county it must receive the certificate of the Attorney-General that it is a lawful obligation. It must then be registered in the office of the State Comptroller, and when the bond is so issued its validity cannot be questioned except on the grounds of fraud or forgery. The text of the law will be found in the "State and City Supplement" of April 1895, page 178.

Where the fact is known to us we have marked with a star (\*) in the returns below the issues put out prior to the enactment of the above law.

A law went into effect Aug. 26 1899 compelling counties and incorporated towns and cities to submit propositions for the issuance of bonds [all except "funding bonds issued or to be issued of any valid outstanding bonds of said county, town or city"; also excepting bond issues for less than \$2,000, when "issued for the purpose of repairing buildings or structures for the building of which bonds are allowed to be issued" to a vote of the qualified tax-payers before the issue can be submitted to the Attorney-General for approval as required by the law of 1893. SAVINGS BANK INVESTMENTS.—Under date of Sept. 24 1917 the Department of Insurance and Banking wrote us in part as follows concerning the law regulating the investment of funds of savings institutions in Texas.

While we have a law providing for savings banks in this State there have been no banks organized and operating under this law. We do, however, have a number of State banks that have established what is known as savings departments which they operate in connection with their commercial banks. Under the savings department provision, State banks are permitted to accept savings deposits, and all funds and assets of any such savings department must be kept segregated and unmingled with the commercial business of any State bank adopting a savings department. The law regulating the investment of such savings deposits reads as follows:

"Such banks or banking and trust companies may invest not more than 85% of the total amount of such savings deposits in any of the following classes of securities, and not otherwise, to wit:

1. In bonds or interest bearing notes or obligations of the United States or of those for which the faith of the United States is pledged for the payment of principal and interest.

2. In bonds of any city, county, town or school district or other subdivision of this State, now organized or which may hereafter be organized, and which is now or may hereafter be authorized to issue bonds under take Constitution and laws of this State, which has not defaulted in the payment of any part of either principal or interest thereof, within five years previous to making such investments.

3. In bonds of the State of Texas, or of any State of the Union that has not within the last five years previous to making such investment defaulted in the payment of any part of either principal or interest thereof, which has its domicile in the State.

5. In bonds or notes secured by first mortgage, deed of trust or other valid lien on unincumbered, improved real estate to run for a term of not longer than ten years

savings department, by purchase or otherwise, in the securities above described.

The Bank Guaranty Law passed by the 1909 Legislature contains provisions defining the investments to be made by State banks or banking and trust companies maintaining a savings department. V. 89. p. 1364.

COMMISSIONERS' COURTS AUTHORIZED TO CREATE AND ESTABLISH IRRIGATION DISTRICTS.—Chapter 172 General Laws, 1913 authorizes the creation and establishment of irrigation districts by the Commissioners' Court of any county throughout the State and for the issuance of bonds after the same have been passed by the District Court. See item under Cameron County Irrigation District No. 1, on page 1312, of the "Chronicle" for Oct. 31 1914.

POPULATION.—The population of Texas has been as follows: 1920.—4.663.228 1880.—2.235.523 1860.—604.215 1910.—3.896.542 1880.—1.591.749 1850.—212.592 1900.—3.048.710 1870.—1818.579

Of the total population in 1920. 741.694 were blacks, which compares with 690.020 in 1910. 620.722 in 1900. 492.837 in 1890. 393.384 in 1880. 253.475 in 1870, 182.931 in 1860 and 58.558 in 1850. It will be observed that the proportion of the colored race has greatly diminished, the ractio for 1920 being only 15.9% and for 1910 only 17.7%, against 20.4% in 1900, 22.04% in 1890 and larger percentages in previous decades.

FORT WORTH.

This city is the county seat of Tarrant County. Incorp. 1873. The validity of the city bonds was the subject of litigation, but decisions of the Court of Civil Appeals have confirmed their legality. See V. 66, p. 775; V. 67, p. 1072, and V. 76, p. 223. The city failed to pay its interest due in Sept. and Nov. 1899 (see V. 69, p. 711), but in Jan. 1900 paid all arrears. In Dec. 1900 an appeal was made to holders of the bonds to consent to refunding the debt into new 4s and a resolution to aid in the process was passed by the City Council. See "Chronicle" V. 72, p. 100. The Legislature of 1901 authorized \$1,-883,000 4% 40-year bonds to take up the old issues and \$754,000 were refunded; remainder of new issue was then canceled and all further efforts to refund stopped.

TAX FREE.—By Section 3 of new organic Act, bonds are exempt from all taxation by the Government of the United States, Porto Rico or any State or sub-division of the United States.

\* Of this tax of \$18.43 \$2.50 is for the payment of principal and int. of loans of 1907, '10, '16&'22 and public improvement bonds. The balance of \$15.93 is distributed as follows: in municipalities of Class I (San Juan, Ponce, Mayaguez and Arecibo), \$10.86 turned over to the municipalities for their support and redemption of their loans; \$2.98 also turned over to them for school expenses; and \$2.09 kept by the Insular Government for general purposes. In all other municipalities, \$11.40 is for the support of their loans; \$3.15 for school expenses and \$1.38 kept by the Insular Govt. for general purposes.

Prin. and int. on the irrigation loans have been provided for by assessments levied upon property benefited by irrigation projects at the rate of \$12 per acre for the year 1921-22.

TREASURY LONG-TERM BOND ISSUE OF 1924.—On Dec. 3 1924 another offering of long-term bonds was made by the Secretary of Treasury. These consisted of an issue of 4% bonds in the amount of \$200,000,000 or thereabouts for cash, with the right to additional bonds to extent that 4% Treasury notes and 4% Treasury certificates of indebtedness, both maturing March 15 1925, or the Third Liberty Loan bonds, bearing 4½% Interest, were tendered in payment. Cash subscriptions closed Dec. 4 and totaled \$1,400,000,000: the amount allotted was \$224,513,500. Exchange subscriptions, closed Dec. 20 and which it was announced would be allotted in full, reached about \$550,000,000. Bonds were issued under the Act of Sept. 24 1917, as amended, are dated Dec. 15 1924 and mature Dec. 15 1954, but may be redeemed on and after Dec. 15 1944, in whole or in part, at par and accrued interest, on any interest day or days, on four months' notice.

Note.—Reference to the statutes governing older issues of bonds and of War Savings and Thrift Stamps will be found in the issue of the "State and City" Section for December 31 1918

Note 1.—The annual interest charge is computed upon the amount of outstanding principal at the close of the fiscal year.

Note 2.—The figures for July 1 1879 were made up assuming pending funding operations to have been completed.

\* Note 3.—Under the Act of March 14 1900 the Treasury Department has kept the gold reserve fund as a separate item, and not included it in the available cash balance. In the above statement, however, we have continued to include the item for the years given.

a Under the new form of statement issued by the Treasury Department the gold reserve (\$152,979,025 63 Nov. 30 1924) is deducted from the total of United States notes outstanding, decreasing to that extent the debt bearing no interest and consequently making a similar reduction in the balance of cash available to pay maturing obligations.

b Current liabilities exceeded cash by this amount. i Continued at 3½%. f Continued at 3%. ‡ Approximate.
