#### DATE OF ISSUE OF THIS PUBLICATION.

As explained in previous numbers, this periodical, owing to the great pressure for space, is now issued in two parts. The first part, comprising the New England and the Middle and Central States (the latter em-bracing Ohio, Indiana, Illinois and Michigan) appears in June. The second part, comprising the rest of the country, is published towards the

close of the year, and appears to-day.

The change has been forced upon us by the constant addition to the number of municipal bond issues and the inability to compress the information concerning the same within the limits of a single number. Not only are the older and more important civic corporate bodies uninterruptedly putting out further bonded obligations, but many of the minor places, previously free from debt, have also entered the ranks of borrowing communities and are constantly creating new issues. Besides this, in the newer sections of the country, where expansion and development are such noteworthy characteristics of affairs, new civil divisions are all the time springing up. The result is that the demands for additional space have outgrown our ability to provide for them in a single number, leaving no alternative but to issue the Supplement in two parts and to assign a portion of the country to each part.

## ABBREVIATIONS USED IN DESIGNATING WHETHER BONDS ARE COUPON OR REGISTERED.

r" means fully registered bonds (no coupons).

"c" means coupon bonds without privilege of registration.

"c\*" means coupon bonds, but may be registered as to principal.

"r\*" means "registered" and "coupon" interchangeable

## United States Debt and the Congressional Acts Authorizing It.

In 1917 the United States, after a long period of debt retirement, entered upon a new era in its debt history. In the prosecution of the war against the Imperial German Government, new obligations were issued on a scale of unparalleled magnitude. By the Act of April 4 1917 authority was conferred upon the Secretary of the Treasury to issue \$5,000,000,000 long-term non-taxable bonds at not to exceed 3½% interest (\$3,000,000,000 of this being for the purpose of establishing credits in the United States for the foreign Governments enlisted in the war against Germany), and \$2,000,000,000 certificates of indebtedness, the latter running for periods not exceeding one year. By the further Act of Sept. 24 1917, authority was conferred to issue \$7,538,945,460 convertible 4% bonds to take up the \$3,000,000,000 3½% issue authorized to cover loans to the Allies, and to provide for new Allied credits of \$4,000,000,000, the remaining \$538, 945,460 to be used for converting certain outstanding bonds, including the Danish West Indies, Alaskan Railway, Panama Canal and naval construction issues. The bill also provided for the issuance of \$2,000,000,000 each of one-year Treasury certificates of indebtness and five-year war savings certificates. The interest rate on the certificates the Secretary of the Treasury was left to fix. By the further Act of April 4 1918, amending the Act of Sept. 24 1917, authority was conferred to issue \$12,000,000,000 of bonds at not exceeding 41/4% interest, the 12 billion dollars, however, to include the bonds issued under the Second Liberty Loan, and \$3,638,945,460 being in lieu of corresponding amounts of unissued bonds authorized by previous Acts. Under the same Act the limit upon the amount of certificates of indebtedness that might be outstanding at any one time was raised from \$4,000,000,000 to \$8,000,000,000, and was further raised to \$10,000,000,000 under the Act of March 3 1919. By the further Act of July 9 1918, amending previous Liberty bond enact ments, the limit of the bond issue was raised to \$20,000,000,000 at not exceeding  $4\frac{1}{4}\%$ , but including bonds theretofore issued, and increasing from \$5,500,000,000 to \$7,000,000,000 the additional loans or credits that might be extended to the Allies, making \$10,000,000,000 altogether that could be loaned to the Allies. By the further Act of March 3 1919 (Victory Liberty Loan Act) amending previous Liberty Loan Acts and the War Finance Corporation Act, the Secretary of the Treasury was authorized to borrow an aggregate not exceeding \$7,000,000,000 at such rate or rates of interest as he might prescribe, issuing therefor notes payable in not less than one year nor more than five years. By the Liberty Bona Exemption Bill of Sept. 24 1918, the total of War Savings Certificates that might be issued was raised from \$2,000. 000,000 to \$4.000,000,000.

The indebtedness of the Government mounted rapidly as bonds authorized by these enactments were issued, the total indebtedness rising from a pre-war figure of about one billion to \$26,596,701,648.01, the peak reached Aug. 31 1919. Since that date there has been in progress a gradual reduction in the debt. As of Nov. 30 1924, the gross indebtedness amounted to \$21,213,055,266.93, a decrease of \$5,383,646,381.08 since Aug. 31 1919.

The following is a brief review of the more important financing done by the Government since the beginning of the war with Germany:

In June 1917 \$2,000,000,000 of 31/2% bonds were offered under the Act of April 24 1917. The subscriptions amounted to \$3,036,226,850, but only \$1,989,455,550 were issued. In October 1917 an offering of \$3,000,000,000 4s under the Act of Sept. 24 1917 was made. Subscriptions reached an aggregate of \$4,617,532,300. In accordance with previous announcement, one-half of the over-subscription was accepted, making the total of bonds put out under this offer \$3,807,865,000. In April 1918 \$3,000,000,000 of 41/4% non-convertible bonds (Third Liberty Loan) were offered under the Act of April 4 1918. The subscriptions amounted to \$4,175,650,050, all of which were accepted. In Sept.-Oct. 1918 \$6,000,000,000 of 41/2% non-convertible bonds (Fourth Liberty Loan) were offered under the Act of July 9 1918. The subscriptions amounted

to \$6,964,581,100, all of which were accepted. In April-May 1919, \$4,500,000,000 of convertible gold notes were issued in two series, the one bearing interest at 33/2%, the other at 43/2%. The subscriptions amounted to \$5,249,908,300, but only \$4,495,373,000 was accepted. Secretary of the Treasury Mellon on Feb. 8 1922 called for redemption on June 15 1922 all of the Victory Notes of the 33/4% series, and on July 26 1922 he called for redemption on Dec. 15 1922, Series A to F, of the 434% Victory Notes, aggregating about \$702,938,100. The remaining Victory Loan Notes matured on May 20 1923, and were then paid off. In October 1922 an offering of \$500,000,000 41/4% 30-year (optional after 25 years) Treas-URY BONDS, issued under authority of the Act of Sept. 24 1917, as amended, was made for refunding purposes. Subscriptions amounted to no less than \$1,651,912,800, of which \$763,962,300 were accepted. On Dec. 3 1924 another offering of long-term bonds was made under authority of the Act of Sept. 24 1917 as amended, consisting of 4% 30-year (optional after 20 years) Treasury bonds to amount of \$200,000,000 or thereabouts, for subscriptions in cash and additional bonds to the extent that 43/4% Treasury notes or 4% Treasury certificates of indebtedness maturing March 15 1925, and Third Liberty Loan 41/4% bonds might be tendered in payment. While the cash subscriptions were closed Dec. 4, books for the exchange subscriptions did not close until Dec. 20. Cash subscriptions amounted to over \$1,400,000,000, of which \$224,513,500 were alloted, V. 119, p. 2829. Exchange subscriptions, which were alloted in full, amounted to roughly \$550,000,000. Treasury Notes, running from three to four years and Certificates of Indebtedness running for six months and a year, have also been issued from time to time. Reference to these will be found under a separate heading. Treasury savings certificates were entirely withdrawn from sale at the close of business July 15 1924 after their sale had been suspended earlier in the year in many West and Middle Western States to permit use of the funds to aid in agricultural relief. On Jan. 1 1925 the United States Treasury will redeem as per aunouncement the War Savings Certificates (stamps) and Treasury Savings Certificates, Series of 1920, maturing on that date.

The Treasury Department has also announced that it will redeem on Feb. 2 1925 the remaining \$118,489,900 bonds of the old 4% loan of 1925.

of the old 4% loan of 1925.

Consolidation of Liberty Bond Tax Exemptions.—The degree of tax exemption enjoyed by the different issues of Liberty Loan and Victory Liberty Loan bonds is given below in the remarks relating to each issue. In the Revenue Act of 1921 the various provisions appertaining to the several issues were consolidated in Section 1328 of the Act. The same provision is contained in the Revenue Act of 1924, approved by Congress on June 2 1924, and constitutes Section 1028 of the new Act. The new Revenue Act, complete, was published in a special supplement to the "Financial Chronicle" on June 7 1924. We give Section 1028 herewith:

We give Section 1028 herewith:

SECTION 1028. That the various Acts authorizing the issues of Liberty bonds are amended and supplemented as follows:

(a) On and after January 1 1921, 4 per centum and 4½ per centum Liberty bonds shall be exempt from graduated additional income taxes commonly known as surtaxes, and excess profits and war profits taxes, now or hereafter imposed by the United States upon the income or profits of individuals, partnerships, corporations, or associations, in respect to the interest on aggregate principal amounts thereof as follows:

Until the expiration of two years after the date of the termination of the war between the United States and the German Government, as fixed by proclamation of the President, on \$125,000 aggregate principal amount; and for three years more on \$50,000 aggregate principal amount. [The official date of the termination of the war by official proclamation was July 2 1921.—Ed.]

(b) The exemptions provided in Subdivision (a) shall be in addition to the exemptions provided in Section 7 of the Second Liberty Bond Act, and in addition to the exemption provided in Subdivision (3) of Section 1 of the Supplement to the Second Liberty Bond Act in respect to bonds issued upon conversion of 3½ per centum bonds, but shall be in lieu of the exemptions provided and free from the conditions and limitations imposed in Subdivisions (1) and (2) of Section 1 of the Supplement to Second Liberty Bond Act and in Section 2 of the Victory Liberty Loan Act.

Section 1 400 of the Propagal Act of 1021 increased from \$2,000 to \$2,000 the limit pleased on the amount of holdings.

Section 1402 of the Revenue Act of 1921 increased from \$1,000 to \$5,000 the limit placed on the amount of holdings, of any one person, of Treasury (War) Savings Certificates.

In the following we present a preliminary detailed statement of the debt of the United States as made up by the Treasurer at the close of business on Nov 30 1924, this being based on the daily Treasury statements, and, therefore, subject to revision in a minor way.

DEBT LIMITATION.—The constitutional provision of Wisconsin restricting debt-making are very rigorous, plain and comprehensive. Since the amendment adopted in 1874, debts of cities, &c., as well as the State, are definitely limited by that instrument. We give the provisions first which relate to the State and, after, those which have reference to cities, &c. (1) STATE indebtedness is confined within very close bounds. The sections which cover the subject are Sections 3, 4, 6, 7, 9 and 10 of Article 8. Section 10 was amended by the voters on Nov. 4 1924 and further provides that the State may appropriate money (not exceeding in any one year 2-10 of 1 mill of State's assessment of taxable property) for the purpose of acquiring, preserving and developing the forests of the State. We give them in full below.

SECTION 3. Credit of State, for what not given. The credit of the State shall never be given or loaned in aid of any individual, association or corporation.

SECTION 4. Contracting Debts. The State shall never contract any public debt, except in the cases and manner herein provided.

SECTION 5. Limitation on Public Debt. For the purpose of defraying extraordinary expenditures, the State may contract public debts (but such debts shall never in the aggregate exceed \$100.000

the annual interest of such debt, and the principal within five years from taxes to the payment of such principal and interest: and such appropriation shall not be repealed, nor the taxes be postponed or diminished, until the principal and interest of such debt shall have been wholly paid.

SECTION 7. State may borrow money, when. The Legislature may also borrow money to repel invasion, suppress insurrection or defend the State the object for which the loan was authorized, or to the repayment of the defet for which the loan was authorized, or to the repayment of the defet thereby created.

SECTION 9. Evidences of debt. No scrip, certificate, or other evidence of State debt whatoever, shall be issued except for such debts as are authorized. SECTION 10. as amended in 1924. reads:

Internal improvements. The State shall never contract any debt for works of internal improvement, or be a party in carrying on such works; but whenever grants of land or other property shall have been of internal improvement, the State may carry on such particular works, and shall devote thereto the avails of such grants, and may pledge or appropriate the revenues derived from such works in aid of their completion. V. 104. p. 1308.

BONDS OF MUNICIPALITIES—WHETHER TAXABLE OR NOT—By Chapter 516 of the Laws of Wisconsin for 1911, bonds issued by Wisconsin municipalities were made exempt from taxation within the State V, 93. p. 607. Under date of April 7 1919, however, we were informed in a letter from John H. Leenhouts, Assessor of Incomes, that "under the Wisconsin law all intangible securities were exempt from local assessment as personal property, but in lieu of this exemption the income from such securities is taxable to the recipient. The only bonds or securities which are exempt under our law to-day are the issues of the Federal Government, such as Liberty Loan bonds, and bonds issued under the Federal Farm Loan Act." V. 108. p. 1533.

Bonds of the State of Wisconsin are taxable. Secs. 1034 and 1038, Wisconsin Statutes, 1919.

ASSESSMENTS MADE ON NEW BASIS SINCE 1913.—The Legislature in 1913 passed a new law, known as Chapter 483, General Laws, 1913, under which the county assessor assesses platted real estate at 40% of its full value and unplatted at 33 1-3%, where previously it was customary to assess real property at 60% of its full valuation and any improvement thereon at 50%. The personal property under this new law is now being assessed at 33 1-3% and 25% of its full valuation, where formerly about 50% was assessed. Mining property is assessed at 50% of its full value.

DEBT LIMITATION.—Minnesota has sought to protect the State from excessive debt issues through restrictions in its Constitution, but the amendments of 1920 and 1922, referred to below, have greatly modified these restrictions. The Constitution fixes the limit of debt at \$250,000 'for the purpose of defraying extraordinary expendituses'; and an amendment, ratified in 1879, extended this power to \$250,000 additional 'for erecting and completing buildings for the insane, a deaf, dumb and blind asylum and State prison.' On Nov. 2 1920 the voters approved an amendment which added Article 16, providing for the creation of a State highway system and authorizing the issuance of \$10,000,000 bonds per year for that purpose, to a grand aggregate of \$75,000,000. Then in November 1922 the voters ratified another amendment to Article 9. This changed Section 10 so as to allow the State to organize a rural credit system and to incur indebtedness in unlimited amount to carry the amendment into effect. Under authority of this amendment the State Legislature in 1923 enacted a law organizing a rural credit system and authorizing the issuance of \$40,000,000 bonds. With regard to the debt of municipalities, there is but one section in the Constitution which relates to that subject, and that has reference to making railroad debt. On Nov. 4 1924 an amendment adding Article 17A to the Constitution which relates to that subject, and that has reference to making railroad debt. On Nov. 4 1924 an amendment adding Article 17A to the Constitution which relates to that subject, and that has reference to making railroad debt. On Nov. 4 1924 an amendment adding the first of the subject, and the subject, and the subject is subdivisions to undertake the prevention and abatement of forest fires and to incur debts and pledge the public credit in so doing was ratified. It is given further below.

FIRST, as to State in

siven further below.

FIRST, as to State indebtedness, Article 9. Sections 5. 6, 7, 8, 10 and 14, and Article 16 follow:

SECTION 5. (State Debt Limited—How Contracted.)—For the purpose of defraying extraordinary expenditures, the State may contract public debt but such debts shall never, in the aggregate, exceed two hundred and fifty thousand dollars; every such debt shall be authorized by law for some single object, to be distinctly specified therein, and no such law shall take effect until it shall have been passed by the vote of two-thirds of the members of each branch of the Legislature, to be recorded by the yeas and nays on the journals of each House respectively; and every such law shall levy a tax annually sufficient to pay the annual interest of such debt, and also a tax sufficient to pay the principal of such debt within ten years from the final passage of such law, and shall specially appropriate the proceeds of such taxes to the payment of such principal and interest; and such appropriation and taxes shall not be repealed, postponed or diminished, until the principal and interest of such debt shall have been wholly paid. The State shall never contract any debts for works of internal improvements, or be a party in carrying on such works, except in cases where grants of land or other property shall have been made to the State, especially dedicated by the grant to specific purposes, and in such case the State shall devote thereto the avails of such grants, and may pledge or appropriate the revenue derived from such works in aid of their completion.

SECTION 6 (Issue of Bonds for Created Debt).—All debts authorized by the preeding section she lib econtracted by loan on State bonds of amounts not less than five hundred dollars each on interest, payable within ten years after the final passage of the law authorizing such debt; and such bonds shall be kept by the Treasurer, in numerical order, so as always to exhibit the number and amount unpaid and to whom severally made payable.

to the object specified in the Act authorizing such debt or liability, or to the repayment of such debt or liability, and to no other purpose whatever.

SECTION 10.—Credit of the State Prohibited but Rural Credits to an Unlimited Extent May be Granted.—The credit of the State shall never be given or loaned in aid of any individual, association or corporation except as hereinatter provided. Nor shall there by any further issue of bonds be an amendment to Section 10 of Article 9 of the Constitution, adopted April 15 1858, which is hereby expunged from the Constitution, saving excepting and reserving to the State, nevertheless, all rights, remedies and forfeitures accruing under said amendment. Provided, however, that for the purpose of developing the agricultural resources of the State, the State may establish and maintain a system of rural credits and thereby loan money and extend credit to the people of the State upon real estate security in such manner and upon such terms and conditions as may be prescribed by law, and to issue and negotiate bonds to provide money to be so loaned. The limit of indebtedness contained in Section 5 of this article shall not apply to the provisions of this section, and the purposes for which the credit of the State or the aforesaid municipal subdivisions thereof may be given or loaned as herein provided are declared to be public purposes.

SECTION 14.—(Public Debt for State Buildings.)—For the purpose of erecting and completing buildings for a hospital for the Insane, a deaf, dumb and blind asylum, and State prison, the Legislature may by law increase the public debt of the State to an amount not exceeding two hundred and fifty thousand dollars, in addition to the public debt already heretofore authorized by the constitution; and for that purpose may provide by law for issuing and negotiating the bonds of the State, and appropriate the money only for the purpose aforesaid; which bonds shall be payable in not less than ten nor more than thirty years from the date of the same, at th

We reprint below part of Section 1 and Section 4 of Article 16, which was adopted at the 1920 general election:

ARTICLE 16, SECTION 1.—Provision for the Establishment of a Trunk Highway System.—There is hereby created and established a trunk highway system which shall be located, constructed, reconstructed, improved and forever maintained as public highways, by the State of Minnesota. The said highways shall extend as nearly as may be along the following described routes, the more specific and definite location of which shall be fixed and determined by such boards, officers or tribunals, and in such manner, as shall not be any deviation from the starting points or terminals set forth in this bill, nor shall there be any deviation in fixing such routes from the various villages and cities named herein, through which such routes are to pass.

SECTION 4.—Ten Million Dollars Bonds Annually for Highway Purposes May Be Issued.—The Legislature may provide by law for the issue and sale of the bonds of the State in such amount as may be necessary to carry out the provisions of Section 1 of this article, provided, however, that the amount of bonds which may be issued in any one calendar year shall not exceed, in the aggregate, ten million dollars, par value, and provided, further, the total amount of such bonds issued and unpaid shall not at any time exceed seventy five million dollars, par value, and provided, further, the total amount of such bonds issued and sold shall be for a term not exceeding twenty (20) years. They shall not be sold for less than par and accrued interest and shall not bear interest at a greater rate than five per cent per annum. In case the trunk highway sinking fund shall not be adequate to meet the payment of the principal and interest of the bonds authorized by the Legislature as hereinbefore provided, the Legislature may provide by law for the taxation of all taxable property of the State in an amount sufficient to meet the deficiency, or it may, in its discretion, appropriate to such sinkin

Article 16.

SECOND, as to city, county or other municipality, the only restriction on the debt-making power in the constitution is the following, found in article 9, section 15:

ART. 9, SEC. 15.—(Municipal Debts in Aid of Railroads.)—The Legislature shall not authorize any county, township, city or other municipal corporation to issue bonds, or to become indebted in any manner, to aid in the construction or equipment of any or all railroads to any amount that shall exceed five per centum of the value of the taxable property within such county, township, city, or other municipal corporation, the amount of such taxable property to be ascertained and determined by the last assessment of said property made, for the purpose of State and county taxation, previous to the incurring of such indebtedness.

The foregoing was adopted as an amendment in 1879. Before its adoption the section read so as to authorize municipal corporations to issue bonds in aid of railroads to ten per cent of valuation. Hence the amendment consisted in simply changing the word ten and making it five.

This is all the constitution contains with reference to the debts of municipalities.

bonds in aid of ralicoads to ten per cent of valuation. Hence the amendment consisted in simply changing the word ten and making it five.

This is all the constitution contains with reference to the debts of municipalities.

ARTICLE 17A.—(State and Political Subdivisions May Incur Debts for Prevention and Abatement of Forest Fires.)—

SECTION 1.—The State and (or) any of its political subdivisions, if and whenever authorized by the Legislature, may contract debts and pledge the public credit for and engage in any work reasonably tending to prevent or abate forest the including the compulsory clearing and improvement of abate forest fire including the compulsory clearing and improvement of abate forest such land of the value of all benefits so conferred and the payment of damages so sustained in excess of such benefits.

Section 2. Any and all provisions of the Constitution of the State of Minnesota inconsistent with the provisions of this article are hereby repealed, so far, but only so far, as the same prohibit or limit the power of the Legislature to enact laws authorizing or permitting the doing of the things hereinbefore authorized.

Legislative Provisions.—The Legislature, however, has made some general provisions governing bond issues which are contained in Sections 1851, 1862, 1903, 1906, 1907 and 1932 of the General Statutes, 1913.

Section 1851 provides that 'no city of the first class shall hereafter incur or be subject to a net indebtedness in excess of 5% of its assessed value ones independent of the subject to such excess when so organized, either may issue and sell new value, now of the subject to such excess when so organized, either may issue and sell new bonds sufficient in amount to refund all or any part of such existing indebtedness, but the same shall not thereby be increased.

Section 1862 relating to independent school districts situated wholly or in part within any city having a population of more than 50,000, states that 'no such school district shall have power to issue bonds or any ev

of the issuance of such bonds shall be submitted to the electors of the city proposing to issue the same at a general or special election.

Oities having more than 10.000 and not more than 20.000 inhabitants, in addition to all the powers previously possessed by such cities, are authorized by Section 1906 to issue bonds for local improvements not exceding \$25,000, and according to Section 1907 "the bonds authorized by Section 1 of this Act (Section 1906) or any portion thereof, may be issued and sold by any such city notwithstanding any limitation contained in the charter of such city or in any law of this State, prescribing or fixing any limit upon the bonded indebtedness of such city, but the full faith and credit of any such city shall at all times be pledged for the payment of any bonds issued under this Act and for the current interest thereon, and the city council and common council of such city shall each year include in the tax levy for such city a sufficient amount to provide for the payment of such interest and for the accumulation of a sinking fund for the redemption of such bonds at their maturity."

Section 1932 provides that villages in Minnesota having a floating indebtedness may issue bonds for the purpose of refunding the samely but no such bonds shall be issued, or sold which, with bonds already issued shall exceed 15% of the assessed valuation of real estate of said village.

There has been a mass of other legislation enacted of more or less special application. We have not space here to notice it further than to say that as a rule, bonds for water and light purposes, and possibly for other self supporting enterprises, are not subject to the limitations placed upon indebtedness, and that under Chapter 299, Laws of 1923, no bonds may be sold below par, unless specific provision is made in the law authorizing their issuance that a sale may be effected at less than par.

SOLDIERS' BONUS CERTIFICATES.—The Legislature passed an Act in 1919 creating a Soldiers' Bonus Board and authorizing the "Board to issue certificates of indebtedness in the aggregate amount not to exceed \$20.000,000 at not less than par and not more than 5% interest. The 'state Supreme Court on Dec. 19 1919 sustained the decision of the Heunepin County District Court, which on Nov. 5 1919 held that the Soldiers' Bonus Law was valid. See "Chronicle" Dec. 27 1919, page 2456.) Owing to the inability of the "Board" to sell all of the certificates at par the 1921 Legislature passed an Act permitting the sale of the remainder (\$4.538.000) below their face value. Another Act passed in 1921 provided an additional million of bonus certificates.

COUNTY DITCH BONDS. THEIR SECURITY AND METHOD OF ISSUANCE.—For illustration of method of issuing ditch bonds and the security back of them, see "Chronicle" of Oct. 30 1915, page 1490.

DRAINAGE BONDS DIRECT OBLIGATIONS OF COUNTY.—The State Supreme Court holds that drainage bonds issued under Sec. 18, Chapter 230, of the general laws of 1905 as amended, are direct and general obligations of the county issuing the same. V. 94, p. 365.

Chapter 230, of the general laws of 1905 as amended, are direct and general obligations of the county issuing the same. V. 94, p. 365.

SUPREME COURT RULING AFFECTING SCHOOL BONDS.—
The State Supreme Court on Dec. 28 1917 ruled that bond issues for the erection of new school buildings must be initiated with the passage of resolutions by boards of education under Minnesota laws, otherwise a vote of a school district to that end is ineffective. V. 106, p. 205.

MORTGAGE TAX LAW.—The Legislature of 1907 enacted a law which became effective April 30 1907. uposing a tax of 50 cents upon each hundred dollars of the principal debt, secured by any mortgage of real property located within the State, recorded or registered on or after April 30 1907. The text of this law was given on page 1194 of the "Chronicle" of May 18 1907. This law, as amended, provides for a tax of 25 cents on each hundred dollars of a mortgage running for not more than 5 years and 60 days and 15 cents on a hundred dollars of a mortgage rouning for more than 5 years and 60 days. The law now reads as follows:

"Sec. 2302. A tax of 15 cents is hereby imposed upon each hundred dollars, or fraction thereof, of the principal debt or obligation which is, or in any contingency may be, secured by any mortgage of real property situate within the State executed and delivered after the passage and approval hereof and recorded or registered hereafter; provided that any such mortgage heretofore executed and delivered shall not berecorded or registered without payment of the tax originally stipulated in section 2 hereof as originally enacted; provided further, that if any such mortgage shall describe any real estate situate outside of this State, such tax shall be imposed upon such proportion of the whole debt secured thereby as the value of the real estate therein described struate in this State bears to the value of the real estate therein described struate in this State bears to the value of the real estate therein described struate in this State bears to the

paid on such portion shall be at the rate of 25 cents on each hundred dollars or fraction thereof."

TAXATION OF MUNICIPAL BONDS, MONEY AND CREDITS.—
Under authority of Chapter 242, Laws of 1911 (Section 1971, General Statutes, 1913), bonds thereafter issued by the State of Minnesota and Its political subdivisions, are exempt from taxation. See V. 92, p. 1263. The law reads: "That bonds and certificates of indebtedness hereafter issued by the State of Minnesota, or by any county, city or village of said State, or any township, or any common or independent school district of said State, or any governmental board of said State, or any county, city or village thereof, shall hereafter be exempt from taxation, provided that nothing herein contained shall be construed as exempting such bonds from the payment of a tax thereon, as provided for by Chapter 288, Laws of 1905 (Secs. 2271 to 2298, Gen. Stat., 1913), when any of such bonds constitute in whole or in part any inheritance or bequest, taken or received by any person or persons or corporation."

In 1923 the Legislature passed a law (Chapter 102) amendatory to Section 2316, Gen. Stat. of 1913, which levies a tax of 3 mills on a dollar of certain money and credits. Under this statute, bonds issued by States other than Minnesota and by municipalities located outside Minnesota are taxable at the rate of 3 mills on the dollar. This section now reads:

2316. As used in this section the word "money" means gold and silver coin, treasury notes, bank notes and other forms of currency in common use; and the word "credits" means and includes every claim and demand for money or other valuable taing, and every annuity or sum of money receivable at stated periods. due or to become due, and all claims and demand secured by deed or mortgage due or to become due, and all shares of stock in corporations the property of which is not assessed or taxed in this secured by deed or mortgage due or to become due, and all shares of stock in corporations the property of which is not assesse

mands secured by deed or mortgage due or to become due, and all shares of stock in corporations the property of which is not assessed or taxed in this State.

As hereinbefore defined, money and credits are hereby exempt from taxation other than that imposed by this Act and shall hereafter be subject to an annual tax of 3 mills on each dollar of the fair casa value thereof. But nothing in this Act shall apply to money or credits belonging to incorporated banks located within this State, nor to any indebtedness on which taxes nave been properly and fully paid under the provisions of Sections 2301-2309, General Statutes of Minnesota 1913 [mortgage tax law referred to above—Editor], nor to moneyed capital in the hands of individual citizens of this State coming into competition with the business of national banks; provided, that bonds, notes or other evidences of indebtedness in the hands of individual citizens not employed or engaged in the banking or investment business and representing merely personal investments not made in competition with such business, shall not be deemed moneyed capital within the meaning of this section.

SAVINGS BANK INVESTMENTS.—The law relating to the investment of savings banks funds in the State of Minnesota is contained in Section 6393 of the General Statutes of 1913. This section was amended in 1917 so as to provide that investments may be made in Federal Farm Loan bonds and in 1919 so as to allow of the purchase of bankers' acceptances. The law was further amended by Chapter 421, Laws of 1923. Section 6393. The trustees of any savings bank shall invest the moneys deposited therein only as follows:

1. In the bonds or other interest-bearing obligations of the United States, or in securities for the payment of which and interest thereon the faith of the Government is pledged.

HISTORY OF DEBT.—For the early history of Iowa's debt see "State and City Supplement" of April 1893, page 108.

HISTORY OF DEBT.—For the early history of Iowa's debt see "State and City Supplement" of April 1893, page 108.

FINANCIAL CONDITION.—This State during June (see remarks below) contracted its only bonded indebtedenss since 1892 through marketing the \$22,000,000 soldiers bonus bonds, a description of which follows: 4½'s'22 \$11,000,000c.Dec 1'24-'33|4½'s'23 \$855,000c.\_Dec 1 1934 J-D \$245,000c.\_Dec 1 1934 J-D \$8,800,000c.Dec 1'35-'42 Interest payable at Des Moines.

On June 30 1923 there were \$1,669.477.84 warrants outstanding and the State had cash in the general revenue fund amounting to \$6.554.763.19. The Permanent School Fund on June 30 1923 aggregated \$4,827.553.59.

During 1913, 1914, 1915 and 1916 up to 1921 the State issued and disposed \$1,085,000 5% certificates, the proceeds of which have been applied to the extension of the capitol grounds. Up to June 30 1923 \$1,050,000 of these certificates had been redeemed, leaving \$3,000 outstanding on Nov. 1 1923 SOLDIERS' BONUS.—The 1921 Legislature passed an Act authorizing the State to become indebted in the amount of \$22,000,000 and providing for the issue and sale of soldiers' bonus bonds for that amount. In accordance with Sec. 5 of Article 7 of the Constitution, this Act was submitted to the voters on Nov. 7 1922 and was approved—V. 115, p. 2179. Later—March 13 1923—the validity of the Act was unanimously upheld in a decision handed down by the State Supreme Court (V. 116, p. 1209) The bonds were marketed during June 1923 (V. 116, p. 2675).

The value of moneys and credits amounting to \$660,471.880 are not included in the valuation figures for 1923 or subsequent years, as they are now taxed as a separate item at a flat rate of 5 mills on the dollar of actual value. The value of moneys and credits for 1924 amount to \$606,752.690. See following item.

TAXATION OF MONEYS AND CREDITS.—The Legislature in 1911 passed an Act (Chapter 63) requiring that moneys and credits be taxed at full value with a flat levy of 5 mills. Previously moneys and credits were assessed at full value and taxed at 25% of this value the same as other property.

TAX RATE.—The State tax (per \$1,000) for 1921 was \$8.75; in addition there was a tax of 14 cents for Capitol Ground extension. For 1922 the general tax was \$9.11; and in addition there were levies of 15 cents for Capitol Extension and \$2 for soldiers' bonus. The tax rate for 1923 was \$11.50, including \$10.19 general levy and \$1.31 soldier bonusle levy. Tax rate of 1924 is \$11.50, which includes \$10.25 general levy and \$1.25 soldier bonus levy. These taxes were based on the equalized taxable value, which is ¼ of the appraised value.

MUNICIPAL DEBTS.—Title V, Chapter 14-A, Supplement to the Code, 1913, requires town and city officials to file annually with the State Auditor reports of the financial condition of their municipalities. These statements show that the total indebtedness of the municipalities on April 1 1923 was \$53.370.743 divided as follows:

	Cities.	Towns.

DEDI LIMITATION.—towa's Constitution restricts the creation of both State and municipal debt.

FIRST, as to State debt, the limitation made is not absolute, for it permits other debt if authorized by some law for some single specified work. But this permission is very safely guarded—(1) the law must provide for the collection of a direct annual tax sufficient to pay the interest regularly and discharge the debt in twenty years; and (2) the law cannot take effect until it has been submitted to the people at a general election, and has received a majority of the votes cast. All the debt provisions relating to the State we give below:

ARTICLE 7. Section 1. [Limitation of State indebtedness.] The credit of the State shall not in any manner be given or loaned to, or in aid of, any individual, association or corporation; and the State shall never assume or become responsible for, the debts or liabilities of any individual, association or corporation, unless incurred in time of war for the benefit of the State.

Section 2. [Same.] The State may contract debts to supply covered.

any individual, association or corporation: and the State shall never assume or become responsible for, the debts or liabilities of any individual, association or corporation, unless incurred in time of war for the benefit of the State.

Section 2. [Same.] The State may contract debts to supply casual deficits or fallures in revenues, or to meet expenses not otherwise provided for; but the aggregate amount of such debts, direct and contingent, whether contracted by virtue of one or more Acts of the General Assembly, or at different periods of time, shall never exceed the sum of \$250.000: and the money arising from the creation of such debts, shall be applied to the purpose for which it was obtained, or to repay the debts so contracted, and to no other purpose whatever.

Section 4. [For what other purposes State may contract debt.] In addition to the above limited power to contract debts, the State may contract debts or epel invasion, suppress insurrection, or defend the State in war; but the money arising from the debts so contracted shall be applied to the purpose whatever.

Section 5. [Other debts to be authorized.] Except the debts herein before specified in this article, no debt shall be hereafter contracted by or on behalf of this State, unless such debt shall be authorized by some law for some single work or object, to be distinctly specified therein; and such law shall impose and provide for the collection of a direct annual tax, sufficient to pay the interest on such debt as it falls due, and also to pay and discharge the principal of such debt, within twenty years from the time of centracting thereof; but no such law shall take effect until at a general election it shall have been submitted to the people, and have received a majority of all the votes cast for and against it at such election; and all money raised by authority of such law, shall be applied only to the specific one is published therein, throughout the State, for three months preceding the election at which it is submitted to the people.

tion shall be allowed to become indebted in any manner, or for any purpose, to an amount in the aggregate exceeding 5% on the value of the taxable property within such county or corporation—to be ascertained by the last State and county tax list, previous to the incurring of such indebtedness. The Legislature, however, has fixed a lower limit, as stated below.

The above (Section 3, Article XI) covers cities, counties, towns and everyother kind of political or municipal corporation. The Supreme Court of Iowa has decided that even a school district is such a corporation and subject to same limit. The Legislature of 1900 passed a bill (Chapter 41. Laws of 1900) fixing the limit of indebtedness of counties or other political or municipal corporations at 1½% of the actual value of property therein as returned by the last tax list, but it is further provided that such corporations may incur additional indebtedness, after the electors have authorized the action, for water-works, electric light and power plants, gas works and heating plants, and sewers; the total of all not to be in excess of 5% of the assessed valuation. This change was made because, under a revision of the Revenue Law which went into effect in 1898, property is now appraised for taxation on a much higher basis than formerly. In 1904 and again in 1906 the Act was amended, the important sections now reading as follows:

Section 1. That section thirteen hundred and six-b (1306-b) of the

the Revenue Law which went into effect in 1898, property is now appraised for taxation on a much higher basis than formerly. In 1904 and again in 1906 the Act was amended, the important sections now reading as follows:

Section 1. That section thirteen hundred and six-b (1306-b) of the supplement to the code and chapter forty-three (43) of the Acts of the 30th General Assembly be and the same are hereby repealed, and the following enacted in lieu thereof:

No county or other political or municipal corporation shall be allowed to become indebted in any manner or for any purpose to an amount exceeding in the aggregate the amount of one and one-fourth per centum of the actual value of the taxable property within such county or corporation, except that ottles and incorporated towns may, for the purpose of purchasins, erecting or maintaining and operating waterworks, electric light and power plants, gas works and heating plants, or of building and constructing sewers, incur an indebtedness not exceeding in the aggregate, added to all other indebtedness, five per centum of the actual value of the taxable property within such city or incorporated town. The amount of such taxable property within such city or incorporated town. The amount of such taxable property whall be ascertained by the last State and county tax list previous to the incurring of such indebtedness.

Section 2. Provided that before such indebtedness can be contracted in excess of one and one-quarter per centum of the actual value of the taxable property ascertained as above provided in this Act, a petition signed by a majority of the qualified electors of such fity or town shall be called, stating the purposes for which the money is to be used and that the necessary waterworks, electric light and power plants, gas works heating plants or sewers, cannot be purchased, erected, built or furnished within the limit of one and one-quarter per centum of the valuation. And provided that in cities having a population of more than ten thousand, the petition nee

well as the organization of drainage districts. V. 87, p. 1556.

BONDS NOT TO BE SOLD BELOW PAR.—The 1923 Legislature passed an Act (Chap. 14) making it unlawful for any county, city, town, township or school corporation to sell its bonds at less than par or to pay any commission or expenses, except for advertising, in connection with the sale. V. 117, p. 803.

DECISION REGARDING DEBT LIMIT.—Judge Smith McPherson of the U. S. Circuit Court on Oct. 22 1909, in a case involving the right of the City of Council Bluffs to issue bonds for a muncipal water system, sustained the city's contention that it could issue bonds up to 5% of the actual value of the property of the city and was not limited to 5% of the taxable value. Judge McPherson construed "taxable" to mean the actual value of property subject to taxation, and not the assessed value, which, by the State code, is fixed at only 25% of the actual value. In taking this position Judge McPherson referred to the opinion of the State Supreme Ccurt handed down in 1905, in the case of Halsey vs. City of Belle Plaine (128 Iowa 467), which, hesaid, puts at rest the question raised. V. 89, p.1174

OPINION REGARDING MUNICIPAL IMPROVEMENT BONDS.—

OPINION REGARDING MUNICIPAL IMPROVEMENT BONDS.— The Department of Judtice in Nov. 1911 rendered an opinion to the effet that municipal improvement bonds or certificates issued in anticipation of the collection of taxes need not be considered in determining the con-situtional limit of indebtedness as fixed by Section 74-v of the Supplement to the Code, 1907. V. 94, p. 365.

BONDS TAX FREE.—The 1909 Legislature passed an Act (Sec. 4482 Compiled Code of 1919), providing for the exemption from taxation of municipal, school and drainage bonds or cert ficates thereafter issued. It is expressly provided, however, that banks or trust companies holding such bonds or certificates shall not be permitted to make any deduction from the assessment of their shares by reason of that fact. V. 88, p. 1329. State bonds are taxable at the rate of 5 mills on the dollar. Secs. 4490 and 4504, Compiled Code of 1919.

Compiled Code of 1919.

SAVINGS BANKS' INVESTMENTS.—Investments of funds of State and savings banks in Iowa are governed by Section 1850 of the Supplement to Code, 1913, as amended in 1917 and 1921, which reads as follows:

Sec. 1850. Investment of funds. Each savings bank shall invest its funds or capital, all moneys deposited therein and all its gains and profits. only as follows—

1. In bonds or interest-bearing notes or certificates of the United States, 2. In bonds or evidence of debts of this State, bearing interest:

3 In bonds or warrants of any city, town, county, school district, or drainage district of this State, issued pursuant to the authority of law; but not exceeding 25% of the assets of the bank shall consist of such bonds or warrants.

3 In bonds or warrants of any city, town, county, school district, of drainage district of this State, issued pursuant to the authority of law; but not exceeding 25% of the assets of the bank shall consist of such bonds or warrants:

4 In notes or bonds secured by mortgage or deed of trust upon unencumbered real estate located in lowa or upon unencumbered farm land in adjoining States, worth at least twice the amount loaned thereon; provided, however, that no such loan shall be made upon any real estate located west of the one-hundredth meridian line.

5 An amount not exceeding ten per cent 10% of their capital stock and surplus in the capital stock of corporations chartered or incorporated under the provisions of Section Twenty-five-a (25-a) of the Federal Reserve Act, approved Dec. 24 1919, and a like amount in the capital stock or corporations organized under the laws of this State for the purpose of extending credit to those engaged in agriculture and to agricultural organizations, subject, however, to the approval of the Superintendent of Banking; provided that said investments by savings banks shall in no event exceed in the aggregate 20% of the capital stock and surplus of said bank.

6. It may discount, purchase, sell and make loans upon commercial paper, notes, bills of exchange, drafts, or any other personal or public security, but shall not purchase, hold or make loans upon the shares of its capital stock.

7. In all cases of loans upon real estate, all the expenses of searches, examination and certificates of title, or the inspection of property, appraisals of value, and or drawing, perfecting and recording papers, shall be paid by such borrowers; if buildings are included in the valuation of real estate upon which a loan shall be made, they shall be insured by the mortgagor for at least two-thirds of their value, in some solvent company, and the loss, if any, under the policy of insurance shall be made payable to the bank or it assigns, as its interests may appear. When the mortgagor

neglects to procure the insurance as above provided, the mortgage; may procure the same in the mortgagor's name for its binefit, and the premium so paid therefor shall be added to the mortgage debt.

FINVESTMENT OF TRUST FUNDS (In What to Be Made) was regulated by Section 364 of the Code of 1897, as amended by Laws of 1913. In 1921 this section was repealed and an Act known as Chapter 126, Laws of 1921, substituted, which we give in full below.

\*Chapter 126—Investments—In What to Be Made.—Where investments or funds are to be made, including those to be made by executors, administrators, trustees and guardians, and no mode of investment is pointed out by statute, they may under order of court be made in the bonds of this state, or of those of the United States, or Federal Farm Loan bonds issued under the provisions of the Act of Congress approved July 17 1916, or in bond or mortgage upon real property of the clear, unencumbered value of twice the investment or in bonds, issued by or under the direction of cities, towns, counties, school or drainage districts of this State.

LEGISLATURE meets blennially in odd years on the first Wednesday after the first day of January, and there is no limit to length of sessions; but after the first seventy days members can draw only a dollar a day for their services, except every tenth year, when the statutes are revised, at which session members are allowed \$5.00 per day for 120 days. A session of this kind was held in 1919.

A constitutional amendment to increase the pay of the legislators from \$5 to \$10 a day was defeated in Nov. 4 1924 (V. 119, p. 2553.)

The State of Missouri contains 114 counties and the City of St. Louis, the latter being a separate civil division subject to a dual government with a full set of both county and city officers.

at the Chase National Bank.

TOTAL DFBT, &c.—The total bonded debt as of Sept. 1 1924 of the State was \$40,307,839. Excluded from this total are \$4,398,839 school and seminary certificates, which are held in trust by State. The total cash held in Treasury to the credit of all of the State funds on Sept. 1 1924 amounted to \$17,717,146. These school and seminary fund certificates are registered and are non-negotiable and non-transferable. They are held in trust by the State Board of Education for the benefit of the State Public School fund and the State Seminary University fund.

ASSESED VALUATION.—On Jan. 1 1923 the State's assessed valuation of all taxable property for State taxation was \$4,613,927,203. The following table shows assessed valuation and State tax rates for the last fourty-four years:

The bonds are to bear no more than 6%, payable semi-annually Jan. 1 and July 1. They are free of all State, county and municipal taxes. The legality of the Mill and Elevator and Real Estate bonds has been passed upon by the Supreme Court of North Dakota in the case of the State of North Dakota ex rel. William Langer, Attorney-General, vs. Thomas Hall, as Secretary of State, and by the United States District Court for the District of North Dakota in the case of John W. Scott et al. vs. Lynn J. Frazier, William Langer and John N. Hagan, acting as the Industrial Commission of North Dakota et al. The Supreme Court of the United States on June 1 1920 upheld the decision of the State Supreme Court. See "Chronicle" of July 3 1920, page 34. Numerous attempts by the State Industrial Commission and the Bank of North Dakota (a State institution) to sell these bonds proved fruitles. In October 1921 bonds totaling \$6,100.000 were sold by the State Industrial Commission at par to the Bank of North Dakota, which in turn sold them below par. Exception was taken to this sale by a group of tax-payers, who filed a suit in the State Supreme Court. contending that the sale violated the law which provides for the sale of bonds at par. The (Nonpartisan) Industrial Commission before being obliged to relinquish office on Nov. 23 1921 (as the result of the recal election), signed a contract for the sale of all the remaining authorized bond issues at par. But the incoming Commission modified the arrangement through the negotiation of a new contract. By this new contract the amount of bonds sold was reduced from \$12.300,000 to \$6,200,000. The Supreme Court at the provided on Dec. 22 1921 that the bo

On June 28 1922 the people of the State, by 99.866 to 58,186, voted to increase from \$10,000,000 to \$20,000,000 the amount of bonds that might be issued under the terms of the Real Estate Bond Act of 1919.

In 1923 the Legislature authorized \$2,000,000 Milling Bonds, to bear no more than 6% interest. The same Legislature passed an Act authorizing the issuance of \$25,000,000 Real Estate Series bonds, bearing no more than 6%. Both issues are to be free of taxation.

NON-PARTISAN LEAGUE.—A five-year experiment in State-wide Socialism terminated on Nov. 23 1921, when the Non-Partisan League officials, consisting of Lynn J. Frazier, Governor; William Lemke, Attorney-General, and John N. Hagan, Commissioner of Agriculture, were succeeded by R. A. Nestos, Sveinbjorn Johnson and Joseph A. Kitchen, respectively, as a result of the recall election held Oct. 28 1921. (V. 113, p. 2422.)

NOT VALID UNLESS ENDORSED BY AUDITOR, ETC SECTION 187. No bond or evidence of indebtedness of the State shall be valid unless the same shall have endorsed thereon a certificate signed by the Auditor and Secretary of State, showing that the bond or evidence of debt is issued pursuant to law and is within the debt limit. No bond of evidence of debt of any county, or bond of any township or other political subdivision, shall be valid unless the same have endorsed thereon a certificate signed by the County Auditor, or other officer authorized by law to sign such certificate, stating that said bond or evidence of debt is issued pursuant to law and is within the debt limit.

BONDS NOT SOLD AT LESS THAN PAR.—Chapter 327, Laws of 923, provides that no county, city, village, school district or township onds may be issued at less than par.

BANK OF NORTH DAKOTA.—The 1919 Legislature passed an Act declaring the purpose of the State of North Dakota to engage in the banking business and establish a system of banking under the name of the "Bank of North Dakota," operated by the State. This Act was approved by the voters at a special election held June 26 1919 by a vote of 61.495 for to 48,239 against. The Act provided for the issuance of \$2.000.000 of bonds, the proceeds of which were designated as the capital of the Bank. The Bank opened for business on July 28 1919

COUNTIES PERMITTED TO ISSUE BONDS FOR PURCHASE OF SEED AND FEED.—The State Attorney-General has given an opinion that counties may issue bonds for the purchase of seed and feed to be sold to farmers of the State at cost. V. 105, p. 2560.

TAXATION OF MONEY AND CREDITS (State and Municipal Bonds).—The 1915 Legislature passed an Act (Chapter 255) making "money" and "credits" subject to an annual tax of two mills on the dollar. This tax was increased to three mills by Chapter 230, Laws of 1917. "Moneys and "credits" include State and municipal bonds. However, bonds of the State of North Dakota, or at least all those issued in and since 1919, are exempt from taxation under the terms of the acts authorizing their issuance.

Issuance.

TAX LEVY LIMITATION.—Under an Act of the 1923 Legislature, tax limits are put on levies assessed by the various political subdivisions throughout the State. County levies are not to exceed 2½ mills on the dollar of the net taxable assessed valuation; city levies are limite to 14 mills; village levies to 10 mills; township levies to 5 mills; park districts to 2 mills, and school districts to 14 mills. There are, however, several exceptions to these limits. Counties may, under Chapter 231, Laws of 1919, which permits counties to levy taxes for road and bridge purposes, levy taxes not to exceed 3 mills on the dollar of the taxable assessed valuation. School districts which give two years of standard high school work and school districts maintaining a consolidated school may increase the levy to 16 mills on the dollar, and districts giving 4 years of standard high school work may increase the levy to 18 mills. A further provision for levying taxes in excess of the prescribed limits is made. The limits may be exceeded by 40% if the increase

is approved by a majority of the voters, and by 50% if approved by two-thirds of the voters.

The limits fixed in this Act are not applicable to irrigation or drainage districts, or to special assessments levied in cities and villages; or to levies made for the purpose of paying bonded indebtedness, or the county tuition levy provided for by Section 1224, Compiled Laws of 1913; or to levies made to combat the grasshopper and the gopher.

INITIATED TAX MEASURES DEFEATED.—On Nov. 4 1924 there was submitted to the voters and defeated a "Proposed Initiated Tax Law," which would have reduced and limited the taxes, revenue and expenditures of all departments of Government, including the State, county, city, village, township, school district and park district (see V. 119, p. 2786).

SAVINGS BANK INVESTMENTS.—Section 5198 of the laws of North Dakota relating to State banks and savings banks, as amended by Chapter 60, Laws 1917. contains the provisions regulating the investment of funds of all savings banks. We publish Section 5198 in full below Section 5198. Investment of Funds.—A savings bank incorporated hereunder shall invest its capital, its deposits, its surplus and its profit only as follows:

\$ The State constitution requires that all property shall be assessed at full value, but until 1913 there was no real attempt to comply with this requirement. By virtue of the powers vested in the Tax Commission created by an Act passed at the 1913 Legislature (Chapter 352), a vigorous effort has been made to have all property in the State assessed at full value, and this will account for the great increase in the 1913 total of the assessments. Prior to 1913, assessments were on a basis of from 15% to 40% of the actual value.

Included in the 1924 figures are moneys and credits in the amount of \$71,387,337, which are taxed separately at a flat rate of 4 mills on the dollar.

TAX RATE.—The tax rate (per \$1,000) for 1924 was \$2.40.

TAX RATE.—The tax rate (per \$1,000) for 1924 was \$2.40.

DEBT LIMITATION.—The debt-creating powers of the State and its various subdivisions are defined in Article XIII of the Constitution. Previous to 1916 the limitations upon the creation of debt were very stringent, the State and its political subdivisions being prohibited from lending or giving their credit in aid of any individual, association or corporation. The only indebtedness the State could contract was for defraying expenses, making public improvements, or to meet casual deficits, in an amount not to exceed \$100,000, and in defending the State and the United States in time of war. By an amendment made in 1916, the State and the counties were empowered to establish a system of rural credits. The limitations upon the State were further loosened in 1918, when an amendment was adopted giving the State authority to engage in works of internal improvement and to loan or give its credit in aid of any association or corporation and to hold the stock of corporations engaged in internal improvements, such corporations to be controlled by the State as provided by law. Counties, cities, towns, &c., may not borrow in an amount in excess of 5% of the valuation approxision is made for debt equal to 10% for water, sewers and irrigation; in cities of 8,000 or more population, a debt not to exceed 8% of the valuation may be created for constructing street railways and light plants; no debt is to be incurred by any of these subdivisions unless authorized by a majority of the electors. The sections regulating the incurring of debt follow:

| SECTION 1. For the purpose of developing the resources and improving the economic facilities of South Dakota, the State may engage in works of

Internal improvement, may own and conduct proper business enterprises, may bean or give its credit to, or in aid of, any association, or corporation, and may become the owner of the capital stock of corporations, organized for such purposes. But any such association or corporation shall be subject to regulation and control by the State as may be provided by law. No money of the State shall be appropriated, or indebtedness incurred for any of the purposes of this section, except by the vote of two-thirds of the purposes of this section, except by the vote of two-thirds of the pay any debt or liability incurred in time of war for the defense of the State. The State, or any county, or two or more counties jointly, may establish and maintain a system of rural credits and thereby loan money and extend credit to the people of the State upon real estate security in such manner and upon such terms and conditions as may be prescribed by general law. The limit of indebtedness contained in Section 20 of this article shall not the purposes contained in this section, other than for rural credits, shall never exceed one-half of one per cent of the assessed valuation of the property of the State.

SECTION 2. For the purpose of defraying extraordinary expenses and making public improvements, or to meet casual deficits or failure in revenue, the State may contract debts never to exceed with previous debts in the aggregate \$100,000, and no greater indebtedness shall be incurred except for the purpose of repelling invasion, suppressing insurrect than the state of the contract of the state of the state of the contract of the state of south Dakota shall be incurred except for the purpose of repelling invasion, suppressing insurrect than the state of south Dakota shall be incurred in the second of the state of south back than principal when due, by tax levied for the purpose or from other sources of revenue; which have providing for the payment of such interest and principal when due, by tax levied for the purpose or from other sour

Irrepealable until such debt be paid.

SECTION 9. The construction and maintenance of good roads and the supplying of coal to the people of the State from the lands belonging to the State are works of necessity and importance in which the State may engage but no expenditure of money for the same shall be made except by the vote of a two-thirds majority of the legislature.

COUNTY AND CENTRAL HIGH SCHOOL DISTRICT BONDS.—Chapter 174. Laws of 1923, authorizes the establishment of county and central high school districts, and grants to such districts power to incur indebtedness up to 2% of the assessed valuation of property, in addition to bonds issued under the 5% limit placed upon other county indebtedness. See V. 117, p. 690.

TAYATION OF MUNICIPAL BONDS.—On Law 20 1919 the Suppose

to bonds issued under the 5% limit placed upon other county indebtedness. See V. 117, p. 690.

TAXATION OF MUNICIPAL BONDS.—On Jan. 30 1919 the Supreme Court of South Dakota in the case of National Surety Co. vs. Starkey, County Treasurer, reversed the decision of the Circuit Court of Hughes County which had held that municipal bonds as "public securities" and "property" were taxable in that the Constitution does not expressly exempt them. In the opinion handed down in the case the Supreme Court said:

"To summarize in a few words our conclusion: If we were to consider the bonds before us merely as property and disregard the purpose for which they were issued—disregard the fact that they are governmental instrumentalities—we should hold them taxable; but, when we regard them, not merely as property but as governmental instrumentalities of a Sovereign State, superior intervening public policy grounded upon one of the Sovereign powers of the State compels us to the conclusion (there being no express language in the Constitution to the contrary) that the public securities of a State, and of its counties and municipalities were not intended to be included either in the term "property" or the term "bond" as such terms are used in that article of our Constitution relating to taxation."

Chapter 109 of Laws of 1919 (Sec. 8, subdiv. 5) exempts from listing on the tax rolls municipal and United States bonds.

Section 20 of Chapter 333, Laws of 1917, provides that all warrants or onda issued by the State Highway Commission shall be free from all general taxes, State, county and municipal, and shall not be subject to State income tax. A similar Act was passed by the 1921 Legislature (Chapter 127), exempting the bonds issued by the State Highway Commission.

SAVINGS BANK INVESTMENTS.—There are no laws in this State specifying any particular securities for investment. Such investments, it appears, are made at the discretion of officials of savings banks.

POPULATION OF STATE.—The population of South Dakota has been reported as follows in the years named. The figures for 1900 include Indians and whites on Indian reservations, who in previous years were excluded from the enumeration. The aggregate of such persons in 1890 was 19.792, and should be added to the total for that year in making comparisons. These figures were not reported for 1910. The number of Indians alone included in the population for 1910 and 1920 was 20,303 and 16,384, respectively.

rormerly given under this head.

HISTORY OF DEBT.—When Kansas was admitted into the Union as a state (in 1861) it had a bonded debt of \$150,000. The Constitution of 1895 limited the debt-making power to \$1,000,000 (with certain restrictions and exceptions), as more fully described below. In 1886 the bonded debt was \$630,775, of which the State owned \$28,650. In 1878 the total bonded debt was \$1,181,975, of which the State owned \$211,000, was all retired. The bonded debt on Jan. 1 1916 amounted to \$211,000, was all retired. The bonded debt on Jan. 1 1924 amounted to \$28,500,000 and is made up of the following issues:

			-Interest-	Prin	cipal
Loan,	Name a	nd Pur	pose- P.C. Payable	. When Due.	Outstanding.

Bonds are coupon bonds, registerable as to principal only, and the principal and interest are payable in gold in New York City or at the State Treasurer's office.

Permanent School Funds June 30 1923 amounted to \$10,357,540.72.

SOLDIERS' BONUS BONDS.—The 1921 Legislature passed a bill proposing the issuance of \$25,000,000 soldiers' bonus bonds. In accordance with the provisions of Section 6 of Article XI, the proposition was submitted to the voters at the general election held in 1922 and carried by a large majority. V. 115, p. 2498. The validity of the bond issue was attacked, but the State Supreme Court on Feb. 16 1923 handed down its decision that the bonds were constitutional and valid in all respects. V. 116, p. 965. The \$25,000,000 bonds were sold in June 1923. V. 116, p. 2801. It was found that the \$25,000,000 fund was not sufficient, and the State Legislature, in special session (August 1923) acting upon the opinion of the State Supreme Court that the approval of the \$25,000,000 bond issue given by the people was sufficient authority to issue additional bonds, passed an Act authorizing another \$7,000.000 bonds. V. 117, p. 576 and 803. Validity of statute upheld by State Supreme Court (see V. 118, p. 105). So far \$4,500.000 of the bonds have been sold.

BOND MEASURE DEFEATED.—On Nov. 4 1924 the \$1,000,000 bond measure, passed at the 1923 session of the Legislature, the proceeds of which it was proposed to use in the payment of a bonus to veterans of the war with Spain, the Philippine insurrection and the Chinese relief expdition, was submitted to the voters and defeated (V. 119, p. 2434).

\*The large increase beginning with 1908 followed from a law passed in 1907 (Chapter 408) creating a Tax Commission to take the place of the

Board of Railroad Assessors and State Board of Equalization. This law makes it the duty of the Tax Commission to require all townships and city assessors, county commissioners and county boards of equalization, under penalty of forfeiture and removal from office as such assessors or boards, to assess all property of every kind and character at its actual and full cash market value. Previously property was assessed at only a fraction of its actual value. V. 87. p. 1189.

ISSUANCE OF BONDS FOR CONSTRUCTION OF COMBINED WATER AND LIGHT PLANT UPHELD BY STATE SUPPREME COURT.—In a decision handed down June 8 1918 by the State Supreme Court in a suit brought to enjoin the city of Palco from issuing bonds for the construction of a combined water and electric-light plant, it was declared that certain cities in Kansas may vote such bonds without a separate bond issue covering each class of utility. V. 107, p. 525.

BONDS TAX-FREE.—By Section 15 of Chapter 408, Laws of 1907 (Section 11302, Gen. Stat., 1915) all bonds or other evidences of indebtedness hereafter issued by this State, of any county, city or school district contained therein, are exempt from taxation.

COMMISSION GOVERNMENT.—In 1917 an Act was passed by the Legislature and approved by the Governor on Feb. 17 1917, permitting any city in the State to adopt the commission plan of government, providing certain provisions are complied with. V. 104, p. 1305.

COUNTIES CANNOT USE TAX LEVIES INTENDED FOR CURRENT EXPENSES TO PAY OLD DEBTS.—See item under Leaven worth County in "Chronicle" of June 3, page 2094.

MORTGAGE TAX LAW.—The 1915 Legislature passed a measure substituting a registration fee in lieu of taxation of mortgages. V. 100, p. 1371.

SAVINGS BANK INVESTMENTS.—The State Banking Department, under date of Sept. 27 1917, advised us that "Kansas has no savings bank law, and therefore, strictly speaking, no savings banks. We think we can safely say that nine-tenths of the banks of Kansas have a savings department, however."

The Legislature in 1917 passed an Act amending Section 5209 of the General Statutes of Kansas, 1915, relating to investment of funds of any life insurance, trust or loan company, so as to provide for the investment, in addition to county, city, township, village or school district bonds, in Federal Farm Loan bonds, or in bonds issued by any other nation, or subdivision or district therein. SITUATION AS TO DEBT, &c.—For facts with reference to the early history of Montana's State debt, see "State and City Supplement" for April 1893, page 130. The bonded debt of the State of Montana on June 30 1924 was \$4,296,000. The warrants outstanding on the same date were \$5,702,-105.71. The Capitoi Building bonds given below are issued against a land grant; they amounted to \$650,000 on June 30 1924. The cash on hand on June 30 1924 amounted to \$2,627,828.66. The permanent school fund on June 30 1924 held cash and securities amounting to \$10,149,909.05, and other permanent funds on hand aggregated \$2,623,666.81.

and other permanent funds on hand aggregated \$2,623,666.81.

Loans Authorized.—The voters on Nov. 2 1920 approved the issuance of \$5,000,000 State School bonds (V. 111, p. 2246). The constitutionality of the \$5,000,000 State School bond issue was upheld by the State Supreme Court on Feb. 4 1921 (V. 112, p. 673). A legislative Act providing for soldiers' Bonus and a \$4,500,000 bond issue to carry out the plan was approved by the voters on Nov. 7 1922 (V. 115, p. 2818). But in Feb. 1923 the State Supreme Court held the Act unconstitutional (V. 116, p. 741). The question came before the voters in the form of aconstitutional amendment on Nov. 4 1924 and was agan defeated (V. 119, pages 1309, 1422 and 2786).

The State Supreme Court on May 2 1921 upheld the law passed by the special session of the 1921 Legislature, providing for the issuance of \$3,000,000 in State Treasury note certificates for the purpose of payment of out-tanding claims and accruing claims, &c. The Court ruled that these notes do not create an indebtedness under Section 2 of Article 13 of the State Constitution (V. 112, p. 2214).

into effect the 5% limitation on county indebtedness and the 3% limitation
on city, town and school district indebtedness.

There have also been enacted laws providing for drainage and irrigation
district indebtedness.

Chapter 38, Laws of 1923, requires the State and all political subdivisions
and other taxing units having the pewer of issuing bonds to give preference
to amortization bonds and to accept serial bonds only when amortization
bonds cannot be negotiated to good advantage. (For text of measure see
V. 118, p. 1303.)

COUNTY UNIT SYSTEM.—The Legislature in 1919 passed an Act (Chapter 211, Laws 1919) providing for the creation of a Rural School District in each county of the State, composed of all Third Class districts and parts thereof as a unit for the purpose of taxation and issuance of bonds; for the creation of sub-districts of rural districts for the purpose of local administration and control. The Act provides for boards of trustees for rural school districts and prescribes the manner of election, number, terms, powers and duties of said boards. Under Section 3 of this Act any county in the State may adopt the county unit system for rural schools.

COUNTY FUNDING AND REFUNDING BONDS VALIDATED BY ACT OF LEGISLATURE.—At the special session of the Montana Legislature in 1918 an Act was passed (Chapter 5) legalizing and validating bonds issued by counties for the purpose of funding or refunding outstanding indebtedness issued by counties without the question of issuing the same, or funding or refunding such indebtedness, having been submitted to and approved by the electors. V. 106, p. 1257.

TAXATION OF MUNICIPAL BONDS.—Chapter 51, Laws of 1919, as amended by Chapter 248, Laws of 1921, taxes all State, county, school district and other municipal bonds, warrants and securities, but the assessment is at only 7% of true and full value.

INTEREST on bonds payable at Hanover National Bank, New York.

TOTAL DEBT, ETC.—The total bonded debt on Oct. 1 1924 was \$5,619,000. Cash balance Oct. 1 1924 was \$2,707,042.55.

HIGHWAY BONDS.—An issue of \$2.000.000 Highway bonds was approved by the voters on Nov. 2 1920. The State Supreme Court on May 21 1921 held that the \$2.000.000 State highway bonds are valid, that the Act of the Legislature providing for the employment of a fiscal agent to dispose of the bonds is constitutional (V. 112. p. 2443).

ASSESSMENTS MADE ON NEW BASIS SINCE 1913.—The Legislature of 1913 passed practically a new revenue law (Chapter 58), which provides, among other things, for the assessment of all property at its cash value. Previously all property was assessed at its cash value, but only 40% of such assessment was utilized in determining the rate. For example, property, the actual cash value of which was \$1,000, would be assessed for \$1,000, but only \$400 would be taken as a basis of making the levy. V. 97, p. 1149.

1910 ————325,594 | 1890 ———88,548 | 1870 ——14.999
In 1870-80 increase was 17.611, or 117.41%; in 1880-90, 55,938, or 171.54%. In 1890-1900 the increase was 73,224, or 82,70%, a part of which increase was due to the fact that the 1900 aggregate embraced Indians and whites on Indian reservations not theretofore included. Such persons numbered 4,163 in 1890 and 3,420 in 1880, which amounts should be added to the totals for those years in making comparisons. No report was made in 1910 of the Indians and whites. In 1900-10 the increase in population was 163,822, or 101.3%. The number of Indians alone included in the 1910 population was 3,988. In 1910-1920 the increase was 106.232, or 32.6%. The number of Indians alone included in the 1920 population was 3,988.

\*Under the Revenue Law of 1901 property is required to be assessed at its true value. In 1913 this law was amended to provide for assessment at "true and full cash value." This accounts for the large increase in values of 1901 and 1913, as property was assessed at a very much lower basis in earlier years.

In addition to the tax rate as above, there is a poll tax of \$1.00 per capita.

In 1880 and prior to that date this poll tax was 50 cents per capita.

The State Supreme Court in an opinion handed down April 3 1916 upheld the increase in assessed valuations ordered by the Colorado Tax Commission and State Board of Equalization. See item under "Denver" in "Chronicle" of April 15 1916, page 1461; also V. 98, p. 249. A proposed amendment to the constitution abolishing the Colorado Tax Commission was defeated at the November 1916 election. V. 104, p. 677.

Soldiers' Bonus Amendment Proposed.—The 1923 Legislature passed an Act submitting to the voters a proposal to amend the constitution so as to allow the issuance of \$8,000.000 bonds for the payment of a bonus to veterans of the World War. Spanish War. Philippine Insurrection, and Civil War. This proposition was placed before the voters on Nov. 4 1924 and defeated.

DEBT LIMITATION.—Colorado's constitutional debt limitations are found in Article XI of the constitution and were published in the "State and City Supplement" of April 1895, pages 140 and 141. Section 36 Article XI, of the constitution, concerning the debt limitation of the State, was amended Nov. 8 1910 so as to provide for the issuance of bonds for crefunding warrants issued by the State in 1887, 1888, 1889, 1892, 1893, 1894 and 1897. In a litigation the Colorado State Supreme Court held this amendment constitutional. The question was brought before the United States Supreme Court, but the appeal was dismissed. V. 95, p. 1420. Another amendment to the section, passed in 1920, provided that a debt not to exceed \$5,000.000 may be created for State highway purposes. An additional \$6,000,000 bonds for highways was provided for y an amendment of 1922. V. 115, p. 2290. The section now reads as follows:

by an amendment of 1922. V. 115, p. 2290. The section now reads as follows:

This district (P. O. Fort Morgan is in Morgan Co. Bonds in default. In the latter part of October 1921, Mr. Arlington Taylor, attorney-at-law, of Fort Morgan, advised us that there has been "no board of directors in existence for years" and that "no 6s levies have been made." "Efforts."

he said, "have fruitlessly been made to get all bonds martialed and settled for a few cents on a dollar, but no success has been made along this line." He seems to think that the bonds are a "total loss." Under date of Oct. 1 1923. Ed. H. Madison, County Treasurer, advises us that "conditions remain the same" concerning this district.

The temporary loan debt October 1924 amounted to \$490,000.

The temporary loan debt October 1924 amounted to \$490,000.

TAX VALUATION.—Beginning with 1916, property has been assessed on a full cash basis. The assessed value for 1924 was \$665,495,424; in 1920, \$716,937,465; in 1919 it was \$696,587,544; in 1921 it was \$650,000,000; in 1922, \$635,531,708; in 1921 it was estimated at \$590,000,000; in 1916 it was \$591,000,000; in 1915 the final figure on the old basis was \$228,096,737; in 1914, \$221,611,412; in 1912, \$200,299,207; in 1910, \$186,354,505; in 1908, \$166,019,855; in 1906, \$145,995,949; in 1904, \$132,994,247, and in 1900, \$105,629,041. The State tax (per \$1,000) or 1921 was \$6.09; for 1922, \$7.10; for 1923, \$7.40; and 1924, \$7.30.

DEBT LIMITATION.—The indebtedness of this State is limited by its constitution. The sections relating to State debt are found in Article XIV, of that instrument, being Nos. 1, 2, 5 and 6. An amendment to Section 1 proposing to increase from 1½% to 2% the amount of debt to which the State may obligate itself was defeated at the 1922 general election. V.115, p. 2401. We quote these sections below:

SECTION 1. To meet casual deficits or fallures in revenue, and for accessary expenditures for public purposes, including the erection of public buildings, and for the payment of all Territorial indebtedness assumed by the State, the State may contract debts not exceeding las amended in 19101 in the aggregate at any one time, an amount equal to one and one-balf per centum of the value of the taxable property of the State, as shown by the last assessment for State purposes, previous to the incurring of such indebtedness. But the State shall never contract any indebtedness, except as in the next section provided, in excess of such amount, and all moneys arising from loans herein authorized, shall be applied solely to the purpose resurrection, or to defend the State in war, but the money arising from the

is was obtained.

SECTION 5. All moneys borrowed by, or on behalf of the State or any legal subdivision thereof, shall be used solely for the purpose specified in the law authorizing the loan.

SECTION 6. The State shall not assume the debt, or any part thereof, of any county, city, town or school district.

Title 47, Revised Statutes of Utah, provides further for a State Board of Loan Commissioners, who are authorized to refund all outstanding Territorial bonds. These bonds are not to be taxed within the State of Utah for any purpose. Under the provisions of this Act several Territorial bond issues have been refunded.

Counties, Cities, Towns, &c.—The constitutional provisions relating to the debt of counties, cities, towns, school districts and other municipal corporations will be found in Sections 3, 4, 5 and 7 of Article XIV. Section 5 is quoted above. We give Sections 3, 4 and 7 below.

porations will be found in Sections 3. 4, 5 and 7 of Article XIV. Section 5 is quoted above. We give Sections 3. 4 and 7 below.

SECTION 3. No debt in excess of the taxes for the current year shall be created by any county or subdivision thereof, or by any school district therein, or by any city, town or village, or any subdivision thereof in this State; unless the proposition to create such debt shall have been submitted to a vote of such qualified electors as shall have paid a property tax therein, in the year preceding such election, and a majority of those voting thereon, shall have oted in favor of incurring such debt

SECTION 4. When authorized to create indebtedness as provided in Section 3 of this Article, no county shall become indebted to an amount, including existing indebtedness, exceeding 2%. No city, town, school district or other municipal corporation, shall become indebted to an amount, including existing indebtedness, exceeding 4% of the value of the taxable property therein, the value to be ascertained by the last assessment for State and county purposes, previous to the incurring of such indebtedness except that in incorporated cities the assessment shall be taken from the last assessment for city purposes; provided, that no part of the indebtedness allowed in this section shall be incurred for other than strictly county, city, town or school district purposes; provided further, that any city of the first and second class when authorized as provided in Section 3 of this Article, may be allowed to incur a larger indebtedness, not to exceed four per centum, and any city of the third class, or town, not to exceed [as amended in 1910] eight per centum additional, for supplying such city or

town with water, artificial lights or sewers, when the works for supplying such water, light and sewers, shall be owned and controlled by the munici-

such water, ight and sewers, shall be owned and controlled by the municipality.

SECTION 7. Nothing in this Article shall be so construed as to impair or add to the obligation of any dobt heretofore contracted, in accordance with the laws of Utah Territory, by any county, city, town or school district, or to prevent the contracting of any debt or the issuing of bonds therefor naccordance with said laws, upon any proposition for that purpose, which, according to said laws, may have been submitted to a vote of the qualiffed electors of any county, city, town or school district before the day on which this constitution takes effect.

Section 792 of the Compiled Laws of Utah, 1917, carries into effect Sec. 4 of Article XIV as far as cities and towns are concerned. This section provides that any city or town may incur indebtedness not exceeding in the aggregate, with all other indebtedness, 8% of the value of the taxable property for the purpose of supplying the city or town with water, artificial light or sewers when the works for supplying such water, light and sewers shall be owned and controlled by the municipality, provided that cities of the third class, and towns, may become indebted to an amount not exceeding in the aggregate, with all other in-lebtedness, 12% of the value of the taxable property for these purposes, when authorized by a majority of the qualified electors. Bonds issued under authority of his section may not be sold at less than par.

County indebtedness in Section 1414, Compiled Laws of 1919, is limited to 2% of the taxable valuation of property, the provision being made that no debt except for refunding may be incurred without a majority vote of the people. In Sec. 1364 an additional limitation is made, the provision being that a county may not create, in any one year, a debt in excess of the tax receipts for that year.

Sections 3515 and 3516 authorize irrigation districts to issue bonds upon the approval of two-thirds of the voters. These bonds may not be sold at less than 95. Section 2071

TAXATION OF MUNICIPAL BONDS.—The Secretary of State advised us under date of December 11 1911, that he could find no statute which expressly exempts from taxation bonds, notes or other evidences of indebtedness issued by the State, countles, school districts and municipalities. The constitution, however, exempts all property owned by such political divisions and also exempts mortgages from taxation, and it has been construed that the bonds of the State and its municipalities are mortgages and therefore not taxable. The Legislature of 1911 passed two Acts providing for bond issues (\$260.000 road and bridge and \$300.000 university) and in both of these Acts it was expressly stipulated that the bonds should be exempt from taxation for any purpose within the State. In 1921 the Legislature passed an Act providing for the issuance of \$1,000.000 bonds for road construction and another for \$500.000 for general fund deficit. Both these Acts carry clauses exempting the bonds from taxes within the State. Title 47 of the Revised Statutes of 1907, which provides for the creation of a State Board of Loan Commissioners to refund outstanding territorial bonds, also provides that these bonds are not to be taxed within the State for any purpose.

SAVINGS BANK INVESTMENTS.—There are no stipulated securities

SAVINGS BANK INVESTMENTS.—There are no stipulated securities for investment by Utah savings banks. Section 1206 of Chapter 12, Title 19, Compiled Laws of Utah, 1917, prescribes the bonds which are legal investments for loan, trust and guaranty associations.

tax levy sufficient to pay the interest and to provide a sinking fund to pay the principal within 50 years. Such laws are to be approved by the voters before a bond issue can be made. In section 8 it is provided that the limit of State indebtedness, exclusive of debts of the territory and the counties assumed by the State, be 1% of the assessed valuation of taxable property. A new section (Sec. 16) was added to Art. IX. in 1921, which allows the laws of the Fifth Legislature, authorizing the issuance of not more than \$2,000,000 debentures for road purposes in anticipation of the collection of revenues from motor vehicle licenses and other revenues provided by law for the State Road Fund, to take effect without being submitted to a vote of the people notwithstanding that the limit of indebted ness may be temporarily exceeded by the issue.

Section 11 provides that no school district shall ever become indebted in an amount exceeding six (6) per centum on the assessed valuation of the taxable property as shown by the preceding general assessment.

Section 13, giving the limitations as regards counties, cities, &c., contains the following provisions:

That counties, cities, towns and villages are allowed to create indebtedness up to 4% of the taxable property; but for water and sewer purposes cities, towns and villages may issue bonds (to mature within 50 years) for no other purposes than erecting necessary buildings or constructing or repairing roads and bridges, and in Section 12 that cities may issue bonds (to mature within 50 years) for no other purposes than erecting necessary buildings or constructing or repairing roads and bridges, and in Section 12 that cities may issue bonds (to mature within 50 years) only by irrepealable ordinances, which shall specify the purpose of the issue and levy a tax of not more than 12 mills on the dollar.

Refunding bonds may be issued by the State and its subdivisions is the provision contained in Section 15.

In no case, except for refunding, are bonds to be issued unless vot

CONSERVANCY DISTRICTS, WITH POWER TO BECOME INDEBTED, MAY BE ORGANIZED.—Under the terms of Chapter 140 of
the Laws of 1923, counties of the State may organize conservancy districts
for the purpose of preventing floods, regulating streams, reclaiming, draining and filling wet and overflowed lands, &c. These districts are empowered
to issue bonds in an amount not to exceed 90% of the total amount of construction fund assessments, which assessments are to be placed against
property benefiting by the project. The bonds are to be in denominations
of not less than \$100, are to bear no more than 6% interest, payable semiannually, and are to mature at annual intervals within forty years, commencing not later than five years after date. Sale is not to be made at less

SPECIAL ASSESSMENT BONDS.—A law enacted at the 1923 Legislative Session provides that when the governing body of any municipality levies a special assessment against property abutting any improvement, that body shall have power to issue bonds in an amount not to exceed the total amount of special assessments levied.

total amount of special assessments levied.

TERRITORIAL AND MUNICIPAL BONDS EXEMPT FROM TAX-ATION.—Bonds of the State of New Mexico, and of the counties, municipalities, and districts thereof, are exempted from taxation by Section 3, Article 8, of the State Constitution. For opinions, see V. 85, p. 1534: V. 86, p. 240; V. 87, p. 111.

SAVINGS BANK INVESTMENTS.—Section 56 of the Banking Laws of New Mexico, 1917, contains the provisions regulating the investments of the deposits of savings banks in this State. Below we publish Section 56 in 111:

Section 34, referred to above, among its other provisions, allows banks to hold loans for not exceeding five years on first mortgages on real estate to the extent of 30% of their savings and general deposits. This section reads:

SANTA FE COUNTY.
County seat is Santa Fe.
The present debt is \$479,000, consisting of what are known as Refunding Bonds of the State of New Mexico, Series 'B,' Santa Fe County. While these bonds are bonds issued by the State and are primarily its obligation, Santa Fe County is responsible for the interest, which is at 4½%, payable semiann. (M. & S.), and is also responsible for the principal, but in case of default upon the part of the county, the State would have to take care of them, having recourse then to the county. In addition to these bonds there are, we are advised, probably a few outstanding bonds of older issues, and probably some past due and unpaid coupons, and possibly a judgment or so. The \$21,000. Over \$1,000.000 of the old debt represented by bonds issued in aid of railroad construction, the coupons from, and judgments based on such bonds, were absolutely assumed by the State of New Mexico, which issued its bonds in payment therefor without any recourse to the county, the U. S. Congress having made a targe land donation to the State for the ultimate payment of these bonds. The assess. val. In 1913 was \$3,110,-479; the total State and county tax (per \$1,000), in 1913, was about \$70. Pop. 10 (Census), 14,770; '20, 15,030

No money shall be paid out of the State Treasury, except in the manner provided by law.

Sec. 6. Incorporated cities, towns and villages may be vested by law with power to make local improvements by special assessments, or by special taxation of property benefited. For all corporate purposes, all municipal corporations may be vested with authority to assess and colletates.

special taxation of property benefited. For all corporate purposes, all municipal corporations may be vested with authority to assess and collect taxes.

Sec. 7. Sec. 8. No county, city, town, school district, or other municipal corporation shall for any purpose become indebted in any manner to an amount exceeding four per centum of the taxable property in such county, city, town, school district, or other municipal corporation shall for any purpose become indebted in any manner to an amount exceeding four per centum of the taxable property in such county, city, town, school district, or other municipal corporation, without the assent of a majority of the property taxpayers, who must also in all respects be qualified electors therein, voting at an election provided by law to be held for that purpose, the value of the taxable property therein to be ascertained by the last assessment for State and county purposes, previous to incurring such indebted on a mount exceeding ten per centum of such taxable property, as shown by the last assessment roll thereof; and provided, further, that any incorporated city or town, with such assent, may be allowed to become indebted to a larger amount, but not exceeding fifteen per centum of such taxable property, as shown by the last assessment roll thereof; and provided, further, that any incorporated city or town, with such assent, may be allowed to become indebted to a larger amount, but not exceeding fifteen per centum additional, for supplying such city or town with water, artificial light or sewers, when the works for supplying such water, light or sewers are or shall

BORROWING IN ANTICIPATION OF TAXES.—The 1923 Legislature enacted a law (Chapter 66, Laws of 1923) authorizing the State Loan Commissioners to anticipate the collection of taxes levied for State purposes in the years 1922, 1923 and 1924 by issuing bonds payable solely from the proceeds of such taxes. The amount of bonds, including both principal and interest, may not exceed 75% of the amount of taxes (uncollected and not in the treasury) for the fiscal year, and must be payable within six months at a rate of interest not in excess of 5%. The Act is exempted from the operation of the referendum provisions of the State Constitution by Section 11, which declares that an emergency exists and that an early operation of the Act is required to preserve the public peace, health and safety.

operation of the Act is required to preserve the public peace, heath and safety. This Act, in a certain sense, extended, with modifications, the provisions contained in Chapter 68, Laws of 1921, which authorized the issuance of bonds in anticipation of taxes, the amount of bonds to be issued under that Act being limited to 90% of the uncollected taxes, but the limit has been reduced to 75% by the 1923 enactment, as noted above.

The harbor improvement bonds issued for San Francisco are included in the total indebtedness of the State; these bonds are payable out of a sinking fund receiving its revenue from moneys collected by the San Francisco Harbor Commissioners.

A block of \$2.277.500 bonds issued in 1872

A block of \$2,277,500 bonds issued in 1873, was to have been paid in 1893. No sinking fund having been provided for their payment, they were taken over by the State for its school funds and have been so held since 1893.

The State Treasurer on Oct. 1 1923 held bonds aggregating \$9.664, 937.42 for the benefit of the State School Fund; this includes \$1.526.500 of the funded debt bonds of 1873. The State Treasurer also holds \$1.578.900 for the benefit of State funds other than the School Fund. This includes \$751,000 of the funded debt bonds of 1873 held in trust for the University Fund referred to above.

†This does not include funded debt, which bonds the State owns.

CONSTITUTIONAL AMENDMENTS.—Pursuant to a constitutional amendment to Article XI of the Constitution adopted Nov. 8 1910. adding a new section (Section 8a), the city of San Francisco voted and Issued \$5,000,000 bonds, the proceeds to be used by the Panama Pacific International Exposition Co. to celebrate the opening of the Panama Canal. Another amendment, approved in November 1910, was for the purpose of creating a State fund of \$5,000,000 for the use, establishment, maintenance and support of the Panama-Pacific International Exposition. Still another amendment adopted provided for the separation of State and local taxation and for the taxation of public service and other corporations for the benefit of the State. V. 92 p. 202. In November 1914 an amendment to Section 18 of Article XI of the constitution was adopted, providing for the issuance by Alameda Country of not exceeding \$1,000,000 bonds, the proceeds to be used, as in the case of the city of San Francisco, by the Panama-Pacific International Exposition Co.

proceeds to be used, as in the case of the city of San Francisco, by the Panama-Pacific International Exposition Co.

BOND PROPOSITIONS.—On Nov. 8 1910 four bond propositions were approved by the voters (V. 92, p. 202). One called for the issuance of \$18.000.000 highway 4s, the second for \$1.500.000 San Diego sta-wall 4s, the third for \$1.000.000 India Basin 4s and the fourth for \$0.000.000 San Francisco Harbor Impt. 4s. On May 23 1912 Judge Seawall dismissed an order to show cause why an injunction should not be issued restraining the sale of the \$1.000.000 4% India Basin bonds. V. 94, p. 1519.

Various bond propositions were voted upon at the Nov. 1914 election, but only four carried. They were (1) initative measure providing for the Issuance of \$1.800.000 bonds for the completion of the University of California in Berkeley: (2) \$3.000.000 bonds for State buildings in San Francisco and (4) \$10.000.000 San Francisco harbor bonds. V. 100, pp. 67 and 490.

At the general election in Nov. 1916 the voters authorized the Issuance of \$15.070.070 bonds for the construction of the uncompleted portions of the system of State highways prescribed by the State Highways Act of 1909 and extensions thereof. V. 103, p. 2171.

At a special election on July 2 1919 the voters approved an issue of \$40,000,000 highway bonds by a vote of 105,333 to 15.484. V. 109, p. 192.

At the 1922 election three bond propositions were passed upon. A bill known as the "Water Power Act," and calling for a \$500,000,000 bond issue, was defeated, as was a \$3.000,000 veterans' land settlement bond issue, while a bill providing \$10.000,000 honds for a soldiers' bonus met with approval. The \$500,000,000 water power measure was again submitted to the voters on Nov. 4 1924 in the form of a Constitutional amend and, as on the previous occasion, was defeated.

Under authority of these Acts, the State has issued bonds from time to time. The details of these outstanding bonds may be found in the table under the caption "History of Debt."

Article XI.c., which was added in 1921, permits the incurring of indebtedness in an amount not to exceed 3% of the assessed valuation of the State for the payment of a "Soldiers' bonus." STATE INCOME TAX LAW REPEALED BY VOTERS.—On Nov. 4
1924 the electorate of the State voted to repeal Chapter 279, Laws of 1923,
known as the Income Tax Act. The question of repeal was placed before
the voters by initiative petition. The vote was 123,799 for to 111,055
against. In April 1924 the law now repealed was (see V. 118, p. 2089) held
unconstitutional by the Marion County Circuit Court (Case Standard
Lumber Co., Portland, vs. State Tax Commission). As the fourth installment of the tax has not yet been paid, the question vexing the State authorities is whether this is collectible. Earl Fisher, State Tax Commissioner,
asked State Attorney-General Van Winkle for an opinion on the subject.
The latter, while holding that the unpaid portion of the income tax is
collectible, in a statement issued Nov. 26 said that, in view of the conflict
of authorities, the question could only finally be settled by a decision of
the State Supreme Court.

SAVINGS BANK INVESTMENTS.—Investments by any savings

TAXATION OF MUNICIPAL BONDS—In reply to an inquiry to that effect, we are unofficially advised that State and municipal bonds are impliedly exempt from taxation, unless an intention to include them is clearly manifested by the taxing laws of the State. As the statutes of Nevada do not expressly tax secur ties of this nature and inasmuch as they are instrumentalities of the government, the opinion is expressed that such bonds are exempt from taxation.

TAXATION OF MORTGAGES.—See V. 97, p. 540, for an Act passet by the 1913 Legislature making provision for the taxation of mortgages deeds of trust, &c.

Ploche is the county seat. This county in 1909 had \$435,000 4% tax-free bonds outstanding. At that time part of Lincoln County was taken to organize Clark County. The new county became liable for part of the indebtedness outstanding against Lincoln County at the time of the division. The part of the indebtedness for which each county is liable is figured yearly on the assessed valuation. Of the \$435,000 4% tax-free bonds, \$303,000 were outstanding on Oct. 1 1924. After lengthy littingation, the U. S. Supreme Court on June 14 1915 decided that West Virginia should assume liability for a debt of \$12,393,929 50, of which the principal is \$4,215,622.28 and interest \$8,178,307.22. Interest on highway bonds at the State Treasurer's office or at the National City Bank, New York.

In the settlement of the Virginia debt, the United States Supreme Court on June 14 1915, after lengthy litigation, decided that West Virginia should assume liability for a debt of \$12,393,929.50, of which the principal was \$4,215,022.28 and interest \$8,178.307.22. See "Chronicle" of June 19 1915, page 2099; and editorial on page 2037 of the same issue. Also see "Chronicle" for October 23 1915, page 1394. The petition of the State of Virginia for execution of judgment against West Virginia was denied by the U. S. Supreme Court in June 1916 on the ground that the West Virginia Legislature had not met in special session since the judgment was entered. The Legislature met in regular session in January 1917 but no provision whatever was made for the payment of the judgment. Shortly after the Legislature had convened mandamus proceedings were begun in the U. S. Supreme Court by the State of Virginia to compel the Legislature to provide for the payment of the judgment either by a bond issue or the levying of a tax. The court in April 1918, however, held that it would not force payment now believing that as a sovereign State West Virginia would take steps to meet the judgment. For a summary of the court's ruling see V. 106, p. 2358. The West Virginia Legislature on Feb. 20 1919 adopted a resolution providing for the settlement of the debt. V. 108, p. 797. The bill was signed by Governor John J. Cornwall on April 1 1919. The terms of the settlement were that West Virginia pay Virginia \$1,-062.867.16 in cash and \$13.500.000 in 3½% bonds, less \$1,000.000 in bonds to be held in the West Virginia Treasury against certain certificates which have been lost.

The first payment to Virginia Debt Commission was made in Washington on April 18 1919, where the State Treasurer, W. S

Fund \$9.515,900.

ASSESSED VALUATION.—The following table gives the assessed valuation of real estate, personal property and public utility property. Under the tax law passed in 1904 assessments are said to be made at about actual value. This accounts for the large increase in values beginning with 1906, returns for earlier years having been on a much lower basis. W. S. Hallan, State Tax Commissioner, under date of Dec. 1 1922 says: "The extraordinary increase in the assessed value of 1922 over 1921 is the result of recent legislation providing for a more equitable assessment of value, or assessment that more nearly represents the true and actual value."

HIGHWAY BOND AMENDMENT—At the Nov. 1920 election an amendment known as the "Good Roads Amendment" was favorably voted upon—V. 111, p. 1871. The Legislature is given authority to issue road bonds in an amount not to exceed \$50,000,000. The 1921 Legislature authorized \$15,000,000 which have been sold. In 1922 the Legislature authorized \$15,000,000 which have been sold. In 1922 the Legislature authorized an additional \$15,000,000 bonds. In 1923 \$15,000,000 more of the bonds were authorized by the Legislature. The amendment reads:

"The Legislature shall make provision by law for a system of State roads and highways connecting at least the various county seats of the State, and to be under the control and supervision of such State officers and agencies as may be prescribed by law. The Legislature shall also provide a State revenue to build, construct, and maintain, or assist in building, constructing and maintaining the same and for that purpose shall have power to authorize the issuing and selling of State bonds, the aggregate amount of which, at any one time, shall not exceed fifty million dollars.

"When a bond issue as aforesaid is authorized, the Legislature shall at the same time provide for the collection of an annual State tax sufficient to pay annually the interest on such debt, and the principal thereof within, and not exceeding thirty years.

TAXATION OF MUNICIPAL BONDS.—Bonds of municipalities are assessed as personal property against the person holding them, if he be a resident of the State. Bonds held by banks are not subject to tax. There is no provision regarding the taxation of State bonds, except that contained in Chapter 10, Laws of 1919 Extraordinary Session, which Act authorizes the issuance of the Virginia-West Virginia Debt Settlement bonds. This Act exempts the bonds issued under it from State and local taxation.

The above \$45,000,000 highway bonds are also free from

The amounts are as follows: State bonds, issued Jan. 1 1870, \$1,327,000; county bonds, issued Jan. 1 1885, \$381,986; new school bonds, issued March 12 1892, \$606,641. The Legislature in 1917 passed an Act (Chapter 1) creating a State Tax Commission of three members, which shall exercise all the powers and perform all the duties with reference to the assessment or equalization of the assessment of property for purposes of taxation previously exercised or performed by any State Board of Valuation and Assessment, by the Railroad Commission, by the State Board of Equalization, or by any other State Board or Commission. See V. 105, p. 1727.

TAX RATE.—For 1922 the State tax rate (per \$1,000) was \$4. This tax rate is for all property except live stock and bank deposits, the rate on these being \$0.10 on the \$100 valuation.

The State tax rate (per \$1,000) in 1924 was \$4.00 for all classes.

The State tax rate (per \$1,000) in 1924 was \$4.00 for all classes.

\$75,000,000 BOND MEASURE DEFEATED BY VOTERS.—On
Nov. 4 1924 the \$75,000,000 Bond Act passed by the 1924 Legislature was
referred to the voters (see V. 119, p. 2089) and defeated. The proceeds
of the bonds were to be used, among other things, for roads and charitable
institutions. In May 1924 the Act had been held unconstitutional by the
Franklin County Circuit Court (see V. 118, p. 2473), but on appeal to the
State Court of Appeals the lower court's finding was on June 20 1924
reversed (see V. 118, p. 3223). This cleared the way for the submission of
the measure to the voters by whom it was rejected as stated above.

MUNICIPAL BONDS EXEMPT FROM TAXATION.—On Nov. 2 1915 an amendment to the constitution was adopted concerning taxation and exempting therefrom bonds of the State and its subdivisions. See "Chronicle" of Dec. 25 1915, page 2158.

MUNICIPAL BONDS EXEMPT FROM TAXATION.—On Nov. 2
1915 an amendment to the constitution was adopted concerning taxation and exempting therefrom bonds of the State and its subdivisions. See "Chronicle" of Dec. 25 1915, page 2158.

DEBT LIMITATION.—The constitutional provisions relating to the creation of debt by the State are found in Sections 49 and 50 of the Constitution of 1891. We quote these sections below:

Section 49. The General Assembly may contract derect or contingent, and the moneys arising from loans creating such debts shall be applied only to the purpose or purposes for which they were obtained, or to repay such debts: Provided, The General Assembly may contract debts to repel invasion, suppress insurrection, or, if hostilities are threatened; the public defense.

See contracted on behalf of the Commonwealth except for the purposes on the contracted on behalf of the Commonwealth except for the purpose semicond in Section 49 unless provision be made therein to levy and collect an annual tax sufficient to pay the interest stipulated, and to discharge the debt within thirty years; nor shall such Act take effect until it shall have been submitted to the people at a general election and shall have received a Assembly may contract debts by borrowing money to pay any part of the debt of the State without submission to the people and without making provision in the Act author/tzing the same for a tax to discharge the debt of contracted or the interest thereon.

[See V. 102. p. 2360 for particulars relative to the decision of the Court (Egyslature authorizing the Sinking Fund Commissioners to refund outstanding warrants.]

Cities, Towns, Etc.—Cities, towns, counties, taxing districts and other municipalities are limited by sections 157, 157a and 158 of the constitution, section 159 provides that no debt of any kind may be created to an amount exceeding in any year the income and revenue provided for such year unless authorized by a two-thirds vote of any counties, taxing districts and other municipalities. P

therefor.
The 1920 Legislature passed an Act (Chapter 45, Laws 1920) giving Consolidated School Districts and County Boards of Education authority to issue bonds, subject to the approval of the voters, for school purposes, Bonds issued under this Act are subject to the limits prescribed in Secs. 157 and 158 of the Constitution.

Numerous other Acts are on the statute books, but we have not the space to give to them. It should be noted, though, that as a rule each statute provides that the bonds it authorizes may not be sold at less than par.

DRAINAGE AND LEVEE DISTRICT INDEBTEDNESS.—Under the terms of Sections 2380-34 and 2380b-42 of Carroll's Kentucky Statutes, 1922, the Board of Commissioners of a drainage district may issue bonds in an amount not to exceed 90% of the total amount of the minimum district assessments. Such bonds may not be sold at less than par.

Sections 2417b-19 of Carroll's Kentucky Statutes, 1922, authorizes levee district commissioners to issue bonds bearing not more than 6% at not less than par.

WATER DISTRICTS MAY BE CREATED WITH POWER TO ISSUE BONDS.—Chapter 93, Laws of 1924, provides for the creation of water districts with power to issue bonds.

SAVINGS BANKS INVESTMENTS.—Laws do not specify particular curities. Investments are made at discretion of officials of savings banks.

INVESTMENT OF TRUST FUNDS.—Section 4706 of Carroll's Kentucky Statutes, provides as follows:

SEC. 4706.—Investment of Funds by Fiduciary.—That it shall be lawful for persons or corporations holding funds in a fiduciary capacity for loan or investment to invest the same in real estate, mortgage notes or bonds or in such other interest-bearing or dividend-paying securities as are regarded by prudent business men as safe investments, and to make loans

with such securities as collateral; but such funds shall not be invested in the bonds or securities of any railroad or other corporation, unless such railroad or other corporation has been in operation more that ten years, and during that time has not defaulted in the payment of principal or interest on its bonded debt, or be invested in the bonds of a county, district, town or city that, within ten years, has defaulted in the payment of the interest or principal of its bonded debt; and a fiduciary shall account for all interest or profit received; provided, however, that it shall be lawful for persons or corporations holding funds in a fiduciary capacity for loan or investment to invest the same in securities authorized by an Act of Congress entitled "the Federal Farm Loan Act," as approved July 17 1916 and known as "Federal Farm Loan bonds."
