## [Public Law 120-81st Congress; Chapter 237-Ist Session]

JOINT RESOLUTION [S. J. Res. 55]
To print the monthly publication entitled "Economic Indicators"
Resolved by the Senate and House of Representatives of tbe United States of America in Congress assembled, That the Joint Committee on the Economic Report be authorized to issue a monthly publication entitled "Economic Indicators," and that a sufficient quantity be printed to furnish one copy to each Member of Congress; the Secretary and the Sergeant at Arms of the Senate; the Clerk, Sergeant at Arms, and Doorkeeper of the House of Representatives; two copies to the libraries of the Senate and House, and the Congressional Library; seven hundred copies to the Joint Committee on the Economic Report; and the required number of copies to the Superintendent of Documents for distribution to depository libraries; and that the Superintendent of Documents be authorized to have copies printed for sale to the public.

Approved June 23, 1949.
Charts drawn by Griaphics Unit, Office of the Secretary, Department of Commerce

## THE TOTAL OUTPUT OF THE ECONOMY

## THE NATION'S ECONOMIC BUDGET

The Nation's Economic Budget total in Ist quarter of 1950 was about 3 percent above 4 th quarter of 1949, according to revised estimates. The payment of the National Service Life Insurance dividend to veterans resulted in a sharp rise in consumer disposable income

## GROSS NATIONAL PRODUCT

Total gross notional product rose $\$ 7.2$ billion (onnual rate) in lst quarter of 1950 . Personal consumption expenditures were $\$ 2.9$ billion higher. Private investment increosed $\$ 7.4$ billion due to the peak rate of residential construction and a shift from inventory liquidation to accumulation. Government purchases and net foreign investment decreased moderately.

## PRICES

## CONSUMERS' PRICES

Consumers' prices rose in Moy, mainly becouse of odvances in food prices although rents and the miscellaneous group also increosed slightly. Other prices showed little change, except fuels, which declined substantially.

## WORK STOPPAGES

The 150,000 drop in mon-doys of idleness was largely due to the end of the Chrysler strike in May. The number of workers involved increased because of a 6 -day stoppage by 150,000 railwoy firemen.

## PRODUCTION AND BUSINESS ACTIVITY

## INDUSTRIAL PRODUCTION

Industrial production reached a new postwar record in June, obout I percent higher thon the peak of October-November, 1948, and 17 percent above the level of June 1949.

[^0]Source: Board of Governors of the Federal Reserve System.

## WEEKLY PRODUCTION - SELECTED INDICATORS

The steel industry continued to operate above stoted capacity levels throughout June. Automobile production was more thon 10 percent obove the peak output for May. Electric power production was at a new high. Bituminous coal mining increased.

## CONSUMER INCOME, SPENDING, AND SAVING

payment of the special insurance dividend to veterans during ist quarter in 1950 distorted
disposable personal income. It occounted for $3 / 4$ of the increase of $\$ 11$ billion (annual rate).
Expenditures increased by only $\$ 3$ billion, indicating that the insurance dividend was being
spent slowly. Correspondingly, consumer soving was temporarily high.
