

Monthly Review

ATLANTA, GEORGIA, DECEMBER 31, 1956

The December 1956 issue of the *Monthly Review* of the Federal Reserve Bank of Atlanta is devoted exclusively to an index of subjects covered in 1956. Beginning with the January 1957 number, each issue will be published at the beginning rather than the end of the month. The annual summary articles previously appearing in the January issue, therefore, will be contained in the February number to be published early in the month.
