94-2

FOR RELEASE JANUARY 12, 1994

ST. LOUIS -- The Federal Reserve Bank of St. Louis has announced the following promotions effective Jan. 1, 1994.

Martin J. Coleman, building services officer, has been promoted to assistant vice president in the Support Services Department. Coleman joined the Bank in 1971 and served as a staff coordinator and manager before being promoted to building services officer in 1986. He holds a bachelor's degree from Eastern Illinois University, Charleston, Ill.

Robert A. Hopkins, operations officer in the Check Processing Department, has been promoted to assistant vice president. Hopkins began his career with the Federal Reserve System in Kansas City in 1984 and joined the St. Louis Fed in 1985 as a technical analyst. He has a bachelor's degree from William Jewell College, Liberty, Mo.

PROMOTIONS/2

Steven N. Silvey, senior data specialist in the Information Systems Department, has been promoted to information systems officer with responsibility for the newly created Business Integration Section. Silvey joined the Bank in 1979 as a programmer and has held various positions including senior analyst and software specialist. He received a bachelor's degree from Southern Illinois University, Edwardsville, Ill.

Leisa J. Spalding, senior manager in the Audit Department, has been promoted to audit officer. Spalding joined the Bank in 1980 as a programmer/analyst and has held various positions including both payroll and audit manager. She has a bachelor's degree from Lindenwood College, St. Louis, as well as certifications in information systems auditing, data processing and quality analysis.

The Federal Reserve Bank of St. Louis has branches in Little Rock, Louisville and Memphis. It serves the Eighth Federal Reserve District which includes all of Arkansas, eastern Missouri, southern Indiana and Illinois, western Kentucky and Tennessee, and northern Mississippi.
