### Board of Education, Brainerd, Minn., School 4½'s.

Dated April 1, 1903. Due April 1, 1923. Principal and interest (semi-annual) payable at First National Bank, Chicago, Ill. Denomination \$1,000.

FINANCIAL STATEMENT:	
Estimated real value	\$3,000,000
Assessed valuation	2,112,551
Total bonded debt	\$150,000
Less sinking fund	8,000
Net debt	142,000

Population (School District) 10,000

These bonds are issued by the Board of Education of the City of Brainerd to provide funds for the erection of a new school building. The school district includes the City of Brainerd and about 3,000 acres adjoining. The issue was authorized by a large majority of voters at a special election.

The City of Brainerd, the county seat of Crow Wing County, Minn., is very near the exact geographical center of the State. It is located on the east bank of the Mississippi River at a junction of the Minnesota and International R. R. with the main line of the Northern Pacific Ry., thus giving it a commercial position which is unexcelled in the State. The main car and repair shops of the Northern Pacific system are located here, employing 800 to 1,100 men, and making the city an important railroad center. In addition there are several saw mills, as well as foundries and other manufacturing establishments. The Northwestern Paper Co. has just completed the erection of a pulp and paper mill at a cost of over \$500,000, the power to run the mill being procured from the Mississippi River.

The country surrounding Brainerd raises in abundance potatoes, wheat, oats, barley, rye, flax, timothy, clover, millet, garden vegetables and small fruit. A general failure of crops is unknown.

The city has churches of many denominations, six excellent graded schools, including a high school, electric lights, water works, paved streets, a model fire department, good sewerage, local and long distance telephones and many social and fraternal organizations. The banks have a combined capital and deposits of \$1,000,000.

Opinion of Chas. B. Wood, Esq. of Chicago, showing full legality.

**Price 103.97 and interest; to net 4.20% for 20 years.**
