NEW YORK BANKS.

January, 1910

**FOUNDED  
1803**

**S**OME bank depositors have found by experience that they are best served by an institution of moderate size, where their interests can be carefully watched by the bank's officials.

This Bank, while having ample resources to care for the large requirements of its customers, is not so large that the smaller depositor is lost sight of. We would be very much pleased to serve you, and invite correspondence if you are interested.

## **BANKING AND BROKERAGE**

### **FIRST MORTGAGE LOANS**

We invite the attention of Savings Banks, Trust Companies, Insurance Companies, Trustees, Executors, and State and National Banks, representing the interests of private clients, to our offerings. Our field is the Red River Valley of the North, in Western Minnesota and Eastern North Dakota, a vast, level valley 200 miles long, containing 30,000 square miles, or more than 20,000,000 acres of the best farming land on earth, more fertile than the famed valley of the Nile, and where rainfall is abundant and at proper season; an area larger than the combined area of the states of Massachusetts, Connecticut, New Hampshire, Vermont and Rhode Island.

### **COMMERCIAL PAPER**

Short time paper of the leading merchants and manufacturers in the territory referred to above is good, and nets very satisfactory returns to banks with surplus funds.

### **CORRESPONDENCE INVITED**

with firms and individuals having interests requiring attention.

### **INTEREST ALLOWED**

on certificates, or funds on hand awaiting investment.
