TWO IMPORTANT CHANGES

in this Edition

For the Betterment of the Service

1. THE FEDERAL RESERVE DISTRICT in which each town or city is located, is designated by bold faced figure under name of each city or town, when State is in two or more districts—and by notice at head of column over names of towns, when entire State is in same district.

2. LAWYERS (indexed in back part of Directory) are all bonded by the American Surety Co. of New York for benefit of users of this Directory to the amount of two thousand dollars on each lawyer. (This does not include those under heading "Foreign Attorneys.")

Some Interesting History *of* Banking in the United States

The growth of the banking business in the United States in the past thirty-five years is almost beyond belief. If one takes a copy of the January edition of the **Rand McNally Bankers' Directory (the Original Bankers' Blue Book,** founded 1872) of the year 1883 and lays alongside of it a copy of the July edition of 1917, he finds the following interesting comparisons:

	1883	1917	Percentage of Increase
No. of Banks in United States	7,415	29,500	400%
No. of Banks in Canada	547	3,500	640%
No. of Pages in Directory	487	2,100	430%
No. of Maps	50	90	80% in No.
(1883, single page; 1917, double page)			160% in pgs.
Weight of Book	3 lbs.	9 lbs.	300%

In 1883 the Directory gave only the names of the President, the Cashier, Capital, Surplus and two correspondents.

In 1917, one finds the names of all officers and correspondents and the Capital, Surplus and Profits, Deposits, Loans and Investments, and Cash and Exchange.

The following comparison of the number of banks in 1883 and 1917 by states is very interesting.

NAME OF STATE	No. of Banks 1883	No. of Banks 1917	NAME OF STATE	No. of Banks 1883	No. of Banks 1917

These figures do not include the names of Investment Bankers which are now carried.

This means, —first, an increase of over four hundred per cent in the **quantity** of paper, type, cloth and ink used in this Directory (without giving any consideration to the increase in the **prices** of these commodities in the past thirty-five years).

This means, —second, an increase of over four hundred per cent in the **amount** of labor used in typesetting, press work and binding this Directory (without giving any consideration to the enormous increase in the **price** of labor during the past thirty-five years).

This means, —third, an actual increase of one hundred per cent in the **size** of the clercial force necessary to collect and compile the information for this Directory, (and this does not take into consideration the increase in **price** of such labor in the past thirty-five years).

This means, —fourth, an increase of over four hundred per cent in the cost of the first class postage to collect the information for this Directory, (and this does not take into consideration the present advance in rates for War revenue).

This means, —fifth, an increase, owing to the size of the book and allowing for reduced express rates, of over two hundred per cent in the cost of delivering this Directory to subscribers.

The Merchants National Bank is the third oldest Bank in New York. It was founded in 1803 during the first term of Thomas Jefferson, the third President of the United States.

Its articles of association were drawn by Alexander Hamilton.

The Bank has been located on its present site at 42 Wall Street since its organization, and during all of that time has paid semi-annual dividends without interruption.

A BIT OF THE TESTIMONY

A large Reserve City bank:

"We hand you herewith our renewal contract for advertising and subscription for a period of five years, which we hope you will find in due form.

"*We are under obligations to you for many desirable and profitable lines of business received through the medium of your Directory in the past.*"

A bank in the South:

"We noticed *immediate results* in our Transit Department from our advertisement in your Directory."

An Eastern Life Insurance Co.

"Please send me one copy of the latest issue of the Bankers' Directory that I am informed by my bank that you publish—*and the best one that is issued.*"

A bank in the Central West:

"It gives us pleasure to tell you that we are greatly pleased with the results obtained from our advertisement in your Bankers' Directory. It has proven a great benefit to us."

A Southern Reserve City bank:

"We received the new edition of the Blue Book several days ago and, as usual, it is the last word along that line."

A BIT OF THE TESTIMONY (Continued)

A bank in the West:

"The collections we get through your Directory are the more profitable and desirable kind and pay us many times more than we pay you for both the Directory and the advertisement."

A bank in the East:

"We use your book exclusively and always expect to. It is the only satisfactory one that we have ever seen."

A bank in the South:

"We always buy the Rand McNally Blue Book because it is the best. We believe we know."

A bank in the Southeast:

"Just wish to add that we consider the Rand-McNally Directory the best publication of its kind."

A Federal Reserve Bank:

"I have just completed checking your Bankers' Directory on the territory contained in this district and I desire to compliment you on the accuracy of your report."

"Send us your directory at once. We have just received another publication and in the course of a few minutes examination we have found the following errors in cashiers in banks in our own state. We know these men personally, and none of them have been in these positions for from two to five years. We cannot correct errors regarding persons we do not know but we presume there are some of those."

"We are under a five-year contract for directories and display advertising with the.....of New York.... about two years of such contract having expired. *It has proven very unsatisfactory by reason of innumerable inaccuracies, and we are practically compelled to buy some other book, as a work of reference.* As soon as your next directory is issued, we would like to have you forward it to us immediately."

"In the latest issue of another book we have been subscribing to, the information is given that in this state there are 'no special laws relating to banks,' although a special banking law has passed and has been in operation since 1914. We want your directory."

THIS DOESN'T SHOW ON THE COVER

"Send us your directory at once. We have just received another publication and in the course of a few minutes examination we have found the following errors in cashiers in banks in our own state. We know these men personally, and none of them have been in these positions for from two to five years. We cannot correct errors regarding persons we do not know but we presume there are some of those."

"We are under a five-year contract for directories and display advertising with the.....of New York.... about two years of such contract having expired. *It has proven very unsatisfactory by reason of innumerable inaccuracies, and we are practically compelled to buy some other book, as a work of reference.* As soon as your next directory is issued, we would like to have you forward it to us immediately."

"In the latest issue of another book we have been subscribing to, the information is given that in this state there are 'no special laws relating to banks,' although a special banking law has passed and has been in operation since 1914. We want your directory."

QUESTION

Did anyone ever try to sell you any other bank directory without telling of "its great superiority" over the Rand McNally Bankers' Directory, the Original Bankers' Blue Book?

There is an old saying:—"*The most clubs are always found under the tree that bears the best apples.*"

They know that the Rand McNally Directory is acknowledged by bankers everywhere as the standard and the leader, and that it is purchased by more banks than are all other bankers' directories combined.

Their statements in most instances are an insult to your intelligence and usually catch only the unwary.

Note

Buy what you *know* is best. Substitution never proves satisfactory. The Best is still the Cheapest in the End.

3

Number under Name of Bank is the New Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.
