QUESTION

Did anyone ever try to sell you any other bank directory without telling of "its great superiority" over the Rand McNally Bankers' Directory, the Original Bankers' Blue Book?

There is an old saying:—"*The most clubs are always found under the tree that bears the best apples.*"

They know that the Rand McNally Directory is acknowledged by bankers everywhere as the standard and the leader, and that it is purchased by more banks than are all other bankers' directories combined.

Their statements in most instances are an insult to your intelligence and usually catch only the unwary.

Note

Buy what you *know* is best. Substitution never proves satisfactory. The Best is still the Cheapest in the End.

Some Facts About
RAND McNALLY
BANKERS' DIRECTORY
and
THE BANKERS' REGISTER
(Consolidated)
The Bankers' Blue Book

1. Is the *Official* Numbering Agent for *The American Bankers Association*.
2. Is *honestly* revised twice a year and is the most accurate and carefully edited publication of its kind. (Write for our booklet, "Seven Decisions.")
3. Is *always the first* Bank Directory on the market and is published nearer to the date of the information it contains than any other similar publication.
4. Is printed in *tabulated form*, all *similar items* being placed in the *same column*, for the purpose of *quick comparison*—impossible if the book is printed in the cheaper way like a novel.
5. Has a paid bank circulation *larger than* the paid bank circulation of *all other Bank Directories combined*.
6. Has the largest paid *bank* circulation of *any* publication in America, of whatever kind, and this circulation is increasing every year.
7. "A *Reliable Book* published by a *Responsible House*."
