Making New Farms As We Sell Them

THE Daniel Hayes idea of creating a high-class security by making raw land into farms for customers is being worked out at Chowchilla, California. There is nothing better than a farm mortgage if the farm is a regular and dependable producer.

Chowchilla farms are irrigated from inexhaustible wells with only a short lift, produce two ordinary farm crops a year or 8 to 10 tons of alfalfa per acre. Their actual earning power is four times that of Illinois or Iowa land.

The Daniel Hayes Bldg., 109 N. Dearborn St., Chicago, Ill.

A National Organization of Bankers, Farmers
 and Business Men associated in the sale and
 farming of the Nation's best farm lands. We

THE FIRST NATIONAL BANK OF CHICAGO

organized in 1863, was the eighth national bank to receive the approval of the Federal Government. During more than half a century its growth has been coincident with that of Chicago and the vast area of which this city is the commercial center. The bank's capital in 1863 was \$205,000: today the bank has capital and surplus of \$22,000,000. In 1863 the first published statement showed deposits of \$273,000: deposits at the end of 1918 were over \$200,000,000. The bank's business is international in scope and under its divisional organization customers come into close personal contact with officers familiar with financial requirements in their specific lines. The accounts of banks and bankers are under the supervision of John F. Hagey, Vice-President; R. Frank Newhall, Cashier; George H. Dunscomb and J. P. McManus, Assistant Cashiers.

THE FIRST TRUST AND SAVINGS BANK

was organized in December 1903, with a capital of \$1,000,000. The success and growth of this bank have been marked. Its capital and surplus now amount to \$10,500,000, and its deposits to more than \$70,000,000. The savings department allows three per cent interest on savings accounts. Interest-bearing certificates of deposit are also issued. Special and reserve accounts are given particular attention. The Bond Department offers for sale only such securities as have been purchased primarily for the bank's own investment, while the Trust Department acts as trustee, administrator, custodian of securities, and in other fiduciary capacities, both for individuals and corporations, under the authority of the law.

THE First National Bank of Chicago, the First Trust and Savings Bank, and the National Safe Deposit Company are governed by the same board of directors, and invite the business of responsible people, offering complete, convenient, and satisfactory financial service in every conservative form. These institutions are located in the First National Bank Building, at the Northwest corner of Dearborn and Monroe streets.

"We Recommend These Bonds for Investment"

— a statement found on the circulars of all bond houses and somewhat trite from over-use. Yet, do you fully appreciate what it means to you as an investor, when made by a reliable bond house?

When made by

Halsey, Stuart & Co.,

this statement means protection to you

It means the bonds recommended have been investigated from every angle; that they have been found to measure up to our exacting standards; that we have purchased them outright with our own funds

The value of our recommendation is best evidenced by the satisfactory record of the numerous bond issues originated and sponsored by our organization, and by the increasing number of satisfied customers who intrust to us the safe investment of their surplus funds

As a further statement of the importance attached to the selection of the investment banker by whose recommendations you are to be guided, and the basis for our own claim to your confidence, may we send you our booklet, "Choosing Your Investment Banker"?

Mr. Joseph N Regan, Editor,
The Bankers Monthly,
536 S. Clark St.,
Chicago, Ill.

Dear Sir:

We recently have noticed the change in the form of your magazine and the added new features, which you are publishing for the benefit of progressive bankers, and we will say that from our knowledge of publications in the interest of banks and bankers, that the Bankers Monthly far surpasses all others in bringing to the attention of bankers helpful ideas and methods of building up banks. We are sure that any banker can profitably use many of these ideas for the benefit of his bank and you are certainly doing a great service in this line of work.

We feel that no bank can afford to be without this magazine and we wish that you would send a magazine for one year to the following banks, in which we are interested.

The Farmers State Bank, Portland, Ind.
The Farmers State Bank, Union City, Ind.
The Farmers State Bank, Preble, Ind.
The Farmers State Bank, Craigville, Ind.
The State Farmers Bank, Keystone, Ind.
The Farmers & Merchants State Bank, Rockford Ohio. R. F. D.

for which we enclose check herewith
for \$12.00.

Very truly yours,

N.B. Hawkins & Co.
