YOUR MINNEAPOLIS REMITTANCE

“A draft on you, Sir”—

Exactly at 10:15 a first squad of messengers leaves our bank for the grain offices. They are back in twenty minutes. At 10:45 the main body of our collectors starts out for a canvass of the whole down-town district.

We follow closely the fate of each one of your collection drafts; and we are on the lookout for special opportunities to serve you as your Minneapolis representatives.

TWO IMPORTANT CHANGES

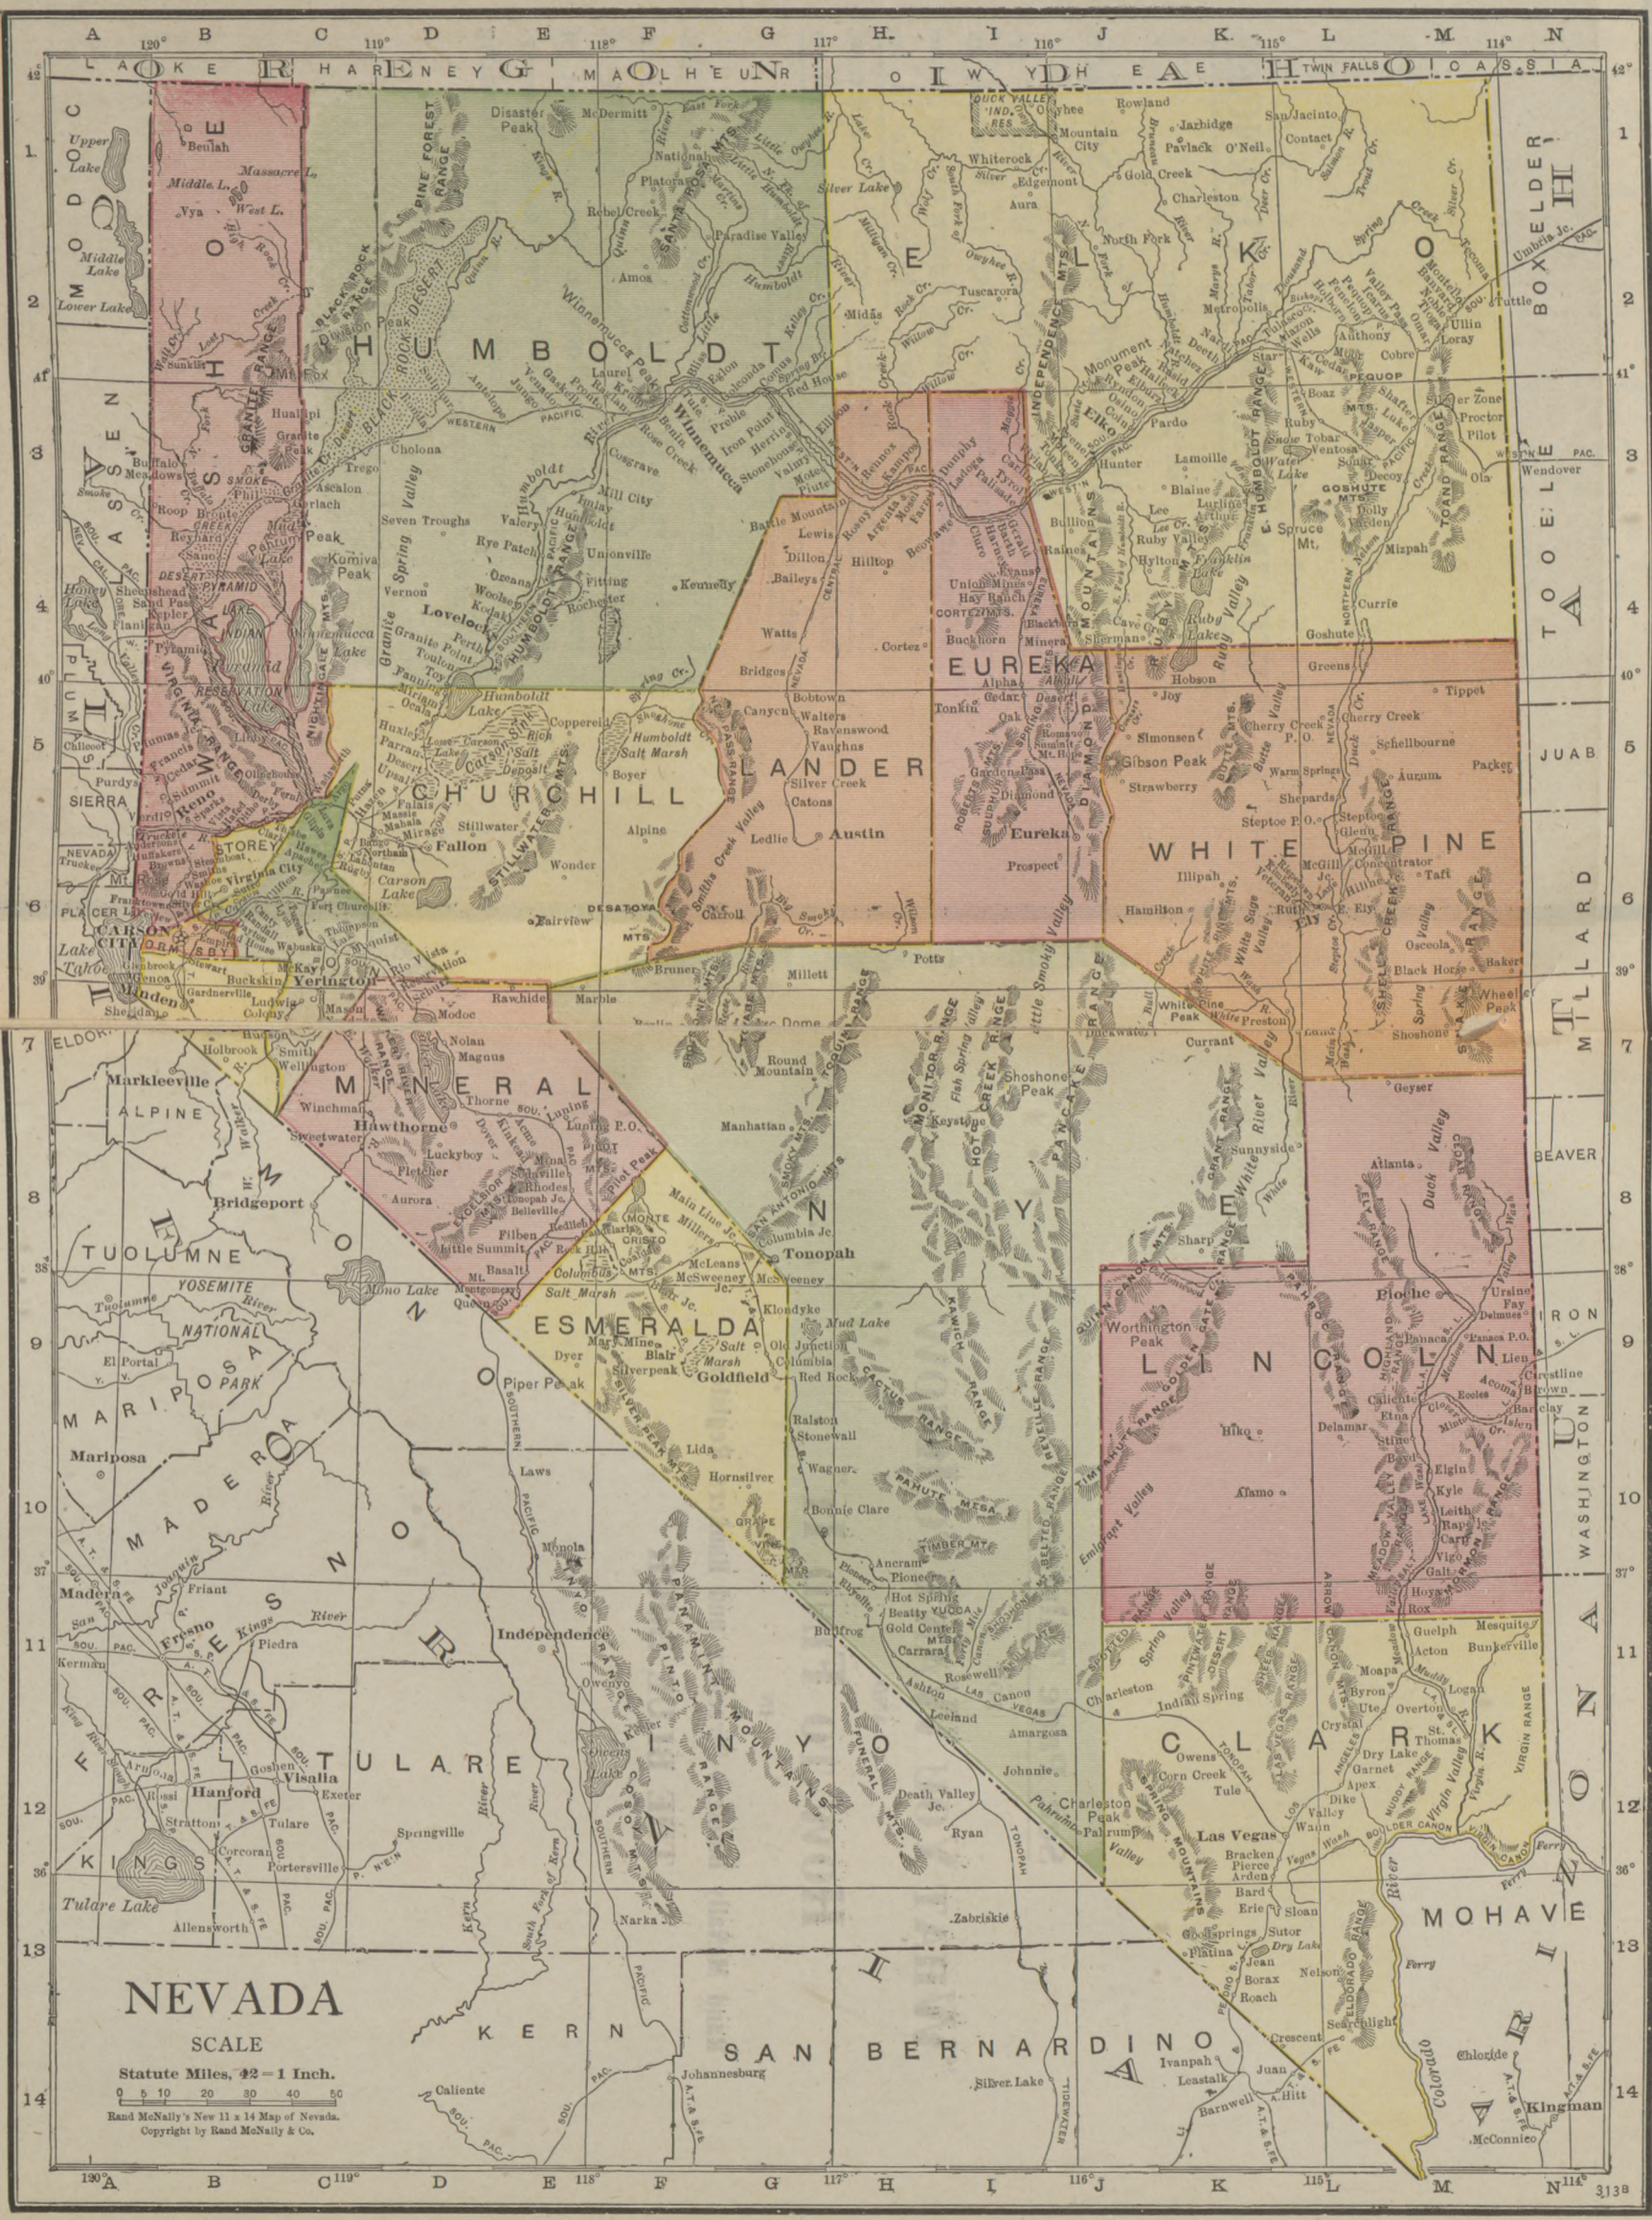

in this Edition

For the Betterment of the Service

1. THE FEDERAL RESERVE DISTRICT in which each town or city is located, is designated by bold faced figure under name of each city or town, when State is in two or more districts—and by notice at head of column over names of towns, when entire State is in same district.
2. LAWYERS (indexed in back part of Directory) are all bonded by the American Surety Co. of New York for benefit of users of this Directory to the amount of two thousand dollars on each lawyer. (This does not include those under heading "Foreign Attorneys.")

Where to Buy High Grade Farm Mortgages

*Paying Attractive Rates
of Interest*

Many Banks and Investment Houses whose advertisements appear in this Directory are offering for sale the very best of such securities.

Look through the list of banks in any state in which you are interested and you will find both banks and farm loan companies (in a card in connection with their name in this list) offering farm mortgages, bearing attractive rates of interest, on farms with the value of which they are personally familiar.

**If they advertise for your business
they are in a position to serve you**
