The Merchants National Bank is the third oldest Bank in New York. It was founded in 1803 during the first term of Thomas Jefferson, the third President of the United States. Its articles of association were drawn by Alexander Hamilton. The Bank has been located on its present site at 42 Wall Street since its organization, and during all of that time has paid semi-annual dividends without interruption.

Number under Name of Bank is the New Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

"Send us your directory at once. We have just received another publication and in the course of a few minutes examination we have found the following errors in cashiers in banks in our own state. We know these men personally, and none of them have been in these positions for from two to five years. We cannot correct errors regarding persons we do not know but we presume there are some of those."

"We are under a five-year contract for directories and display advertising with the.....of New York.... about two years of such contract having expired. *It has proven very unsatisfactory by reason of innumerable inaccuracies, and we are practically compelled to buy some other book, as a work of reference.* As soon as your next directory is issued, we would like to have you forward it to us immediately."

"In the latest issue of another book we have been subscribing to, the information is given that in this state there are 'no special laws relating to banks,' although a special banking law has passed and has been in operation since 1914. We want your directory."

Number under Name of Bank is the New Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

and
THE BANKERS' REGISTER
(Consolidated)
The Bankers' Blue Book

1. Is the *Official* Numbering Agent for *The American Bankers Association*.
2. Is *honestly* revised twice a year and is the most accurate and carefully edited publication of its kind. (Write for our booklet, "Seven Decisions.")
3. Is *always the first* Bank Directory on the market and is published nearer to the date of the information it contains than any other similar publication.
4. Is printed in *tabulated form*, all *similar items* being placed in the *same column*, for the purpose of *quick comparison*—impossible if the book is printed in the cheaper way like a novel.
5. Has a paid bank circulation *larger than* the paid bank circulation of *all other Bank Directories combined*.
6. Has the largest paid *bank* circulation of *any* publication in America, of whatever kind, and this circulation is increasing every year.
7. "A *Reliable Book* published by a *Responsible House*."

QUESTION

Did anyone ever try to sell you any other bank directory without telling of "its great superiority" over the Rand McNally Bankers' Directory, the Original Bankers' Blue Book?

There is an old saying:— "*The most clubs are always found under the tree that bears the best apples.*"

They know that the Rand McNally Directory is acknowledged by bankers everywhere as the standard and the leader, and that it is purchased by more banks than are all other bankers' directories combined.

Their statements in most instances are an insult to your intelligence and usually catch only the unwary.

Note

Buy what you *know* is best. Substitution never proves satisfactory. The Best is still the Cheapest in the End.

Number under Name of Bank is the New Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.
