## DECISION 2

Handed down in a recent Bulletin to members by another Secretary of a State Bankers' Association who misses no opportunity to protect and advise his members (*not one of those Associations which have made "Rand-McNally" official.*)

"It is only fair to say that in trying to find the most accurate directory publication we have had to acknowledge the *Rand McNally* book as the most *satisfactory* and *reliable* bank directory offered."

"The fact that the *Rand McNally* book is issued from one to two months in advance of any of its competitors is one of the big items that can be credited to their enterprise; but with one of the most complete publishing plants in the world it is not surprising that they are, with great regularity, first in the field with their books."

---

### Note

Is *always* the first Bank Directory on the market and is published nearer to the date of the information it contains than any other similar publication.

Number under Name of Bank is the New Transit Number given  
1165 to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

## **ANNOUNCEMENT**

**W**E take pleasure in announcing the absorption of the **Bankers Register** (Blue Book) (for many years published by The Credit Company of Chicago) by the **Rand McNally Bankers Directory**, and the combining of these two well-known publications, beginning with the January 1919 Edition, which is the eighty-sixth of the **Rand McNally Bankers Directory**.

Some years ago, the **Bankers Register** absorbed the **Bankers Directory**, **Homan's** and **Sharp & Alleman's** Edition, so that the present **Directory** is a consolidation of the three best known **Bankers Directories** published in this country.

We believe that this consolidation is for the best interests of all concerned and we feel sure that the banks throughout the country will welcome this move on the part of the publishers of the **Rand McNally Bankers Directory**.

We assure our patrons that, as in the past, nothing will be left undone by us in our effort to give them a **Directory** as nearly perfect as experience, continued vigilance, time and money will make it and we welcome suggestions for the betterment of this service.

We wish to impress our constantly increasing number of friends and patrons that the claims of this publication for your patronage are: 1.—It is **honestly revised** twice a year. 2.—It is **complete, up-to-date** and is published nearer to the date of the information it contains than is any other similar publication. 3.—It is printed in **tabulated form**, all similar items being placed in the **same column** for the purpose of comparison—more expensive for us, more satisfactory for your purpose. 4.—It is **beautifully printed** in clear readable type. 5.—It gives to advertisers a **country-wide circulation three times that of any other publication in the same field** and larger than that of any other bank or financial publication in America.

We hope that the results of our efforts may meet with your continued approval and we thank you for your patronage.
