## ANNOUNCEMENT

WE take pleasure in announcing the absorption of the **Bankers Register** (Blue Book) (for many years published by The Credit Company of Chicago) by the **Rand McNally Bankers Directory**, and the combining of these two well-known publications, beginning with the **January 1919 Edition**, which is the **eighty-sixth** of the **Rand McNally Bankers Directory**.

Some years ago, the **Bankers Register** absorbed the **Bankers Directory**, **Homan's** and **Sharp & Alleman's Edition**, so that the present Directory is a consolidation of the three best known Bankers Directories published in this country.

We believe that this consolidation is for the best interests of all concerned and we feel sure that the banks throughout the country will welcome this move on the part of the publishers of the **Rand McNally Bankers Directory**.

We assure our patrons that, as in the past, nothing will be left undone by us in our effort to give them a Directory as nearly perfect as experience, continued vigilance, time and money will make it and we welcome suggestions for the betterment of this service.

We wish to impress our constantly increasing number of friends and patrons that the claims of this publication for your patronage are: 1.—It is **honestly** revised twice a year. 2.—It is **complete, up-to-date** and is published nearer to the date of the information it contains than is any other similar publication. 3.—It is printed in **tabulated form**, all **similar items** being placed in the **same column** for the purpose of comparison—more expensive for us, more satisfactory for your purpose. 4.—It is **beautifully printed** in clear readable type. 5.—It gives to advertisers a **country-wide circulation three times that of any other publication in the same field** and larger than that of any other bank or financial publication in America.

We hope that the results of our efforts may meet with your continued approval and we thank you for your patronage.
