TWO IMPORTANT CHANGES

in this Edition

For the Betterment of the Service

1. THE FEDERAL RESERVE DISTRICT in which each town or city is located, is designated by bold faced figure under name of each city or town, when State is in two or more districts—and by notice at head of column over names of towns, when entire State is in same district.

2. LAWYERS (indexed in back part of Directory) are all bonded by the American Surety Co. of New York for benefit of users of this Directory to the amount of two thousand dollars on each lawyer. (This does not include those under heading "Foreign Attorneys.")

High Grade Farm Mortgages

Paying Attractive Rates of Interest

Many Banks and Investment Houses whose advertisements appear in this Directory are offering for sale the very best of such securities.

Look through the list of banks in any state in which you are interested and you will find both banks and farm loan companies (in a card in connection with their name in this list) offering farm mortgages, bearing attractive rates of interest, on farms with the value of which they are personally familiar.

If they advertise for your business they are in a position to serve you

UNITED STATES, STATE, COUNTY AND CITY DEPOSITARY. MEMBER FEDERAL RESERVE SYSTEM

ANNOUNCEMENT OF MERGER

WE take pleasure in announcing the absorption of the **Bankers Register** (Blue Book) (for many years published by The Credit Company of Chicago) by the **Rand McNally Bankers Directory,** and the combining of these two well-known publications, beginning with the **January 1919 Edition,** which is the eighty-sixth of the **Rand McNally Bankers Directory.**

Some years ago, the **Bankers Register** absorbed the **Bankers Directory, Homan's** and **Sharp & Alleman's Edition,** so that the present Directory is a consolidation of the three best known Bankers Directories published in this country.

We believe that this consolidation is for the best interests of all concerned and we feel sure that the banks throughout the country will welcome this move on the part of the publishers of the **Rand McNally Bankers Directory.**

We assure our patrons that, as in the past, nothing will be left undone by us in our effort to give them a Directory as nearly perfect as experience, continued vigilance, time and money will make it and we welcome suggestions for the betterment of this service.

We wish to impress our constantly increasing number of friends and patrons that the claims of this publication for your patronage are: 1.—It is **honestly** revised twice a year. 2.—It is **complete, up-to-date** and is published nearer to the date of the information it contains than is any other similar publication. 3.—It is printed in **tabulated form,** all **similar items** being placed in the **same column** for the purpose of comparison—more expensive for us, more satisfactory for your purpose. 4.—It is **beautifully printed** in clear readable type. 5.—It gives to advertisers a **country-wide circulation three times that of any other publication in the same field** and larger than that of any other bank or financial publication in America.

We hope that the results of our efforts may meet with your continued approval and we thank you for your patronage.

ANNOUNCEMENT OF MERGER

WE take pleasure in announcing the absorption of the **Bankers Register** (Blue Book) (for many years published by The Credit Company of Chicago) by the **Rand McNally Bankers Directory**, and the combining of these two well-known publications, beginning with the **January 1919 Edition**, which is the eighty-sixth of the **Rand McNally Bankers Directory.**

Some years ago, the **Bankers Register** absorbed the **Bankers Directory, Homan's** and **Sharp & Alleman's Edition,** so that the present Directory is a consolidation of the three best known Bankers Directories published in this country.

We believe that this consolidation is for the best interests of all concerned and we feel sure that the banks throughout the country will welcome this move on the part of the publishers of the **Rand McNally Bankers Directory.**

We assure our patrons that, as in the past, nothing will be left undone by us in our effort to give them a Directory as nearly perfect as experience, continued vigilance, time and money will make it and we welcome suggestions for the betterment of this service.

We wish to impress our constantly increasing number of friends and patrons that the claims of this publication for your patronage are: 1.—It is **honestly** revised twice a year. 2.—It is **complete, up-to-date** and is published nearer to the date of the information it contains than is any other similar publication. 3.—It is printed in **tabulated form, all similar items** being placed in the **same column** for the purpose of comparison—more expensive for us, more satisfactory for your purpose. 4.—It is **beautifully printed** in clear readable type. 5.—It gives to advertisers a **country-wide circulation three times that of any other publication in the same field** and larger than that of any other bank or financial publication in America.

We hope that the results of our efforts may meet with your continued approval and we thank you for your patronage.

The Merchants National Bank is the third oldest Bank in New York. It was founded in 1803 during the first term of Thomas Jefferson, the third President of the United States. Its articles of association were drawn by Alexander Hamilton. The Bank has been located on its present site at 42 Wall Street since its organization, and during all of that time has paid semi-annual dividends without interruption.
