THIS DOESN'T SHOW ON THE COVER

"Send us your directory at once. We have just received another publication and in the course of a few minutes examination we have found the following errors in cashiers in banks in our own state. We know these men personally, and none of them have been in these positions for from two to five years. We cannot correct errors regarding persons we do not know but we presume there are some of those."

"We are under a five-year contract for directories and display advertising with the.....of New York.... about two years of such contract having expired. *It has proven very unsatisfactory by reason of innumerable inaccuracies, and we are practically compelled to buy some other book, as a work of reference.* As soon as your next directory is issued, we would like to have you forward it to us immediately."

"In the latest issue of another book we have been subscribing to, the information is given that in this state there are 'no special laws relating to banks,' although a special banking law has passed and has been in operation since 1914. We want your directory."

Accessible Towns, Lawyers, Laws, Directors, indexed in back of this volume. For Interest Rates, Grace, etc., see page 14 For Holidays, see opposite page 13.

QUESTION

Did anyone ever try to sell you any other bank directory without telling of "its great superiority" over the Rand McNally Bankers' Directory, the Original Bankers' Blue Book?

There is an old saying:—"*The most clubs are always found under the tree that bears the best apples.*"

They know that the Rand McNally Directory is acknowledged by bankers everywhere as the standard and the leader, and that it is purchased by more banks than are all other bankers' directories combined.

Their statements in most instances are an insult to your intelligence and usually catch only the unwary.

Note

Buy what you ***know*** is best. Substitution never proves satisfactory. The Best is still the Cheapest in the End.

DECISION 2

Handed down in a recent Bulletin to members by another Secretary of a State Bankers' Association who misses no opportunity to protect and advise his members *(not one of those Associations which have made "Rand-McNally" official.)*

"It is only fair to say that in trying to find the most accurate directory publication we have had to acknowledge the *Rand McNally* book as the most *satisfactory* and *reliable* bank directory offered."

"The fact that the Rand McNally book is issued from one to two months in advance of any of its competitors is one of the big items that can be credited to their enterprise; but with one of the most complete publishing plants in the world it is not surprising that they are, with great regularity, first in the field with their books."

Note

Is *always* the first Bank Directory on the market and is published nearer to the date of the information it contains than any other similar publication.
