Arguments

are unnecessary to convince you of the wide-spread prevalence of embezzlement or of the necessity of bonding your employees.
 It is probably only a question of selecting the insuring company.
 This Company has been writing surety bonds for more than thirty-five years and has ample financial strength.
 Our services are at your disposal.

QUESTION

Did anyone ever try to sell you any other bank directory without telling of "its great superiority" over the Rand McNally Bankers' Directory, the Original Bankers' Blue Book?

There is an old saying:—"*The most clubs are always found under the tree that bears the best apples.*"

They know that the Rand McNally Directory is acknowledged by bankers everywhere as the standard and the leader, and that it is purchased by more banks than are all other bankers' directories combined.

Their statements in most instances are an insult to your intelligence and usually catch only the unwary.

Note

Buy what you *know* is best. Substitution never proves satisfactory. The Best is still the Cheapest in the End.

Number under Name of Bank is the New Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

Why The Bankers' Monthly Sells Out Every Issue

Helps You to Look Ahead

Management is constantly improving. Planning for to-day and looking ahead is the banker's biggest job. Through THE BANKERS' MONTHLY you get the best ideas on management from many of the ablest bankers. They are worth reading.

Deals with Practical Problems

Effective bank management depends on systematic planning. The above chart shows how one bank met its problem of judging credits. THE BANKERS' MONTHLY shows many interesting ways to use charts to get better control of business.

Shows Better Ways to Advertise

Does it pay to advertise? Here is a window display that made good in the biggest kind of way. Every issue of THE BANKERS' MONTHLY gives you new suggestions on how to make all advertising more effective. Yes, advertising pays but it must be done right.

You Can Use These Plans

Every month we have letters from bankers asking whether we can supply copies of previous issues of THE BANKERS' MONTHLY. And almost invariably our answer is "No, we are sold out." Why is it that the few extra copies of each issue of THE BANKERS' MONTHLY sell out so quickly? Only the banker who knows this magazine can give the right answer. It is because THE BANKERS' MONTHLY is not a magazine merely. It is a genuine bank service, a practical and profitable aid to better banking. It is not mere news, or personals, or entertaining stories. What bankers get in this magazine—and what YOU can get—is new banking ideas, new plans and policies, improved bank methods that have been tried out and PROVED in many banks and that you can apply or adapt in your own. Why not try these plans? You will find in every issue of THE BANKERS' MONTHLY something worth much more than its trifling cost.

Stop and Figure it Out

Stop a moment and figure it out for yourself. There are approximately 30,000 banks in the United States. In control and direction of these banks there are nearly 200,000 officers and directors, working, planning, trying out new ideas and methods. Some of these methods prove to be failures; some are no better than the methods used before; but others result in definite improvements and scores of banks, large and small, by adapting and applying these methods have attained remarkable success. Our editors are constantly in touch with these banks. They are continually collecting the facts, studying them; analyzing them, and in every issue of THE BANKERS' MONTHLY they tell you clearly, painstakingly, and without frills or technicalities just what these banks do step by step to attain their remarkable success and you by studying these ideas and plans will be able to increase the efficiency and profits of your own bank.

What About Ten Years from Now

Probably one of the greatest if not the greatest factor in success is looking ahead. The vast majority of business failures when carefully analyzed show that the men in charge were depending entirely too much on their own limited point of view. They failed to look broadly and to look ahead. The successful banker, more than any other man, needs to focus a searchlight on the future. Not that failure is a danger. That isn't the point. The vital thing is that looking ahead means better banking, more business, more profits, and vastly better service to the community. Stop any subscriber to THE BANKERS' MONTHLY and ask him why he reads the magazine. In ninety-nine cases out of every hundred the answer will be, "Because it shows me what other progressive bankers are thinking and doing; it gives me a keener mental attitude toward my work, and helps me therefore constantly to improve my banking business."

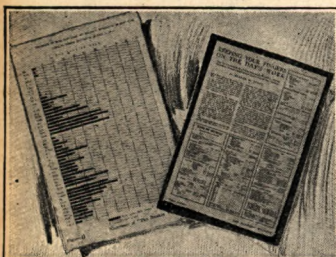

Every Issue Gives Something New

In every issue THE BANKERS' MONTHLY brings to your desk the latest and best banking information, new ideas on the problems you have to solve, how other banks and bankers have faced and solved already the very difficulties that confront you, and how they are building business and winning greater profits. Many of the most successful banks in the country are contributors to THE BANKERS' MONTHLY through one or more of their members. Every article and report therefore is reliable and in every case is based on years of successful banking experience. It is this down-to-bed-rock policy of the magazine that gives it its unique value, that makes it an actual HELP to bankers and leads many of them to consider it a bank necessity. We are sure you also will agree with this point of view when you have had a chance to examine the magazine.

Let us send you the current issue on trial. No money is asked for unless you are satisfied. The cost is only \$5.00 a year—twelve issues—

THE BANKERS' MONTHLY

536 So. Clark St., Chicago, Ill.

Helps to Simplify Day's Work

THE BANKERS' MONTHLY will help you to keep your fingers on the day's work, show you the best ways to keep records, to simplify routine, to chart results, and to know with certainty at any time just where your bank stands and what your costs are.

Shows How to Cut Costs

Unwatched costs creep up. THE BANKERS' MONTHLY will help you to watch costs, give you scores of ideas for reducing expenses and improving your bank showing. All elements that enter into the finding and controlling of costs are treated with particular care.

Helps to Meet Competition

Every bank has its problem of meeting competition, in city or country. Service is one way to solve competition and to-day bank service is taking on a new meaning. Let THE BANKERS' MONTHLY help you meet competition.

Number under Name of Bank is the New Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

The Bankers' Blue Book

1. Is the *Official* Numbering Agent for *The American Bankers Association*.
2. Is *honestly* revised twice a year and is the most accurate and carefully edited publication of its kind. (Write for our booklet, "Seven Decisions.")
3. Is *always the first* Bank Directory on the market and is published nearer to the date of the information it contains than any other similar publication.
4. Is printed in *tabulated form*, all *similar items* being placed in the *same column*, for the purpose of *quick comparison*—impossible if the book is printed in the cheaper way like a novel.
5. Has a paid bank circulation *larger than* the paid bank circulation of *all other Bank Directories combined*.
6. Has the largest paid *bank* circulation of *any* publication in America, of whatever kind, and this circulation is increasing every year.
7. "A *Reliable Book* published by a *Responsible House*."
