## DECISION 2

Handed down in a recent Bulletin to members by another Secretary of a State Bankers' Association who misses no opportunity to protect and advise his members (*not one of those Associations which have made "Rand-McNally" official.*)

"It is only fair to say that in trying to find the most accurate directory publication we have had to acknowledge the *Rand McNally* book as the most *satisfactory* and *reliable* bank directory offered."

"The fact that the *Rand McNally* book is issued from one to two months in advance of any of its competitors is one of the big items that can be credited to their enterprise; but with one of the most complete publishing plants in the world it is not surprising that they are, with great regularity, first in the field with their books."

### Note

Is *always* the first Bank Directory on the market and is published nearer to the date of the information it contains than any other similar publication.

1213 Number under Name of Bank is the New Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

For instance, on drafts drawn payable on arrival of goods that are not promptly paid, constant communication is kept with the carriers to ascertain when the shipment arrives so that presentment can be renewed and payment expedited or a report communicated to you without delay

*A relationship with this bank for collecting your Memphis items will ensure you the fullest measure of service at the prescribed rates of the Memphis Clearing House Association.*
