Gentlemen:-
Please supply us with about three hundred (300) cards like specimen enclosed, which we have been sending out in reply to requests for ratings.
It might interest you to know that we have sent these out with our replies in every case where we have answered requests for ratings and believe that without a single exception we have received proper compensation for our services by stamps sent in return. Many of the firms that we have served have commented favorably on the system which we use, and only recently a card came back with this notation. "We enclose 25c for report and assure you that we are glad to do it. Wish all banks would use the same system". We are so pleased with them that we are glad to give you this information.
Yours very truly,
J. H. YOUNG, Asst. Cashier.

If you are not using a **bold** type for your name in our list, you should write for terms.

BANK OF RUSHVILLE
Capital \$120,000

Rushville, Ill., March 11, 1920

Rand McNally & Co.
Chicago, Ill.

Gentlemen:-

Please supply us with about three hundred (300) cards like specimen enclosed, which we have been sending out in reply to requests for ratings.

It might interest you to know that we have sent these out with our replies in every case where we have answered requests for ratings and believe that without a single exception we have received proper compensation for our services by stamps sent in return. Many of the firms that we have served have commented favorably on the system which we use, and only recently a card came back with this notation. "We enclose 25c for report and assure you that we are glad to do it. Wish all banks would use the same system". We are so pleased with them that we are glad to give you this information.

Yours very truly,
J. H. YOUNG, Asst. Cashier.

If you are not using a **bold** type for your name in our list, you should write for terms.

Number under Name of Bank is the New Transit Number given to each bank in U. S. exclusively by The Rand-McNally Bankers' Directory, under the authority of The American Bankers Ass'n.

Earnings of the banks came largely from interest and discount, Mr. Williams said, "although a total of \$97,000,000 was obtained from exchange and collection charges and other miscellaneous sources.

ded off by the

\$97,000,000 from Collections Exchange, Etc.

In a statement recently made by the Comptroller of the Currency the above figures were quoted as to National banks, only. The state and private banks probably earned as much or more. Are YOU getting your share of this vast sum? Every bank advertising in this directory is sharing in it. Collections are naturally sent to those banks advertising the fact that they specialize in prompt collection service.

Look over the bank list in this BLUE BOOK and see the thousands of banks that are awake to the possibility of making the collection department an income producer.

The cost is insignificant when the returns are considered.

Fifty years of experience and prestige give us access to unlimited sources of information. To this may be added unrestricted facilities for the production of the Rand McNally Bankers Directory. Infinite research, painstaking accuracy, an intimate knowledge of banking needs and desires, are recognized features of THE BLUE BOOK the acknowledged standard of all bank publications.
