Gentlemen

It is a pleasure to us to state that we have carried a \$50,000 bond through you for the last eight years and that we consider it first class insurance in every way

Your policy is most liberal in the things that it covers, all adjustments having been quickly and satisfactorily made and we consider that it is sound insurance and an exceptionally fine contract and are greatly pleased with it.

It has been a satisfaction to us to have this protection

Sincerely,

Vice President and Cashier.

Dear Sir:

We have been using the American Indemnity Alliance service for several years. We have had quite a large number of small losses which they have adjusted with promptness and to our entire satisfaction.

We carry with them not only their "All Risk" policy but also forgery insurance. They reinsure with Lloyds, London, and furnish us the Lloyds reinsurance policy along with their own.

Presuming this to be the information you desire we are pleased to be of service

Yours truly

Vice President.

The above letters indicate the complete coverage and satisfactory service furnished by this organization of Bankers. Not only are many of the larger Banks carrying our Blanket Contract but we are issuing them in such size and at a cost that will meet the needs of the smaller Banks.

The first Banker's Blanket Contract to be written by an American Insurance Carrier was issued by this organization more than eight years ago.

Our Blanket Contract

originated by bankers to give them the protection they desired, at cost, is the broadest available from any source, covering as it does

"Against Loss or Damage by Embezzlement, Burglary, Robbery, Theft, Messenger Hold-up, Disappearance, Abstraction or Fire."

Our Forgery Contract

covers all direct loss or damage by reason of forgery in excess of \$100. to whatever limit desired.

On account of our limited overhead expense, careful selection of risks and complete reinsurance and guarantee facilities we can furnish the above protection at a saving of more than forty per cent of the cost of more restricted coverage issued by the Stock Insurance Companies.

Leading
Banking
Magazine**

As a bank executive, you really cannot afford not to have the **BANKERS MONTHLY** come to your desk every month when the price is so small. This magazine is the only bankers' magazine dealing exclusively with bank management and banking success.

This magazine is not theory or guess, it is not some ideas fabricated out of somebody's brilliant brain who was perhaps never inside a bank; on the contrary it is the work of the most experienced bankers. The magazine contains only **TRIED-OUT** plans, **PROVED** policies, **DEMONSTRATED** banking ideas that have worked for others and that will work for you.

"This bank is a regular subscriber and advertiser in your Blue Book. Does this entitle us to a subscription to the **BANKERS MONTHLY**? If not, you may enter our order for the magazine for one year from the present subscription date. I would not be without the **BANKERS MONTHLY** for \$25 a year. It carries more good sense and practical banking ideas than any periodical that ever came into our bank. I enclose herewith January statement. You will note that we had a good growth in deposits in spite of the Liberty Loans."

interest.

Earnings of the banks came largely from interest and discount, Mr. Williams said, "although a total of \$97,000,000 was obtained from exchange and collection charges and other miscellaneous sources.

ded off by the

\$97,000,000 from Collections Exchange, Etc.

In a statement recently made by the Comptroller of the Currency the above figures were quoted as to National banks, only. The state and private banks probably earned as much or more. Are YOU getting your share of this vast sum? Every bank advertising in this directory is sharing in it. Collections are naturally sent to those banks advertising the fact that they specialize in prompt collection service.

Look over the bank list in this BLUE BOOK and see the thousands of banks that are awake to the possibility of making the collection department an income producer.

The cost is insignificant when the returns are considered.
