Interisland Steamships at their berth in Pasig River

Reaching All the Markets of the Philippines

In ten of the most important cities of the Philippines are located branches of the Philippine National Bank, as follows:

Aparri	Cebu	Davao	Legaspi	Naga
Cabanatuan	Dagupan	Iloilo	Lucena	Vigan

These branches and the contingent territory they cover are supplemented by 27 agencies at other trade points throughout the Islands, forming a service of remarkable completeness and offering exceptional facilities for direct banking transactions with all markets of the Philippines.

Advertising That Pays The Hustling Bank.

HUNDREDS of letters from bankers throughout the United States prove that the use of "Small Caps" in black type is the best money-making advertising in the bank field.

BANK OF RUSHVILLE Capital \$120,000

Rushville, Ill., March 11, 1920

Rand McNally & Co.
Chicago, Ill.

Gentlemen:-

Please supply us with about three hundred (300) cards like specimen enclosed, which we have been sending out in reply to requests for ratings.

It might interest you to know that we have sent these out with our replies in every case where we have answered requests for ratings and believe that without a single exception we have received proper compensation for our services by stamps sent in return. Many of the firms that we have served have commented favorably on the system which we use, and only recently a card came back with this notation. "We enclose 25c for report and assure you that we are glad to do it. Wish all banks would use the same system". We are so pleased with them that we are glad to give you this information.

Yours very truly,
J. H. YOUNG, Asst. Cashier.

If you are not using a **bold** type for your name in our list, you should write for terms.

Don't Theorize—Visualize in Your Transit Department

Use the Rand McNally Map-Tack Cabinet System by which you can see at a glance the location of your collecting points.

They can be so marked by the use of our Tack System that by a glance at any State you can get any information that you find necessary in routing items.

Let us tell you all about this valuable labor-saving method of using our maps

MAP-TACK SYSTEM

Don't Theorize—Visualize in Your Transit Department

Use the Rand McNally Map-Tack Cabinet System by which you can see at a glance the location of your collecting points.

They can be so marked by the use of our Tack System that by a glance at any State you can get any information that you find necessary in routing items.

Let us tell you all about this valuable labor-saving method of using our maps
