C. B. CHADWICK, President
Bankers Supply Company
Chicago

"WE have had occasion to send out many mailings to banks of the United States and some foreign countries. In addressing such mail matter, we have discovered that the percentage of returned letters addressed from your book, *is far smaller than from any other list which we have ever used*," says Mr. Chadwick.

"In a recent mailing to 30,000 banks in the United States, only two items were returned and the postal authorities had noted, 'Incorrect address' on both (made by our clerk.) In mailings which we have made to addresses listed in other books, the incorrect returns from the post office have usually run into annoyingly large figures.

"Therefore, we have decided to discontinue using any other bank Directory and we will confine ourselves to your publication exclusively for correctness of address, bank titles and names of officers. We want your next edition just as soon as it comes off the press, in order that we may make any additions to our mailing list which may be made necessary by the organization of new banks and mergers of old institutions."

The Bankers Directory Contains

Every bank, banker and trust company now extant in the United States showing officers, capital, profits, deposits, and resources carefully revised.

Accurate lists of all bank officials—Presidents, Vice-Presidents, Cashiers, and Assistant Cashiers.

Population of banking towns and accessible points for no-bank towns.

All Canadian banks, with their branches, officers, correspondents, etc.

A carefully selected list of foreign banks and bankers, with reliable information.

A selected recommended list of investment securities dealers and brokers.

A bonded list of bank attorneys with a selected list of foreign lawyers.

Reliable synopses of state commercial laws; and much similar valuable data.

Authoritative interest rates, listed by states, for ready reference. Valuable information concerning foreign coins.

Up-to-date maps of states, important cities, and of foreign countries with their revised boundaries.

All arranged, indexed and printed for quick and easy reference.

The Leading Bank Directory of the World for 50 Years

This is the most complete and the most accurate BANKERS DIRECTORY published. It is honestly revised twice every year at the expense of tens of thousands of dollars.

It is published promptly after the revisions are completed and delivered to purchasers at a time when it will prove of most value to them.

It is excellently printed in clear, legible type on high quality paper and substantially bound in heavy cloth. The facts desired can be found in the shortest time and with the least possible trouble.

You get more information and valuable facts regarding Banks, Bank Officials, Bank Directors, Bonded Attorneys, Maps and so on in the BANKERS DIRECTORY than in any other Directory.

You get an accurate mailing list of all Bank Officials including Presidents, Vice-Presidents, Cashiers, Assistant Cashiers, Treasurers and Bank Directors. This list is extremely valuable for mailing purposes and also for special reference.

The Rand McNally BANKERS DIRECTORY contains the latest maps of all states, of important cities, and foreign countries, with their revised boundaries together with reliable synopses of state commercial laws and similar data.

Orders for this edition must be placed immediately—NOW. Make sure of getting your copy by sending us your order before we go to press. We print just as many books as are ordered in advance.

C. B. CHADWICK, President
Bankers Supply Company
Chicago

"WE have had occasion to send out many mailings to banks of the United States and some foreign countries. In addressing such mail matter, we have discovered that the percentage of returned letters addressed from your book, *is far smaller than from any other list which we have ever used*," says Mr. Chadwick.

"In a recent mailing to 30,000 banks in the United States, only two items were returned and the postal authorities had noted, 'Incorrect address' on both (made by our clerk.) In mailings which we have made to addresses listed in other books, the incorrect returns from the post office have usually run into annoyingly large figures.

"Therefore, we have decided to discontinue using any other bank Directory and we will confine ourselves to your publication exclusively for correctness of address, bank titles and names of officers. We want your next edition just as soon as it comes off the press, in order that we may make any additions to our mailing list which may be made necessary by the organization of new banks and mergers of old institutions."

The Bankers Directory Contains

Every bank, banker and trust company now extant in the United States showing officers, capital, profits, deposits, and resources carefully revised.

Accurate lists of all bank officials—Presidents, Vice-Presidents, Cashiers, and Assistant Cashiers.

Population of banking towns and accessible points for no-bank towns.

All Canadian banks, with their branches, officers, correspondents, etc.

A carefully selected list of foreign banks and bankers, with reliable information.

A selected recommended list of investment securities dealers and brokers.

A bonded list of bank attorneys with a selected list of foreign lawyers.

Reliable synopses of state commercial laws; and much similar valuable data.

Authoritative interest rates, listed by states, for ready reference. Valuable information concerning foreign coins.

Up-to-date maps of states, important cities, and of foreign countries with their revised boundaries.

All arranged, indexed and printed for quick and easy reference.

The Leading Bank Directory of the World for 50 Years

This is the most complete and the most accurate BANKERS DIRECTORY published. It is honestly revised twice every year at the expense of tens of thousands of dollars.

It is published promptly after the revisions are completed and delivered to purchasers at a time when it will prove of most value to them.

It is excellently printed in clear, legible type on high quality paper and substantially bound in heavy cloth. The facts desired can be found in the shortest time and with the least possible trouble.

You get more information and valuable facts regarding Banks, Bank Officials, Bank Directors, Bonded Attorneys, Maps and so on in the BANKERS DIRECTORY than in any other Directory.

You get an accurate mailing list of all Bank Officials including Presidents, Vice-Presidents, Cashiers, Assistant Cashiers, Treasurers and Bank Directors. This list is extremely valuable for mailing purposes and also for special reference.

The Rand McNally BANKERS DIRECTORY contains the latest maps of all states, of important cities, and foreign countries, with their revised boundaries together with reliable synopses of state commercial laws and similar data.
