TWO IMPORTANT CHANGES

in this Edition

For the Betterment of the Service

1. THE FEDERAL RESERVE DISTRICT in which each town or city is located, is designated by bold faced figure under name of each city or town, when State is in two or more districts—and by notice at head of column over names of towns, when entire State is in same district.
2. LAWYERS (indexed in back part of Directory) are all bonded by the American Surety Co. of New York for benefit of users of this Directory to the amount of two thousand dollars on each lawyer. (This does not include those under heading "Foreign Attorneys.")

Official Numbering Agent for American Bankers Association

Some Salient Facts

The Bankers Directory is the *Official* Numbering Agent for *The American Bankers Association*.

It is *honestly* revised twice a year and is the most accurate and carefully edited publication of its kind.

It is *always the first* Bank Directory on the market and is published nearer to the date of the information it contains than any other similar publication. Issued in March and September.

It is printed in *tabulated form*, all *similar items* being placed in the *same column*, for the purpose of *quick comparison*—impossible if the book is printed in the cheaper way like a novel.

It has a paid bank circulation *larger than* the paid bank circulation of *all other Bank Directories combined*.

It has the largest paid *bank* circulation of *any* publication in America, of whatever kind, and this circulation is increasing every year.

*"A Reliable Book Published
by a Responsible House"*
