Not an Error in 14 Years

THIS is the remarkable record of the Rand McNally Blue Book in the experience of one banker who has consulted it daily, and to this individual record can be added similar recognition from bankers all over the United States.

Honestly revised twice a year, the Blue Book has maintained undisputed leadership for accuracy and dependability since it was founded over 50 years ago.

Why the Blue Book Leads the Field

The Blue Book is invaluable in every bank because

- it speeds up collection service
- it simplifies the routing of items
- it gives the latest statements of condition of all banks
- it contains an up-to-date list of executive officers
- it furnishes a correct list of all the correspondents of every bank
- it facilitates the making of the most direct connections at the least cost
- it has four times the circulation of any similar publication
- it contains maps of every state in the country in county outline
- it contains a complete showing of all banks, national, state, savings and trust companies in the United States as well as Canadian banks; together with a selected list of foreign banks and American investment bankers

Banks, like all other lines of business, have undergone sharp readjustments during the past year, and the next Blue Book coming off the press will be especially valuable because it will give in detail the scope of these changes. The latest statements of condition, every change in executive personnel, every recent merger will be shown.

The Blue Book is sold on subscription only. The edition is limited and we suggest that you place your order now to make sure of a copy.

Rand McNally Bankers Directory,
Chicago,
Ill.

Gentlemen:

I thank you for your letter of congratulations upon the occasion of my fiftieth anniversary with the First National Bank of Princeton.

It is with pleasure that I state that the RAND McNALLY BANKERS DIRECTORY is the "book I was brought up on" and that for over fifty years I have found the BANKERS BLUE BOOK accurate, reliable and complete, and in my opinion IT IS THE BEST BANK DIRECTORY NOW PUBLISHED, or ever published during my half century's experience in the banking business.

Wishing your publication its merited continued success, I am

Yours very truly,

H. C. Roberts
P.H.

UP-TO-DATE, progressive banks throughout the United States use the RAND McNALLY BANKERS DIRECTORY as a daily help to efficient service. For a half century it has been the standard book of its kind—complete, accurate and comprehensive.

Practically all of our subscribers show their appreciation by renewing from year to year, proving the BLUE BOOK to be entirely satisfactory, and we certainly are trying to make it more so with every issue.

The next issue— July 1924 —is now being compiled. If your subscription has not been sent to us see to it that you are recorded as a subscriber, as only sufficient books are published to fill orders received prior to printing.

The BLUE BOOK is in constant service in eighty per cent of the banks of the United States. It has four times the circulation of any similar publication—the largest bank circulation in the world.

H. C. ROBERTS WITH NATIONAL BANK 50 YEARS AS OFFICER

Golden Anniversary of Princeton Bank President to Be Celebrated Saturday Night with Banquet.

STARTS AS BOOKKEEPER

Devotion to Duty and Tireless Energy Win Place for Mr. Roberts as Head of One of County's Leading Financial Enterprises—Dean of Bankers' Federation.

In celebration of the 50th anniversary of the connection of President Harry C. Roberts with the First National bank, the directors of that institution have arranged for a banquet at the First Methodist church on Saturday evening, to which the presidents, vice presidents, cashiers and assistant cashiers of every bank in the county have been invited. It is given to few men to serve one institution for half a century, particularly with such honor and credit to himself as well as to the institution served, and the directors of the First National feel that they want to show appreciation to Mr. Roberts on this notable record.

Mr. Roberts entered the First National bank as a bookkeeper and he was promoted to cashier.
