The outline of BANK HISTORY

THESE three long shelves of books—**RAND McNALLY Bankers Directories** from 1872 to 1923—represent the evolution of financial America through over half a century.

They picture not only the growth of banks in size and numbers, but symbolize a service which has been contemporaneous with fifty-two years of banking progress.

Back of every **RAND McNALLY** bank publication lies the accumulated experience gained in rendering this service. When the first Bankers Directory was compiled in 1872, certain unchanging truths in the bank field were learned. Year by year this knowledge has expanded.

Your subscription for any **RAND McNALLY** bank publication is a draft on unmatched resources of bank information.

Rand McNally Bankers Directory,

Gentlemen:

I thank you for your letter of congratulations upon the occasion of my fiftieth anniversary with the First National Bank of Princeton.

It is with pleasure that I state that the RAND McNALLY BANKERS DIRECTORY is the "book I was brought up on" and that for over fifty years I have found the BANKERS BLUE BOOK accurate, reliable and complete, and in my opinion IT IS THE BEST BANK DIRECTORY NOW PUBLISHED, or ever published during my half century's experience in the banking business.

Wishing your publication its merited continued success, I am

Yours very truly,

H. C. Roberts
P.H.

RAND McNALLY
BANKERS
DIRECTORY
BLUE BOOK

UP-TO-DATE, progressive banks throughout the United States use the **RAND McNALLY BANKERS DIRECTORY** as a daily help to efficient service. For a half century it has been the standard book of its kind—complete, accurate and comprehensive.

Practically all of our subscribers show their appreciation by renewing from year to year, proving the **BLUE BOOK** to be entirely satisfactory, and we certainly are trying to make it more so with every issue.

The next issue—January 1925—is now being compiled. If your subscription has not been sent to us see to it that you are recorded as a subscriber, as only sufficient books are published to fill orders received prior to printing.

The **BLUE BOOK** is in constant service in eighty per cent of the banks of the United States. It has four times the circulation of any similar publication—the largest bank circulation in the world.

H. C. ROBERTS WITH NATIONAL BANK 50 YEARS AS OFFICER

Golden Anniversary of Princeton Bank President to Be Celebrated Saturday Night with Banquet.

STARTS AS BOOKKEEPER

Devotion to Duty and Tireless Energy Win Place for Mr. Roberts as Head of One of County's Leading Financial Enterprises—Dean of Bankers' Federation.

In celebration of the 50th anniversary of the connection of President Harry C. Roberts with the First National bank, the directors of that institution have arranged for a banquet at the First Methodist church on Saturday evening, to which the presidents, vice presidents, cashiers and assistant cashiers of every bank in the county have been invited. It is given to few men to serve one institution for half a century, particularly with such honor and credit to himself as well as to the institution served, and the directors of the First National feel that they want to show appreciation to Mr. Roberts on his 50th anniversary.

Mr. Roberts entered the First National bank as a bookkeeper and he was prominent cashier.

HUNDREDS of letters from bankers throughout the United States prove that the use of "Small Caps" in black type is the best money-making advertising in the bank field.

Gentlemen:-
Please supply us with about three hundred (300) cards like specimen enclosed, which we have been sending out in reply to requests for ratings.

It might interest you to know that we have sent these out with our replies in every case where we have answered requests for ratings and believe that without a single exception we have received proper compensation for our services by stamps sent in return. Many of the firms that we have served have commented favorably on the system which we use, and only recently a card came back with this notation. "We enclose 25c for report and assure you that we are glad to do it. Wish all banks would use the same system". We are so pleased with them that we are glad to give you this information.

Yours very truly,
J. H. YOUNG, Asst. Cashier.

If you are not using a **bold** type for your name in our list, you should write for terms.

Remember

The Rand M^cNally Bankers Directory has a larger paid circulation than all other bank directories combined.

Three times larger than its nearest competitor.

First in accuracy and reliability.

The publishers are constantly adding new and exclusive features at great expense.

For example we mention the following data no similar publication gives.

1. Shows Federal Reserve District in which each town is located.
2. Shows what banks are members of Federal Reserve System.
3. Shows all banks that have gone out of existence within the past six months—tells you whether they closed, merged with another bank or changed their name.
4. Shows new banks by a special emblem, when first appearing in the Directory.
5. Shows you what banks have trust departments.
6. Shows you what banks have savings departments.

TITLE GUARANTEE AND TRUST COMPANY BOND AND MORTGAGE GUARANTEE COMPANY

THE TITLE GUARANTEE AND TRUST COMPANY in New York City is the largest title insurance company in the world. The Company insures titles and makes loans on real estate in Greater New York and on Long Island. The Company also does a general banking and trust business and is prepared to receive accounts from out of town customers including banks and will render the usual services that go with this business. Its Capital and Surplus is \$21,000,000. Organized in 1883.

THE BOND AND MORTGAGE GUARANTEE COMPANY is associated with the Title Guarantee and Trust Company and the businesses are closely related and coöperative. The two companies occupy the same offices. The Bond and Mortgage Guarantee Company guarantees the payment of principal and interest on real estate bonds and mortgages approved by its Mortgage Committee and most of the mortgages sold by the Title Guarantee and Trust Company are sold under this guarantee. The Title Guarantee and Trust Company guarantees the validity of the titles to the properties covered by the mortgages, and, protected by this insurance, the Bond and Mortgage Guarantee Company issues to the investor its absolute guarantee of payment of principal and interest. Its Capital and Surplus is \$12,000,000. Organized in 1892.

During the past thirty-one years, it has guaranteed more than 100,000 separate mortgages aggregating in amount \$1,020,000,000. Of this \$650,000,000 have fallen due and have been repaid without the loss of a dollar to any investor, and \$370,000,000 are still in force. This record is unequalled by any line of securities ever offered by any other investment house in this country. If mortgage investments are sought there are no others so good as these.
