## ***A Trust Service for Financial Institutions***

**I**N addition to the usual banking facilities offered to its clients, this Company as correspondent for financial institutions places at their disposal the assistance of its Trust Department.

Due to the large amount of trusts in care of the Company and by virtue of the wide and varied trust experience built upon nearly a century of trust service, the personnel of the Trust Department is well qualified to assist banking clients with their trust problems.

It follows that a trust company or bank maintaining a trust department to which we may be of service may profitably consider this institution as a reserve depository for its funds.

# NEIGHBORS

The exchange of opinion and of information between neighboring bankers is of the utmost value as a basis for business decisions. That is why there are bankers' conventions.

But such neighborly intercourse is obviously impossible in thousands of cases. One bank may be in a city on the Atlantic coast; another in a western town.

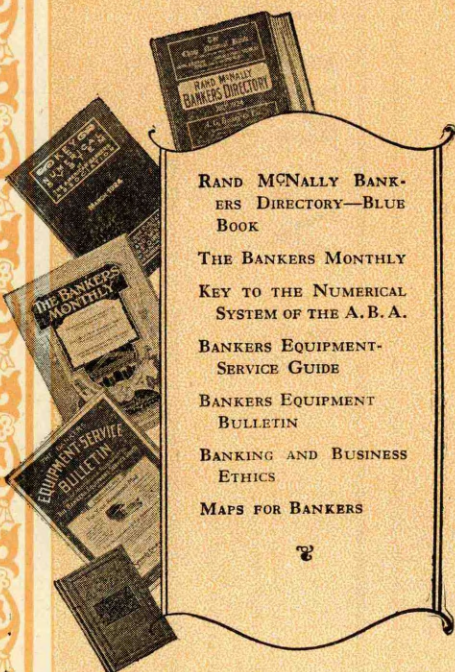

The RAND McNALLY Bankers Directory makes neighbors of all banks. It gives you the cold, definite facts concerning any bank. It gives them to you in the absence of the influence of any personality. It gives you a complete check on the standing of any bank you have in mind. It shows you at a glance prevailing conditions; the prosperity of any community as reflected in the bank's figures.

Among the banks of America the name RAND McNALLY stands for over fifty-two years of service and experience. Our prestige gives us access to unlimited sources of information. That is why the RAND McNALLY Bankers Directory is the most complete and most accurate bankers' directory ever published. That is why it is accepted by all bankers as the standard book of banking reference.

# "The Laborer is Worthy of His Hire"

THE "Fee in Advance" System, inaugurated ten years ago by the BANKERS DIRECTORY, is one of the most appreciated innovations in the bank field as it assures profitable co-operation between the bankers and the Directory.

To our advertisers the card below is furnished free:

We acknowledge with thanks receipt of your { Draft  
Request for Credit Report } on \_\_\_\_\_

Believing that the "laborer is worthy of his hire" and that you do not want something for nothing, we respectfully call your attention to the following rule of this bank which we are spending considerable money to announce through the great national forwarding medium—the Rand-McNally Bankers Directory and List of Attorneys.

\*COLLECTIONS AND REQUESTS FOR RATING will have our prompt and careful attention, PROVIDED same are accompanied by the following fee IN ADVANCE:

Collections - - - - -	15 cts. each
Requests for Rating, minimum fee - - - - -	25 cts. each

This rule does not apply to Drafts with Bills of Lading attached, or to Notes.

Fees accompanying collections will be credited as part of regular exchange charge on collections made. In complying with request for rating, all statements will be made upon information which this bank believes to be reliable, but further than that it assumes no liability whatever.

Upon receipt of fee, this business will be handled promptly.

*W. K. Bowman, Sec., The Kansas Bankers Association, says:*

"The handling of collections is an incident of the banking business and while ofttimes a source of profit, it becomes quite as frequently unprofitable in that so great a number of sight drafts received for collection are received, entered, presented and returned unpaid either for a good reason, an indifferent reason or no reason at all, notwithstanding the bank has performed all its duties as promptly and as skillfully as if the item had been paid. The bank is out its time, labor and return postage. The loss from this source greatly diminishes the net profit on the volume of collections actually made.

"The Rand McNally Company, publishers of one of the leading, if not in fact the leading bank directory, offers a suggestion worthy of consideration. This valuable publication circulates not only among the banks of the the country, but has a wide and ever increasing circulation among the jobbers and wholesale institutions. The suggestion is that country banks quite generally insert in connection with the bank's name as it appears in the directory, a line very briefly setting out the minimum fee which the bank will require as a condition for handling sight draft collections, inviting the business on that basis. While this would not prevent all unprofitable business being sent to the bank, it would tend to largely reduce it. It would, moreover, enable the jobbers and wholesalers to choose the more intelligently in routing collections. No better medium could be selected to test this experiment than the Rand McNally Directory which is not only a leader, but enjoys the distinction of having been designated the official numbering agent for the American Bankers Association."

Get Your Credit Report from the Banker—Use the Blue Book whenever you want a report on anyone anywhere. Find the town, select one of the Banks advertising, write your letter, enclose the fee 25c or 50c, mail the letter and your part is done—the Bank will do the rest. These Banks advertising in the Rand McNally Directory specialize in this service. They are prompt, intelligent and efficient.

*Always Enclose the Fee in Advance*

The Chatham & Phenix National Bank

# Remember

The Rand M<sup>c</sup>Nally Bankers Directory has a larger paid circulation than all other bank directories combined.

Three times larger than its nearest competitor.

First in accuracy and reliability.

The publishers are constantly adding new and exclusive features at great expense.

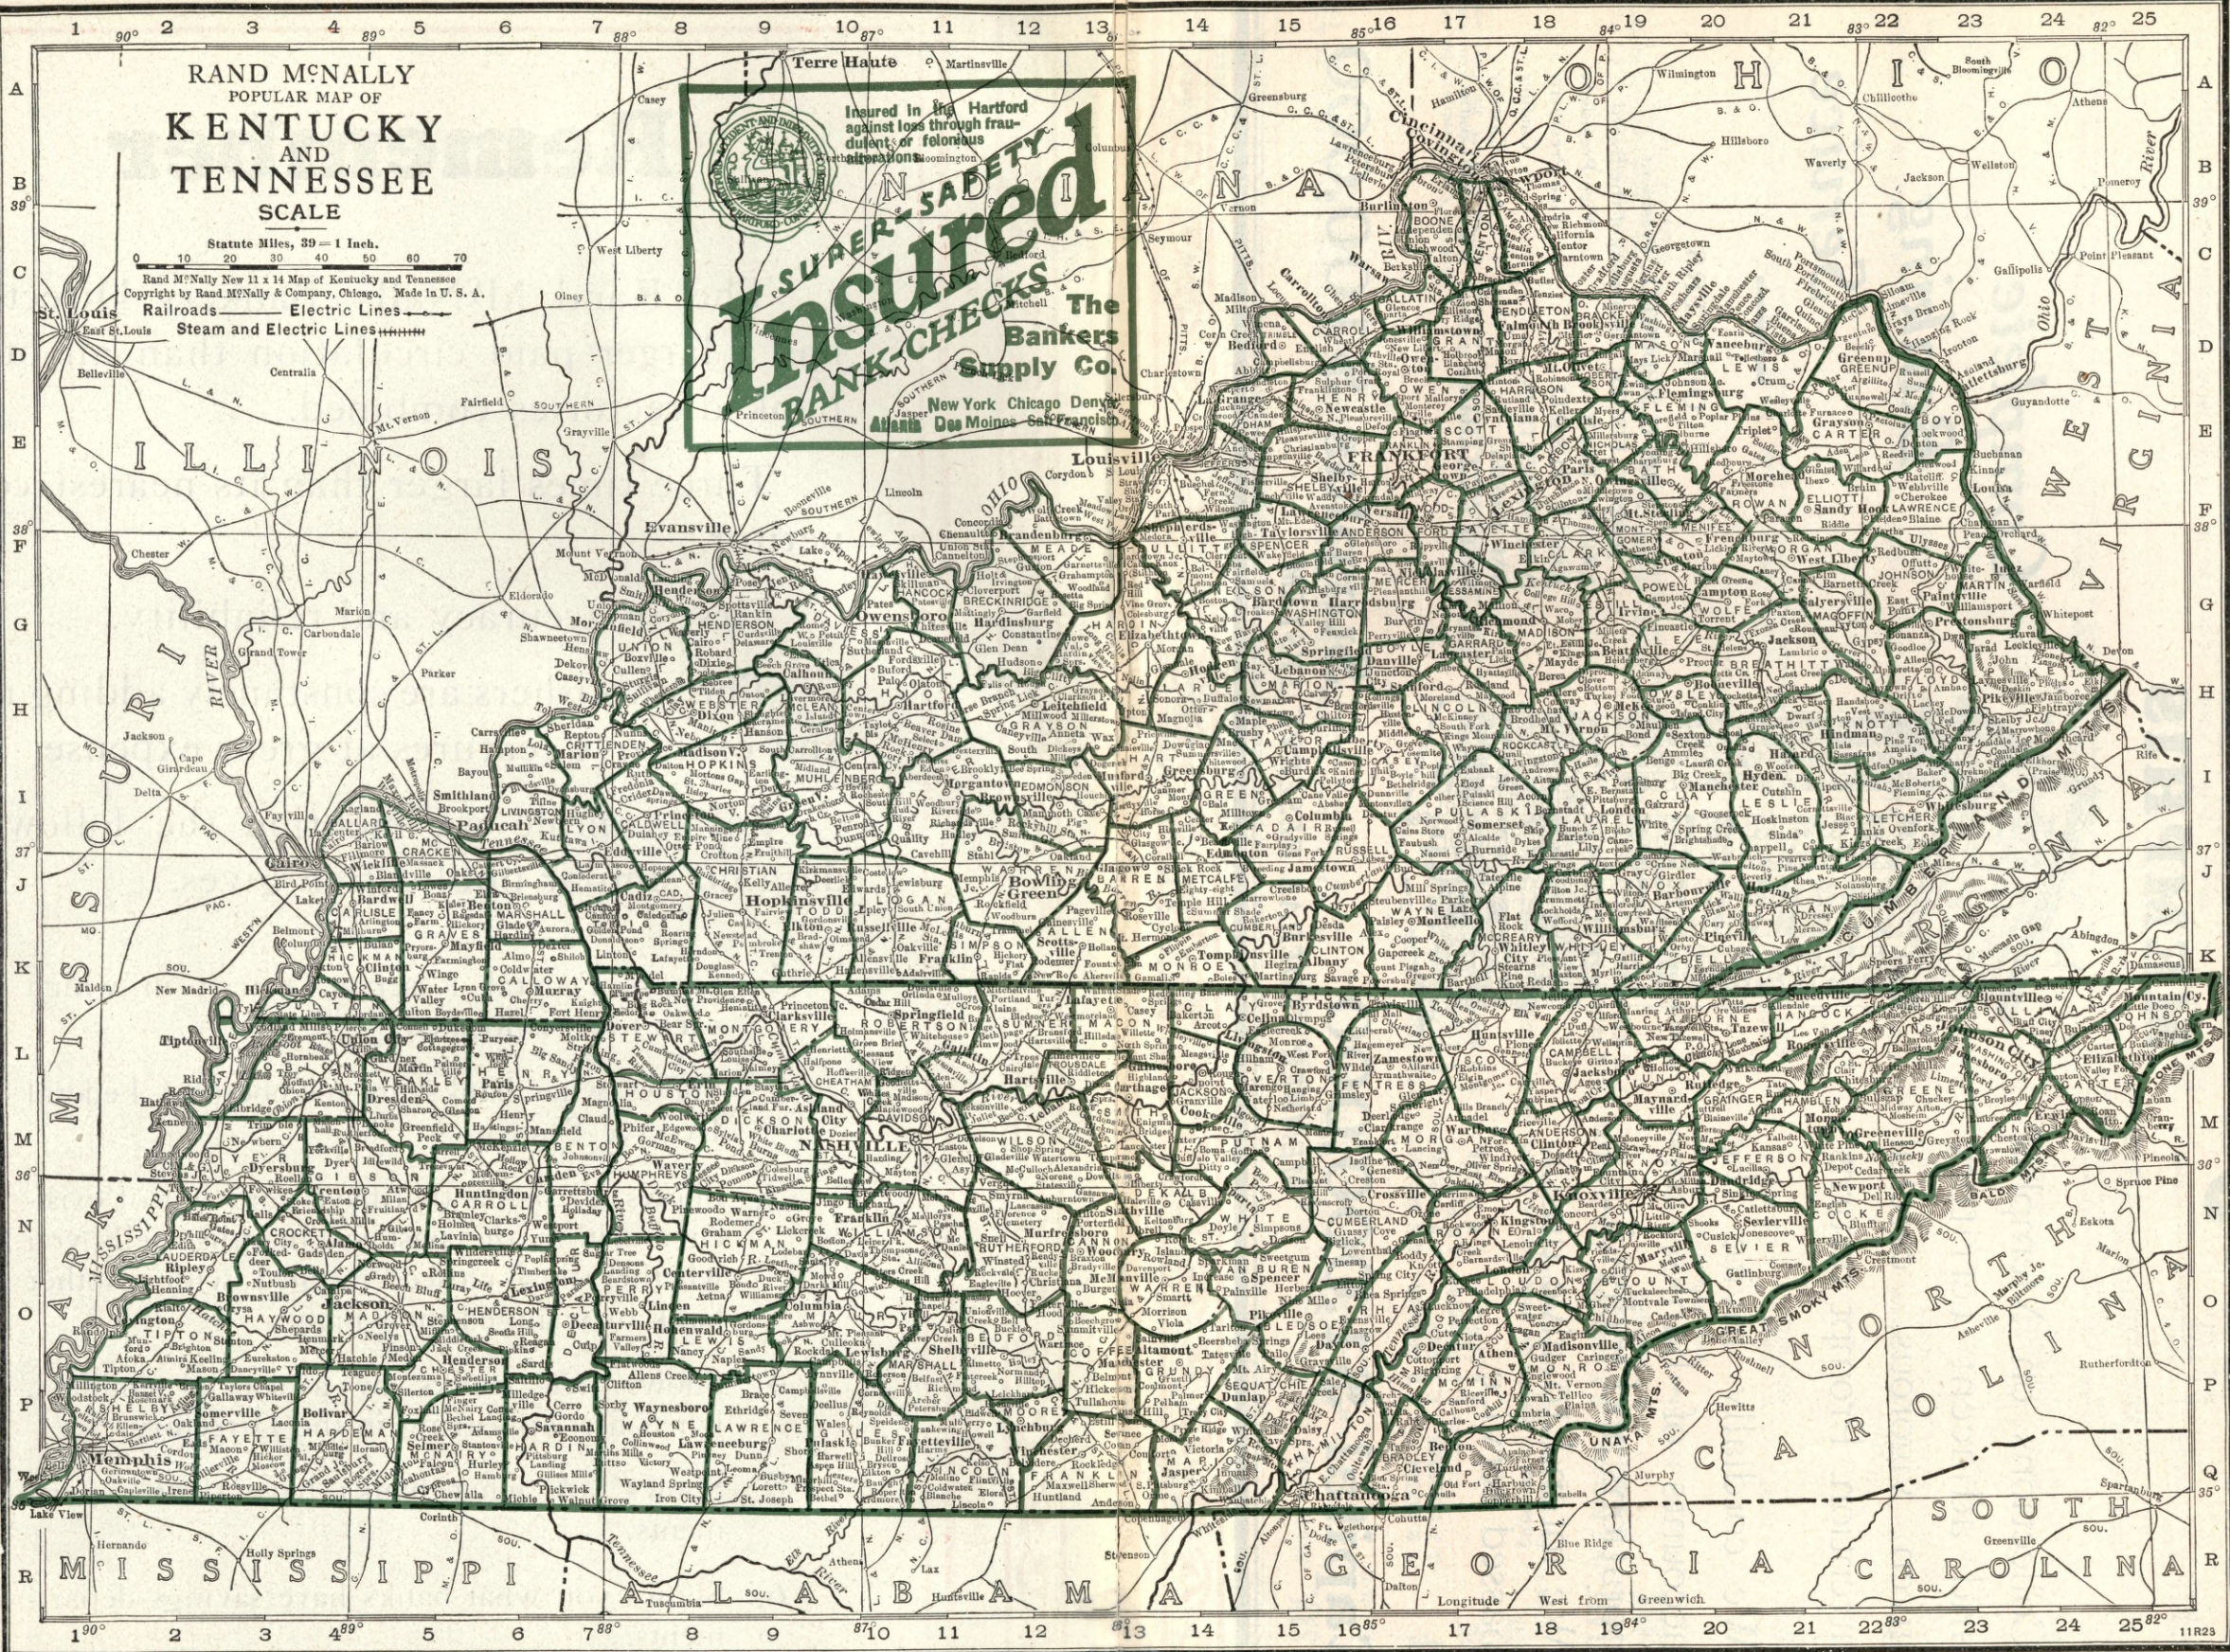

For example we mention the following data no similar publication gives.

1. Shows Federal Reserve District in which each town is located.
2. Shows what banks are members of Federal Reserve System.
3. Shows all banks that have gone out of existence within the past six months—tells you whether they closed, merged with another bank or changed their name.
4. Shows new banks by a special emblem, when first appearing in the Directory.
5. Shows you what banks have trust departments.
6. Shows you what banks have savings departments.
