

The outline of BANK HISTORY

THESE three long shelves of books—
RAND McNALLY Bankers Directories
from 1872 to 1923—represent the evo-
lution of financial America through over
half a century.

They picture not only the growth of
banks in size and numbers, but symbolize
a service which has been contemporaneous
with fifty-two years of banking progress.

Back of every RAND McNALLY bank pub-
lication lies the accumulated experience
gained in rendering this service. When the
first Bankers Directory was compiled in
1872, certain unchanging truths in the bank
field were learned. Year by year this
knowledge has expanded.

Your subscription for any RAND McNALLY
bank publication is a draft on unmatched
resources of bank information.

Banks Advertising give Prompt Attention to Collections and Correspondence

"The Laborer is Worthy of His Hire"

THE "Fee in Advance" System, inaugurated ten years ago by the BANKERS DIRECTORY, is one of the most appreciated innovations in the bank field as it assures profitable co-operation between the bankers and the Directory.

To our advertisers the card below is furnished free:

We acknowledge with thanks receipt of your {Draft
Request for Credit Report } on _____

Believing that the "laborer is worthy of his hire" and that you do not want something for nothing, we respectfully call your attention to the following rule of this bank which we are spending considerable money to announce through the great national forwarding medium—the Rand-McNally Bankers Directory and List of Attorneys.

"COLLECTIONS AND REQUESTS FOR RATING will have our prompt and careful attention, PROVIDED same are accompanied by the following fee IN ADVANCE:

Collections - - - - -	15 cts. each
Requests for Rating, minimum fee - - - - -	25 cts. each

This rule does not apply to Drafts with Bills of Lading attached, or to Notes."

Fees accompanying collections will be credited as part of regular exchange charge on collections made. In complying with request for rating, all statements will be made upon information which this bank believes to be reliable, but further than that it assumes no liability whatever.

Upon receipt of fee, this business will be handled promptly.

Date _____

W. K. Bowman, Sec., The Kansas Bankers Association, says:

"The handling of collections is an incident of the banking business and while oftentimes a source of profit, it becomes quite as frequently unprofitable in that so great a number of sight drafts received for collection are received, entered, presented and returned unpaid either for a good reason, an indifferent reason or no reason at all, notwithstanding the bank has performed all its duties as promptly and as skilfully as if the item had been paid. The bank is out its time, labor and return postage. The loss from this source greatly diminishes the net profit on the volume of collections actually made.

"The Rand McNally Company, publishers of one of the leading, if not in fact the leading bank directory, offers a suggestion worthy of consideration. This valuable publication circulates not only among the banks of the country, but has a wide and ever increasing circulation among the jobbers and wholesale institutions. The suggestion is that country banks quite generally insert in connection with the bank's name as it appears in the directory, a line very briefly setting out the minimum fee which the bank will require as a condition for handling sight draft collections, inviting the business on that basis. While this would not prevent all unprofitable business being sent to the bank, it would tend to largely reduce it. It would, moreover, enable the jobbers and wholesalers to choose the more intelligently in routing collections. No better medium could be selected to test this experiment than the Rand McNally Directory which is not only a leader, but enjoys the distinction of having been designated the official numbering agent for the American Bankers Association."

Get Your Credit Report from the Banker—Use the Blue Book whenever you want a report on anyone anywhere. Find the town, select one of the Banks advertising, write your letter, enclose the fee 25c or 50c, mail the letter and your part is done—the Bank will do the rest. These Banks advertising in the Rand McNally Directory specialize in this service. They are prompt, intelligent and efficient.

Remember

The Rand M^cNally Bankers Directory has a larger paid circulation than all other bank directories combined.

Three times larger than its nearest competitor.

First in accuracy and reliability.

The publishers are constantly adding new and exclusive features at great expense.

For example we mention the following data no similar publication gives.

1. Shows Federal Reserve District in which each town is located.
2. Shows what banks are members of Federal Reserve System.
3. Shows all banks that have gone out of existence within the past six months—tells you whether they closed, merged with another bank or changed their name.
4. Shows new banks by a special emblem, when first appearing in the Directory.
5. Shows you what banks have trust departments.
6. Shows you what banks have savings departments.

*An Ally
of Business
Since 1869*

OVER half a century ago, during an important period in the history of the Maritime Provinces, a small banking firm was formed to fill a definite need in the commercial life of the community.

From this modest beginning, through a careful yet progressive banking policy, The Royal Bank of Canada has developed with the Dominion, till it now occupies a position amongst the most powerful banks in the world.

Besides the advantage of this mature experience, its Customers and Correspondents have the security of the sound business management and financial strength of an institution world wide in its influence.
