NEIGHBORS

The exchange of opinion and of information between neighboring bankers is of the utmost value as a basis for business decisions. That is why there are bankers' conventions.

But such neighborly intercourse is obviously impossible in thousands of cases. One bank may be in a city on the Atlantic coast; another in a western town.

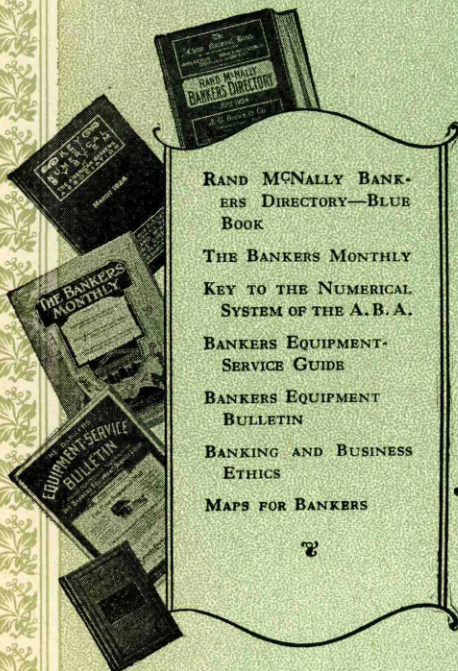

The RAND McNALLY Bankers Directory makes neighbors of all banks. It gives you the cold, definite facts concerning any bank. It gives them to you in the absence of the influence of any personality. It gives you a complete check on the standing of any bank you have in mind. It shows you at a glance prevailing conditions; the prosperity of any community as reflected in the bank's figures.

Among the banks of America the name RAND McNALLY stands for over fifty-two years of service and experience. Our prestige gives us access to unlimited sources of information. That is why the RAND McNALLY Bankers Directory is the most complete and most accurate bankers' directory ever published. That is why it is accepted by all bankers as the standard book of banking reference.

Bonded Attorneys Insure Your Collections

What Forwarders say:

Des Moines, Iowa.
 "I find that your representatives, as a rule, are attorneys of the highest order."

Bainbridge, Ga.
 "In connection with your bonded list, we feel sure if you will continue your effort it will, in the course of a very short time, be among the leading lists of the country."

Charleston, S. C.
 "We are using your list whenever possible. We believe it to be an excellent medium."

Bellingham, Wash.
 "I want to write you to state that I think you are going at this matter in the right spirit and that ultimately Rand McNally's should be one of the very best forwarding lists we have."

Deadwood, S. D.
 "Of course what the forwarder, whether he has much or little business wants, is service, and we are confident that your list contains the names of aggressive and qualified attorneys."

Gulfport, Miss.
 "I am using altogether for forwarding business your list. I have found it of great value to our office, and find that persons you recommend are prompt, efficient and reliable."

Waco, Texas.
 "I believe you have the best proposition as a business getter for the Commercial Attorney on the market and I believe you are going to develop it into the best attorneys list."

Hillsboro, Texas
 "I want to assure you of my appreciation of your untiring efforts to make the Rand McNally Attorneys list one of the most popular and reliable lists in the country."

Knoxville, Tenn.
 "We fully appreciate the value of your work and shall be pleased to send a fair share of our business through your attorneys."

Louisville, Ky.
 "We invariably use Rand McNally's Bonded List. In our judgment it is superior to any list of attorneys our long experience has."

Nature of Bond

The Publishers of this Directory have paid for and have in their possession a Surety Bond of The American Surety Company of New York on all Attorneys whose names appear in the Attorney List (excepting those listed under the heading "Foreign Attorneys") made to them as Trustee for the Forwarders of Business to Bonded Attorneys in the Rand McNally List of Attorneys.

Amount of Bond

Each Attorney in this List (excepting those listed under heading

"Foreign Attorneys") is bonded for the sum of two thousand dollars.

Coupons must be used

All business forwarded to Attorneys must be accompanied by the coupon provided for that purpose, opposite beginning of the List, and the notification coupon must be properly filled out and forwarded to the Publishers at Chicago within thirty days after the forwarding of the claim to the Attorney. Additional books of coupons furnished upon request, free of charge.

Coupons Inserted in Bankers Directory for use of Clients

Each Attorney in our List (excepting those listed under heading "Foreign Attorneys") is bonded by The American Surety Company of New York for the sum of two thousand dollars. Any one having business to forward to any Attorney in excess of the amount of the bond on said Attorney, may upon application in writing have the Attorney's bond increased.

The publishers have caused this bond to be taken out with a Surety Company, because, on account of the nature of its business, it is in a better position than are the Publishers to protect subscribers. The American Surety Company of New York (Capital and Surplus over \$6,000,000) has been chosen because of its exceptional strength and its prompt-

ness in meeting just claims.

The Rand McNally Bankers Directory and Bankers Register with List of Attorneys has the largest paid subscription list of any similar publication. Its subscribers represent more capital than those of all other lists combined. We hope to be able to bring our lawyers, our banks, and our commercial houses together and to build up a big community of interest to the mutual benefit of all.

To this end, we urge all subscribers to use these bonded lawyers whenever it is possible. Business begets business, and lawyers should cooperate with each other.

In using our List subscribers are protected by the bond and the high character of the Attorneys.
